# RICHARD, MOSES and MURRY UPCHURCH 

## IN NORTH CAROLINA

## RICHARD UPCHURCH, SR.

RICHARD UPCHURCH, probably the oldest son of JAMES UPCHURCH I, named for JAMES' father, RICHARD UPCHURCH of Sorry County, Va., had probably already been given land in Brunswick County, Va., when JAMES died, leaving a will in 1765, naming "his younger son, MYAL (MICHAEL)." There is no recorded deed to prove this. However at September Court in 1753 RICHARD was the defendant in a case "Edwards vs RICHARD UPCHURCH." (BRUNS. CO., VA., ORDER Bk. 5/38).

Also at May and June Court in 1754 a lawsuit was recorded: "Lewis Parham vs RICHARD UPCHURCH and Wm. Ledbetter, which was settled by payment of £7 S4 P4 half penny." (BRUNSWICK CO., VA. COURT RECORDS).

Location of the property of RICHARD UPCHURCH is revealed in the following: "On 16 June, 1756, Lewis Parham was granted 516 acres of land in Brunswick County, Va., on White Oak Creek, adjoining RICHARD UPCHURCH." (VIRGINIA LAND PATENT BOOK 33/2).

No deed has been found of a purchase of land in Granville County, N. C., by RICHARD UPCHURCH, but he appeared on the 1755 Tax List of that county, along with WILLIAM UPCHURCH, presumably his brother?

In 1769 RICHARD UPCHURCH bought 200 acres of land in that section of Granville County which had become Bute County in 1764, "S side of Crooked Creek, Womack line to Hunnicutt line," from Lodovick Alford, of Warren County, N.C. (BUTE CO. RECORDS now in WARREN CO., N.C. COURT HOUSE. Recorded 6 January, 1770, Bk. 2/281).

On the 3rd of April, 1772 RICHARD UPCHURCH, Sr . sold to RICHARD, Jr., in Bute County, N. C., 150 acres of land, "S side of Crooked Creek." (Recorded November Court of 1772, Bute Co., N.C.)

In 1778 Court Minutes of Bute County, N. C., show three purchases of land by RICHARD UPCHURCH, Sr., which are not shown in the Index. They were proved by the oath of MOSES UPCHURCH, later proven to be the son of RICHARD. (FEB. COURT MINUTES Bk. 1)

In 1785 RICHARD UPCHURCH, Sr., bought of James Cone-"for£60-100 acres of land, lying on the branches of Mocason Creek, in Wake County, N. C. . . . . privileges of hunting, rooking, fishing, fowling."
Wit: James Bolton, Sherwood Bolton
Jesse Broadway.
Signed: James Cone. (Registered WAKE CO., N. C., DEED BK. H/40- 20 May 1788)

In 1785 RICHARD UPCHURCH, Sr., bought of Jesse Broadway of Wake Co., N. C. £40 for 100 acres-"Parcel of land lying on the N Branch of Mocason Creek Wit: James Bolton, James Cone, $\quad$ Signed: Jesse Broadway (Registered. WAKE CO., N.C. DEED BK. H/41-20 May 1788).

In 1787, "all that part of the County of Wake lying east of Mockison Swamp and a line running from the head of the westernmost prong thereof a north course to the Franklin County line, be, and the same is hereby added to and made a part of Franklin County." This placed the land of RICHARD UPCHURCH from Wake County into Franklin County, N. C.
(FORMATION OF NORTH CAROLINA COUNTIES, by Corbitt, 1663-1943).

RICHARD UPCHURCH, Sr., listed six in his family in the 1790 census of Franklin County, N. C. In 1794 he made a Deed of Gift to his son, NATHAN UPCHURCH: "17 September, 1794 for the consideration of divers good causes, but more especially for the natural love and tender affection that I bear my son, NATHAN UPCIHURCH, I do hereby devise and give unto my son NATHAN all my right, title and interest to the land and plantation whereon I now live
Test: RICHARD UPCHURCH

Signed: RICHARD X UPCHURCH FRANKLIN CO., N. C. DEED BK. (10/234).
(Seal)
Since no Marriage Records were kept in Brunswick Co., Va., where RICHARD UPCHURCH lived until about 1750 when he moved into Granville County, N. C. the name of his wife is not known. She never appeared in his transactions and must have died before he did. There was a Family Bible, as will be shown later, but it has disappeared. RICHARD UPCHURCH failed to appear in the 1800 Census and we assume he died sometime in the late 1790s.

From the Deed of Gift of RICHARD UPCHURCH to his son, NATHAN, quoted above, with added statements as listed below, two other sons of RICHARD are proven.

NATHAN UPCHURCH appeared before the Court of Pleas and Quarter Sessions of Wake County, N. C., in November 1832, to submit his application for pension for his service in the Revolution. At the end of his application there appeared the following affidavit: "I, MOSES UPCHURCH, brother of the said NATHAN UPCHURCH, hereby certify that I believe him to be seventy years of age."

During the same year of 1832, CHARLES UPCHURCH was living in Henry County, Georgia. He appeared on the 7th of December of that year before the Justices of the Inferior Court of that county and applied for a pension for his service in the Revolution. After making a full statement of his various tours of duty during the War, in order to identify himself, CHARLES declared: "I was born on the 11th of February, 1755. My brother, MOSES UPCHURCH, in Chatham County, N. C. has the registry of my birth in his father's Bible."

So, with RICHARD'S expression: "My beloved son, NATHAN" -MOSES' expression: "I, MOSES UPCHURCH, brother of NATHAN UPCHURCH"-and CHARLES' expression: "My brother, MOSES UPCHURCH"-we have the proof that RICHARD UPCHURCH, Sr. was their father.

The proven and probable children of RICHARD UPCHURCH, Sr .

RICHARD UPCHURCH, Jr.-born probably in Brunswick Co., Va. date unknown. He was of legal age in 1772-proven by the fact that he bought land from his father, RICHARD, Sr., in Bute Co., N.C. on the 9 th of Nov. of that year (BUTE CO., N.C. RECORDS, presently in the Court House in Warrenton, County seat of Warren Co.. N.C.). For further information of RICHARD UPCHURCH, Jr. see sketch in PART FIVE, with ancestry of W. R. L. UPCHURCH.

## Wake County Civil action Papers Concerning Land－Part 1

Abstracted by Diane L．Richard $\quad P \in 8$
Few early deed records survive for Wake County．When combined with the cessation of land grants from 1763－1778，we find a dearth of early Wake County land records．One interesting set of records that do survive（though not in their entirety）are Civil Action Papers（CAPs）Concerning Land．These are a subset of the CAPs series at the North Carolina State Archives in Raleigh．These are extant court papers where there was an issue concerning land．The originals can be found in C．R．099．325．93（1773－1793）．The surviving paperwork up to the year 1800 will eventually be abstracted and included in Wake Treasures．
You will note that the timing of many of these is in 1778．This would have been the first time that one could file for a land grant in about fifteen years．During those years，many moved to Wake County，made improvements on land，bought and sold land，and yet no land grants were issued．So，as soon as the land grant process was re－instituted by the State of NC，there were a lot of land grant entries made，and this caused a lot of caveats ${ }^{2}$ to also be filed．

Thanks for the quick reply and my apologies for my delay in replying.
As stated in the previous letter, Sue Ashby caught me by surprise and I have been busy updating and sending her files. That is all done and now all I can do is cross my fingers and hope that she can find some "good stuff".

She is there now. I will let you know what she finds.
Yes, I found Volume 1 quite easily. I had just been reading \#2.
I have the abstracted Johnston Co. deeds up to 1771. They are 99\% lost prior to 1765.
The Wake deeds are lost prior to 1785. That hurts us. I don't have a copy of Watson's abstracts but I asked Sue to look in it and copy the original deeds.

I have the abstracted Johnston Minutes from 1759-1777 and the Wake Minutes 1771-1784, 1785 \& 1786 is missing and I have 1787-1807.

The problem with court minutes is, we know they were there....we want details!
I am not at all familiar with Johnston / Wake County, having spent all of my time researching elsewhere. It looks like some of the "Crooked Creek bunch" took claims on Little River also. In a triangle from Crooked Creek back to Youngsville and over to Little Creek and back, I have 5 Johns(t)ons documented as witnesses on deeds, chain bearers or something.....between 1755 and 1761.

That doesn't include Francis or Julius.
Jacob Johnston was one, witnessing a Granville Co. Deed for Richard Unchurch in 1755. The Granville tax lists are pretty complete and he is on none, indicating he was just across the county line.

William and Andrew Johnson were chain bearers for Samuel OBannon in 61, indicating they were big kids. OBannons property was next to E. Strickland"s on Moccasin Creek.

And no deeds, no grants, no court mentions for any of the "aforsd'".
Who are these people? Probably relations.
CROSS FILE:

So, I am beginning to think I have done well, figuring out what little I have!
Will hang in with the cows. It will rain and wash us away. Thanks again......Billy

Phil, you may already know all this, but if not, the dates may be of interest. In doing additional work with Margaret Hofmann's Granville Grant abstracts, I came across the following references to Richard Unchurch and William Upchurch. These two individuals appear as Sworn Chain Carriers in several Granville Grant surveys.

Phil - Do you have the Brunswick County deed and will abstracts published by Stephen E. Bradley? In Bradley's Volume 3 of the deed books he twice cites a 1756 patent to Lewis Parham for land "adjoining Richard Unchurch." (Deed Bk 6, p. 278, and Deed Bk 6, p. 527)
$\Delta$
Could that have been a different Richard than "our" Richard II? $\uparrow$
sorry to be so nitpicky. I have a compulsive flaw in my makeup.
