ST. PETER'S PARISH CHURCH

(Episcopal)

Restoration Association

August 30, 2003

To Members and Friends of the Restoration Association

The annual meeting of the St. Peter's Church Restoration Association will be held on Sunday, September 21, 2003 at 11 o'clock a.m.

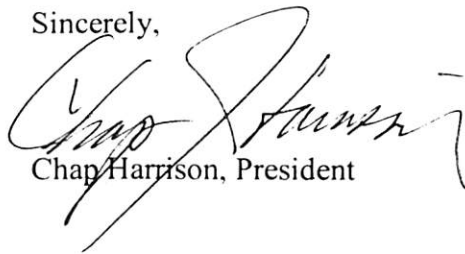

Although the Restoration of the church is complete the Association still plays an important part in the upkeep and maintenance of the building and grounds and has been instrumental in assisting the Resource Committee with a loan to obtain the Tercentennial Plates for a fundraiser during the past year of celebrating our 300th anniversary. These plates and other items will be on display and available for purchasing when you visit us on the 21st. Please check out the display in Richardson Hall.

The Rev. Dr. Geoffrey M. Price, Interim Rector for St. Peter's Parish Church, will conduct the service, which will be taken from the English Prayer Book of 1662, the book that would have been used at St. St. Peter's in 1703 for our first service. Dr. Price will lead the liturgy as it would have been celebrated then and for the sermon will explain the service and the life of the Anglican Church in that era.

Following our service, we will hold our annual Restoration Sunday picnic on the church lawn. As in the past we are asking all parishioners in attendance to bring a couple of their favorite dishes and/or desserts to share at the picnic. The church will provide paper products, utensils and beverages. Be sure to bring your own lawn chairs.

Annual membership in the Association is only \$5.00 and a life membership for an individual may be had for \$25.00. We encourage new members and are grateful for the continued interest and support of so many.

Sincerely,
