① From It 20 FEB 2004 Truex Newman U to RPU
For Phil Upchurch:

A record on page 232 of the Surry County, Virginia records reads:

"Edward Upchurch, he moving, made Mr. John Reed and Peleg Dunstan to pay out some sums of tob. by him indebted. 2 Nov. 1661.
Wit. John Ashton, Henry Tillary."

This is the only record mentioning Edward Upchurch. Do we know anything more about him?

② From: Upchurch Family by Belle (Leuter) West Pg 20

"There was an Edward Upchurch who made one appearance in Surry Co., Records, who is unaccounted for. "Edward Upchurch, he moving, made Mr John Reed and Peleg Dunstan to pay out some sums of Tobacco by him indebted, 2 November, 1661. Wit: John Ashton, Henry Tillary." There is no further record of Edward, and since he was old enough to transport business in 1661, he was too old to have been the son of Michael and Frances Upchurch. (Surry Co., VA. Records Bk 1/232)."

③ Item in It 2 FEB 1978 Elva E. Burkhalter to RPU - Pg 30

"Abstracts of. Certified copies of some of these Surry County Virginia records Book 2, March 1691 to July 5, 1684. Abstracted by Elizabeth T. Davis. Edward U p 68 of index - Account on Pg 233: Edward U he moving made Mr John Reed and Peleg Dunstan to pay out some sums of Tobacco by him indebted 2 NOV 1661. Witnesses: John Ashton, Henry Tillary. (Comment on these abstracts - the original I read, using these as clues. In the record Edward Upchurch Mr Davis calls him in these abstracts, appeared to me to be Allchurch)."

Phil, how are things out your way? We're fine here. I had arthroscopic surgery on my knee to repair some torn cartilage yesterday so am a little laid up right now and I'm trying to catch up on some things. I have a question that's been bothering me. I visited the local genealogical society library awhile back and found a book about Surry Co. by Eliza Timberlake Davis called *Surry County Records Surry County, Virginia, 1652-1684*. In it she mentions Edward Upchurch as follows:

Page 232. 2 Nov. 1661. Edward Upchurch, he moving, made Mr. John Peed and Peleg Dunstan to pay some sums of tob. by him indebted.. Wit.: John Ashton, Henry Tillary.

I have never seen an Edward Upchurch in any research that I have done. Could he be a relative of Michael's, perhaps a brother or cousin who followed him to Virginia? I suppose he could even be an uncle or a nephew. Do you have any idea who this Edward is?

Thanks for any help you can give me.

Hi Kevin---

The Edward to whom you refer has been discovered by several researchers and I have reported on him somewhere in the UB. I also carry him as a Missing Link. This one reference is the only time his name has surfaced. Lacking evidence to the contrary we have assumed that he had no children. It would be great to have more information about him and we should be alert to find same. It seems unlikely we will find more. Thanks for mentioning this to me. While we may not find more on Edward it is likely we will find other unknown or unappreciated facts.

Sorry to hear about your knee and trust you will be back in top form soon.

All Best Wishes!

Phil Upchurch
