Hi Teresa---

Winston is a problem. My memory is that in 1816 Nathan gave Winston a tract of land from his holdings in Green Level in western Wake County, NC saying he was a grandson. The will implies that Winston was still around in 1835. I have never sorted out either parent of Winston. Daughter Teresa could be a candidate. Can you figure out how to deal with this in the active Tree?

Best~

Phil Upchurch, Founder, Allied Families.

Hello again

I received the transcription of Nathan's will, broke it up into individual comments then posted each child gets what.

Item # 11. I give unto my grand son Winston Upchurch 1 sow and pigs. ( I don't have any Winston's ) Help ! !

I then went to Nathan's biofile looking for answers.

Biofile page 3 1st paragraph blah blah blah... 30-40 year old female could be Tabitha but where are her children.... blah blah blah.

1830 Wake NC Tiltatha Upchurch is head of household and apparently has 5 male children in the house.

Unless of course 1 of those is Martha Jane.

Could Winston be her son ???
