Hello Phil,

I have taken some time out to play around on ancestry.com and elsewhere on the internet, and the enclosed materials are what I was able to find, mostly at ancestry.com. The files I looked at, and from which the enclosed tabulations come, are:

- 1) Oregon deaths 1903-1998
- 2) Ohio deaths 1958-1998
- 3) Connecticut deaths 1949-1996
- 4) Michigan deaths 1971-1996
- 5) Mississippi marriages 1826-1900
- 6) Missouri marriages 1851-1900†
- 7) Montana Death Index 1989-1998
- 8) North Carolina Deaths 1968-1996
- 9) Florida Death Index 1936-1998
- 10) Illinois Statewide Death Index 1916-1950

I think these files will keep you busy for a while.

You mentioned that I have previously sent you data from four other states. I know one of them was Kentucky and I am guessing that two others were Texas and California. Thus which of Georgia and Alabama did I send you information on? Both have death indices at ancestry.com and I will search the one I have not looked at for you.
