County queens

Leigh Ann Alford and Garrett Brooks, both from Pilot, are all smiles after being crowned in the Franklin County pageant.

Fourteen contestants competed for the titles. Each was judged in sportswear, evening gown, personal interview and talent categories.

Miss Alford, a second-grader at Bunn Elementary School, performed a clogging routine to the song "Step In Time" from the movie "Mary Poppins."

Miss Brooks, a sixth-grader at Bunn Elementary, performed a jazz dance to the song "Never Had a Friend Like Me" from the movie "Aladdin."

The dances for both contestants were choreographed and taught by Melinda Pearce Davis of the Massey School of Dance in Zebulon.

Both winners now advance to the 1994 Little Miss North Carolina Scholarship Pageant to be held in July.

FROM: JARVIS WESLEY PERRY, SR 2007 BOOK BY: NED KLAPP PERRY, SR - PG 40-43

On pages 40-43 of the above book the author describes in detail the life and family of Benny Laster Perry "Ben" born 1924 (FL NC). He is the current owner of "Perry's Mill Pond on Norris Creek in Bunn's Township in Franklin Co, NC. For complete details on Ben & the Pond one is referred to the Book or to the Profile of Ben or to the file on Perry's Pond where the full article appears. The following salient facts are extracted and compiled as follows:

- 22 MAY 1778 Joseph Norris acquired land on Little Crooked Creek in Bute Co, NC from the State of NC & established a pond & mill on the creek which name was changed to Norris Creek.
- 1806 - Property transfered to son JOHN NORRIS
- 1810 - Property sold to William Harrison who owned Cedar Creek Plantation West of Royal Community on US 401 in Franklin Co NC.
  Pond renamed - Old Harrison Mill & Pond.
- 1860 Property sold to Dr Edward Alston Crudup & wife Columbia & name changed to Crudup's Mill & Pond. Dr Crudup owned a large Plantation NW of Bunn
- 1904 - 1934 - several short term owners
  1934 - Property purchased by Zelulon Oil & Ice Co
- 1937 - Property purchased by Clifton L. Perry who farmed near the headwaters as did his forefather Clifton added a store and made many improvements
  1970 - Property transfered to son Benny Laster Perry who in 1977 wrote the History of the Pond.

NOTE: This reference has profound importance for Upchurch History as the first Upchurch land in the area ever purchased by Richard U, II (who had arrived about 1755) on Little Crooked Creek from Lodowick Alford. This article provides evidence that the Little Crooked Creek was actually what is today known as NORRIS CREEK

1778 Wake County Land Warrant 640, 20 Oct 1778

John Ledbetter enters 600 acres of land in **Wake Co.** lying on the north side of Neuse river, and on **both sides of Rocky Branch joining the lines of Julius Johnston, Lodwick Alford**, and **Isreal Privitt**, including said Ledbetter improvements. 600:50/15[i]

i Wake County North Carolina Court of Pleas and Quarter Sessions 1778-1794 (Wake Co NC Land Warrant 640 20 Oct 1778)

If Benjamin Upchurch's wife Nancy was indeed a Ledbetter, she probably connects to this John Ledbetter. What do you think?

Phil, you may already know all this, but if not, the dates may be of interest. In doing additional work with Margaret Hofmann's Granville Grant abstracts, I came across the following references to Richard Upchurch and William Upchurch. These two individuals appear as Sworn Chain Carriers in several Granville Grant surveys.

Richard Upchurch: Hofmann V2 #1323, #1330, #1703; V4 #2277, #2903, # 3675 (some duplication between grant abstracts and miscellaneous records) [NOTE: THESE DATES DICTATE THAT THIS RICHARD IS RICHARD U, II - RPU XID-152 → BROTHERS]
Dates: 1760-1761
Land location: Crooked Cr vicinity, Granville Co, NC
Grantees: Lodowick Alford, Julius Alford (Terrall Cross Road), Jacob Hartsfield, William Smith

William Upchurch: Hofmann V4 #2520 [NOTE: THIS DATE DICTATES THAT THIS WM U = WILLIAM U, II XID-161 - RPU]
Date: 1763
Land location: Pedlar's Br vicinity, Granville Co, NC
Grantee: Jacob Catchum

Full abstract information is available in Margaret's volumes. Jim.

RPU Commentary: (13 NOV 2013)

1. This is a more complete description of what is already in my files. It is tempting to say that Richard U, II, now on 3 APR 1773 located in the High Ground Triangle (It was in Wake Co, NC 1771-1787) is selling the 200 acres he bought in 1769 from Lodowick Alford - However the 1769 tract was said to be on the SS of Crooked Creek whereas the 1773 sale reports the 200 A on the NS of Crooked Creek. To be sorted out is that Richard U, II bought & sold other tracts in Bute County.

2. Re the People cited on the 1773 sale:

△ a. Joseph Reddick - Adjacency to only connection to Richard U, II

△ b. John Alford - Relationship - just a witness - Is there more to be learned

△ c. Green Hill - There are several by this name Is there more to be learned

d. FLOYD WILLIAMS: - I label him △ FW I - need proof

"**Francis Johnson** is Appointed Overseer of the Road from a Certain White Oak to the County Line in the room of Julius Alford"[20].

[20] Bute County, North Carolina Minutes of the Court of Pleas and Quarter Sessions, 1767-1779 Wednesday after the second Tuesday in February 1769, page 37.

"Ordered that **John Rose** be Overseer of the road from Davis's Meadow to a Certain white oak Perrys bounds and that the hands of **Francis Johnson,** Richard Smith, Richard Upchurch, Samuel Wright & Floyd Williams assist him in Clearing the same in repair"[21].

Note: In Julius Alford's Will, he left "the plantation John Rose lives on" to Goodrich Alford his son. The Will was written 13 July 1768 and probated in November 1771[22].

1771 in Bute County Court

"Ordered that William Tant be Overseer of the road in the room of **Francis Johnson** & Ordered that he keep the same in repair with the Taxables usually working thereon"[23].

"Ordered that **Jacob Hartsfield** be Overseer of the road in the Room of **Francis Johnson** & it is further ordered that he keep the Same in repair with the hands usually working thereon"[24].

Notes: Jacob Hartfield along with Julius Alford had crooked Creek grants. (See attached map.)

"Francis Johnston" is listed in the Bute County 1771 Tax List[25]

1771 WAKE COUNTY was created in part from the Northwestern part of Johnston County

SEPTEMBER 1772, Wake County

Julius Johnston's name appears on a "Jurors Road List" to lay off a new road from the Bute County line, crossing Moccasin Creek and continuing on and intersecting a new road at Mark's Creek.

Some (but not in any order) on the list are William Pace (2), Benjamin, Moses, Richard and Charles Upchurch, Edward Hocutt, Pettypool Massey, Edward Earp [26].

1777 Nash County created from lands in western Edgecombe County

1778 Wake County Land Warrant 640 20 Oct 1778

John Ledbetter enters 600 acres of land in **Wake Co.** lying on the north side of Neuse river, and on **both sides of Rocky Branch joining the lines of Julius Johnston, Lodwick Alford**, and **Isreal Privitt**, including said Ledbetter improvements. 600:50/15[30]

1779 Wake County **"Jany. 1st, 1779 Charles Upchurch enters three hundred acres of land in Wake County on the south side of Mokason Creek, joining the lines of Pettypool Massey,& Julias Johnstone. Including an improvement made by said Johnstone** [34].

"Caveat Entered by Julias Johnston. Land given up by Upchurch to Johnston and the money returned"[35].

"Febry 1, 1779. Julias Johnstone Enters 640 acres of land in Wake County, Beginning at **Elisha Strickland's line at Pettypool Massey's corner , running south to Joel Bolton's corner, thence west, including said Johnstone's improvements.** [36]

March Court 1782, Wake County

"A Deed from Richard Upchurch to Julius Johnston was in open court and duly acknowledged & ordered to be registered[38].

1782. **Wake County, North Carolina, Court Records Book B1, p. 238, 20.**

December 1782 Richard Upchurch conveyed deed to Julius Johnson[39].

In 1782 or 1783, Julius Johnston is listed in Captain William Earps District in Wake County [40]. He is the only Johns(t)on in the district. He owned 740 acres of land, 2 horses, 9 head of cattle and no Blacks. It appears that his neighbors were some from the earlier days on Crooked Creek but are probably a later generation.

The list contains Lodwick Alford. Charles Upchurch and Julius Johnston next to one another. Two names away is Richard Upchurch Jr. and he is on the page with Benjamin Upchurch, Charles and William Pace[41].

Nash County, 1786 **JULIOUS JOHNSTON of Nash Co, NC**, planter to **NATHAN UPCHURCH**, planter, Aug 21, **1786**, for 40 pds specie a tract of 250 acres on the **waters of Mocoson Creek** and on **Julious's Branch adjoining JAMES BOLTON**, it being part of a survey taken up by said **JULIOUS JOHNSTON**. Wit: **RICHARD UPCHURCH**, BENJAMIN SEEGRAVES[42].

Note: A search of the Nash County Court Minutes, Deeds and Land Entries reveals no Julius Johnston records in Nash County. However, this deed shows that he was in Nash County at the time. One must remember that the "corners" area of Johnston / Wake, Edgecombe / Nash and Granville / Bute / Franklin was not a large area.

Wake County, 1787 **"A deed from Julius Johnston to Nathan Upchurch** was in open court duly proved by the oath of Richard Upchurch a Witness thereto and ordered to be registered"[43].

(10) FROM: Medlin Family Entry 1 MAR 1994 - pg 6

On February 9, 1748, Richard Medlin, Jr. is listed as a chain carrier with William Cade on a survey of land deeded on April 30, 1753 to Lodowick Alford for 600 acres on north side of Little Creek in Granville County and Johnston County.

On October 8, 1754, Joseph Medlin and John Medlin (misspelled Meldey) were included on a muster roll of the North Carolina Militia Regiment in Granville County, North Carolina, under the command of Colonel William Eaton. Joseph Medlin was enlisted in Captain Osborn Jeffreys' Company along with his neighbors William Maynard, Julius Alford, James Bolton, and William Cade. John Medlin was enlisted in Captain Benjamin Simm's Company along with neighbor Lodowick Alford. The house built in 1770 by Osborne Jeffreys, the first sheriff of Franklin County in 1779, is still a current well-known landmark in the southern part of modern Franklin County, between Crooked Creek and Little River, just above the Wake County line.

Dear Wick.

Thanks for the materials provided with your letter of 29 AUG 1987. I had not seen these items before and they provided some very useful information. The families recorded were from Western Wake Co NC and the Upchurches involved are on my outline. They are all of the Moses U Clan or the Nathan U I (My GGGF) Clan. Let me know if you want the Page Outline returned.

I read in the Wake Co Genealogical Society Newsletter about your new book Congratulations. Would you be interested in trading a copy of your book for the 1986 and 1987 issues of my Upchurch Bulletin. This might provide a benefit to us both at little out-of-pocket cost.

We have a new grandson born in Tucson on 31 AUG 87 - Named George Michael Schuler after Michael U, the original immigrant, of whom he is an 11th generation descendant.

Sincerely yours
Phil Upchurch

Dear Phil:

What are you doing way out there? Nothing heard for a long time.

Here is some material I came across that might be of interest to you. Someone gave me a stack of old genealogy periodicals and I have been wading through them.

The Page family material was sent by Jane Brownlow of Crompond, N.Y. Keep it if you like or return. Do you know about the Upchurch folks on pages 110, 111, 115, 116?

Lets keep in touch now.

Sincerely,

Nick Alford

Dear Wick,

In your letter of 23 APR 1986 you provided a photo and related materials for High House in Cary, NC taken circa 1900. I have now made copies and the originals are returned herewith for your files. Thank you for the loan.

All of the details regarding the photo and related materials have been entered in the respective Biofiles. The only special relationship encountered so far is for Lula Near who md a gz of your Nathaniel Green Alford and had one child who md and had issue. Lula Pauline Near b 4 AUG 1873 d 10 JUN 1959 (Bur - Montlawn, Raleigh, NC) married 3 times. Her 3rd was to Charles Franklin U b 17 JUL 1854 (Wake Co, NC) d 20 OCT 1940. Charles had been md once before and had 3 children by his 1st wife. By Pauline he had 2 of whom I am personally acquainted with one. Between marrying Stedman + Upchurch, Pauline md — Stevens who died 2 yrs thereafter. There were two Stevens children Ernest + Bernest. Bernest died as a child.

(2)

If you need more details on Lula Pauline Near let me know.

I have a packet of information from Gil Alford which is yet to be processed. Some questions may grow out of the processing.

The Will Upchurch mentioned in connection with the photo has not yet surfaced but it should in due course. He almost has to be a grandson of Moses U or Nathan U, the two brothers who settled just west of Cary, NC in 1802.

Stay in touch.

Sincerely yours
Paul Upchurch

Dear Mrs

Thanks for your letter of 7 MAR 86 and for the family group sheet which is here returned as you requested. I have made a copy and also have created a couple sheet for each individual involved for my alphabetical file. Although several of the families seem related to various segments of the Upchurch family I was not able to link a single name to a defined Upchurch line. That will come in due course as more couples are created.

At first glance I thought Zadock Ray would fit in for sure. My GM was Aurora D. Ray, the dau of Buckner Ray. She had a brother Zador Ray but he was born ca 1840 and thus a possible but unlikely candidate for the Zadock Ray who md Clara Alford b ca 1816. It could quite well be that Buckner Ray had a brother Zadock(h) Ray who could have been the one who md Clara. My Rays lived about 4-5 miles NE of Cary, NC so were

in the general area. I have not collected much on the Ray's. The Morings and the Upchurches intermarried but I cannot yet fit Fielding Moring into the scene. The Will Upchurch who said Lonie Williams has to be a descendant of my GGGF Nathan U I or his brother Moses U but so far the facts do not fit together. I would be happy to have a xerox copy of the photo of Lonie Williams and her family.

At present my general pattern is to get back to Wake Co, NC about once a year. I have two sisters there and my wife's people are there. I would love to spend more time there but every month seems to be crowded with something.

Thanks for letting me have your Houston connection. I recently finished reading a biography on him which was most interesting. He was a great man.

I hope we can continue to be helpful to each other

Sincerely yours
Phil Upchurch

Dear Phil:

FILED WITH NATHANIEL GREEN ALFORD

Thanks for your letter of 23 March. And here is a family group sheet for Green Alford showing his two sons and nine daughters. You will notice I am missing a lot of information. But it has taken me twenty years to get this far, and a lot of what I have is shaky. Most of the birth years are my estimates based on a couple of anchor dates and the 1850 census.

1847 - RPH

The children are listed in the order shown in Green's will probated in 1949 which I assume is the order of birth. Six of the married names of the daughters were given in the will. Family tradition has it that Martha Helen was married three times and had no children. Don't know which of the three was Edwards. I know some of the descendants of Susan and John Quinton Adams and they claim Susan was born 1824. So the jury is still out on that. Clara and Zadock Ray are mentioned in Susannah Alford's will. There are intimations that Ray was a ne'er do well and that Clara later married a Calvin Yates. Fielding Moring is mentioned several times in Eliz. Murray's history of the county. Moring was in the state legislature 1868-70. He lived west of Cary and must have been neighbor to your folks. And of course you know the Utleys. One of the descendants of William and Lucy(Utley) Alford is State Senator Dallas L. Alford of Rocky Mount.

near Ross

I have nothing on Robert Williams or William Jones but there were many of those families around. Also know nothing of Baldy H. Howell. There was a general store belonging to a Howell in Green Level in 1872.

The only headstones that I could read at the High House family plot were those of J.B.& Mary Delaney(Alford) Stedman. Some of their descendants, a Williams family, were living there in the High House at the turn of the century. I have a photo showing the family out in front of the house and it includes a teenage daughter named Lovie Williams who married Will Upchurch. Does that ring any kind of bell with you? Lovie's parents were Nathaniel and Amanda Williams. Gil Alford has the photo now but when he sends it back will be glad to loan to you. I have no idea whether this Williams family

Dear Lodwick,

Thanks for your letter of 15 MAR 86 and for the map. You may keep the other I sent. I am fascinated by the fact that your GGF lived in the "High House" which is so close to where my ancestors lived. I was along that road last month and had no idea about the existance of the famous house. Will certainly look on the next trip.

Although we have not yet established any linkage between the descendants of James Lodwick Alford and the Upchurches there is a strong probability that some exist considering the close proximity in which they lived. Could you send me a full list of the children of Nathaniel Green Alford along with the full names of their spouses (full maiden names if mines if available) plus any dates available. I will create a biofile for each and then

have a base for measuring a relationship as the files are periodically (constantly) remarked.

Could you tell me what the "H" in your name stands for?

How long since you have been to Wake Co, NC? I am sure you will enjoy your trip. Don't forget to have some NC Pork Barbeque. "OT's" on Highway 55 just north of old 64 in Cary (about 1 mile NW of Apex). Do you have the names on the monument in the center of Holly Springs? Perhaps you would be kind enough to copy all of the names & inscriptions and share them with others. I think it is all and was related.

I have a nice letter back from Gilbert Alford of Florissant, MO. He sent me a copy of his newsletter and I will respond. He wants all my Alford files and I'll gladly share same.

All the Best

Sincerely Yours

Dear Cousin,

Many thanks for your interesting letter about where you and your forbears lived in Wake County.

I see I was not very clear in my previous letter, all was my father [WILLIAM LEDRUS HAYWOOD ALFORD] who grew up in Wake County. He migrated to Worth County, in southwest Georgia in 1885 and I grew up there.

I made some notes on one of the maps to show places of my ancestors and location of Pleasant Grove Baptist Church. Unless you want them back will keep the other two maps. → see map file

I see my great, grandfather [NATHANIEL GREEN ALFORD] Green Alford was a fairly close neighbor to your ancestors around the village of Upchurch and Green Level. My Green lived in the famous High House on High House road. The house is mentioned on page 17-18 of a book "Around and About Cary" published 1970 by Jerry Miller & Thomas Byrd.

Dear Capt Alford

Thanks for your letter of 27 FEB 86. I have written to G.A Alford, Jr in Florissant, MO to see if we have mutual interests. I am not so much concerned about the ancestors of Kesar Alford but am keenly interested in the descendants of Kesar and his wife Maude M. Upchurch. Of course more research may turn up other marriages between Alfords and Upchurches thus sparking new mutual interests.

While it is true you and I do not seem to have a high level of mutual interest I am certain to sort out the area of NC where you and I grew up since they seem to be relatively close. I have not been able to locate Pleasant Grove Baptist Church on my maps. Perhaps you could advise on that point.

Enclosed herewith are 3 xerox sheets of my Wilson Co, NC map. My GGGF Nathan W I, settled at the yellow spot marked 'A' in about 1802 and he owned about 100 acres as shown in yellow.

His brother, Moses U, settled at B. Children & Grandchildren of these brothers have for generations since populated western Wake Co and nearby areas. Whitney U, a son of Moses, lived in the Holly Springs area. My GF, Bartley Jefferson U was born at Green Level (A). but after returning from the Civil War settled in about 1869 at 'C'. He owned about 1000 acres as marked in yellow. Some of this property is still in the family. The B J U home was at C2 and my father was born there in 1880. I was born at the spot marked X (C1) and lived there and next door to C2 until I left home at age 16 in 1944.

If you are so inclined I would be happy to have from you a description of where you and your father lived in Wake Co, NC. With this information in the files I might encounter, at some point in the future, facts of mutual interest.

Sincerely Yours

Dear Mr Alford,

I have noted your query in the FEB 1986 issue of the Wake Co. NC Genealogical Society Newsletter. I am not sure I can help but my Upchurch ancestors came from the central NC area and they did intermarry with the Alfords. The only bio file sheet I have on a James or a Lodwick Alford is enclosed. Let me know if you have questions on this.

I do have bio files on 61 other Alfords. Most of them are from the Zebulon, NC area and descend from the marriage 1 JAN 1841 (Franklin Co. NC) of Martha M. Upchurch b ca 1822 & Kinsey Alford b ca 1813 d ca 1890 (Franklin Co, NC) (Bur - Franklin Co, NC). Let me know if you need copies of the 61 bio files.

There is an Upchurch/Alford cemetery near Pilot NC (a mile or so east of Zebulon).

My GGGF William H & his brother Moses H settled about 3-4 miles north of Holly Springs in 1802 and some of their descendants were in the Holly

Some details on my Upchurch interests are enclosed.

Dear Mr. Upchurch:

Thank you so much for your response to my query. I have known for almost 10 years about the marriage of Kisar Alford and your Martha Upchurch.

But have never been able to find out what is his Alford line. From what I know I suspect we might have to go back as far as James Alford, b.ca 1690 to find a common ancestor. So I have not pursued the matter. What I have I got from Edythe Medlin Tippett(Mrs.CL.) of Zebulon, whose paternal grandmother was a granddaughter of Kisar & Martha. In 1977 that was about all she knew about Kisar but she may have traced the line further since then. Perhaps you know her already since she is also a member of WCGS. She gave me a pedigree sheet and I would be glad to send you a copy if you like.

I am intrigued that you were born 4 miles east of Holly Springs. That is exactly the miles I have been guessing that my father was born east of Holly Springs and about one or two miles west of the Pleasant Grove Baptist Church on the road between the two. My grandparents are buried in the churchyard cemetery. I have not been up there since 1977 and I suspect my sense of directions and distance may be skewed. My father died in 1931 when I was only 16 but I have a vague recollection of him mentioning some Upchurch neighbors when he was growing up. I am planning to go up there again this year and refresh my memory on the lay of the land.

While you and I don't seem to have much common interest, lets keep in touch and on the lookout for each other's surnames. Meanwhile let me suggest you write Gilbert K. Alford, Jr., 1403 Kingsford Drive, Florissant, MO. 63031. He has nearly every Alford line on computer and may be able to tell you where Kisar Alford fits in. Thanks again.

Sincerely,
