Dear Cousin Juanita

Many thanks for your letter of 23 SEP 2002
and for your contribution in support of our
Upland Research and for your input on the
classic "Florence"

enclosed in the extract sheet I have prepared re "Florence". This has been placed in the Profile of each person mentioned. We have not yet solved the puzzle but more details could surface at any time that would help us clarify the situation.

I had a letter this week from Professor Ransome and he reports good progress on perfecting the "trees" of the Yulwich family. I have three to publish in the next UB so will have more to publish in 2003 & 2004 as Ransome sends them.

I was sorry to learn about your arthritis. I seem to be getting slight signs that I could have a similar problem. My knees are the source of my problem. If they don't get worse I'll be OK. All my life I have run up stairs 2-3 steps at a time. Now I am content to take one step at the time. With maturity we gain perspective and wisdom but pay a price in afflictions of the body.

Your continued interest and support is encouraging to me. It is understandable that you are not as mobile as before but as long as you have an interest in your Upchurch heritage that is what counts.

All Best Wishes

Sincerely yours
Phil Upchurch

The enclosed 6 FEB 1967 letter & attachment was to Robert from Max Hightower & Robert sent it on to Ray with the note shown. The map and reference to it so clearly relates to your family that I could not resist sending it to you. There is probably nothing critical here from a family history standpoint. However, any comments or explanations you can offer will be welcomed.

I don't know how Max Rightower got into the Upchurch family. I note that Mount Pleasant is in Titus County just south of Red River Co, TX. I have two more recent references to Upchurch-Rightower marriages in TX but I can't link them either. Perhaps you know the Rightowers.

For years I had a great correspondence with Robert E. Lee II, II. He and I had planned to meet when we went to TX in 1996. When we got to Grimes Co, TX he had just been admitted to the hospital and did not make it. What a shame. I met with his wife & 3 children in the hospital but never got to see Robert. His son and daughters seemed to have an interest but there has been no follow-through.

P.S. - I can't make out the number of oves in the various tracts. Perhaps you know. Phil

Sincerely yours

REC'D 26 SEP 2002

Sept. 23, 2002

Dear CoDear Cousin Robert,

So sorry I am late in sending you this note. Hope it can help with the research. I have become one of the world,s best procrastinator around!

The only info I obtained was in reference to Florence Greenwood Upchurch Moore. This info is from the wife of Harold Greenwood. The brother was several yrs. younger than Florence. I donot remember ever seeing Florence. The brother is a few yrs. older than I am. He has been dead over 20 yrs. I get the feeling this was not a very close family. Guess the Moore you located in Dallas may be her. I donot understand why "Upchurch" would have been on the wedding info. At the time she obtained the div., she requested and received her maiden name of Greenwood.

I went to Boxelder last of June and went to the courthouse to search for more info. All records had been boxed and stored while the courthouse is beening remodeled and restored.

Afraid my days of going and searching are over. My health is not going the way I would like.

I really appreciate all the info and help you have provided. Made my work much easier. Inclosed is a check for \$50.00. Use it in the area you would like it to go.

I have included the info from Mrs. Una Greenwood.

Wish I had been able to go to England on the group trip. I am very limited in my walking. Degenerative arthritis.

A BUSHEL OF THANKS!

Juanita reports on her efforts to learn if the following people (person) named nee Florence Greenwood represents one person or two:

- A. Florence Greenwood md 1920 (1) Henry Tellman
U, I, s/o John Baillett U, Sr of the famer
U, IV / Burwell U Substan. John Tellman Riley
U line
- B. Florence Greenwood md 1927 (1) Hiram Jennings
Moore s/o Amey Janora U of the Richard U, III/
Clairmont U, I Substan. Sarah Elizabeth U line

Juanita obtained the following information from
Mrs Harold Greenwood (nee Euna - -)

- I. Charlie Greenwood md (1) - - -
- A. Marvin Greenwood - lived in Texarkana, TX area
- B. Harold Greenwood md (1) EUNA - -
- C. Florence Greenwood md HIRMAIN (HIRAM) MOORE

NOTE: This provides useful input but still does not
resolve the issue of whether A & B are the
same. The Florence who md in 1927 styled herself
as "Florence Upchurch" which would argue
against her being the Florence Greenwood
who md in 1920 or the 1920 dissolved
after a few weeks and Florence took back
her maiden name. One Florence Upchurch
died 30 SEP 1948 (Dallas Co, TX). Was he "A"
or "B" or yet a 3rd Florence ?? - RPH

Dear Euna,

First, I will introduce myself. I am Ernestine Upchurch, daughter of Dr. B.R. and Gretrude Upchurch. Dottie Faye and I visited Gladys and she gave me your address.

I'm trying to gather information on the John B. Upchurch clan. Hopefully, maybe you can give me some information about Florence Greenwood, who married Henry T. Upchurch, son of John B. Upchurch. I have the date of their marriage and divorce. She did legally take back her maiden name when the divorce was granted. The other thing I have is that she married a Moore and lived near Texarkana. If you can provide any of the following information I will appreciate it. Just fill in the spaces and return in the stamped, self-addressed envelope.

Name: Florence ----- Greenwood
Birth: DATE: ----- Place: ----- County: ----- State: -----
FATHER: Name: Charley Greenwood ----- Mother: -----
Marriage: DATE: ----- Place: ----- Co. ----- State: -----
Death: Date: ----- Place: ----- Co. ----- State: -----
Buried: Cemetery ----- Pl: ===== O. ----- State -----
Husband Name: Hirmain
Birth: Date: moose ----- Place: ----- Co. ----- State -----
Death: DATE: ----- Place: ----- Co. ----- State -----
Buried: Cemetery: ----- Co. ----- State -----

Hope you are doing well, and may God bless you. May thanks.

Sincerely

Enclosed is a copy of the 2-Page Master Outline for John Tillman Riley II along with a one page sheet of questions about the individuals on this outline. We have been over this with you several times and you have been an excellent cooperator in getting this outline to a quite good state of completion. It may be that at this stage none of the questions can be answered.

This outline takes us through the 9th generation. When I write my Lynch book I hope to go down somewhere into the 7th-8th-9th generations - thus my special interest in getting our information as complete as possible through the 9th generations.

Still, I am happy to update, add to, locate details on generations beyond #9 - especially where I have cooperator who are also interested. I'll happily provide input on these later generations to anyone who is interested.

At this end of the line we are doing very well. Some real excitement came yesterday when we finalized a contract to buy a beautiful 120 Acre tract of land in our farming area. Life is good!

Sallaine and I are excited about our upcoming trip to England which is now firmly scheduled for 2-7 MAY 2002. We will have 8 other cousins to join us on the trip. With any luck I'll get a photo of our group looking at the letter our ancestor Michael U, I sent back to England 350 years ago - and publish the photo in a future UB.

With Appreciation and All Best Wishes.

Sincerely yours

 Phil Usher

March 23, 2002

Dear Phil,

Sorry it has been so long gathering what little info in this package. Seems as time goes by, I go slower and accomplish less.

Delos sent this info and I transfered it to the forms. Hope I read the info correctly. Don't know why this group has been so difficult to keep the info straight. Guess I never knew anything about them, plus, I don't decipher some handwriting as well as I did when I had to read Dr's Orders.

Last time I talked with Delos and Virginia, they were improving. That was during Christmas days.

I am doing well. Staying busy with "busy days" I use to keep everything up to date, but after a few years of not working a job, I can put things off for a later day.

Nothing new in my family. At least for the time being. The weather has been very good for the winter. We did get 9 ins. rain last week in less than 36 hrs. That is a lot of rain! Hope you are into the springtime now.

if you have anything I can help with, let me know. I may not have the info, but will try to obtain. I came to the conclusion that Delos does not have much info on his mother's side of the family.

I included the info he sent. Hope I got it correct on the forms.

May you have a great year!

Dear Cousin Juanita,
Thank you for your renewal on the UB
for the year 2002 and for your contribution
to our Upchurch Research effort. Having a
number of cooperators and supporters makes
family history more productive and enjoyable.
We had a great year in 2001 and hope for
similar progress in 2002.

Thanks also for the family data you sent which has now been fully processed. I do hope Belos and Virginia are coping well with their health problems. We do have excellent health care in this country in spite of all the complaints one hears. Sallaine and I go for our annual checkups tomorrow and hope for a good report. We have

2- (2)

no complaints and hope the doctor finds
nothing to disturb our peace of mind.

you have done a great job in helping
us to document your part of the family
- more specifically the John Tillman Riley II
line in the James II, IV / Barnell II Subdian.
There is always more to do and I trust
you will be alert to any Upchurch reference
you see in print either currently or from
older papers.

We had a great Family History Trip to
NC 29 NOV - 17 DEC 2001 and got lots of
information which is now about 90%
processed. We are looking forward to a
trip to England this Spring and to
delving into Upchurch history there.

It is always nice to hear from
you. With All Best Wishes.

Sincerely yours
 Phil Upchurch

□ Dear Couz Phil,

After so long, I will try to send you a couple of infos on the Law family. I called Delos Law and his wife Virginia. He had a heart attack and surg. following the Upchurch reunion last yr. Guess meeting our clan was a little much for him!. He and Virginia are each having health problems this yr. He assured me he will provide the info when he can. I did get a couple of items.

Regards Law family:

Ramon correct name is Luis Ramon

Luis Ramon is the first born.

Lawrence is second born.

Delos wife Virginia father's name is: William Archibald Phillips
(I really goofed that one.)

□ Deaths in the J.B. Upchurch clan:

Upchurch Humphries

Born: 30 Aug 1908 Boxelder R.R. TX

Died: 20 Jul 2001 " " "

Age: 92 yrs, 10 mos, & 20 days

Bur: 23 Jul 2001 Boxelder Cemetery R.R. TX

Cemetery: Boxelder Cemetery

Hardison Humphries

Born: Boxelder R.R. TX

Died: 2001 Lubbock Lubbock co. TX

Age:

Burial: Lubbock " TX

Cemetery: " TX

Juanita Tatum

is recovering from his recent illness.

One can see there is a lot of room for improving the enclosed master outline. Let me mention a couple of things that may be of special interest.

POINT #1 The wife of Delos is shown as Virginia A. Phillips, daughter of William Archibald and Mary E. Lemons. This leads me to speculate that she was nee Virginia Archibald and that she married a Mr Phillips before marrying Delos. If there was a first marriage for Virginia I would, even so, conclude that the two children she and Delos adopted were not from her first marriage. Any clarification would be appreciated.

POINT #2 - I include an input from me which may be of special interest to Delos. Note the enclosed Briefs Sheet for LOUIS RAMON LAW which I found in my Briefs System [A cousin provided me with an Internet download of all references to Upchurch in CA death records - this might

sheet is one of hundreds added to my Profile System on the odd chance they might at some point be useful]. Note that the name used is LUIS RAMON LAW vs. RAMON LUIS LAW (reported by Delos?). This gives firm birth & death dates for Ramon and shows he died in INYO, CA. I cannot locate an INYO, CA on my maps but there is an INYOKERN in the NE corner of Kern Co, CA which is just west of Bakersfield in East Central San Bernardino Co, CA. Also note the Social Security Number for Ramon which could be very useful to Delos.

A copy of my extract sheet for your letter is enclosed.

Back to the Reunion. My experience has been the same as yours. It is a great place for people to renew & to establish family relationships and to chat. However, one later regrets not having more time to spend with particular individuals. And, it

is difficult to obtain a lot of specific family data at the reunions. Even a confirmed note taker like myself fails to get much written down. To compound the matter (for family historians) attendees at reunions most often fail to write as promised and fail to respond to letters sent as follow-up. A phone call usually works better. I am not complaining about this situation - just relating the facts. Your difficulty in getting details is just a confirmation of my experience.

Evenso, we move on to collaborate with those who do have an interest and with those in particular who are willing to share.

We have made great progress in documenting the John Tillman Riley line and I am especially grateful to you for your help. It will always be a pleasure to hear from you.

Sincerely yours
⑦ Phil Upchurch

□ Dear Couz Phillip,

□ + ⊕ So sorry it has been a long delay in getting my info to you. In fact, I
□ have had had problems obtaining what little info I did receive.

□ + Δ We had a great reunion with many of the younger people attending. We were
Δ + Δ + Δ glad that Delos, Virginia and their daughter and granddaughter could attend.
— Needless to say, but they were just overwhelmed with meeting so many unknown
□ people. I didnt get to talk with them very much.

Δ + Δ Delos is the correct spelling, [NEE SARAH REED U] He and his sister, deceased, knew nothing
Δ + Δ about their grandmother Law, not even her maiden name. He did say that
his mother disliked his grandfather Law. He had found out that his father
and remarried 3 times and had some children by the first 2 wives. He had
the date of his father's death. That was about all he knew. He is trying
Δ to research the Law family. A short time after the reunion, Delos had a
heart attach and surg. He is going good. He didnt have much info on his
adopted children or his sister's family. He has one half sister, Clara Miller
Densmore. I called several times and sent a form for info, and got what
I'm including on the forms. Hope it is helpful.

Δ { My brother, Benjamin R. Upchurch past away Feb. 8 following surg. for an
aneurysm. He was in hosp. in Amarillo, TX. Interment: Feb. 12, 2001
Hansford Cemetery, Hansford CO. TX

This was one of those cases where the surg. was successful, but patient died.
He had a blood clot in the lungs the 2nd P.O. day.

□ + ⊕ Time is traveling much faster than I am! If I obtain any new info, will pass
□ it on to you.

Dear Cousin Juanita,

I was sorry to learn of the passing of your brother. Sometimes even the best of medical care does not succeed. I would have loved to have known him.

Enclosed is a copy of our Spring 2001 SAGA
thus I am writing this to you from my
hotel room. We spend each day at the house
drying papers and have several more days
of that process (Sun, Jan, 3 more or so even)
before I can start setting things back into
the proper place. Then we have replacement
furniture to buy and about 500 books to replace
it is a mess!

2-

In several weeks I will get back to your letter and process it entering all the details in the proper places. I hope you will excuse the delay. Then I'll get back to you again. In the meantime if you have questions or more input please let me know.

This "flood" is a real nuisance but I take it as a mere bump in the road. For my wife it is a different story as her "nest" has been disturbed and she does not take this lightly.

With All Best Wishes

Sincerely Yours
Phil Upchurch

Dear cousin Juanita,

I am glad DELES(?) LAW found you and came to the Bureau. Enclosed is a copy of my Master Outline Sheet where he should appear. Is he the same as RAMON LAW? Any help you can give in upgrading this Outline will be appreciated.

I trust this finds you well and
looking forward to a blessed Christmas

reproduction phase for this issue and should have it printed soon if the copier does not break down (which it usually does!). We normally mail issue two each year during the 1st week of June but with any luck we should beat that this year. Of course they go by bulk mail so delivery can take up to three weeks.

I'd be interested in your reaction to the article when it appears. Perhaps this article will set the stage for us to learn even more about the John Tillman Wiley Uphurch Family. In any case please know that the Uphurch Family is indebted to you for your help in establishing our Uphurch heritage more fully.

It is always great to hear from you.

Sincerely yours

Dear Phil,

Just a note to let you know I made another mistake. I misunderstood what my neice told me about BRU attending LUK. I understood her to say BRU went to LUK with a friend of his who did go there. BRU,s name was not included with the friend.

Hope you have not recorded that and have to undo it.

We will continue the search.

Sorrey about that.

dear
phil,

REC'D

Received the info. Appreciate it. Just want to let you know that Reed Sullivan is in poor health and is living in an assisted help home. She gave her work to her neice, Rebecca Phelps, address 2023 Thousand Oaks, Orange, TX 77632-1216. Rebecca shared some of the info with me. I'm sure she will share with you. She had planned to work on the family history and may have additional info.

Reed's daughter, Patty lives in a house next to her mother. She takes care of some things for her. The son lives in Lubbock, or did.

The info on the Upchurch line from Richard in England through James III that I used was obtained from the Family History Center operated by the Church of the Latter Day Saints in Hurst. I was suprised to see the line of twins since there are so many in the present families.

I'm finding out family history handed down by family and what is hand written on pictures is not always correct. My sister was given a picture of BRU that had on it "Graduation 1906, Louise, TX. Another picture of a graduating class had BRU listed as a graduate and Nashville U. written on it. Both were wrong. I had done all my work based on the 1906 graduation date. Of course I did learn a few things. One, that people appling for a doctor's license in TX had to do so in the county where they were to practice up until 1905 when the state took over the registering, and that there is not and has never been a Nashville U.

So wheels started turning. My sister's daughter Andrea asked me why BRU was not listed on a Plaque in Clarksville with all the Drs. names on it, didnt include BRU. I've never seen the placque, but had heard of it. I knew nothing about it. I told her to go to the Hist. Society or the Musuem, or whoever was in charge of the Placque and ask them. The lady told them they had never received the info needed. So my sister called me and gave some vital info she had never mentioned. Dad started school at age 8 and completed 2 grades a year through elem. school. So, I did some math and found out I was way off course. I wrote her a note and asked for her and Andrea to go to the courthouse and go through the records. The day before she received my letter, Andra called to tell me that they found out BRU registered with the county as of Jan. 2, 1901. They also found a note that he had attended Louisville U of Kententucky. She sent me copy of 2 items, but not the one indicating LUK. So off I go again.

I suspect that someone who did the handwriting on the pictures was not able to hit the correct recall button. That is happenning. That happenned on HTU graduating from Columbia too. He told me he attended UTAustin 1½ yrs and info dad and Aunt Mary give backed that up.

About Florence Greenwood marrying a Moore, I would guess it is not the same one that married HTU. In the divorce trail, she asked that her maiden name be restored and request granted. However, it is a woman's right to change her mind. Florence had a much younger brother who married a girl in our area. He is dead and she lives in Midland. I talked with her older sister, but she didnt know anything about what happenned to Florence. I'll ask for Eunice's address and see if she knows anything. I thought the sister may have heard something through hersister Eunice.

Enclosed is a copy of the Master Outline for the John Tillman Riley U Line in the James U, IV / Burnell U subclass including continuation sections 13, 52, 54, 55. This outline is now much improved thanks to input you and others have made. Please let me know if you spot any errors or if there are

aspects we need to discuss. If you have or can get any information to fill any of the missing details that would be most welcome.

The Five Page Document you prepared on your line is great! Now I wish more people would do this. Your document is an excellent one for you to share with family members. I checked your document against my records and find almost everything in agreement. Here are some comments:

- Re the Parents of Michael U, I - we should have something more on this in Englandia in 1999.
- There is some doubt that the Frances that Michael U, I married was nee Frances Delk.
- My evidence is that Michael U, I had 4 children and no twins.
- I have no evidence that John U, I had twins.

I'll keep going over this John Tillman Riley U line and no doubt we will have more to exchange.

Re the medical education of Benjamin Riley U, Sr - Have you looked into Vanderbilt University in TN?

One of our cousins NOBLE UPCHURCH got his medical degree from Vanderbilt. He was enrolled

There in DEC 1899, I know this because I have a gold headed cane presented to Noble U DEC 1899 by her brother John Jener U, so with a notation that Noble was at Vanderbilt:

The stories you have reported on the John Tillman Riley U Family are valuable and help give a sense of what the family did, how they lived, etc.

It has been a long time since I have heard from Rebecca Sullivan. I have written her today.

Do you know of anyone else I should contact about our Upchurch Family History Project?

With appreciation for your interest in our shared Upchurch heritage.

Sincerely yours
☺ Phil Upchurch

Dear Phil,

Hopefully, I am going to get what information I have into shape and get it mailed to you sometime in April. I am sending you individual work sheets on each family member of John Tillman Riley Upchurch, John Bartlett Upchurch, and Benjamin Riley Upchurch with all the info I have. Enclosed is a new summary revised. I made a few errors on the one I did last year. Please discord it. I put in the wrong names for Sarah M. Upchurch's husband and son. Why I wrote Benjamin instead of Benajah Bryan I don't know. Her second husband's name was Benajah and the son was Benajah Windfield Bryan. On Benjamin Riley Jr., I mistyped the year he was born as 1917. That is 1916. There were other typos I missed when I reread it. I think I did better with this copies. At least I hope so. I've really checked and rechecked. Hopefully the only mistakes are typos.

The individual forms have all the info I have on each member. I haven't been able to obtain all the info. Some families are not interested in giving out their family history for some reason.

I noted in the UPCHURCH Bulletin that someone gave you family nicknames rather than the real names. In fact, my daughter was listed as Cindy, rather than Cynthia Kay. Miles Dewey Humphries sons were listed as Bo Diddle and Scooter. I am sending you some info of other extended family members that have left this "Trail of tears".

UPCHURCH CLAN ANCESTRY

LINEAGE

Micheal Upchurch

to

Benjamin Riley Upchurch

The Upchurch lineage has been traced back to England to the late 16th century to the Brington and Little Giddings areas in Huntingtongshire. The Upchurchs at that time were labours and husbandmen.

Richard Upchurch was born in 1594 and married a Frances Inkersol in 1608 at Godmanchester. Richard did not read nor write, however, he must have been respected and trusted in the community. There are records of wills where he made his mark (X) between the written Richard and Upchurch. Richard had at least two (2) children, a son and a daughter. The son Micheal, born in 1620 is our link to the Upchurch clan.

Micheal Upchurch arrived in the Colonies in 1638, landing in the Chesapeake Bay area of Westmoreland county, VA. From records it appears he came as an indentured servant obliged by terms of the contract to serve one or another master for an agreed number of years.

Micheal could not read nor write, but he did have someone write letters for him to his father and a John Ferrer. These letters indicate he was living farther south in Surry county VA.

Micheal married Frances Delk in 1651 and raised his family in Surry county, VA. They had seven children, one set of twins. Micheal is considered to be the founding father of all the Upchurchs in America.

Richard I, son of Micheal was born in 1658. He is our link in the Upchurch lineage. Richard I had three sons. John I is the link to our line.

John I was born in 1678. He married Elizabeth Hunnicut and they had several children, one set of twins. His son, James III is our heir.

James III lived in Brunswick county, VA. It is not known whether his father, John I had moved to Brunswick county, or if James III made the move. James III and his wife had three sons and two daughters. James III youngest son James IV is the link in the line of our heritage.

James III left a last Will and Testament written 24 June 1784 just one month before it was executed 26 July, 1784. James willed his property to his children with one exception. A provision stated that James III loaned his son James IV a tract of 237 acres of land and one slave, and said property to be given to his grandson Burrell Upchurch after the death of his son James IV. Said tract of was on the south side of White Oak Swamp below Bracey's, Spring Branch, VA. James III and James IV wives were not listed. James IV was named as one of the executors of the will. There are many questions as to the "Whys" of this will.

Burrell was an only child and is our great-great-grandfather. Burrell had moved to Franklin county, N.C. where he was living when he sold the land he inherited from his grandfather James III. He was about twenty-one years at this time. It is not known whether James IV was dead at this time or why Burrell was able to sell the land. After selling the land, Burrell moved to Georgia. The annual tax lists for Greene county, GA for years 1805-1810 shows that Burrell paid taxes on land in Greene county, GA. A James Upchurch was there in the years 1806-1810. In Oct. 1809, Burrell sold a tract of land in Greene co. In Sept. 1810 he conveyed another tract of land in Greene co. east

(4)

of the Oconee River while paying taxes on land in Wilkerson county, east of Macon. Twiggs county was cut out of Wilkerson county, so it may have been in the general area of Stone Creek Baptist Church. The church was in Twiggs county.

A William and Rebecca Barnes and a Mary Upchurch lived in Greene county on the west side of the Ogeechee River. Stone Creek Baptist Church records show the following were received into membership on dates indicated:

William and Rebecca Barnes	- 23 June 1810
Elizabeth Riley	- 21 July 1810
James Upchurch	- 22 June 1811
Mary Upchurch	- 25 Jan 1812
Ellender Riley	- 25 Jan 1812

It is unknown when Ellender Riley and Burrell Upchurch were married. Their child, Harriet was born 7 Mar 1813.

Stone Creek Baptist Church issued a letter of dismissal on Nov. 21, 1815 to Ellender Upchurch. This may have been the the time Burrell was getting ready to move to MS. Records indicate he was in Perry county, MS in 1817.

It is interesting to note that Mary Upchurch who lived with the Barnes moved with Burrell and Ellender to MS and on to AL. After Ellender Upchurch died, Mary Upchurch returned to Twiggs county, AL to live with the Barnes. Mary Upchurch died at the age of 100. There was some connection between the Barnes, Mary Upchurch and Burrell Upchurch.

Records show that Burrell and family were in Clark county AL in 1829, likely in the vicinity of present day Bashi in the northern part of Clark county. In an article "Clark County and Surroundings AL", by Rev. T.H. Ball writes, "Among the Lime Hills in Bashi or Loftin neighborhood the first family carriage was introduced in 1830. In this, Mrs. Upchurch and her two daughters were accustomed to ride when going to make visits or attend church."

Ellender Upchurch dies 2 Feb 1831. A grave with a headstone marked with E. Upchurch is located in the woods on the old Tompkin Place now owned by Mrs. Sullivan Sheehan, at Atkinson, AL, about a mile and a half from the Wilcox county line. It is assumed to be Ellender's grave.

Burrell bought and sold land in Wilcox, Marengo, Sumter, and Chactaw counties. Records have not been found that show he owned land in Clark county. One must take into account that the large, older counties were divided to make new smaller counties. Burrell was a mover, going from NC to GA, to MS, and to AL. His children were movers also, some going to TX and back east, some to GA. Burrell's children that moved to TX settled in Grimes county. Burrell died 31 Dec 1847.

John Tillman Riley Upchurch was the youngest of Burrell's children and is our great-great-grandfather. He born 19 Feb 1829 in Clark county, AL. He married Sarah Dudley Mary Hester Margaret Scott McGregor. They lived in Chactow county, AL. The 1850 census lists J.T.R. Upchurch as FAMILY #443:

John T.	Age: 22	Born: AL	Occup: Planter	Valus 500
Sarah M.	21	AL	Wife	
Burrell T.	2	AL	son	
John B.	1	AL	son	

A planter is an old Virginia term which implies the Planter oversees at least a thousand acres. At the time Burrell came to AL the river bottom land along the Tombigee river was selling around 5¢ to 6¢ an acre.

John Tillman Riley died 11 Jan 1851. He is buried near Yantly in Chactow county, AL.

Sarah Margaret McGregor was born in Marengo county, AL 15 Aug 1829 to William Turner McGregor and his wife Ellender Allen.

Sarah M upchurch came to TX with members of her family, including her brother John McGregor and his wife Alice Rosser around the last part of 1851 or the first part of 1852. John and Alice's son William Turner McGregor was born 26 July 1852 in Bowie county TX.

Family history passed down was that Sarah M. did not receive any property that belonged to her husband. His brothers obtained the property under the old English law in effect in AL at that time. Sarah M. left her sons with a woman in AL with the idea she would come to TX and get settled, then return for the boys.

The story goes that Sarah M. settled on the east side of Shawnee Creek east of the two-story home later built by John B. Some of us remember seeing the old log cabin in ruins.

Sarah M. married a Benajah Bryan in 1855. He was a bachelor and owned land on west side of Shawnee Creek beginning at the northern edge of present day Baird property, excluding the Gaines property, down past the east road running past the old homestead.

This union produced two children, Fleurette born 30 Oct. 1856. She died 19 April 1869. A son Benajah Windfield born 18 Jan 1858. He died 19 May 1860. Sarah's husband Benajah Bryan died 6 Nov 1858. Sarah M. inherited his property. Benjamin Riley told that his father, John B. came to Texas in a covered wagon when he was twelve (12) years old. This would have been around 1860 or 1861.

Pioneer life had to be difficult for everyone, especially for a woman trying to operate a farm by herself. She had to be strong, determined and hard working to be successful. Sarah was active in the community. She was a founding member of the Salem Baptist Church formed at Boxelder 1856. She was knowledgeable about herbs and ministered to the neighbors in need. Her mode of transportation was riding horseback using a side saddle. Sarah M. assisted with running the farm and helping with the grandchildren until her death 23 Jan 1899. The older grandchildren talked more about their grandmother than they did their mother. They called her Grandmaw Bryant.

Sarah's oldest son, Burrell Turner died 5 Mar 1865. There are three different versions about his death. One, they were clearing land in Sulphur Bottoms and Burrell decided to jump into a slough of water to cool off and died. Another one was that he was sent to buy a mule. He became ill and died in Mt. Pleasant, and was buried there. Henry T. Upchurch gave a more detailed and a different account. Burrell had moved south and returned for a visit. The morning he left, he had a severe cold and Sarah M. begged him to stay until he was feeling better. He refused and made it to Mt. Pleasant, Titus county, Texas where he checked into an Inn. He died a couple of days later. The Inn keeper buried him, then sent word to John B. about Burrell's death. John B. went to Mt. Pleasant. John gave Burrell's horse to the Innkeeper to pay for services and burial of Burrell. John B. kept the saddle and bridle.

John B. was a large, strong and determined man. He used his business savvy and brute strength to build a large, successful farm. They had renters and hired help. Their main source of income came from gathering up hogs in Sulphur Bottoms for sale. This work went on year round, regardless of rain, sleet, snow or heat. In the early days the settlers had to travel to Jefferson, a port town in east Texas to purchase some needed supplies such as seeds, salt, sugar, furniture and blacksmith supplies. Some supplies came in 55 gallon wooden stave barrels. It was said that John B. would load and unload these by himself.

John B. married Julia Rebecca Hardison 2 Feb 1877. Julia was born in Miss. 4 Feb 1860 to Benjamin Hardison and his second wife Mary Cathrine Rebecca Alexander. Mary Catherine R. Alexander Hardison was born 22 June 1836 and died 12 Feb 1864. Benjamin Hardison moved his family to Texas in 1870 and settled in Sulphur Bottoms on what became known as Hardison; Knoll.

John and Julia had nine children and raised six. They sent all the children to school, boarding them out with families in Bogota, Detroit, and Clarksville TX. $\Delta + \Delta$

Julia died a tragic death. She was outside at the washpot with a fire around it when her clothing caught fire. She screamed and ran. By the time she was caught and the flames extinguished, she was severely burned. She died 20 Apr 1898. $\Delta + \Delta$

John B. bought land by paying off back taxes. Some land was deeded to him by the state. He co-signed notes for people, often paying off the notes. The acreage owned by Sarah M. and John B combined with Julia's inheritance probably was over three thousand acres. Someone stole a deed from John B. and the property was claimed by another large landowner. They went to court and the other landowner won the land. $\Delta + \Delta$

John was a hard worker and taught his children to work. He took care of his family and hired help, whether ill or in other troubles. When Riley came down with typhoid fever, John brought him home. He told Mary she would have to care for Riley during the day and he would care for Riley at night after he worked all day. $\Delta + \Delta$

Once a week John killed hogs to feed the family and all the workers. They grew their food, ground their corn, and made their syrup, rendered lard, and made lye soap. $\Delta + \Delta$

John B. and Julia built a large, two-story house and furnished it with walnut furniture. They had a very large parlor for entertaining. John liked to play the fiddle. He liked his daily "drink" and kept a supply on hand. In his later years, he wore an old slough hat and rode a mule rather than a horse. He said the mule was much easier to ride. $\Delta + \Delta$

John B. had a heart attack. He was instructed by the doctor to change his diet, reduce the amount and stop eating pork. He told the doctor that as a child he had to go to bed hungry most every night and that he promised himself if he ever could afford food he would never go hungry again. Needless to say, he died of a heart attack on 10 Sept 1910. He is buried at Boxelder Cemetery. $\Delta + \Delta + \Delta$

Benjamin Riley was the oldest living sibling. He inherited the red hair and light complexion from his grandmother Sarah M. He worked for his father, not in school. One of his jobs was to break broncs. Mary stated that after riding broncs, he would vomit blood for 2-3 days. She thought this was the reason he had stomach problems all his adult life. Riley completed medical school and practiced medicine in Red River county a short time, then moved to the Huntsville area in Walker county. There he met and married Minerva Ola Carter. Ola's parents were dead and she lived with some other family. Ola had problems dealing with Riley's practicing medicine, so he gave it up and moved back to Boxelder to farm. Ola's sister, Lou moved with them. She died and is buried in Boxelder cemetery. Riley and Ola had three children. John Salis was born 2 Sept 1910. He died 6 Feb 1988. Mary Carter was born 6 Mar 1913. Benjamin Riley Jr. was born 17 Jan 1916. Their mother Ola died 11 Feb 1916. Riley placed the children with other families after Ola died. Johnson S. and Benjamin R. were placed with their Aunt Finlayson. Riley's cousin, Eli McGregor and his wife took Mary C. Later, Benjamin Riley Jr. was placed with John Jacob Minter and his wife Emma Lum Smith Minter. $\Delta + \Delta$

Riley married Gertrude Minter 27 Jan 1917. Riley and Gertrude brought the children home. Riley and Gertrude had four children. The first born Julia Gertrude was born 6 Nov 1917 and died 2 June 1919. The other children were Juanita Ernestine born 5 Sept 1920. Henry Tillman II, born 13 Oct 1922. Jacob Edward born 12 Aug 1925. Jacob E. died 16 June 1952. $\Delta + \Delta + \Delta + \Delta$

Riley was a leader in the community and Salem Baptist. He assisted people of any color or status, rich or poor, with medical, legal, or personal problems. He was a character witness for young people seeking jobs, and helped others taking correspondence courses. He was called for Jury duty quite often. Along with farming, he practiced some medicine, mostly assisting other doctors with diagnosis and surgery, and care for the needy. If patients paid him for his services, it was usually with produce. He worked several years as a bookkeeper for Peek & Laeson Brothers General Store at Boxelder. Riley and his cousins, like to fish and hunt. We grew up camping out the old fashion way, sleeping on the ground covered with hay and quilts under a Tent of mosquito netting, and could see the stars above. They fished with cane poles and hooks, "set hooks", trot lines, and by placing seines around old logs and stumps, then getting inside the nets and grabbing the fish by hand.

The Stock Crash of 1929 ruined Riley financially and he was never able to recoup his losses. His health deteriorated. He died 11 Mar 1948.

Benjamin Riley's living siblings were:

Sarah Reed born 22 Aug. 1882. She married James R. Law. They had two sons. They lived in Portales, New Mexico. Sarah died at Boxelder 30 Apr 1929 following a long illness. She is buried in Boxelder Cemetery.

Mary Alexander was born 13 May 1886. She married James David Humphries 13 Aug 1905. They had two sons. James David Humphries died. Mary married Lewis Hardiman. They did not have any children, however, they took Edna Phelps when she was a few days old and raised her. Lewis Hardiman died a mysterious death. Mary used a horse and buggy for transportation. She had two homes to burn. After the last one burned, she lived with Henry T.

John Bartlett Jr. was born 2 Dec 1888. He graduated from UTAustin Engineering school. He never married. He lived most of his life in Wichita Falls and worked in the oil industry. Texas Governor Alred appointed him to serve on a committee during Alred's years in office. He lived in Austin for the duration. John died on the dance floor from a heart attack on 6 Feb 1969 and is buried in Boxelder Cemetery. He died doing what he liked to do, dance.

Henry Tillman Upchurch was born 17 Aug 1895. He served in WWI where he received lung damage to mustard gas used by the Germans. He married Florence Greenwood. The marriage lasted only a few days. She requested he sign the farm over to her. He refused. She went home. He was forced to sell the farm to settle the marriage. Henry then moved in with Mary. Riley let him use one of his teams, and some acreage to farm. Henry joined the CC Camps in the thirties. Later, he went to work for Mobil Oil Corp. as a surveyor. When he retired, he moved back to Boxelder and bought a farm near the old homestead. There are a couple of stories about Henry's education. One version is that he graduated in 1916 from Columbia U Engineering school. Henry told this writer that he attended UT at Austin Engineering school for one and a half year and had to drop out due to substances. Other family members had commented that he attended UTA but did not graduate. Inquiries to UTA and Columbia came back with no record of attending the college. Columbia added that there has never been an Upchurch to attend their school. Henry died 11 Jan 1985. He is buried in Boxelder Cemetery.

UPCHURCH CLAN ANCESTRY

LINEAGE

Micheal Upchurch
to
Benjamin Riley Upchurch

The Upchurch lineage has been traced back to England to the late 16th century to the Brington and Little Giddings areas in Huntingtongshire. The Upchurchs at that time were labours and husbandmen.

Richard Upchurch was born in 1594 and married a Frances Inkersol in 1608 at Godmanchester. Richard didnot read nor write, however, he must have been respected and trusted in the community. There are records of wills where he made his mark () between the written Richard and Upchurch. Richard had at least two (2) children, a son and a daughter. The son Micheal, born in 1620 is our link to the Upchurch clan.

Micheal Upchurch arrived in the Colonies in 1638, landing in the Chesapeake Bay area of Westmoreland county, VA. From records it appears he came as an indentured servant obliged by terms of the contract to serve one or another master for an agreed number of years.

Micheal could not read nor write, but he did have someone write letters for him to his father and a John Ferrer. These letters indicate he was living farther south in Surry county VA.

Micheal married Frances Delk in 1651 and raised his family in Surry county, VA. They had seven children, one set of twins. Micheal is considered to be the founding father of all the Upchurchs in America.

Richard I, son of Micheal was born in 1658. He is our link in the Upchurch lineage. Richard I had three sons. John I is the link to our line.

John I was born in 1678. He married Elizabeth Hunnicut and they had several children, one set of twins. His son, James III is our heir

James III lived in Brunswick county, VA. It is not known whether his father, John I had moved to Brunswick county, or if James III made the move. James III and his wife had three sons and two daughters. James III youngest son James IV is the link in the line of our heritage.

James III left a last Will and Testment written 24 June 1784 just one month before it was excuted 26 July, 1784. James willed his property to his children with one exception. A provision stated that James III loaned his son James IV a tract of 237 acres of land and one slave, and said property to be given to his grandson Burrell Upchurch after the death of his son James IV. Said tract of was on the south side of White Oak Swamp below Bracey's, Spring Branch, VA. James III and James IV wives were not listed. James IV was named as one of the executors of the will. There are many questions as to the "Whys" of this will.

Burrell was an only child and is our great-great-grandfather. Burrell had moved to Franklin county, N.C. where he was living when he sold the land he inherited from his grandfather James III. He was about twenty-one years at this time. It is not known whether James IV was dead at this time or why Burrell was able to sell the land. After selling the land, Burrell moved to Georgia. The annual tax lists doe Greene county, GA for years 1805-1810 shows that Burrell paid taxes on land in Greene county, GA. A James Upchurch was there in the years 1806-1810. In Oct. 1809, Burrell sold a tract of land in Greene co. In Sept. 1810he conveyed another tract of land in Greene co. east

(48)

of the Oconee River while paying taxes on land in Wilkerson county, east of Macon. Twiggs county was cut out of Wilkerson county, so it may have been in the general area of Stone Creek Baptist Church. The church was in Twiggs county.

A William and Rebecca Barnes and a Mary Upchurch lived in Greene county on the west side of the Ogeechee River. Stone Creek Baptist Church records show the following were received into membership on dates indicated:

William and Rebecca Barnes	- 23 June 1810
Elizabeth Riley	- 21 July 1810
James Upchurch	- 22 June 1811
Mary Upchurch	- 25 Jan 1812
Ellender Riley	- 25 Jan 1812

It is unknown when Ellender Riley and Burrell Upchurch were married. Their child, Harriet was born 7 Mar 1813.

Stone Creek Baptist Church issued a letter of dismissal on Nov. 21, 1815 to Ellender Upchurch. This may have been the time Burrell was getting ready to move to MS. Records indicate he was in Perry county, MS in 1817.

It is interesting to note that Mary Upchurch who lived with the Barnes moved with Burrell and Ellender to MS and on to AL. After Ellender Upchurch died, Mary Upchurch returned to Twiggs county, AL to live with the Barnes. Mary Upchurch died at the age of 100. There was some connection between the Barnes, Mary Upchurch and Burrell Upchurch.

Records show that Burrell and family were in Clark county AL in 1829, likely in the vicinity of present day Bashi in the northern part of Clark county. In an article "Clark County and Surroundings AL", by Rev. T.H. Ball writes, "Among the Lime Hills in Bashi or Loftin neighborhood the first family carriage was introduced in 1830. In this, Mrs. Upchurch and her two daughters were accustomed to ride when going to make visits or attend church."

Ellender Upchurch dies 2 Feb 1831. A grave with a headstone marked with E. Upchurch is located in the woods on the old Tompkin Place now owned by Mrs. Sullivan Sheehan, at Atkinson, AL, about a mile and a half from the Wilcox county line. It is assumed to be Ellender's grave.

Burrell bought and sold land in Wilcox, Marengo, Sumter, and Chactaw counties. Records have not been found that show he owned land in Clark county. One must take into account that the large, older counties were divided to make new smaller counties. Burrell was a mover, going from NC to GA, to MS, and to AL. His children were movers also, some going to TX and back east, some to GA. Burrell's children that moved to TX settled in Grimes county. Burrell died 31 Dec 1847.

John Tillman Riley Upchurch was the youngest of Burrell's children and is our great-great-grandfather. He born 19 Feb 1829 in Clark county, AL. He married Sarah Dudley Mary Hester Margaret Scott McGregor. They lived in Chactow county, AL. The 1850 census lists J.T.R. Upchurch as FAMILY #443:

John T.	Age: 22	Born: AL	Occup: Planter	Value 500
Sarah M.	21	AL	Wife	
Burrell T.	2	AL	son	
John B.	1	AL	son	

A planter is an old Virginia term which implies the Planter oversees at least a thousand acres. At the time Burrell came to AL the river bottom land along the Tombigee river was selling around 5¢ to 6¢ an acre.

John Tillman Riley died 11 Jan 1851. He is buried near Yantley in Chactow county, AL.

Sarah Margaret McGregor was born in Marengo county, AL 15 Aug 1829 to William Turner McGregor and his wife Ellender Allen.

Sarah M upchurch came to TX with members of her family, including her brother John McGregor and his wife Alice Rosser around the last part of 1851 or the first part of 1852. John and Alice's son William Turner McGregor was born 26 July 1852 in Bowie county TX.

Family history passed down was that Sarah M. did not receive any property that belonged to her husband. His brothers obtained the property under the old English law in effect in AL at that time. Sarah M. left her sons with a woman in AL with the idea she would come to TX and get settled, then return for the boys.

The story goes that Sarah M. settled on the east side of Shawnee Creek east of the two-story home later built by John B. Some of us remember seeing the old log cabin in ruins.

Sarah M. married a Benajah Bryan in 1855. He was a bachelor and owned land on west side of Shawnee Creek beginning at the northern edge of present day Baird property, excluding the Gaines property, down past the east road running past the old homestead.

This union produced two children, Fleurette born 30 Oct. 1856. She died 19 April 1869. A son Benajah Windfield born 18 Jan 1858. He died 19 May 1860. Sarah's husband Benajah Bryan died 6 Nov 1858. Sarah M. inherited his property. Benjamin Riley told that his father, John B. came to Texas in a covered wagon when he was twelve (12) years old. This would have been around 1860 or 1861.

Pioneer life had to be difficult for everyone, especially for a woman trying to operate a farm by herself. She had to be strong, determined and hard working to be successful. Sarah was active in the community. She was a founding member of the Salem Baptist Church formed at Boxelder 1856. She was knowledgeable about herbs and ministered to the neighbors in need. Her mode of transportation was riding horseback using a side saddle. Sarah M. assisted with running the farm and helping with the grandchildren until her death 23 Jan 1899. The older grandchildren talked more about their grandmother than they did their mother. They called her Grandmaw Bryant.

Sarah's oldest son, Burrell Turner died 5 Mar 1865. There are three different versions about his death. One, they were clearing land in Sulphur Bottoms and Burrell decided to jump into a slough of water to cool off and died. Another one was that he was sent to buy a mule. He became ill and died in Mt. Pleasant, and was buried there. Henry T. Upchurch gave a more detailed and a different account. Burrell had moved south and returned for a visit. The morning he left, he had a severe cold and Sarah M. begged him to stay until he was feeling better. He refused and made it to Mt. Pleasant, Titus county, Texas where he checked into an Inn. He died a couple of days later. The Inn keeper buried him, then sent word to John B. about Burrell's death. John B. went to Mt. Pleasant. John gave Burrell's horse to the Innkeeper to pay for services and burial of Burrell. John B. kept the saddle and bridle.

John B. was a large, strong and determined man. He used his business savvy and brute strength to build a large, successful farm. They had renters and hired help. Their main source of income came from gathering up hogs in Sulphur Bottoms for sale. This work went on year round, regardless of rain, sleet, snow or heat.

In the early days the settlers had to travel to Jefferson, a port town in east Texas to purchase some needed supplies such as seeds, salt, sugar, furniture and blacksmith supplies. Some supplies came in 55 gallon wooden stave barrels. It was said that John B. would load and unload these by himself.

John B. married Julia Rebecca Hardison 2 Feb 1877. Julia was born in Miss. 4 Feb 1860 to Benjamin Hardison and his second wife Mary Cathrine Rebecca Alexander. Mary Catherine R. Alexander Hardison was born 22 June 1836 and died 12 Feb 1864. Benjamin Hardison moved his family to Texas in 1870 and settled in Sulphur Bottoms on what became known as Hardison; Knoll.

John and Julia had nine children and raised six. They sent all the children to school, boarding them out with families in Bogota, Detroit, and Clarks ville TX.

Julia died a tragic death. She was outside at the washpot with a fire around it when her clothing caught fire. She screamed and ran. By the time she was caught and the flames extinguished, she was severely burned. She died 20 Apr 1898.

John B. bought land by paying off back taxes. Some land was deeded to him by the state. He co-signed notes for people, often paying off the notes. The acreage owned by Sarah M. and John B combined with Julia's inheritance probably was over three thousand acres. Someone stole a deed from John B. and the property was claimed by another large landowner. They went to court and the other landowner won the land.

John was a hard worker and taught his children to work. He took care of his family and hired help, whether ill or in other troubles. When Riley came down with typhoid fever, John brought him home. He told Mary she would have to care for Riley during the day and he would care for Riley at night after he worked all day.

Once a week John killed hogs to feed the family and all the workers. They grew their food, ground their corn, and made their syrup, rendered lard, and made lye soap.

John B. and Julia built a large, two-story house and furnished it with walnut furniture. They had a very large parlor for entertaining. John liked to play the fiddle. He liked his daily "drink" and kept a supply on hand. In his later years, he wore an old slough hat and rode a mule rather than a horse. He said the mule was much easier to ride.

John B. had a heart attack. He was instructed by the doctor to change his diet, reduce the amount and stop eating pork. He told the doctor that as a child he had to go to bed hungry most every night and that he promised himself if he ever could afford food he would never go hungry again. Needless to say, he died of a heart attack on 10 Sept 1910. He is buried at Boxelder Cemetery.

Benjamin Riley was the oldest living sibling. He inherited the red hair and light complexion from his grandmother Sarah M. He worked for his father and was not in school. One of his jobs was to break broncs. Mary stated that after riding broncs, he would vomit blood for 2-3 days. She thought this was the reason he had stomach problems all his adult life. Riley completed medical school and practiced medicine in Red River county a short time, then moved to the Huntsville area in Walker county. There he met and married Minerva Ola Carter. Ola's parents were dead and she lived with some other family. Ola had problems dealing with Riley's practicing medicine, so he gave it up and moved back to Boxelder to farm. Ola's sister, Lou moved with them. She died and is buried in Boxelder cemetery. Riley and Ola had three children. John Salis was born 2 Sept 1910. He died 6 Feb 1988. Mary Carter was born 6 Mar 1913. Benjamin Riley Jr. was born 17 Jan 1916. Their mother Ola died 11 Feb 1916. Riley placed the children with other families after Ola died. Johnson S. and Benjamin R. were placed with their Aunt Finlayson. Riley's cousin, Eli McGregor and his wife took Mary C. Later, Benjamin Riley Jr. was placed with John Jacob Minter and his wife Emma Lum Smith Minter.

Riley married Gertrude Minter 27 Jan 1917. Riley and Gertrude brought the children home. Riley and Gertrude had four children. The first born Julia Gertrude was born 6 Nov 1917 and died 2 June 1919. The other children were Juanita Ernestine born 5 Sept 1920. Henry Tillman II, born 13 Oct 1922. Jacob Edward born 12 Aug 1925. Jacob E. died 16 June 1952.

Riley was a leader in the community and Salem Baptist. He assisted people of any color or status, rich or poor, with medical, legal, or personal problems. He was a character witness for young people seeking jobs, and helped others taking correspondence courses. He was called for Jury duty quite often. Along with farming, he practiced some medicine, mostly assisting other doctors with diagnosis and surgery, and care for the needy. If patients paid him for his services, it was usually with produce. He worked several years as a bookkeeper for Peek & Laeson Brothers General Store at Boxelder. Riley and his cousins, like to fish and hunt. We grew up camping out the old fashion way, sleeping on the ground covered with hay and quilts under a Tent of mosquito netting, and could see the stars above. They fished with cane poles and hooks, "set hooks", trot lines, and by placing seines around old logs and stumps, then getting inside the nets and grabbing the fish by hand.

The Stock Crash of 1929 ruined Riley financially and he was never able to recoup his losses. His health deteriorated. He died 11 Mar 1948.

Benjamin Riley's living siblings were:

Sarah Reed born 22 Aug. 1882. She married James R. Law. They had two sons. They lived in Portales, New Mexico. Sarah died at Boxelder 30 Apr 1929 following a long illness. She is buried in Boxelder Cemetery.

Mary Alexander was born 13 May 1886. She married James David Humphries 13 Aug 1905. They had two sons. James David Humphries died Mary married Lewis Hardiman. They did not have any children, however, they took Edna Phelps when she was a few days old and raised her. Lewis Hardiman died a mysterious death. Mary used a horse and buggy for transportation. She had two homes to burn. After the last one burned, she lived with Henry T.

John Bartlett Jr. was born 2 Dec 1888. He graduated from UTAustin Engineering school. He never married. He lived most of his life in Wichita Falls and worked in the oil industry. Texas Governor Alred appointed him to serve on a committee during Alred's years in office. He lived in Austin for the duration. John died on the dance floor from a heart attack on 6 Feb 1969 and is buried in Boxelder Cemetery. He died doing what he liked to do, dance.

Henry Tillman Upchurch was born 17 Aug 1895. He served in WWI where he received lung damage to mustard gas used by the Germans. He married Florence Greenwood. The marriage last only a few days. She requested he sign the farm over to her. He refused. She went home. He was forced to sell the farm to settle the marriage. Henry then moved in with Mary. Riley let him use one of his teams, and some acreage to farm. Henry joined the CC Camps in the thirties. Later, he went to work for Mobil Oil Corp. as a surveyor. When he retired, he moved back to Boxelder and bought a farm near the old homestead. There are a couple of stories about Henry's education. One version is that he graduated in 1916 from Columbia U Engineering school. Henry told this writer that he attended UT at Austin Engineering school for one and a half year and had to drop out due to substances. Other family members had commented that he attended UTA but did not graduate. Inquiries to UTA and Columbia came back with no record of attending the college. Columbia added that there has never been an Upchurch to attend their school. Henry died 11 Jan 1985. He is buried in Boxelder Cemetery.

Dear Cousin Juanita,

The details provided in your letter about the lands of John Tillman Riley II have been made a part of the Biofile and also of the Biofile of Sarah Margaret McGregor. we continue to add everything possible to the narrow Biofile hoping that later examinations of them will prove fruitful

I'll look forward to the other information
you have in due course.

with appreciation for your interest in and support of work on our shared family heritage.

☺ Sincerely yours
Phil Yehle

[ROBERT PHILLIP URCURCH]

In your letter you mentioned some genealogical forms. I would be happy to have copies of those. In our phone conversation you mentioned a write-up you have on the family. A copy of this would be useful to me.

A picture of John Bartlett U, Sr would be a good candidate to be reproduced in the Upland Bulletin. This would give us an excuse to tell a list in the UB about his life and times and his family.

Enclosed is a copy of my 3 Page 8 Item Biographical on your Great Grandfather John Tillman Riley U. I am especially proud of Entry #6 and perhaps this is new to you.

It is really nice to work with you and I appreciate your keen sense of family history. Please let me know if you have questions.

Sincerely yours
 ☺ Phil Upland

REC'D
23 MAR 1998

- It was a real pleasure to hear from you and receive the info. It answered some
- + □ questions and raised others. My son was very pleased to read some of the articles.
- + □ Can't say that I have made much process, but a little. Have some answers to your
- questions, and nothing on others. The enclosed material has the info I obtained.
- One family was inclined to ^{not} give out some info, even though it is public info.
- I hope to continue to search data. It is time consuming and costly.

- I have a Genealogical form filled in on each person with a little more info than
- on these pages. Includes some parents names of "in-laws" I plan to get them ty-
- ped up this summer. Can send you copies if you wish.

- + □ I have checked and rechecked my material several times. Hope I did not make an error.

- On the form you sent, I noted 2-3 errors.

- 1. J.C. Tatum's birthday is 26 May, 1923- Hartley, Hartley co. TX.

- 2. The Parcham family. They have 2 children, not 3.

- 3. B.R.U and M.O.C listed them married in Grimes Co. I ordered a copy of the license, from The Co. courthouse at Anderson. They said that they donot have any marriage license for that couple. I was under the impression that my father was living in Huntsville then, and that Ola was born and raised about 10-15 miles out of Huntsville. I talked with my brother and sister who have visited with their kin there and around Houston. My brother said that one of his kin took him out to the community where the Carter family lived, a place called Sandy and is no longer there. They couldnot give me any more info, not even the names of their grandparents. My father and their Aunt Alice corresponed throughout his life. I plan to try Huntsville co. for info.

- 4. I noted somewhere it was written that Burrell Miles Upchurch was buried at

- Boxelder Cemetery. He was buried in Mt. Pleasant, Titus Co. TX.

- 5. Also read somewhere that the babies that died at birth or soon after where buried at Boxelder Cemetery. I donot beleive they are buried there. We have a large family plot and I have never seen any marker for them... They have recently finished plotting and recording all the graves by rows. I check that next time

- + □ I'm there. This last fall my sister in law and I went through the Upchurch lot.
- I ended up cleaning a growth off several tombstones.

- In my searching, I came across a tidbit and recorded it, don't konw why. A

- + □ Delinza Upchurch married a Joseph Conray on Dec. 21, 1854. in Walker Co. TX.

- + □ + □ I havenot found out where Sarah M McGregor-Bryn was buried, neither the husband nor children.

- + □ + □ The more I find out the more I want to find out. Many thanks for your work and info.

③ NOTES OF RPA CALL 14 JUL 1998 to Juanita Ernestine U

Re Boxelder Cem., Boxelder, Red River Co, TX.

This cemetery and Salem Baptist Church were formed as adjacent but separate legal entities in 1858.

Prior to this time some burials were made in an older cemetery about 1/4 mile away but it began to be dispenitential when the

Boxelder Cem. opened and has probably been

- Δ obliterated. Juanita feels certain that Sarah
 - Margaret McGregor and her 3 grandchildren who
 - died as infants were not buried at Boxelder
- Cem. She does not know where these poor are
- Δ Δ buried. The infants: Alpha NMMU, Catherine NMMU,
- Δ & Omega NMMU. (* COPIED FOR CEMETERY FILE)

Δ Sarah Margaret McGregor being the widow of

- John Tillman Riley U who d in Creekam Co, AL
- in 1851 moved to Red River Co, TX in the 1850's probably in association with her brothers.

Δ+Δ+Δ She kept her sons, Bunell Turner U & John Bartlett U in AL but went back for them in due course. At that time Red River Co, TX was very large and eventually gave use to all or parts of 38 present day counties.

- △ Sarah brought slave with her to TX and
- possibly owned land in Red River Co, TX where
- △ they worked. She md (and) 1853 (Red River Co, TX). There
- were 1 or 2 children of this 2nd mrg who died as
- △ children. Sarah inherited the property of her 2nd
- hus J. Bryan when he died about 1856-1858. Juanita
- △ does not know of other mrg for Sarah.

Juanita says information passed down in the family led them to believe they were not related to the Upchurch relatives of Grimes Co, TX where as they actually are closely related

- △ The story of the death of Burrell Turner U is not
- △ firm. It seems he may have been on the way to
- buy a mule. Another version [from Uncle Henry -
- △ HENRY TILMAN U, I] is that B. T. U had moved south
- but returned to Boxelder, TX for a visit and fell
- sick but left to return south but was stricken
- en route. [Juanita says Uncle Henry did not always
- △ get things correct]. In any case B. T. U died in
- △ Mt Pleasant, Titus Co, TX and is buried there. His
- brother John Bartlett U, Sr. went over later and
- gave the lun keeper who handled the last rites
- a horse for his troubles - but brought saddle back home.

Juanita says her GF John Bartlett U, Sr was reputed to be a wheel/dealer a character, a workaholic and that he had to have his whiskey every day. He owned 3,000 acres of land and left each of his children a tract. Some of the land was in Sulphur Bottoms. He build a nice 2-story house for his bride and had walnut furniture shipped in. He sent his children, boys & girls, away for an education. The boys all went to College. He died at age 60. His doctor encouraged him to eat less but he said he had grown up being hungry and promised himself he would never go hungry when he grew up.

Juanita does not know where her father, Benjamin Riley U, Sr, got his medical degree. one report is that it was at Vanderbilt. He was practicing in Huntsville in Walker Co, TX when he met and married his first wife Minerva Ola Carter. Sometime after that he stopped his medical practice and returned to Red River Co, TX where he engaged in agriculture. He assisted in medical activities but no longer practiced. Family lore is that Olga caused him to stop his medical

because the man jealous and did not want him to stay female - and possibly for other reason. He got rid of his medical stuff, including his black bag.

Sarah Reed U did not get along with her father after he got her inheritance she and her husband

moved to Portabel, NM. She had 2 sons - The youngest (name not known) killed himself accidentally in his teens - he never met or had children.

The other son RAYMOND L was diagnosed for several years. He went to CA, and had 3 children.

She returned to Berkeley, TX and lived out her years there.

Mary Alexander U had two children by Humphreys

#1 Mable Dewey Humphreys and Margie Burton, all

a. Bo Diddle Humphreys
b. Stanley Humphreys - lives in Dallas, TX

#2 Wynburn Humphreys and Bernice Jones - No issue

John Bantlett U, he got a degree in Civil Engineering

Henry Telleman U, I met at the dining TX in Austin, TX but did not graduate. He and Florence Greenwood and they lived together for than 2 weeks - The my was annulled or they divorced. She cost Uncle Henry a lot of money. She was raised in Shreve Prairie. She remained & in met the person who met known Jennings Moore

Juanita attended nursing school. She says Rebecca Reed Humphries no longer works on family history but has a niece and a daughter-in-law who trace her materials and are interested. Juanita will send me their addresses.

Juanita says that details on the family of Minerva Ola Carter are hard to locate. It seems that some of her Carter family were "rough" individuals.

Juanita will send me copies of pictures including one of John Bartlett U. Sr. and a writeup on the family.

Dear Cousin Juanita,

I am delighted to have your letter of 14 OCT 1997 and your expression of interest in your Upchurch heritage. Details on the Upchurch publications which you requested are enclosed. Also provided is a copy of our "freedom" document.

I have a fair amount of information on the John Tillman U line in the James U, IV / Barnwell U Subclass. At present you are my only contact with a member of this line. I am sure we can help each other. If you have any organized material on the descendants of John Tillman U could you please send me a copy. I will add what you send to my Master Outline and then provide you with a copy. My records show John Tillman Riley

had only 2 children only one of which, John Bartlett U, Sr married. I am assuming John Bartlett U, Sr is your grandfather. I show he had 9 children but I can't figure out which of the 9 would have been your father.

In the Upchurch Bulletin I have published a huge amount of information about the James U, IV / Burwell U subclass. One segment was about how a portion of the family moved from GA to TX by covered wagon right after the Civil War.

In 1996 my wife and I made a 2 week visit to Texas to learn more about Upchurch history in Texas. One stop was in Grimes Co, TX. Another was in A Lington, TX - where Rev James T. U operated the Bethesda Home for unfortunate females in the early part of the century. I'll soon be writing more about that in the Upchurch Bulletin.

I look forward to cooperating with you on our shared family history.

Sincerely yours
 (C) Phil Upchurch

I found your name and address at the Ft. Worth Library in the book
published about the "Upchurch" family.

Please send me information how to subscribe to the "Upchurch"
bulletin, to buy a copy of the report done in England on our
English ancestors.

I'm a descendant of the "James Upchurch III clan. Burrell (Burwell)
Upchurch was my great-great grandfather. His son, John Tillman Riley
was my great grandfather.

I will appreciate any information you send.

□ Thanks for answering my letter and sending me information. I've not been able to do much research last couple months. Hopefully, after the first of the coming year, I can go over to the US Archives in Ft. Worth and go through the US census records. I'm sending some info I've worked up on our family. Have not received info from all family members.

□ + Δ I beleive you are the person my cousin R. Reed Humphries- Sullivan, Lubbock corresponded with some years ago. Some of my information came from her neive who is interested in the family history.

Δ + □ Dr. B. R. Upchurch is my father by his second wife Gertrude Clements Minter. *[who is she? - RPU]*

□ We didnot receive much info on the family history. I suspect that after John Tillman Riley died and Sarah M. came to TX with ner family, contact with the Upchurchs stopped. We were told that we didnot have any Upchurch kin in Tx. including the ones who lived in Red River Co.

From Ala
□ + Δ The McGregors came to TX sometime in 1851 or 1852. Sarah M. Upchurch Δ + Δ married a Benjah Bryan (Bryant) in 1855 and had 2 children who died Δ young. She signed her name as Bryan.

Δ There is more than one verison about when JTR Upchurch's sons came to □ + Δ TX. or how. My father B.R. Upchurch told us that they came to TX with Δ + Δ Sarah M, their mother, when John Bartlett was 12 yrs. old. They traveled Δ + Δ by covered wagon. Aunt Mary told that Sarah M. left the boys in Ala. with a woman, then a few years later went back for them.

Δ Burrell Turner died on 5-Mar-1865 in Titus Co. TX at a little town of Mt. Δ + □ + Δ Pleasant. He was buried there. The Inn keeper where Burrell stopped, Δ + Δ + Δ sent a message* about his brother's death. J.B. went to Mt. Pleasant Δ and gave the Innkeeper Burrell's horse for services rendered, including Δ the burial costs. He kept the saddle and bridle. There are a couple Δ of verisons about why Burrell was there in Mt. Pleasant. One was that Δ + Δ + Δ his mother had sent him somewhere to buy a mule. Uncle Henry told me Δ that Burrell had come home to visit and was on his way back to south TX. Δ + Δ + Δ He said that Burrell was sick with a real bad cold and that Sarah M. Δ + Δ + Δ begged him not to leave, but wait until he was better. He refused to Δ delay his departure.

Δ We hold a family reunion for the ~~XXXXXXXXXX~~ John B. Upchurch and Δ Sarah M. McGregor families the third Sat. in July. Any kinsmen are Δ welcome.

of the installments re the covered wagon trip started
in Vol 6 No 4

Vol 17 No 2 - more details re the matter of Barnwell

Vol 15 No 4 - Report from Professor Ransome re our
English roots - including copies of the
4 letters Michael & I wrote back to
England

Vol 16 No 1 - Commentary on Vol 15 No 4 - Ransome
report.

I am sure there are more details scattered
throughout the UB which could be of interest
to you. You can order these or take a look
at them in the Dallas or Ft Worth Public
Libraries. We are in the process of placing a full
set of the UB at both places - I think we
are up-to-date - but if not we will get them

I have extracted all the details you sent
and have made them a part of the Master
outline and of the narrow Biopic. Enclosed
is a copy of the Master outline for the
family of Benjamin Riley II, Sr (M.O.). would
you have a look at this and see if I
have it correct. Enclosed is a list of questions
pertaining to the Master outline. These are
the most critical questions and any help you

can give on them will be appreciated. I have already tentatively assigned XID numbers to the individuals involved and ^{wanted to} make sure I have them right. They will be listed in the Register of American Ancestors to appear in the UB we will finalize in February (see even numbered pages in any UB for format).

I collect full name (full maiden name of females), dates of birth, marriage, death and place of birth, marriage, death & burial where available. where step-children or foster children are brought into the family I included them and their spouse/descendants as part of the extended Upchurch family unless there is reason to do otherwise.

Yes, I did have contact with R. Reed Humphries but have not been in touch in recent years.

Regarding your kin in TX. It is a fact that you had a lot of kin in TX. In earlier years it was easy for branches of the family to become separated and lose contact. The fact is that all Upchurch's are related - It is only a matter of how close.

I know there is much more we can share. I have even made myself notes about topics that might be covered as we continue to exchange letters. Your interest is greatly appreciated and all the more because we recognize that only a small percentage of any given family is interested in family history.

We are on the verge of making U B Vol 18 No 4. It is almost entirely about The Reverend James Tony Upchurch who ran the home for orphaned children in Arlington, TX from about 1905-1935. He was a great man and his story is well worth telling. Our production of this particular issue has been delayed because of a computer breakdown and then because of a printer (copier) breakdown. However, we should get it in the mail in the next day or so - just in time to welcome the first of a series of December winter - starting 11 DEC 97

With All Best Wishes to you and yours for the Holiday Season!

P.S. - we decided to send the publications under separate covers. Phil U

Sincerely Yours
 Phil Upchurch

-2-

finished on 29 MAY - until wheat harvest is
about 3 weeks at which time we will
then have 300 acres of soybeans to plant.

After a call from my wife's sister in
Raleigh, NC last night it looks as though
we may make a quick trip to NC in
June. We are overdue in visiting close family
members there. If this is to happen we
need to make progress on preparing an
issue of Englandia before we leave.

You would think a person in retirement
would not be so busy. I do enjoy both
farming & family history and we continue
to make great progress on both. I promise
to work on your part of the family as
soon as possible. In the meantime
please accept my appreciation for your participation
in our shared family heritage project.

Sincerely yours
☺ - Phil Upchurch
