Dear Mr Bentley

As you will see from the enclosed flyer I am keenly interested in the Upchurch family. Just this week materials have arrived which allowed me to connect your part of the family into the main line of the Upchurches. I'll be glad to send you a sketch if you are interested.

Several years ago I corresponded with Ann Upchurch who I presume is your Aunt. Can you confirm this and if she still living and if so do you have a current address.

There are a few additional details on your close relatives which I would like to complete for my records. Would you be willing to answer a few questions?

I do hope to hear from you in the near future.

Sincerely yours
Phil Upchurch
