Hi Nita---

i am delighted that you found my website. WE are in the process of substantially upgrading the site and are in the midst of perfecting the ability of viewers to read and search the 4,000+ pages of the Upchurch Bulletin which are now on the site. If you had trouble navigating the site we hope to soon have such issues resolved.

In the meantime if you are so inclined I would be happy to have the name of the grand parent that links you to earlier generations. Any dates or places would be helpful. I'll then search my files and let you know how you are connected back to your Clan Head and possibly more.

Best Wishes!

Phil Upchurch

Hi Nita---

I have had a quick look at my records and can report that you belong to the Richard U.,III/Britton U. Subclan. I have quite a bit on this group including showing six children of your ancestor Joseph Paul U.born Nov 1897. I assume one of these is your ancestor. Could you let me know the one from whom you descend. I am in a rush right now to prepare for a meeting with my CPA next Wednesday and am behind. If we pool your information and mine and look to the Internet for more I am sure we can improve the record on your part of the family. I look forward to working with you on this. In the process you will learn a lot about your Upchurch heritage and I am sure I will learn a lot as well.

We are still working to improve the ability of those who visit my website to be able to see and search all. The entire 4,000+ pages of the Upchurch Bulletin is already there but maybe not yet accessible to the viewer, So you don't need to buy the Upchurch Bulletin as we are making it free for all to see. We still need support and count on cooperators to make contributions . Let's get into it a little and you can then judge about contributing. We seek $10 to a million. I assume you would fall between those limits,

I am anxious to start improving and sharing details on your part of the family.

Best, Phil Upchurch

Thank you so much for this. It appears that my "clan" is from a little known branch of the Upchurch tree. I'm a computer novice and did have a little difficulty with the site. I have watched some of your videos and appreciate the work you have put into the family. It was only a couple of years ago that I learned enough about my parents to start searches, but I have researched my husband's Lyle family since th mid 1990's.
My GF was Joseph Paul (1898-1976) and his father (1861-1932) was also supposed to be Joseph Paul. They were born and lived in Georgia around the Atlanta area. My GGGgrandfather was called HH, perhaps Harrick, and was born in NC.

[JOSEPH L. (3)

I will go back to one of your sites and try to find out how to subscribe to the Upchurch bulletins. I really appreciate any help you could giv me.

Thank you again,
Nita

(4) Thank you for the Britton lead. I can now get my family back to Michael. My GF was a very eccentric and self-made man. I did not get to know him, as he walked away from my beloved grandmother and started a second family...what was referred to as the "common law" Upchurches. He had three childre with my grandmother and three with the other woman. I do remember living in one of many houses he had built around the Atlanta area and seeing a partially finished building with cleared land around it. I asked about it and was told that many years before PaPa had become interested in flying and started building a hanger and airstrip. He crashed during a flying lesson and abandoned the idea of becoming a pilot.
You probably have the information I'm about to give you, but some of it might be of interest:
Joseph Paul b. 26 Nov 1898 in GA d. 29 Apr 1976 in Stockbridge, Henry Co, GA married
Margaret Juanita Kincaid b. 17 Jun 1898 in TN d. 08 Apr 1990 in Fulton Co, GA
children: Joseph Paul, Altha Elaine (my mother), Shirley Jean
father & mother: Joseph Paul b. 08 Feb 1861 d. 08 Apr 1932 GA Aldora Elizabeth Lee b. 1862 d. 1936 GA
siblings: William H, Berry Columbus, Loula M, Clarence, Jesse B, Issac B, Plennie...all born in GA
grandparents: HH (Harvel &/or Harrick) b. 1820 in NC d. aft 1880 in Gwinnett Co, GA Margaret b. GA

Maybe this will fill in some blanks for you. I appreciate your time. I'll check in to your website from time to time. I can at least put aside the Upchurch fam for now and try to solve some mysteries left with my Burke clan and my husband's Lyle history.
As a senior caring for a disabled husband, I don't have a lot of time to do anything but try to give my children and grandchildren a general outline of their history. I can only hope they will continue my quest. Again, I appreciate your time, as well as your dedication to the Upchurch family. You have much to b proud of in your life.

Hi Nita---

Your recent inquiry led me back to the Harvel H. U line just as I have returned to it so many times before. The facts have been slow to unfold but with inputs from various family members and my looking for data the picture has gradually improved. I know you are working on other lines and that caring for your husband takes time. But that is what marriage is a about. My wife and I will celebrate our 65th anniversary this summer.

I am very anxious to improve the records for your grandfather Joseph Paul U., Sr and his siblings. If you are willing to take a look I'll be happy to send you my Master outline sheet for that part of the family. I keep my records manually so would need your mailing address. I show the father of J. P. U.,Sr to be Joseph C. U. Perhaps we could compare notes on that as well

Joseph C. and Dora had 10 children but I find only 9 so suppose one must have died as an infant. Most of your names and mine match up but not completely. I believe Clarence and Plennie are the same. Issac B. I believe to be Oscar Clayborne. Once you see my list we can communicate more effectively. I assume you are familiar with the areas in Gwinnet County where your folks lived. I am still feeling my way along as to cemeteries little towns, etc being hampered since *I* hav never been there.

My records are well organized to share with others so that things I send you will easily be suitable to pass along to you children and grandchildren, My records trace easily back to the Upchurch enclave in Franklin County, NC where you and I have a common ancestor in Richard U.,II who established this enclave about 1755. You can let me know later if any of that part of the Upchurch story interests you.

I suspect you have a lot of family history in your head and that you could give me a lot of hints. I'll be grateful for any time you can spare. We can talk over the phone if that works best for you.

It is always exciting for me to interact with another Upchurch descendant and it would be a pleasure to hear from you.

I've spent some time today checking GA census and Atlanta city directories, as well as trying to verify birth and/or death records. I have some tidbits that may be of interest to you:

Jos Paul U's father was Joseph C U...not Jos Paul I. He died between 1914 and 1920, as he was in the Atlanta city directory in 1914 as a drayman, but Aldora Elizabeth was listed as widow and head of household in the 1920 Fed census. I'm not sure where or why Issac B U came to be listed as a child of Jos and Aldora and can't find any evidence of his birth. Perhaps he was the infant death you mentioned. I believe Oscar C is Oscar Clarence and Plennie is another child. I do remember my grandmother talking about a Clarence and a Plennie. Jos C U and Aldora Elizabeth Lee were shown on the 1880 census as married and living with HH U in Gwinett.They were all farmers.

Here's what I have settled on as children of Jos and Aldora:

- Wm H/ Oct 1880
- Loula M/ 1882
- Berry Columbus/ Jul 1884
- Jesse B/ May 1886
- Plennie/ 15 Feb 1888
- Oscar C/ Dec 10 1880
- Nancey E/ 1892
- James Darling/ abt 1895
- Jos Paul Sr/ 1898

Gwinnett County is about 30 minutes north of Atlanta. It was created in 1818. Most records were destroyed in a fire in 1871. In the 1980's it was the fastest growing county in Georgia. I know little about this area. I spent 20 years away from Georgia as a military wife. We moved north west of Atlanta when my husband retired from the Navy and moved again almost 10 years ago to retire here in the south east corner of GA. I barely knew my grandfathe and did not know any of his family. Britton and HH were landowners in Gwinnett, but the family suffered hard times somewhere along the way and move to Atlanta to start over.

Good luck in your research. I hope I've been able to help at least a little.

Hi Nita---

Thanks for your email of 24 FEB and for the details you provided. They have been incorporated into my records.Since your email have been using odd moments to do more research on your part of the Upchurch family and along with what I had and with your input and your online research and with my online research the records for Joseph C. Upchurch, your GGGF, are being improved.

Besides you I have had just one cooperator on the Harvel U family, Charles Berry U of Lilburn, GA which is in Gwinnett County. He was born in 1922 and is now no doubt deceased. He was a first cousin of your mother. He did quite a bit of searching but we have better tools these days.

I am now turning to other parts of the family unless you want to collaborate further. However, I'll be glad to copy and to mail to you my updated files on your part of the family if you so desire. You have stimulated me to look deeper into the Upchurches of Gwinnett County and I now have a good base on which to build.

I wish you the best as you continue to look out for your husband. Noting that he was in service for a long period I extend to him my thanks for his service to our Country.

Doing family history is like eating peanuts--hard to find a stopping place. So if you want to do more collaborative digging just let me know.

Hi Nita---

Thanks for your reply. Sorry my email was so impersonal and I even left off you name. This same email was sent to a large number of people. I did not have my file for you before me at the time. I have since retrieved it and reviewed our productive exchanges for which I thank you again. I have about 800 people in my address system so you can see that I might miscue sometime.

I carry you as a member of the Richard Upchurch.,III/Britton Upchurch,I Subclan. Under the banner of Allied Families we are proceeding to enroll this Clan. Perhaps you will have a look at our developing website from time to time and contact us if you think we have mutual interests.

I well understand how family history connections can get out of bounds and that there is a limit as to how much one wishes to embrace. I have unsubscribed you and you should not receive our regular newsletters on the Richard Upchurch ,III Family. Should you wish to get back in the loop at any time just let me know.

Sending All Best Wishes~

Notes for Charles NEWBOLDS:

Charles NEWBOLD is posited to be offspring of William NEWBOLD. Part of the logic is that, like many other of these offspring, he spelled his name "NEWBOLDS". Another part of the logic is that he seems to have lived and died in the same area as a couple other of his posited siblings in Lake County Indiana [e.g., Herbert Edwards NEWBOLD(S)]. Finally, descendants of William NEWBOLD believe that he had a son named Charles, who possibly was the individual named as "Hershey", age 8, on the 1920 Census of William NEWBOLDs household in Johnson County Illinois.

Marine Cpl. **Wesit Kaosombat**, whose wife, Caroline, is the daughter of John W. and Marsha Burke of Zebulon, recently received a Certificate of Commendation while assigned with Marine Wing Support Squadron 172, 1st Marine Aircraft Wing, Okinawa, Japan.

Kaosombat was recognized for his superior performance of duty. He consistently performed his demanding duties in an exemplary and highly professional manner, a news release reported. He is an essential part of today's naval forces as they shift focus away from long-distance war at sea to handling the challenges of regional conflicts affecting U.S. interests, the release continued. Kaosombat joined the Marine Corps in February 1993.

SEATTLE, WA 98103

Dear Mrs Harrell,

On 23 OCT 1989 and on 19 FEB 1990 I received letters from you in which you provided details on the family of Lillian Edna (Upchurch) Harrell. I have been away working on other parts of the Upchurch Family and have just returned to your late husbands section. Everything you sent has been incorporated into my Master Outline and into the Biofiles for the various individuals concerned. Please accept my sincere thanks for your help.

Provided herewith is a copy of my three-page Master Outline for James David Upchurch, I and his children. There are still missing items but over the years with help ~~with~~ many people we have made great progress on this family. The numbers on the left hand side of these three pages refer to continuation sections. I

am sending you continuation section 82A (82A + 82B) which provides information on the family of Lillian Edna (Upchurch) Hassell. You will note that we are missing a few items. Any of these missing details you have or can get will be most appreciated. Please let me know if you want copies of any of the continuation sections for any of the other children of James David Upchurch, I.

It is of interest that you corresponded with your husbands late Aunt Ouie Gray (GREY?). I understand she collected a lot of family information. Wish I could get my hands on her records but I don't know who has them.

Thank you again for your cooperation. If I can answer any questions please let me know. Anything else you can send in will be a help.

Sincerely Yours
Phil Upchurch

JESSE THOMAS BURKE ① RAY-164

From: The Ray Family of Wake Co, NC By Wm Carroll Ray 1999 [RAY] Pg 15

I. Wormly Rose Ray [S/o Nathan Ray - Head of Clan]

A. Buckner Ray

Md (1st) Midda Lee Lowery - 3 Children - shown below

Md (2nd) Jane Caroline Grady - - 9 Children (see elsewhere) including Aurora O. (Ray) U & Alfonzo Columbus Ray

Buckner Ray (father of Von Ray) was born on May 1, 1818 in Wake County, North Carolina. He was named after his great grandfather on his mother's side, Buckner Pace. Buckner's father, Wormley Rose Ray, drowned in the Neuse River on or about the first of January 1822 when Buckner was only three and a half years old. Buckner's grandfather, Jesse Gill, was appointed guardian of Buckner and his brother, Henry. At the age of 19, Buckner Ray married Midda Lee Lowry on October 14, 1837. A copy of their marriage bond is reproduced on the following page. The Lowry family was among the early settlers of the area that became Wake County. They arrived prior to 1760. Buckner and Midda Lee had three children:

1. Charles W. Ray was born in 1838. On May 1, 1861 at the age of 22, Charles enlisted as a private in the Confederate Army (Company E, 14th North Carolina Regiment). This was his father's 43rd birthday and less than three weeks after cannons fired on Fort Sumter in South Carolina signaling the beginning of the Civil War. When he enlisted, Charles was issued a blanket and a pair of shoes. Pay vouchers reveal Charles was paid thirty three cents per day for his service on behalf of southern causes. He was promoted to corporal on November 13, 1861 after six and one half months of service. Military records commend Charles for his conduct in battle. Charles was 25 when he was killed on November 27, 1863 in the Battle of Silver Run near Payne's Farm in the Mine Run Campaign near Culpeper, Virginia. Charles never married.

2. Zadoc Daniel Ray was born August 10, 1840 and died at age 37 on March 8, 1878. Zadoc volunteered on his twenty-first birthday and served as a 2nd Sergeant in Company D, 30th North Carolina Infantry Regiment, Confederate States of America. Zadoc was wounded at the Battle of Cold Harbor on May 1, 1862 east of Richmond, Virginia and was captured at Kelly's Ford on the Rappahannock River near Culpeper, VA on November 7, 1863. He was imprisoned at Point Lookout, Maryland until after the conclusion of the war (June 17, 1865). Zadoc married Artelia Frances Nipper in 1868 and they had four children:

Zadoc Daniel Ray (1840-1878)

   A. Tessie Lee Ray (1871-1939) Married Wilmer Conrad Betts.
   B. Charles Maude Ray (1877-) Named in honor of her uncle who was killed in the Civil War. Maude married Jesse Thomas Burke. She lived until after 1963.
   C. Patrick Ray (- 1951). Married (first) Walena Atkinson and (second) Mina Williams.
   D. Hattie Ray (1875 - 1956).

3. Lee Hawkins Ray (1844 - 1878). Lee married John Allen and they had two sons, Charlie and George.

Buckner's first wife, Midda Lee Lowry Ray, and all three of their children, Charles, Zadoc, and Lee Hawkins, died prior to Buckner. Writing in the 5th Century B.C., the Greek historian Herodotus, "The Father of History" observed that "In peace sons bury their fathers and in war fathers bury their sons." This was certainly true of the impact of the Civil War on Buckner Ray's family.

Thank you for your very nice letter of recent date and for the very nice visit over the phone today. I am excited about having you as a collaborator on the Carpenter/Upchurch interface and hope that we can soon establish the parents of the 5 individuals who changed their name from Upchurch to Carpenter in 1803.

Under separate cover I am sending a sample copy of the Upchurch Bulletin (Vol II Issue #1). Flyers are enclosed.

Provided herewith is my crude 6 generation chart on the Upchurches. Your ancestor Benjamin (Upchurch) Carpenter was the a grandson of Richard U II (XTD-152).

Look forward to our exchanges

Dear Mr Upchurch,

In researching my Carpenter family I have recently found reference to an apparent adoption process in which the surname of Simeon, Benjamin, Jabel (later Jubal), Winifred and Churchill (sometimes Churchwell) Upchurch was legally changed to Carpenter. This was published in the N.C. Genealogical Journal, V 2, 1976; entitled "Legal Name Changes by Act of the Assembly 1800-1804". This particular action was in 1803.

These were children of John Carpenter, Franklin Co., N.C.; later Green Co, Ala. I am very interested in learning more about the Upchurch family, and wonder if you might still have copies of early issues of your quarterly which, I'm guessing, would contain the earliest history.

My ancestor was the above mentioned Benjamin; his daughter Elizabeth married Grey Sanderford, also from an early Franklin/Nash family. From that point forward (Benj. died ~~1838~~ 1865) Upchurch genealogy is not mine, so I'm doubtful that a subscription to the quarterly would help. I would, of course, be glad to pay a reasonable cost for any assistance you could offer... am not trying to save money, but just doubt that would work. Another question; do you know whether I might still find a copy of The Upchurch Family of England, Virginia and North Carolina, by Belle West - and where? I'd like to buy one if possible.

In 1800 John Carpenter was in Franklin Co, N.C., 26-45; next door was Jubal Upchurch, 16-26. Nearby were Abel Upchurch, 26-45 and Benjamin Upchurch, 45 or over. I didn't copy further information as I was only listing neighbors names at the time. Will do so this week!

From 1803 on, I have a great deal of information on the family which I'd be glad to send if anyone is interested. Also quite a lot on the Sanderford and Rice families, in case these lines might mesh. Carpenters, too, for that matter!!!

Thank you so much for any help.

Sincerely,
Helen K.
