Dear Phillip:

I do hope you and your family had a nice Christmas; I can't remember you much but recall Aunt Maude talking about you at State College I remember you three sisters, one of them was at my Brother James funeral at Inwood, I guess you know he left a Memorial fund for the upkeep of the Cemetery.

I have some family memories about the old home place, and uncle Jeff, and other aunt and uncles and Grandpa Mapherel taking me fishing at Gate Mill Pond, we see Aunt Edna uncle Soub's wife when we go up that way, I am sixty eight miles East of Raleigh

We are looking forward to getting the 1981
butter,

Sincerely
W.G. Martin Sr.

Dear Andrew,

Although we are first cousins I do not recall that we have ever met and that is a shame. What brings me to write now is my intense interest in the history of the Upchurch family. As you can see from the attached flyers I am using the Upchurch Bulletin to stimulate interest.

I would very much appreciate it if you could drop me a line giving me the name of your wife and children and grandchildren. I'll be happy to share info on our direct line with you if you are interested.

Sincerely yours
Phil Upchurch

Dear Andrew,

This is to acknowledge receipt of your
order for the 1980 issues of Upchurch Bulletin
and of your \$10.00 check in payment for same.
In a few days all four issues will be sent
by bulk mail as it is time now to send
issue #4 to all subscribers.

I am certainly pleased to hear from you
and hope that you will like Upchurch Bulletin.
This project has become a fascinating one
to me and I have enjoyed getting to know
more about all our relatives and especially
about my 1st cousin and the Nathan/Gilbert
U ~~U~~ Sublan to which we belong. Uncle Gettys
more-or-less got me started and I have
my notes from him made in 1955 when
we looked for the burial place of Gilbert U,
our greatgrandfather.

Your sister Mary has written me several beautiful letters about her experience in visiting Grandpa Upchurch's place. More recently Beatrice has written and last February I had a nice visit with Eleanor. So far no response from Dan or his wife Suzanne. It would be especially good to hear from them or Suzanne as a descendant of our Great Uncle Nathaniel Smith Upchurch who moved to FL in 1858 and we need to know more about the "FL" Upchurch.

My mother's father was named by your father on 14 FEB 1920 as Uncle Frank's Moore that lived in the late 1930's.

An especially exciting relative is our Great Uncle William and his wife "Max" [William George U, brother of Bartley Jefferson and Eleanor Marks U, the namesake of your mother]. Uncle William was a very successful business man in Raleigh NC in the period 1860-1890. A big mystery is how did he escape going to the Civil War?

Any info you can provide on the enclosed forms will be appreciated. An extra flyer is enclosed.

Sincerely yours
Phil Upchurch

Dear Andy,

How nice to have your note of December 25,
 1980 and your renewal for Upchurch Bulletin
 for 1981. The first issue for 1981 will probably
 be out in late FEB.

We had a very nice Christmas. Our 2 girls
 were home with their husbands (Sally - and
 her May liner in St Joe + works for Marranto
 Co; Nelda teaches school about 50 miles away.
 Our third, Barry, is home from Duke for the
 holidays but leaves Sunday to go back by
 way of St Louis for a week.

I am collecting lots of details about Grandpa
 Upchurch and hope to publish that separately
 sometime. Could you drop me a note and
 give me the date + place of your son's marriage.
 Also Sally's full name, birth date and names
 of her parents. If you have an address for your
 son I'll be glad to write him about
Upchurch Bulletin. Sincerely yours
 Phil Upchurch

Dear Cousin Andrew

It is with sorrow that I write to
comment on Dan's death. He and I had
talked on the phone several times in recent
years and we both seemed to enjoy the
exchanges. He came to appreciate the work
I was doing on the Upchurch family. He
placed in my hands for future generations
a gold watch and a gold headed cane which
had been owned by his father-in-law
Dr. Noble Upchurch. I shall treasure these
items always.

I hope that you and Gray are
doing well. Sallaine and I seem
to stay very busy. We have been
working on changing our lifestyle.
We sold our home and bought a Townhouse.

I fit us perfectly and still provide an office for me and a spare bedroom. We don't have to do any work on the outside. We are in the process of buying some farmland in Missouri and will probably move back there. Have you ever seen an Upchurch who didn't want land, horses and dogs! I figure it's a good way to grow old gracefully.

My trips back to NC now seem to be rather infrequent which is too bad. I have to visit with the folks and to sample N.C. Barbeque. There is none like it anywhere.

For 1986 I am sending you a complimentary copy of the Upchurch Bulletin so you can see what is happening in the family.

All the Best!

Sincerely yours
Phil Upchurch
