This is just a note to acknowledge  
and thank you for your letter of June 22, 1985.  
I am pleased to know that you have  
a batch of family information and will  
be sending it soon. Don't wait too  
long. Some of your contacts may never  
send what they promise. We are all full  
of good intentions but somehow not  
everything gets done.

I can't tell you how pleased I am to  
have your interest in the Upchurch family.  
For your collaboration I am arranging for a gift  
subscription for you for the 1985 Upchurch Bulletin.  
It will be mailed in September.

Hope to hear from you soon.

Dear Cousin,

Please forgive me for not answering your nice letters.

I had received your first letter before I visited my sister in Riverdale, Md.

I carried your letter & had her daughter <sup>Debbie</sup> send the information that she had. She had an her subject in college. She finished at the University of Maryland. She had the family history on the upchurch & willis family on a scroll.

I am still checking on the information you ask for. I have almost got it finished. When I get it all together I will send it to you.

I am so glad that we met and can work on this together.

I enjoyed the 3 Volumes of the N.B.

I gave the forms to  
family members you probably  
will be hearing from them.

Herman Earl Upchurch wife  
who lives in Fla was in N.C.

information on their children

You ask if money was

Have to have the  
information you need very  
soon.

I am trying to get some of

Looking forward to seeing you

Dear Cousin Virginia

Your letter of April 16 1985 with details on your sister Mary arrived on the 19th. I have extracted all the details and entered them on my master outline. They are much appreciated. I assume my letter to you dated 14 APRIL has arrived by now and that yours of the 16th and mine of the 14th crossed in the mail.

Let me list the missing items for your sister Mary in hopes that you have or can get some or all of the details.

- 1) For Mary Lindsey U
  - a) when in 1917 was Joseph Leamon Miller born?
- 2) For Deborah Elaine Willie
  - a) when in 1952 was she born?
  - b) when in 1974 was she married?
  - c) what does the "F" in Daniel F. Kelly stand for and where was he born?
- 3) For Joseph Edwin Miller
  - a) when in 1933 was he born?
  - b) when in 1973 did he marry & where did he marry?
  - c) when & where was Cynthia Elizabeth Upton born?
  - d) her children were born in 1974, 1976 and 1982. what were the exact dates (day & month)?

I shall always consider it a touch of good luck that we met. You have been very helpful and I hope that you have a sense of satisfaction from what we are learning about the Upchurch family.

Next time we visit I would like to talk with you more about your association with Hudson-Belks. When I was a young boy growing up in Wake Co in the 1930's and 1940's Hudson-Belks was a gleaming new store and I thought it the most elegant place in the world. It was, in fact, and still is, a very nice store. Most of our clothes and shoes came from there (when we had money to buy any!). When my wife and I returned from our honeymoon in August 1948 (to Greensboro!) we had about \$150.00 in cash left. We went right away to Hudson-Belks and bought a set of W.M Rogers silver plated flatware. We still have it and use it ~~as~~ after almost 40 years. You can see Hudson-Belks played a part in our lives as it did yours!

Hope to hear from you again soon. Sincerely yours,

Dear Cousin Virginia,

Thanks ever so much for your letter of 10 APR 85 which arrived yesterday. I have already extracted all the details and put them in the paper Broulee and on my master outline. They fit beautifully.

Let me sketch your line and mine:

Michael U I (original immigrant)

↓  
Richard U I

↓  
James U I

↓  
Richard U II

Moer U ← BROTHERS → Nahbar U I

↓  
Rufpin U ← 1ST COUSINS → Gilbert U

↓  
Hanson U ← 2ND " → Eastley Jefferson U

↓  
Felix Worthy U ← 3RD " → Robert Jefferson U

↓  
Herman Edwin U ← 4TH " → Robert Phillip U

↓  
Virginia Mae U ← 5TH " → my children (3)

So, your father & I are 4th cousin, you & my children are 5th cousin, while you and I are 4th cousin once removed. The only weak link is all of this is the proof of Hanson U here, the son of Rufpin U. I am sure he is and that we will find more proof.

Thank you for your check. The other 3 issues of Vol 1 of the U-B are being sent under separate cover. I hope you will enjoy them. Possibly you will want to order some of the other volumes and become a 1985 subscriber. Some forms are enclosed. Let me know if cost is a problem.

I deeply appreciate your willingness to help. Your assistance has already been a big boost to me. Without your help I don't know when we would have come to understand about Hanson & how he fits in. Now we just need to find more proof and fill in the details. Here are the missing items on Herman Edmund II and his descendants:

  - c) Full maiden name of Pat & when & where born & when & where married 1st & 2nd times?

4) For William Waiths a - continued

- a) Full name of Ernest Keen and where & when born? and is he still living?
- b) Full name of Pat's second husband & where & when born - & is he still living?
- c) I understand that Pat has only one child - named ~~B~~ Kelly Velvetyon Keen. Is this right? where was Kelly born?

- d) Full name of Harry Brown and where & when born?

7) For Mary Lindsey 4

- a) where born?
- b) where married?
- c) where was Joseph Lamon Miller born?
- d) Did she have any children? - If so details?

(10-4)

If we had answers to all of the above questions we would have a perfect set of details on Herman Edmund and his descendants. Of course we rarely get a perfect set and we don't have to - but I always like to try. Any of the details you can supply will be most welcome.

Later on I will have some questions about the brothers & sisters of your father but it seemed best to hold those until later.

In the UB you will find a great deal about your ancestor Moses II and his descendants. Moses II & my GGF Nathan II left Franklin Co., NC about 1802 and moved west. Moses settled in Chatham Co., NC adjoining the Wake Co. line. Nathan II settled about 20-3 miles east in Western Wake Co. at a place called Green Level. There my GF, Bartley Jefferson II, was born. After returning from the Civil War GF settled south of Raleigh (Inwood Baptist Church/Yates Mill Pond) and there my father & I were born.

I'd hope to hear from you in the near future and will look forward to our exchanges.

Sincerely yours  
Philip Upchurch

MRS VIRGINIA ROSS

GARNER, NC 27529

Dear Cousin Virginia,

The visit with you was really great. I have been so excited about finding the details in your book and especially for Hanson U. since returning home I have spent all my spare time working over the records for Hanson U and his descendants. It seems almost certain that he is the son of Ruffin U but I need just a little more proof. I'll be glad to send you a sketch of what seems to be the correct linkage if you so desire.

Enclosed herewith is a sample copy of the Upchurch Bulletin and some related information. I hope you will want to subscribe.

There are quite a few bits of information missing on the descendants of Hanson U

and I am hoping you can help me with some of the items. Here are some questions:

1) For yourself:

- a) where were you born?
- b) where was Allie Russell Evans born & when, where died & where buried?
- c) where and where was Albert Edelen Morgan born, where died & where buried?
- d) where were you and Charles Herbert Ross, Jr. married, when & where was he born, where died & where buried?

2) For Edwin Cole II

- a) where born, when & died, where buried?
- b) Full name of spouse, when & where born, still living?
- c) Name of children and grandchildren, if any?

3) For Nathan Worth II

- a) where born?
- b) where married?
- c) Full maiden name of spouse and when where born, still living?
- d) Name of children and grandchildren, if any?

4) For Matthe May II

- a) where born?
- b) where married?
- c) when & where was Edward Rudolph Watson born, when died & where buried?
- d) Name of children and grandchildren, if any?

(12-3-)

5) For Herman Edm U

- a) where born, where died, where buried?
- b) where married 1st & 2nd times?
- c) Full maiden name of 1st wife & where born - still living?
- d) Full maiden name of Violet Enzie and when and where born - still living?
- e) Name of children and grandchildren, if any?

6) For Mary Lindsey U

- a) where born?
- b) where married?
- c) when and where was Joseph Leaveneller born?
- d) Name of children and grandchildren, if any?

7) For the infant son of Herman Edm U that was born & died 11 FEB 1915

- a) where born, where died, where buried?

8) For Herman Edmundt.

- a) where born?
- b) where died?
- c) where married?
- d) where was Mattie Cassie Cole born, where died and where buried?

I know you don't have all of this and may not be able to get all of it but perhaps you have or can get some of it. Anything you can

send will be appreciated. Later on I might have some questions about your Aunts & Uncle (brother & sister of your father).

My notes from Helen (Gardner) Upchurch show that Clarence Milton H. Sr had a brother Nathan H. but all the records I got from you indicate that this is not so. It seems she must have been thinking about your brother Nathan who is a nephew of Clarence Milton H. Sr.

It would really be good if you and I could visit Johnson County together. Perhaps we can someday while I try to visit NC once or twice a year the visits are always much too short. It is certainly nice to find someone such as yourself who has a sense of family history. I do hope we can stay in touch. Please let me know if you have any question of me

Sincerely yours  
Phil Upchurch
