"I have been ~~having~~ exchanging information with Mrs Mary Jo Martin, from line of Thomas Gay Upchurch. She sent a book of information on a form I sent to her - which was not kept in order. That is she failed to designate clearly one generation from others. I have returned her information and asked to have it separated as to families. She is suffering from arthritis. I have suggested that she take her time as she suffers with hands. Seems her Upchurch ancestors lived to be 89, but a number have died with cancer. I don't know why I am going into all these details - except to explain if we don't hear soon - it might be good to have her address:

Near Phillip,

Sorry I forgot to send you my
1994 bulletin. If price has changed
let me know. Our son in law is very
sick with cancer and I haven't been
thinking very well this year. He is such
a good looking husband and father, also
provider, and a good christian man. Looks
like he won't be here long. Had not
been sick just last night. Has been
to Maryland to the Cancer center there
but was to far gone. He has never
drank or smoked. Just hit him all at
once. He has a very rare kind and
very few known cases in U.S.

Please send the bulletin. Don't want
to miss it.

Pierce Upchurch Jr. and wife came
down in Oct. and went to reunion. He

really enjoyed it. Talked like he would
be back this year. Wants to see some
of Alabama. Was a short trip last year
as they had sickness in the family.
Wasn't as many at the reunion last
year but we all enjoyed being together
and talking, and oh at the food! H &

My brother Kroy Upchurch passed
away 2nd Sun. [9.MAY 1996] last year. He
had heart trouble and Parkinson's disease.
Only Clifford and me left, and he has
Parkinson's also. Can't able to get around.

My husband has a serious heart blockage
and can't operate or balloon because of
location. He is skin + bones but feels
very good for his condition and age.
Keeps busy in his work shop. He's very
artistic and likes to make things out of
wood. Hope you have a nice year.

Send my bulletin and if I owe any
mon will send later. Many thanks

Dear Cousin Mary Jo,

This is a belated response to your letter of 4 FEB 1994. It seems if I blink my eye I get way behind. I am beginning to catch up some now. Thanks for your renewal on the UB for 1994 and for the contribution to the Upward Research Fund.

I was sorry to learn of the passing of your brother Knox. It seems as if you are having more than your share of medical problems in the family. I hope you will find the strength to bear up under what must be trying circumstances. Sometimes it is hard to understand the grand plan when things look bad. We can take some solace in the fact that we have had some wonderful individuals with us for a time. We are all loaned to this earth for a limited time. We just have to make the best of

-2-

what fate brings us. My wife and I were just saying yesterday that it was fate that brought us together. Because of that fate we have had 45 wonderful years (46 in Aug) together.

The next six months will be exciting for us. We are having a new home built in Lake Saint Louis, Missouri and when it is ready we will retire from the University and move to Missouri. We will be 30 minutes east of our farm and 30 minutes west of our two children & their families - just right. Maybe I'll even get time to travel some.

Many so, it is always good to hear from you and I appreciate your continued interest in our shared Upland Heritage

(*) Sincerely yours
Phil Upchurch

Dear Cousin Mary Jo,

Thank you for the renewal on the UB for 1992 and for the \$10.00 contribution to the Upchurch Research Fund as a memorial to your late sister Alma. The memorial will be in the UB issue which will be mailed in a day or so. I was sorry to learn of the passing of your sister. From our previous correspondence I knew of her condition and also of the strong role she had played in your family. May she rest in peace.

It is always good to hear from you. Please do let me know when there are changes in the family from time to time. I want to keep the records up-to-date. You have been so helpful in getting them in good shape.

Sincerely yours
Phil Upchurch

Dear Cousin Mary Jo,

Thank you for your renewal on the U.S. I'd served as a reminder to drop you this note as a special thank you for your assistance over the last several years and for your continued interest. I enjoyed our exchanges and hope we can continue to be in touch from time to time. My genealogical activities take me first to one part of the family and then to another. I am always sorry not to be working on all of them at once.

I hope this finds you and your well and looking forward to the holiday season and the new year. We are blessed with good health and with lots of opportunity to do things. Set me back from your down the road!

Sincerely yours

Dear Cousin Mary Jo,

This is just a note to thank you for your renewal on the U.B. for 1990 and for your contribution to the Upchurch Research Fund. All our efforts and funds added together help to keep the Upchurch Heritage Project moving forward. I am especially appreciative of all of your interest and help.

We are busy preparing for the Upchurch Festival to be held in East Point, GA on 9 DEC 1989. You must not be too far away. It would be nice to meet you.

Dear Cousin Mary Jo,

I have been off working on another part of the family and have just returned to your letters of 21 FEB 89 and 9 APR 89. Sorry it has taken so long. All the details in both letters have been extracted and recorded. I am returning the three pictures to you (my codes 89-7 & 87-8). I have xerox copies of them. If I am holding more pictures of yours that need to be returned let me know and I will go back through my stacks. I am an organized person but sometimes the volume of paperwork gets the best of me.

I do, more really proud of how the picture in the U B turned out and the story we were able to tell - thanks to your very fine help. A letter just arrived from Andrew Peirce U, Jr. with more details and he is also proud of the article in the U B and grateful for your interest and help.

Could you give me a little more detail on the two churches you wrote about. As

I understand at they are as follows:

#1 Smith Chapel, Bearden GA (with cemetery)
This is the one vandalized in 1987
and restored in 1988 and of which
you sent the two pictures - one
of which had James in front
(William James a son of Charles Floyd
II). It is at the church com
that your GM Nancy Matilda
(Copeland) is interred along
with your Aunt Lou and
Uncle George

#2 United Methodist Church at Bonwell,
GA. Built in 1856. This is where
the Upchurch pecan is held every
year. (Is there a cemetery here? with
Upchurch?)

Can you confirm the above? Where are
these two churches - both right in Bonwell
GA? I am afraid I might have something
wrong.

I have a snapshot of the family
that is recent. I'll work on something
in another year for your wonderful
help.

Sincerely yours

Dear Phillip,

Received my bulletin and the picture was better than I expected. Dad sure would have enjoyed reading all the bulletin. He wondered so many times about his relatives and how many uncles & aunts he had. He only knew of three uncles. He didn't know his grandfather's name - you have done a great job in writing and getting so much information. There's a lot of research in what you have done and lots of hours work.

We are having some cold weather here for the time of year. In fact that have predicted some snow flurries tonight. Our yards sure are pretty with Azaleas and other flowers, azaleas blooming. Guess the cold will hurt them. I have about 70 rose bushes and they will soon have buds. Just hope it doesn't hurt them.

Have you forgotten to send my pictures? I am not in a hurry but don't want them lost. I don't believe any man like them. I suppose you received the snapshots I sent. I thought you might be interested in the one of the old church and cemetery where Grandmother Upchurch and her sister Aunt have

Alexandra and Brother Uncle George Upchurch were buried. I don't know what year the old church was built. The Shiloh United Methodist Church at Burnell, Ga. Where our reunion is held was built in 1856. It has been renovated inside and out and is a nice country church. Services are held there every week end. They have a large congregation and several Upchurch's. They have an old bush arbor on the grounds and that where Uncle Tom's funeral service was held. There was more room for friends & relatives now attended. They still have their camp meeting there.

I just heard the weather report and they predicted 28° tomorrow night. That will get my shoulders. We also have beans, Peas up in our little garden. I have Cabbage, lettuce, onions & tomatoes plants out. Guess we will be replanting. Same was a little early with the corn & beans any way. No frost spring either - ha!

Must close it almost eleven P.M.
Would appreciate a snapshot of your family -

Sincerely Mary Jo

Philip Upchurch -

Dear Philip,

I have been busy trying to get more info. Hope what I add will be of help to you.

* Yes. I am glad to get a chance to tell you about my dear dad. Yes. He was a wonderful father. Very loving and kind to his family and everyone. He was very strict but, in a kind loving way. We were taught to love and respect one another and believe in the word of God. Prayer before meals attend church & Sunday school. Everyone thought highly of dad. He was a good neighbor, served as a steward in the Methodist church and always ready to help those in need and sickness do anything that he could do in the community to help others. He was known by everyone as Uncle Joe. I never heard him speak short to anyone or use a big-word of any kind. I still miss him very much.

He farmed where he first moved to Ala. Then he moved to the city of Cullman and went to business with a friend. They had a furniture store. He also had a small grocery store. He lived 25 years here in the city he

Farmed. After mother died he wanted to move from the home. So moved out about a mile east of Cullman and quit the furniture business, worked for a Mr. Foster Bailey in his grocery store a few years. Then he moved to Berlin and farmed. He was 89 years old when he died and was almost completely blind. He had Glaucoma in his eyes.

I live within 3 blocks of our old home where I was born. The top floor was removed and the house remodeled some in later years. The rooms and windows are the same and the old garage is still standing. The twenty five ~~acres~~ acres is struck and houses now and a park on the south side of the house.

I found the family record out of Dad's old Bible today in some old items things. Sending the info. on to you.] **

Dear Cousin Mary Jo,

I have been working all week on the information you sent which arrived 23 JAN 1987. This morning I completed extracting all the details and also on your letter of 30 JAN 1987 which arrived 7 FEB, I have written to William Beedgeoff and Dr Harold Lewis Hardley. Earlier I had written to Andrew Bruce Updegraff. We are gradually getting all the basic names. I don't know who the Dr John Jerome II is whom is. He may be the same as a Dr John Bowman who was in Pensacola, FL several years ago. In any event I have written to him. The Dr Samuel II you mentioned is of a different Updegraff group. I know how he fits in.

The information you sent has been a wonderful addition to the Joseph Lumpkin II Family. Let's keep working and see if we can get it nearly perfect. Here is a list of what is still missing on Joseph Lumpkin II and his children:

- 1) For Joseph Sumpter U
a) where in GA did he first marry?
b) For his first wife was the proper spelling of her last name ROBINSON or ROBISON?
c) where in GA did he marry the 2nd time?
- 2) For William U - OK
- 3) For David U - OK
- 4) For Joseph Edgar -OK
- 5) For Andrew Pierce U, ST
a) where did he marry?
b) what is the full maiden name of Paul Todd and when in 1971 did she die?
- 6) For Samuel U - OK
- 7) For Essie NMNU
a) was she born 21 DEC 1896 or 23 DEC 1896?
b) when did she marry?
c) when in 1898 was Lendard Ira Parry born and where in GA was he born? Is his name spelled LENDARD or LEONARD?
- 8) For Alva NMNU -OK
- 9) For Myrl NMNU U
a) when in 1923 did she marry and where married?
b) what was the full name of Ervin Handley and where in GA was he born?
- 10) For Glen NMNU
a) when and where did he marry?
b) what is the full maiden name of Opal Nix and where was she born?
- 11) For Grace NMNU U
a) was she born 22 JUN 1905 or 16 JUN 1905?
b) when did she marry?
c) where in GA was George Dewey Handley born and did he die 7 SEP 1977 or 7 JUL 1977?

12) For Mary NMN u

- a) In Esther's last name spelled CLEMENTS or CLEMENTS?
- b) I show Esther's maiden name as ESTER
PEARL WHISNANT. Please let me know if this
is wrong.

13) For Clifford NMN u

- a) When in Dec 1933 did he marry?

14) For yourself - OK

I would appreciate it if you would check your
records one more time (and your memory) and
see if we can resolve any of the above. None
of these items are critical.

Can you help me get the list of the children of
Myrl NMN(u) Handley covered. There are supposed to be
six and I have eight as follows:

1. Wayne Handley b 4 APR 1922
2. Mary Fair Handley b 23 DEC 1923
3. Dennis Handley b 29 SEP 1929
4. Billy Jack Handley b 17 JUL 1927
5. Milton W. Handley b —
6. Charles HYLER Handley b —
7. Bobby Jack Handley b 31 JUL 1929
8. HYLER Handley b 21 OCT 1930

I assume #3 and #6 are probably the same and that the
spelling should be CHARLES HYLER HANDLEY. Are
#4 & #7 the same? (Can't be - have different birthdates)
Are #7 and #5 the same?

Also is there a descendant of Myrl who would
be likely to correspond with me?

-4-

The picture of Joseph Timphier II taken ca 1905
looks great. I assume you meant me to keep this.
If not let me know. I hope to publish it and
the other one as well in due course. Tell Alma
she really looks serious in the picture - almost
as if she knew she would take over in the family
some day. Your mother is really attractive - but
seems a little frail. Andrew Pierce Sr is really
a handsome man.

Mary Jo, would you be willing to write
me the recollections you have of your father
including any stories that were passed around
about the Upchurch Family. So far we have just
dealt with hard facts - dates, names. What was
he like, what did he do for a living, did he
have any hobbies, why did he move from
GA to AL, was he a church man, was he
kind, mean, strong, healthy - etc - etc - just
anything you can remember and care to
relate. It is nice for us to have available
something about the nature of the generations
that have gone before. You can make it as
short or as long as you like.

Thanks again for your support and encourage-
ment on our Upchurch Family Project.

Sincerely yours
Robert Phillip Upchurch

Dear Philip,

It was nice talking with you. I came across one of Nellie's old letters in some of my sister's things after talking with you. I found more information of which you have received by now, along with the group family picture.

I talked with Myrl's daughter and she gave all the info. she had. I don't suppose any of her boys would know much if any more. I also talked with our daughter Linda after the week end. She said they were going to a different group of doctors and one of them was a Dr. John Jerome Upchurch. He was out of town at the time they were there so she hasn't met him. She gave me the address so I pass it on to you. I think there is another Mr. Upchurch or two also in B'ham. There was one named Samuel Upchurch.

Dear Cousin Mary Jo,

Thank you for the reward on the U.B.
for 1789 and for the contribution to the Alabama
Research Fund for a memorial to your sister Mrs.
I am sorry to learn of her passing. The memorial
will appear in U.B. Vol 10 No. 1 (Jan 1989) which will
be mailed in March 1989. Can you tell me
where and when she died and where she is
buried?

I am really grateful that you rewarded
me of the picture of your father. The max copy is
in my Photo File as 36-4. It does appear to
qualify for publication and I am anxious to
publish it if all the details can be worked
out. Can you loan me the original again
so I can have a screen print made. This
is what it takes to have a stand for good
as well as fair reproduction in the U.B. I will
return the original promptly. Then I will
have some more questions for you.

The U.B. we are putting in the mail on
5 Dec 88 has a picture of your Grand Uncle Thomas

Gay a., Jr. I am disappointed that it did not reproduce letters but the picture and the text tell the story of how he fits in. Perhaps you will have some reaction to it.

Many fo I hope we can exchange a few more letters. You and I have much in common beyond being 4th cousins. We both have an interest in upland family heritage and we both had a grandfather who served in the Civil War! Not many people alive today can say that. This aware that our sense of history is better than most. Also both our GGF served in the revolution.

Your encouragement on the U.B. is most appreciated. It is support such as yours that keeps up my enthusiasm and gets me up at 5:30 AM on a Sunday morning (or even the rare 11am) to work on the upland Family Project.

Hope to hear from you soon.

Sincerely yours
Phil Upchurch

(ROBERT PHILLIP UPCHURCH)

I mailed you a picture of my father.

Joseph L. Upchurch, his sister Mattie Upchurch-Leaven
and Bro. James Upchurch early this year. You
wrote you would put it in the ~~bulletin~~ but
it hasn't been in this year. ^{bulletin}

I sure enjoy reading the bulletin. There
was an Upchurch family in there some time back.
I don't recall his Name but he sure did look
a lot like my dad. They were first Cousins
and he was born in 1854 & died in 1855.

I think you have done a wonderful job with
the bulletin and I know it's been quite a job
securing all the information.

Yours truly

Dear Cousin Mary Jo,

Thanks for your ~~me~~ letter of 21 DEC 1987 and for the renewal on the U.B. for 1988. Your words of encouragement are much appreciated.

The clipping on the Upchurch from Tuscumbia, AL has been added to the file. I cannot place the David I now but all the increments of information tend to come together in due course. Any clippings you send will be most welcome.

I am appreciative of the situation whereby you have tried to get missing details from your relatives but without much success. Of course not everyone is interested in family history enough to dig out details or to write a letter. However, they are usually willing to talk and tell you what they do know. Anything you can collect will be helpful. Let me know if I need to send you a list of missing details.

All the best for the New Year.

Sincerely yours

I have enjoyed reading the U. B.'s so much through the year. I sure don't want to miss any of them. You have done a great job and did a lot of work.

I am sorry, I have been unable to get the information you ask for on all my relatives. I have tried several times but can't seem to get an answer from some of them.

However I see a piece in our daily paper about a Upchurch in Lineville, AL. And I'm sending it on to you. I suppose he is a relative. Glad had an uncle that settled down that way. You may have information on this family.

I am sending check for another year. B-4-88

Dear Philip - 23 Oct 86

I thank you for returning the picture. I will be glad to send all information I can get on my family but, may take me a while.

I am taking care of my sister Alma and don't have much time. She had cancer surgery in spring of 1981 and has been in bad shape all this year. She is also blind in one eye and only ~~see~~ can see light and images in the other. She is also losing her hearing. I have had her since the early fifties but not in this shape that long. I have a nurse 2 days a week to help with her.

I'm sending a check. Would like the 82-83-84-85 issues of the U.B. - Balance for Research.

I do not know much about Aunt Mattie Lammie's family. Sincerely Mary Jo.

Dear Cousin Mary Jo,

Thank you for your letter of 9 OCT 1986, for the picture and for the order for the 1986 U.B.. Issues 1, 2 & 3 for 1986 have been mailed to you and #4 will be sent later this year. The cost is \$5.00. Let me know if there is a problem. An order blank is enclosed. I am sure you would enjoy the other back issues of the U.B..

The picture you sent back #8 is returned presently. I have made a xerox copy. I am especially interested in your Aunt Matie because she married Captain Farnum, a relative of another Farnum who became almost a second father to me!

The writer at the reunion was Fairillard. She is a great lady. We correspond often but I have never met her.

I am anxious to improve my records on the family of William Barnes U and hope you can help! Let me start with some

questions on your immediate family and if you are willing I will later proceed to your brother & sister and your aunts and uncles. If you know something already written up that would be most useful. Here goes -

1) For yourself

- a) when were you married?
- b) what is the full name of James Masters, where was he born and is he still living?
- c) Does you have just 2 children?

2) For James Danny Masters

- a) when and where were he married?
- b) Full maiden name of Bonnie Thresher and when & where was she born?
- c) Details on children, if any?

3) For Linda E. Masters.

- a) what does the "E" stand for?
- b) when and where married?
- c) Full name of Robert Greene and where was he born?
- d) Does she have just 2 children?
- e) what does "M" in Kelly M. Greene stand for and where born?
- f) Full name of Amanda Greene & where born?

Hope to hear from you soon

Dear Phillip -

I am interested in getting
your Upchurch bulletins again.
I am Mary Jo (Upchurch) Martin
and have the 1981 - 82 bulletins.

- I seen Ralph Upchurch from
B'ham. at the Upchurch reunion
in Bienville La. Sun. He informed
me our Uncle George Upchurch's
picture was in last month's ¹⁹⁸⁶ bulletins
bulletin or the last issue. I
would like to have all of this
years bulletins if you have
them.
-

We had a new visitor at the
reunion this time, I believe
her mother was an Upchurch -
She was reared in North Carolina
and has a home there and
also in Texas. I didn't have
a chance to get much info. from

her.

I am sending a picture of →
My Dad Joseph Lumpkin Upchurch
and his sister and brother.
George Upchurch was their other
brother. Also had a sister too.
Please, return the picture I
don't have another or a negative.
This was made at one of the
reunions in Ga. It has been going
sixty one years.

CULLMAN, AL 35055

Dear Mrs Martin,

I was most pleased to have your letter of July 18, 1980 and all of the information you provided. This has now been extracted and filed and will eventually appear in Upchurch Bulletin in one form or another. Your line and mine are as follows.

From this you see that you and I are 4th cousins. Our grandfathers (WBK & BJU) were 2nd cousins and both fought in the Civil War.

For your line we still do not have absolute proof that Thomas Gay II was the son of Charles II but the circumstantial evidence is very strong and we are making the assumption for now.

You asked for information on William Burnell. Provided herewith is the single profile sheet I have on him. It has 4 entries, two of which are from you.

Provided herewith are outline sheets on Thomas Gay II Sr. There are 9 sheets covering Thomas Gay II Sr (6th Generation) and the 7th, 8th and 9th Generations. For your Brother & Sister (9th Generation) and other descendants I have added the follow-on sheets which are 3A, 4A, 5A, 8A, 6A, 7A. You may retain all of these for your files. I am sure you have a great deal of information which could be added and I will appreciate anything else you can send me to help complete the files. The information desired is (1) Full Name, (2) birth date (3) birth place (4) death date (5) death date (6) burial place (7) marriage date (8) marriage place (9) name of spouse (10) birth date of spouse (11) birth place of spouse (12) death date of spouse (13) place of death of spouse (14) burial place of spouse. In addition I like to know the mother and father of all people mentioned and any significant parents about their lines - where they lived, what they did, etc. Please let me hear from you.

Sincerely yours,
ROBERT PHILIP UPCHURCH

Sorry; I was so long getting this info - and

mail them.
