My maiden name is Upchurch and I would like to revive the Upchurch bulletin. I have used ancestry.com to search my family history. I know that my father was a direct descendent of Micheal, and we migrated from North Carolina to Texas.

Hi Melanie----

Delighted you found my website. I hope you had no trouble navigating the places where there is password protected information. Let me know if you had trouble. Also, I hope you watched some of the videos.

I have several in my Biofile System by the name of Melanie Upchurch but cannot be sure you are one of them (or is your name Michele ??). I would like know how you fit into the family and if you will send me a couple of names that link you to earlier Upchurch generations I am sure I can place you on the family tree. It is important for you to know which Upchurch Clan is yours as that way you can focus on aspects of the most importance to you .

If your interest continues I will have much more to share with you .

Looking forward to hearing from you.

My full maiden name is Melanie Michelle Upchurch. From my research, I believe Richard Upchurch was my 3rd Great Grandfather. He was born in South Carolina but lived in Georgia most of his life, I think???? Not absolutely sure, I know that my 2nd Great grandfather was born in Henry, Georgia. Thank you for responding, our family history is so intriguing.

Hi Cousin Melanie---

I had a little difficulty placing you in the family at first because I had you name as Michelle Nicole Upchurch based on what a cooperator sent me in 1993. I now see this was wrong. In any case I have you in my system as XID-30707. You can go to [www.upchurchstory.com](http://www.upchurchstory.com) password "2013upchurch#" and find this number and trace you line back. Also, in the narrative you can find many details about your line. You are a member of the Richard U. III/Claburn U., I SubClan and of the Richard U., IV Line in that SubClan.

In 1996 (as I recall) I made an extensive trip throughout Texas giving Upchurch talks and visiting Upchurch sites. This included a visit to the cemetery at Itasca where your father is buried. Perhaps you can find a record of this in the Upchurch Bulletins I have posted.

I would very much like to know how you would like to proceed in collaborating. Some have just a casual interest in their family heritage while other are willing collaborate-- some more than others. Please let me know of your interest level. There is much we can share depending on your interest. We could start out in a small way and see how it goes.

I invite you to have a look at our new organization [www.alliedfamilies.com](http://www.alliedfamilies.com)---password "2014allied". This is our approach to doing family history in a better way. You can see that we have "enrolled" several families including those of the Moses U. Family and Nathan, I Family, both brothers of your ancestor Richard U., III. We hope to enroll your family in due course and hope you will join with us in this effort. A membership form is attached if you want to join with us.

I look forward to hearing from you and to exchanging more if you are interested.

Best~

I am very interested. I am excited about checking out the new website. I have already watched several of your videos, which have been very interesting and helpful. I look forward to future communication. I did a lot of research several years ago which was attach to my [ancestry.com](http://ancestry.com) account, however, lost it all when I unfortunately had to stop my account. When starting my search again I came across your research. Thank you very much for your dedication and determination in preserving our family history. So neat to find that I have family in North Carolina.

Hi Melanie----

Looks like we have good basis for collaboration. Here are some steps we can follow.

1. I hope you will study carefully the narrative pages of the UB posted on my website. There are a great many issues but most of them have some bearing on your heritage. If you can take the several hours it will take you to scroll through the issues page by page you should come upon a lot on your line. Pay particular attention to entries for Richard U., II (your and my common ancestor) and his son Richard U., III and his son Claburn U. I and his son Richard U., IV. Be sure to make notes along the way and accumulate any questions you have for me. Much of your heritage has appeared in the UB Issues, You just need to study them.

2. Study our new website Allied Families. I hope you will join at the low price of \$20 for a 2015 membership. If you cannot afford this let me know. We need to begin to think about enrolling family of Richard U., III to which you belong.

3. After 1 and 2 I hope we can begin to exchange information our recent generations of your Upchurch family as you no doubt have information that I do not and I have information that you do not. With just a little effort we can be of help to each other.

If you agree t the above pathway lets get started.

Hi Cousin Melanie----

Thanks for your membership fee for Allied Families for 2015. I count on you to follow our progress in the year ahead and to furnish suggestions.

I am looking forward to more interaction with you. It all brings back memories of my Texas trip in 1996 when I had the pleasure of learning more about your ancestor Richard U., IV about which you can read in the UB issues. My trip was greatly facilitated by a distant cousin Ed Gooding who was a retired Texas Ranger. He spent many days in advance of our trip digging our details on our Upchurch kin and he was a real joy to have as a collaborator. He has since passed away but his diligent research remains for your benefit and mine.

Best~

I received the packet you sent. It was very interesting and helpful. Thank you very much for the wealth of information on my specific family history. I have already tried to fill in some of the missing information. We have an Upchurch family reunion Memorial Day weekend and another one in early August. This will be a great opportunity for me to get even more information. Thank you once again. I will stay in contact and hopefully be sending you some updates.

Dear Cousin Melanie,

It is great to have you as a 2015 member of Allied Families. There are several levels on which we can cooperate depending on your time, interest, expertise, etc.

As one way of cooperating we can collaborate to improve the enclosed 12 - page Master Outline on your family headed by your GGF Thomas John U. I will welcome any corrections or additions you are in a position to supply.

Beyond that as you in a position to help in some way on the overall family of your ancestor Richard U, III (The GGF of Thomas John U) whom family we have to "email".

Best,

Phil Upchurch
