

BIRD/BYRD

RPH NOTE - 1 SEP 2013

As of this date I have combined all BIRD family records with the BYRD family records. There are at this time about 20 BIRD Biopics on about 250 BYRD files.

Both family names are legitimate but at present my main interest is in the BIRD/BYRD family in the 1800's on the Wake/Chatham, NC border. There and then the spellings were often used interchangeably.
