Dear Kent & Betty

Thank you for your \$25.00 contribution towards payment of Professor Runsome's bill. It has now been discharged in full. The report will appear in future issues of the U<sup>2</sup> (but not in the one now being readied for mail in a few days). Thanks also for the update on Nancy and the information on Andrea's tumor. I have just written to Nancy so since she and I have not been in touch for a while.

Enclosed is a copy of the Master outline for the Louie Milton U family along with a list of what is missing. I'll be grateful for any answers you have or can get. Also, provided is a copy of my 8 Page 16 item profile on Isham Siric U - Kent's GGF. He was quite a man.

We are now scheduled to make a family history trip (Upchurch) to Texas 4-17 APR 96. The schedule is almost completed. I'll send you a copy.

All the best!

☺ Sincerely yours,  
Phil Upchurch

Dear Betty:

Enclosed is a copy of a card dated 9 MAY 1991 from Irene Oline Kettinger. She too has come up with a blank on Nancy Jo (Upchurch) Fillingame. Sorry we have not done better so far. Let's keep looking.

Part of my job at the University of Arizona involves locating missing alumni. Recently while in St Louis, MO I had lunch with the Chancellor of St Louis University and he gave me a tip on locating current addresses. There is a company that pools all credit card information and with the right approach they will share recent addresses for individuals. If it is helpful if you have their social security number. In the future I hope to try this system for about a hundred of our missing alumni and I will slip Nancy Jo into the list and see what happens. Sincerely yours

State anyhow. Do you have all 1880s?

Almost forgot: Bryan Upchurch and family met at a campgrounds Bill and Estelle Upchurch, 1833 Balmoral, Carrollton TX 75006 (214-242-3019). On your list?

Dear Phil:

Sorry to be long answering, but only over the weekend finally caught up with one more person to ask about Nancy Jo. I used p. 68f of West's book - a cousin of mine knew Allen Lawrence and he put me on to Annie Lee Jones (do you know about her father?) and she in turn, to Dewey Poole and also Bryan Upchurch - he was the hard one to catch. Not one of them has heard from her <sup>or about</sup> in years and years and years - know not where she lived at anytime that they can recall. Got the full story on that family, too, from Annie Lee. Have you thought of contacting <sup>alum. affairs at</sup> Queen's College in Charlotte (I guess it is) or UNC-Chapel Hill? Some will give info out, some will not. I have used route of enclosing a letter ready to go for them to mail on and have been successful - unless with your name you can say you are a cousin!

Was in DC April 26-29 and did 1880 Soundex on Tennessee U's, but did not find other WGU (perhaps no child under 10) and did not have time to do 1900/1910 Soundex - bet they left

Dear Betty

Thanks for the renewal on the U B for 1991 and for your questions about Nancy Jo U.

Re Nancy Jo, I looked in the Phone Book for Raleigh, NC and do not find any FILLINGAME's listed (that is her married name). I have no address for her in my file.

Provided herewith in my Master outline sheet for Isham Paschal U (Kent's GF) plus Follow-on section 19A. This provides the meager details I have on Nancy Jo but perhaps there is something here that will be new to Kent.

Since my records did not provide a lead I turned to the records on Kent's Aunts & Uncles (children of Isham Paschal U) I note that several of this family were buried at Olive Chapel Church which is in western

Wake Co, NC. So, I called Mrs Irene (Aline) Kittinger in Cary, NC who is a genealogist for hire and who is working on a book for her Aline Family. She knows a lot of people in Wake Co, NC. She did not off-hand know Nancy fo but she took down the details and agreed to make some calls to see if she could find anything. If I hear from her I'll the information on to you. With some more searching we might at least locate other grandchildren of Isham Paschal U. Kent is the only grandchild with whom I have had contact.

on 20 JUL 1986 I was in Houston & called Gregg Jenks U & had a nice chat. He told me that not long before that Nancy fo had called his father. you might ask Kent if he recalls that conversation.

This is a nice little challenge & I hope we can locate Nancy fo.

I incidentally, The Isham Paschal U Martin outline sheet shows Eda Belle Jenks as a 1st cousin of James Milton U. I knew Eda Belle for the last ten years of her life. she lived in Durham, NC

and was a wonderful person. She is the <sup>(5)</sup> author of the book Upchurch Family which, regrettably, is no longer in print.

Betty, you will note that there are some missing details on the two sheets I am sending. If you could supply any of the missing details I would be grateful.

My best to you & Wend.

Sincerely yours  
Phil Upchurch
