Hi Debbie---

Delighted you found my website. I hope you had no trouble getting the password and searching the three password protected sites where over 4,000 pages of Upchurch information is posted. If you had difficulties let me know. Also I hope you watched some of the 35 videos about Upchurch family history. I do not find you in my system and would love to know how you fit in. If you will send me a few names that link you to earlier Upchurch generations I will be happy to search my records and place you in the family structure and give you a report. I hope we have some common interests. It is important for you to know which of the 22 Upchurch Clans is your as that way you can focus on aspects that are of the most importance to you. Do let me know if you have questions.

Also, I invite you to have a look at our new website www.alliedfamilies.com where we are using the power of Internet to manage family records in an improved way. Over time I hope you will identify with what we are doing there and will join with us in this effort. A membership form is attached. If you want to know more about me just google Robert Phillip Upchurch oral history.

With all Best Wishes~

Hi Debbie---

Last year you contacted me about our research on Upchurch and allied families. Since then we have continued to improve our new website www.alliedfamilies.com password 2014allied#. On it we are doing family history research in a more powerful way. For our earlier website www.upchurchstory.com password 2013upchurch# we continue to make additions to the over 4,000 pages of information and the 35 videos.

We never did establish how you fit into our array of families. If your interest continues I would very much appreciate a few hints on your line going back. This would set the stage for collaboration if you so desire.

The attached excerpt from the latest Upchurch Bulletin shows our status. I would be very much encouraged if you would become a 2016 member of Allied Families for \$20. A membership form is attached. Volunteers are also needed. You will also find PayPal on our website.

I will welcome any questions you may have about you heritage and will be happy to search my records and give you a report.

Sending all Best Wishes~

Phil Upchurch, Manager Allied Families

Hi Debbie---

Glad to note that you visited my website. We have been in touch before but I still have not figured out how you fit into our very large Upchurch family. If you are interested I will be happy to guide you through some of the convoluted paths. I have spent forty years coming to understand the many parts of the family and can usually place a new cooperator with a few prompts. If you will send me a few names that link you to earlier Upchurch generations I will be happy to provide you with some information. We can see where that exchange leads. There are many ways of being interested in family history and I would be most pleased to learn about your particular interests.

Best~

Hello Debbie!

Back in 2015 you contacted Phil Upchurch about your interest in family history. I am now helping Phil get in touch with prior contacts to see if there is a mutual interest to be explored. Otherwise, we will archive your contact information.

To bring you up to date, a huge amount of information on Upchurch and related families is posted on our earlier site www.upchurchstory.com along with 35 videos. Then in 2013, we formed Upchurch and Allied Families Associates, Inc. That website can be found at www.alliedfamilies.com. Note the enrolled families and resource files.

Our current thrust is to involve descendants of the enrolled families in an effort to keep all these valuable records assessable for the long term. Without your help and the help of others, they could be lost! We are in need of expertise/time/money/data. I hope you will help. For your convenience, a membership form is attached. Perhaps you would be free to transcribe a biofile. Phil is also assessable to confer about your heritage in the families embraced so far.

We would appreciate your response and help in preserving and sharing the records Phil and some 1,000 cooperators have worked so long and hard to accumulate.

Sincerely,
Maureen Buck
Upchurch & Allied Families

Hi Debbie----

Now is a good time for an update on Allied Families. You contacted us in 2015 but I do not show you as a member/supporter. Progress on our enrolled families has been considerable but we need your participation. I hope you will join as a 2017 member using the attached form or PayPal. It would be great to have input from you as to your Upchurch heritage.

Also attached is a summary of what we have accomplished and our hopes for 2017.

For more details on our route to digital see the Upchurch Bulletin for 2016 recently posted on www.upchurchstory.com--password 2013upchurch#. Also, note progress on your enrolled family at www.alliedfamilies.com password 2014allied#.

I will be in North Carolina March 29-April 2, 2017 working in the Allied Families Cary Facility starting some new projects. Would love to see you there. Let me know if you need details.

Our progress has been substantial but we need participation whether as a casual follower or as a dedicated worker and donor. I hope you will give us encouragement by joining today and being as generous as your circumstances allow.

GARNER — Shawn Faulkner, while surrounded by his loving family and friends, finally won the battle he had fought so hard for over seven years. He loved fishing, camping, spending time with family and friends, his church and most of all, his Lord and Savior, Jesus Christ.

For over 15 years, he was a proud employee of Clancy and Theys Construction Company, who stood by him throughout his illness. He was a member of Hilltop Freewill Baptist Church.

Survivors include: his wife, Debbie Faulkner; mother, Margaret Rowland of Raleigh; mother-in-law, Lila Upchurch; brothers, Chris Faulkner and wife, Amy, Spencer Faulkner and Jerod Faulkner, all of Raleigh; maternal grandmother, Eleanor Holloway of Goldsboro; nephew, Bryson and niece, Gracie; his beloved cats, who were his children. He is also survived by a host of wonderful friends.

He was preceded in death by his father, Millard Jay Faulkner.

Special thanks to Cindee and Terry Oakes, who are like family, for their love and support, our neighbors, Don and Shirley Jones for all they have done, to Edana Christy FNP, Dr. Peter Kussin, Susan Blackwell PA and Dr. Jeffrey Crawford for the loving care they gave Shawn. He was truly grateful to you, as are his family.

The item on your GF is excellent. Now for your records and mine and for posterity and to honor his memory you should write an expanded version. Make a list of the topics you would like to cover - I'll list a few prompts: what were his hobbies, his religion, did he visit family/other often/seldom/never - Did they visit him. Acts of kindness he performed. Service in military or to community, his pets, his education, his politics, relationships with family & friends. Fifty years from now your writings will be honored, appreciated.

BEST!

Hi Cousin Deborah---

Delighted to hear from you. This is a brief response to say that I have your family in my system and have been in contact with some of them but not recently. Over time we can see what we need to share. I assume you are nee Deborah Upchurch daughter of Harvel Marion Upchurch and that you have a sister Malissa. You can let me know if I am right. With your response I can let you know a little more about your part of the family. I know a ton.

In the 1950's Upchurch researchers concluded that our English ancestors came from Upchurch in Kent. Not so. I visited this site my self in 1964. Later I hired a British Professor to help dig out our roots in England. I have been to the site of our ancestral origin in England several times and have published extensively about it.

Let me hear from you and we can see where we go next.

Wow! Your information is totally new to me. I'm so happy that I've made contact with someone who knows "tons" about our family! Your information is correct about my father, Harvell Marian Upchurch, and my sister, Melissa... It's too sad about our misinformation about Upchurch, England...My cousin, David, and his wife visited there a few years ago and were delighted w/the village and loved the church...He never said, however, that he felt any real connection there, just a sort of academic interest that this was supposed to be our starting off place...David isn't exactly the romantic, imaginative type. Nevertheless, I think he might be disappointed to know his information was not correct. I would love to know more. How did you come to be the family archivist? I've done a few checks on different members of my family, mostly on the internet, and have become quickly discouraged. The vast amount of information available seems to lead to completely wrong connections and assumptions...I'm not patient or persistent enough to make a good detective. I'm looking forward to getting more information. Thanks for responding!

Hi Deborah-

Welcome to the Upchurch Family Tree. I have assigned you XID-58920 which means I am closing in on my lifetime goal of identifying 60,000 members of our extended Upchurch Family. I became interested in 1955 when I took my favorite Uncle, a bachelor, to locate a place to install a tombstone for his Grandfather. At that time I took notes on his memory of what he had been told about the family. To learn more about me just google Robert Phillip Upchurch.

I have lived away from NC, my birthplace, since 1965 but often go back to do family history on the ground. Will go back next month again. We live in MO.

You and I have as our common ancestor Richard U.,II of the fourth generation of the Upchurch family in America. He arrived at what is now Dunn Township in southern Franklin County, NC about 1755. There he raised 11 children who are ancestors of about 1/2 of all American Upchurches. You descend from son Richard U.,I and I descend from son Nathan U.,I. I have extensive records on these two brothers and we can go into that over time if you are interested. I assign both of them as heads of two of the 22 Upchurch Clans into which I have divided the Upchurch Family.

I previously had contact with your Uncle James Darling U.,Jr and with his son David whom you referenced.

My records on the James Darling U.,Sr Family needs a lot of work and I am willing to spend time on it and especially if you would join in the effort. The first step is simple. Would you just bang out an email to me telling what you know about the family. Things like full names actual or approximate birth , marriage, and death dates and where died and where buried are helpful. Interesting stories are always useful for the files. After I get some input from you I will update my records and add new stuff I might find and send you some details for which I would need your mailing address.

For new cooperators I offer for \$40 to go through the 100 issues of the Upchurch Bulletin and to pick out 8 issues that I think might most interest them. You can let me know if this interests you.

Looking forward to hearing from you.

Let me absorb some of the information you've given me and I'll send that email to you with the information you've outlined...Do you need information starting with Papa (JD I) on out to the greatgrandchildren, or do you already have some of that data? When you say "interesting stories" do you mean e.g.: Harvell Upchurch was the last Postmaster of his and my small town of Hapeville, or are you looking for something else? A little clarification will keep me from boring you with irrelevant facts (you should know, as a Southerner, that the magic words "interesting stories" are a Pandora's Box, and Southerners need little encouragement to hold forth ad nauseum, ad infinitum). Stories is who we are! I am amazed at how much you have learned about the family, and I can't wait to learn

more!

Hi Deborah---

As to information needed lets start with JDI and go as far forward as you can. I have a sketchy amount of material but like to get from a new cooperator their list which in this case should be more complete than mine. I'll then update and add to my Master Outline and share with you. We often find discrepancies that have to be sorted out over time.

As to stories lets just deal with a couple of things that you think special at this time. My suggestion that a cooperator write in detail about a given family member usually comes later on when I have an idea about who seems special. Cooperators often fail to do this which is a shame as even short write ups can become family treasures later on. I have just this morning pulled out an interview I had with my late sister in 1977 to send to four cousins. It includes charming information they will appreciate.

I am most pleased that you appreciate the southern penchant for story telling.

Dear cousin Phil: With apologies...How are you? I wanted to send this as a caveat for the sketchy information I sent earlier. The dates and names are as complete as I can recall @ 6:00 on a beautiful Spring Saturday morning. I'm awful with dates (even though I have a BFA with a minor in Art History from UGA). I personally believe that the most wonderful word in the lexicon of the historian is circa! Also, I'm a technophobe, so I don't know how to indent, put things in nice, neat columns, etc. within the format of email. Please advise if my submission is confusing, obscure or otherwise worthless. I will ask my daughter, Susan, and sister, Melissa to be "contributors" and I'll contact my cousins and urge them to do the same. I am also sending a very brief verbal "sketch" of my grandfather...let me know if this is appropriate for your archives. I'm used to being critiqued, so please advise!

I have my grandfather's hands. He was a craftsman and his trade was making shoes. He had a small shoeshop on a side street off Main Street in East Point, Georgia. There was an old, red Coke machine in the shop and the smell of dyes and other odd odors that had to do with treating leather. During the Depression, his customers would pay him with chickens and produce, because even without money, shoes had to be repaired and made to last. Folks nowadays just buy another pair of shoes when the old wear out, but in those days shoes were made to last and worn heels were replaced with a new Cat's Paw heel and sent back out into the street. His hands...long fingered and blunt on the ends I mostly remember for their lack of flesh so that the blue veins snaked across the backs, blue and oddly rope-like under his pale skin. He was born at the turn of the century, an undemonstrative and quiet man who did what he had to do without complaint and with no sign of what that might cost him inside. He and my father were the two most ego-free people I've ever known. Both intensely private men, they let their own actions influence those around them, not their words. Some of their words, however, are family cliches. My father's admonition to his girls was given to us long before a comedian wrote a book about it. "Act like a lady, think like a man" was slightly confusing when we were younger, but two degrees and a career later, I definitely get it!

Hi Deborah---

Your three emails of this morning hit the mark. They are just what is needed at this point in our collaboration. I put aside a big project I was working on to process your input for which many thanks. I am now ready to mail you a packet to set the stage for our next round. We should be able to continue the excellent progress we have made so far. I'll need your mailing address. All of my records are kept manually and not on the computer.

Your comment about "circa" set me to thinking. My scientists friends and I knew him so well we referred to him as just "ca.". I must offer to your list of favorites my life-long companion the eraser. In later years I came to know his younger brother "whiteout". Since I took up computers about five years ago I have developed a close relationship with a youngster know as "spell check". Must be a cousin of eraser and whiteout.

Enough of this foolishness. I have been working three hours and by now my wife should be up and calling me for breakfast.

Cheers.

Hey, Cousin Phil...I got your packet yesterday...Hurray for the Post Office. Snail Mail still works pretty good. I'm going over the information and already I've found stuff I didn't know (like the fact that there was a previous Harvel U for whom Daddy was named). After I've gone over the material several times, may I come back and ask some questions without being annoying? I've enjoyed our correspondence so much! I'll want some of the publications you've listed, but I'll get to that later...I plan to send some writing to add to my "Sketches from the Family Portfolio" on the topics you suggested. I hope you're doing well!

Hi Deborah---

Yes, I'll be happy to keep going back and forth with you. With a new cooperator it takes a while to find out what is of mutual interest. In your case it looks like we have started down a nice path. Having spent over 40 years on the Upchurch Family I am loaded for bear. The Richard Upchurch, III/Britton Upchurch, I Subclan to which you belong is of special interest to me as I want to add to what I already have. You should be a strong contributor as to what has happened in GA while I will have a strong input on what happened in NC and before.

I am attaching an article I have prepared for the second volume of a Franklin County, NC Heritage Book to be issued later this year. I'll be in NC 27 May- 15 June and on June 10 will be giving an Upchurch talk in Franklin County and spending a couple of days on the ground there. A trip report will appear in the UB issue to appear this fall.

Best.

REC'D
4 OCT 2002

Dear Cousin Phil,

I am so sorry about not getting back to you sooner. After your letter to me, we went through some troubling times with a fire. We lost most everything we had. I lost all my information on the computer. But, luckily I had taken the envelope to my moms that was from you and it was there. We had been working on it, adding things to it. I have finally gotten things straightened out a bit, and ran across this, so I thought I would send it to you while it was fresh on my mind.

I am returning the papers you sent me with more info added, and a letter I had previously written explaining what I had added.

I have now got another computer and started the LONG road back on my research. I have been back in contact with some of the people I talked to, and its coming together.

Let me know if you need anything else. I will try to get a list together of everyone that is buried at the family cemetery.

Talk to you soon, and again I apologize for taking so long.
Cousin Debbie Upchurch Brannum

Dear Cousin Phil,

Was so glad to hear from you. I have went over the papers
you sent me and made corrections and I'm sending a copy back
to you.

Δ+Δ Ora (Evans) Beaty was the daughter of Delilah Pierce and
Δ+Δ+Δ Mitchell Evans. Delilah married Mitchell when she was very
Δ young. Sometime in the early part of 1900. Mitchell died in
Δ+Δ+Δ 1900, and Ora was born Oct. 6, 1900. Ora married Dewey
Δ Beaty. I don't have her date of death, but will try to get
Δ+Δ+Δ it. Ora was 8 or 9 when Delilah married James A. Upchurch.
Δ+Δ+Δ Also, Delilah's mother was Annie Pierce. I have never been
Δ+Δ able to find a spouse for her. From the stories I hear from
Δ+Δ+Δ my family is that she was never married, but James Poor is
Δ supposed to be the father of Delilah and one of her sisters.

I have copied the bible records, and also I am sending a
copy of a photo of Joseph (Tennessee Joe) Upchurch tomb
rock. There didn't use to be a rock, but someone has gotten
one.

The Upchurch Cem. on the James Upchurch homeplace is not the
same one as the Upchurch Cem. in Pall Mall, TN. I think in
the cemetary book for Fentress Co., it lists it as being on
the property of Comer Upchurch. Comer lives on the old
homeplace. It is located off Buck Mountain Road. I think
this road used to be called Angel Mountain Road. There are
several graves there. The ones that come to mind right now
are as follows:

need
to
analyze.

Δ+Δ+ James Andrew Upchurch; Delilah Upchurch; Ann Pierce;
Δ+Δ+Δ Hooper Doyle Upchurch; Welby Holland Upchurch; Rosier
Δ+Δ Elmos Upchurch; Delmer Ernest Upchurch; Montie Ellen
Δ "Upchurch" Eby; Edison Cravens (I think cravens is the
Δ+Δ right last name. He was a nephew to Delilah).; ..
Δ I will try to visit them this week and make a list.

Δ+Δ I am working on getting dates for some of the names I sent
Δ+Δ+Δ you. As soon as I get those, I will pass them along.

This history has intrigued me so much. It is so interesting
to find out things about your ancestors. The one thing I
guess that I have found that I didn't expect is the fact
that some of them married their first and second cousins.
Today, people would look down on you for that, but I guess
things were just really different back then, and they way
they all lived so close together, there just weren't anyone
else around. As for me, I can't see myself married to my
uncle or aunts child. Oh well, I guess thats how we all got
here and I'm thankful for that.

I have met some really nice people on the internet while

researching this. As a matter of fact, I got your phone number from my aunt, who lives in Muncie, Indiana. Her name is Jean Nicholson. She was adopted at birth, for what reason, we don't know. She is my mother (Wilma Lucille Upchurch) sister. Jean and the twin boys, Rick and Randy Cunningham were all adopted and never knew they had other brothers or sisters until a few years ago. It was such a glory to find them. I'm sure it took a lot of effort to track them down.

Well, I'm letting my Upchurch tongue rattle on, but I guess you know how that is. I'm gonna shut up now. By the time you get this, I may have more on the way.

Sincerely,
Cousin Debbie

Hello Phil,

I saw your address on the Upchurch Kin site and just realized I hadn't been in contact with you for years. You probably don't remember me, but I contacted you quite often. I descend from George Upchurch's son, Joseph, and then James Calvin, and then James Andrew and so on....

Anyway, it's so good to know that you are still doing the bulletin, I noticed on the site that this will be the 28th year... WOW.....

Could you send me some info and price for it now. Do you still do it twice a year or just once....?

Again, I'm so glad to know that you are still around, I have thought about and your wife alot.....The last time I talked to you, you had fallen or something and hurt your leg and couldn't get to the basement, so as you know that's been awhile, ha ha.....

Sincerely,
Debbie Upchurch Brannum

Hi Debbie—

I was pleased to get your email of 16AUG07. Yes I am still publishing the UB— two issues per year starting in 2000. I am sending you by surface mail the latest issue—Vol28 No 1 with instructions on how to pay if you want future issues. Also, I am sending a sheet re back issues. We have all of them for \$5 per copy post paid. I assume you are still using PO 451.

From the UB issues you will see that we are still going at full speed. As you have learned I am now getting into the computer world. Signed up for 5 courses this morning. Busy, Busy but glad to be able to do so.

With all best wishes! Phil Upchurch

Hi Debbie—

In about a week I must create UPCHURCH BULLETIN Volume 28 No. 2. If you have any snippet of family information such as births, marriages, deaths, comments, questions or whatever that I might consider including please send me an email or a letter. A number of individuals are being sent this request to see if the electronic world can be used to augment our joint efforts to tell the story of the descendants of Michael Upchurch in America. I hope to place any inputs in the "From The Clans" Section in the Bulletin. It may be necessary to augment, and/or edit inputs for clarity or due to space constraints.

It would be a pleasure to hear from you whether you have anything to include or not.

All Best Wishes!

Hi Phil,

So glad to hear from you. I have been so busy lately, but I do intend on sending you some money and get my bulletins rolling in to me. The only thing right off the top of my head that I can think of adding on my bunch is my new grandson, Bryceton Colt Upchurch, born August 22, 2006. He is the son of my son, Christopher Upchurch. These younger generations don't even have a clue as to our heritage, but thanks to you, maybe they will be able to learn about it. I would really like to commend you on the work. You have put so much time and effort into your project, but I know you love it dearly.... Hope all is well with you and the whole family.

Cousin, Debbie

Hi Debbie--

The UB issue Vol 28 No 2 goes in the mail to subscribers today. Thanks for your input. Quite a few responded to my trial use of emails to get inputs. I will probably use this again. One problem is that it seems I could get more material than I can use. This could make some unhappy.

My Website "UPCHURCH FAMILY" was born on 8 DEC 07. Please take a look at www.upchurchstory.com and send me a message using the contact form if you have time. It would be nice to know that it is working.

I have just this morning assigned your grandson Bryceton Colt U the XID of 55811.

All Best Wishes for a Merry Christmas!

I used the contact form from the website and in such a hurry, I think I used the wrong email address. I think I used debp40@peoplepc.com instead of debo40@peoplepc.com.

Anyway, best wishes for a safe and Merry Christmas....

Hi Debbie----

Delighted you visited my website. I hope you were able to get the password and to reach and search the three password protected sites where I have tons of Upchurch information posted. In case the password did not come to you it is "2013upchurch#". I hope you were able to view some of the videos.

It has been sometime since we were in touch. I hope you have been well. You can see we have done a lot more with my website in the past year or so. I have had help in making this progress. Let me know you have questions/comments.

Please do have a look at our new organization Allied Families which is portrayed at www.alliedfamilies.com. My work on Upchurches will go forward under the UAFA banner and the plan is for the work to be more productive than ever. It will take a little time to build up momentum. I do hope you will join as a 2014 member at \$20. This entitles you to get the Upchurch Bulletin and a series of newsletters and other communications. One key feature of the Allied Families Program is to "enroll" families with each family going back to a member of the family who lived about the time of the Revolution. I hope we can enroll the George Upchurch family. If you would like to help us get that moving or need more information about this particular approach please let me know. I think UAFA can be a powerful tool but active participation will be needed if it is to succeed.

Happy New Year.

Hi Debbie----

I note that you visited our website on the 15th. If you had any trouble getting to the 4,000+ pages of Upchurch an related information please let me know. This website continues to be a bedrock of information on the Upchurch family. Our new improved approach is under www.alliedfamilies.com password "2014allied#". I hope you will have a good look at what we are doing there and that you will join us as a member for \$20--membership form attached.

Note that under Allied Families we have already gotten a good start on enrolling the George Upchurch Family to which you belong. We have established the beginning of a Family Tree on Ancestry for this enrolled family and need a volunteer Tree Master to move it along. Also we are in the process of starting a Group Facebook Page for this Family an need a volunteer Administrator for this. We already have two volunteer transcribers for Biofiles to cover George and his children and Grandchildren. We need a volunteer to transcriber Biofiles for Joseph and his children.

If you have time to volunteer that would be great. Extra financial support is always appreciated,

I have just reviewed our extensive interactions in the past. You have made very important inputs which are much appreciated. Please do drop me a line an let me know of your current interests. I will be glad to share anything that will help us collaborate.

All Best Wishes~

Dear Cousin Phil,

I'm enclosing the information I have from my files on the descendants of James Andrew Upchurch. My great grandfather, James^① A. was the son of (James^② Calvin, Joseph^③, George^④, Michael^⑤). I don't have a birth or death certificate yet for James, but I do have a bible that was given to him sometime before his death. It has names and dates that were recorded from an older bible (can't locate it).

Do you have an index or something that would tell me which bulletins relate more to my line? I want to subscribe to the bulletins and would like to have back issues that relates more directly with me.

If you need more info, or a copy of the bible records, please

let me know. Have a safe trip
to England in April and hope you
find what you're looking for.

Sincerely,
Another Cousin,

records. I would welcome any corrections or additions.

You will note I collect full names (full maiden names of females), dates of births/ marriages/ death and places of births/ marriages/ death/ burial. For places I like to include town/ county/ state and the name of cemeteries where available. We rarely get all this detail but it is fun to try.

Please see the note about Ora U. you did not have her. I picked up her name from the obituary of Hooper Doyle U - copy of his scrapbook enclosed. Comment?

Your printout shows several family members buried at "Upchurch Family Cem., James Upchurch Homeplace - Fentress Co, TN" Can you tell me more specifically the location of this place so I assume correctly that it is not the same as the Upchurch Cemetery at Pall Mall, TN (which I visited in 1996). I cannot find the names of those buried at the James Upchurch Homeplace in my copy of the

3-

Fenton Co, TN cemetery book. Do you have
access to a copy of this book. It is very
useful.

I would very much like to have a copy
of the Bible records you mentioned.

Enclosed are details on the Upchurch
Publications. It would be helpful to
keep us in contact if you would
subscribe to the Upchurch Bulletin "UB"
for 2002 - cost \$10.

We have no index for the past issues
of the UB but I have had a quick look
at the contents and suggest the following
issues might be of interest to you as they
relate to the George Upchurch class to which
you belong. (The more obscure the more
relevant to your class) The issues are \$5 each

* * *	* *	*
8-4	9-1	9-4 13-3

<u>4 issues x \$5</u>	<u>4 issues x \$5</u>	<u>9 issues x \$5</u>

you can order all or some now & some

The George U Clan is just one of 22 Upchurch Clans each headed by an Upchurch who lived about the time of the Revolution. There are probably 2-3 more clans yet to be identified. I mark on them all. It so happens that the George U Clan is one of the best documented of all the Upchurch Clans. He was the Greatgrandfather of your James Andrew U b 1876.

Please let me know if you have questions. I am anxious to keep exchanging materials with you

to my letter to you of 21 MAR 2002. It is possible ⁽¹⁸⁾ that you responded but that she did not know all the place to look. Perhaps your file will show if you responded or we can just wait until I can get downstairs to check it out for myself.

My letter of 21 MAR 2002 to you was a fairly detailed response. I appreciate your continued interest in documenting our shared Upchurch heritage and will look forward to working with you. I am sorry my leg is a holdup. The doctor tells me he will for sure take the cast off when I see him on 31 JAN 03. I suspect I'll have to have a lot of therapy in the months of February - But the good days will soon be here.

Thank you again for your interest and do stay in touch.

Sincerely yours
Phil Upchurch

Dear Cousin Phil,

Hope this letter finds you ok. I have been busy working on family history. I like to try to verify information I receive from other sources. There is so much incorrect information on the internet. My next goal is try and get a BUNCH of Upchurch's from everywhere together for a family reunion. I have one scheduled for Oct. 11, but I don't know how many will show up. I have it posted on the internet on almost every message board I can think of, but I haven't had many replies. Oh well, maybe it will grow each year. I am enclosing one of my flyers and if you see anyone that might want to come, please pass the info along.

Have you published another bulletin yet? I have been so busy I haven't had time to get to the library for a while. I have been trying to work on my husbands history some too.

I have an addition to add to my family. I have a new grandson. He is almost 3 months old. Below is information and XID number for his mother.

I have copied several bulletins from the Fentress County Library, but they didn't have some of the numbers that you mentioned to me. I want to subscribe to the bulletin, but I will do that in a later letter. My uncle, sisters, and aunts want to subscribe to, so I will send addresses and money all at once.

Are you still doing ok from your broke leg? I know it takes forever to get over a fall like that.

If you see anyone that might want info about the reunion, please have them contact me. My email is: debo40@twlakes.net and my phone number is (931) 864-7235 I'm really excited about it, even if its just the descendents of James Andrew.

Well, I guess I'm going to quit rambling on, and close for now. Talk with you soon,

Cousin Debbie (TN)

P.S. I have gotten emails from several in Indiana that will be attending the reunion. I am so excited!!! 😊

to share the burden.

I am trying to think through some options as to how we might continue to have one or more publications dealing with the Ypslurch family or we move through the months and years ahead. I have started a list of people who seem to have a keen interest in our shared Ypslurch heritage. I have placed your name on that list and will share my thoughts with the list of individuals in due course. It is my intent to have my ideas fully formed and to include them in the next issue of the YB which will be issued in the first half of 2004

All best wishes for the Christmas Season.

flow of blood to the heart, leading to chest pain or angina. I was scheduled for surgery early on Friday, October 3. The angioplasty exploration would reveal the extent of artery blockage and provide for an opportunity to use balloons to dislodge the blockage or to implant a stent. It turned out the blockage was severe and unsuitable for the planned corrections. A team of surgeons was standing by and took immediate action. They performed open heart surgery and created three bypasses using arteries from the arm and chest. Sallaine and our children here in St. Louis were present to offer advice, consultation, and encouragement. I received the most outstanding health care one can imagine. After three days, Sallaine brought me home and has provided outstanding support. She has been a rock throughout. Our daughter from Tucson has been with us for a week with her support also. I am so fortunate in so many ways.

Today, 7 days after the surgery, I am beginning to regain my perspective and to think more pro-actively about the future. Friends who have had this experience tell me that I should look forward to ten years of active life before getting another 30,000 mile check-up. Still, I know that some lifestyle changes are required.

I feel blessed to have such a great family, such good medical care and that I did not suffer any heart damage. Still, I feel more needs to be said to my friends. I considered myself to be in good health and my annual check-up last spring was favorable. We eat a variety of foods and in moderation and I thought my 211 pounds could be carried on my 6 foot frame. I now know that 190 is the number. Furthermore, in recapping my last year, I realize that signs of trouble were there even as I denied them. Furthermore, I now realize that my good diet has not been as good as I thought. Sallaine will help me do better. I hope all who read this will reexamine their own health status.

In our household, it is now "GOOD MORNING IN AMERICA".

Dear Cousin Phil,

Was so glad to hear from you, and really glad you are recuperating. I'll bet its a joy to be able to get back into your work. I know myself that I would absolutely go crazy without my computer and my family history. I really do spend a lot of time on it.

I have put a mark on the map for you. If you know anything about this particular area, I can locate you to it. When you turn off of Red Hill Rd. onto Buck Mtn. Rd, you only go a few feet until you come to the Buck Cem. on the right. You then go on just a few more feet around a curve and there is a gravel road that goes to the left down to an old farm house. This is my family property. As you turn off of Buck Mtn. Rd, down this driveway, there is also a gravel road that goes out through the field to the right behind a barn, and that goes out to the cemetery. All of this is before you get to the Reeds Creek Rd. Below is a list of people buried there.

Edison Cravens (nephew of Delilah Upchurch)

Rick and Randy Cunningham were adopted right after birth by Mr. & Mrs. Cunningham in Indiana. I'm not sure what names they were given at birth or even if it was recorded.

Whatever names were given to them and Jean Maitlen were changed when they were adopted. Their brother Fred Carl Koger was buried in a masoleum at Taylor Ford Cem. in Pickett Co., TN. Fred, Jean, Rick, and Randy were all full brothers and sisters. Their father was Lonza Koger. I have no idea why 3 of them were adopted. I do know that the twins were sick and had to stay in the hospital for about 100 days. They were probably given a name of some sort. Also, the children of Rick Cunningham are by his first wife, Barbara.

I recently looked at a Pickett County Cem. Book by Richard Pierce. Our cemetery is listed in this book as the Pierce-Upchurch Cem. I don't know why he thought this was in Pickett County. An author from Clinton County, Ky (Gary Norris) has also been over to the property, but he didn't go to the family cemetery. There is an old cemetery behind the house somewhere that is believed to have graves of slaves. I've never been to it. Its close to the river.

□ { Again, I am so glad you are well on your way back. You have sure had a long bout with this broken leg. I wish you all the best. I will try to get more birthdates for you on some of the people that I don't have. My uncle was asking if any of our information would be in your bulletins. Do you have any idea when your next bulletin will be out? We are going to try to get subscribed soon.

Sorry it taken me so long to answer your letter. We have had several deaths in the family, and my new grandson is due June 10 by cesarrean section, so we have been quiet busy.

Hope to hear from you soon. Be sure and let me know if you need anything else.

I still cannot locate the Upchurch Family Cemetery in Etowah County, TN Cemetery Book or on the map. Enclosed is a map showing Buck Mountain Road and a copy of the 2 pages for Buck Cemetery - which is different from the

Upchurch Family Cemetery. Can you help me locate the Cemetery. It would be great to have a full list of those buried. I would assume they are mostly Upchurch family members.

I was sorry to know about your fire and hope you are now reasonably recovered. This reminds me of our "flood" event. We moved into a new home in the summer of 2000. A year later while we were away the washing machine hose broke and flooded our house for 5 days. It caused \$75,000 in damages. Fortunately most of my family history papers were spared - but 500 books were damaged. With a flood in 2001 and a broken leg in 2002 I am ready for ten years of good luck.

Thank you very much for your interest. It would be great to hear from you again.

Sincerely yours
 Phil Upchurch

I have now received your email of 10 JUL 2009
for which thanks. I'll now put together some
items and questions for you & comments

1. Enclosed is a copy of a letter 11 SEP 1997 from ISA (ROYER) RA. She was not a relative but a great cooperator. Note the item re your father. Who ever provided the information knew your father was the son of Herman & Veda. Note that they used the last name Gubusch for Herman not Johnson.

2. Enclosed are 3 Pages (Items ①-③) from my Profile on Herman Elmer U. - Note on Page 2 1930 Census. The KY3 for Herman is my notation that the Census records show he and his parents were born in KY. I do not believe this is true.

3. you say maybe Herman changed his name from Upchurch to Johnson was to get away from his mother who was nee Johnson. if he wanted to get away from her why did he chose her maiden name for his new last name???

4. Enclosed are two Master Outlines - The one labeled [A] is for the family of your Ancestor George Willis Upchurch covering 6 pages 6A → 6F. Page 6D₂ & 6E cover the 2nd family of your GF Herman Elmer U.

Sheet [B] covers the 1st family of Herman Elmer U and it is incomplete but labeled 6D₁ to be slipped into place in the other set just before 6D₂.

Any additions or corrections you can supply will be appreciated. You will note I collect full names (full maiden's name of females), dates of birth/marriage/death and place of birth/marriage/death/burial. For place I include town/county/state and name of cemetery. It is hard to get at all but we need to try.

Enclosed are some pages on Upchurch Family Research.

I hope some of this is helpful.

Hi Debbie---

Delighted to hear from you. I have spent a couple of hours researching. I have some of what you sent and also a second version of your Upchurch heritage. Let me see if I can relate the two versions and between us maybe we can get a more complete story.

Your great grandfather George Willis U b1873 Saline Co., IL married Nora Ellen Johnson. They had a son, your GF, Herman Elmer U b1899. He married 1st Vedah Fern Perry and they had your father Herman Reese U b 1921. At some point H E U b1899 changed his name to Herman Edgar Johnson and married 2nd 1923 (Saline Co., IL) Lillian Mae (Flackus) Easley. They had 7 children the first of whom was Fayette Johnson b 1924. I have rather complete records on this second family. Also, I have rather complete records on the ancestors of your GF George Wallis U.

For the first family I have what you sent and also an extract of an obituary of your father which appeared in the Leader Union newspaper of Vandalia, IL in 1991. It shows his four children with you living in Pana, IL at that time. The records of the second family are fully recorded in my Master Outline. However the first family has not yet been added. I want to get your reaction to all of the above and to accumulate more details on the first family before I update my Master Outline.

I believe I am on the right track in saying that Herman Edgar U. had two families but we need to make sure enough fits together to lock it all into place. I will be interested to have your response.

Hello,

This is Just amazing I do believe this is why there was never any information on my grandfather since he changed his name. I my father's obituary which I did not know it was in a Vandalia IL newspaper is correct. The other children be my Brother Gary Upchurch/myself and I did live in Pana IL when my father died. My sister Nancy Miller Grant and Eugene Miller they are all my half brothers and my one sister. My mothers name was Bernice Hodson Upchurch she died Nov 7th 1966. There is most of my father and mother's history in the morman church online. But my missing link was my Grandfather. This is so wonderful and I am excited to be able to see all this information. Do you have any kind of Marriage records of Herman Upchurch and Vedah Fern Perry available. I am working with a second cousin out of Texas that has done most of the Genology on both sides of my family. Thank you so much I knew very little of my fathers history. Is there any pictures of Herman Upchurch Johnson that you know of?

Hi Debbie--

I am now back to your email of 6 JUN for which thanks. You and I have similar interests but perhaps not exactly the same. I think you want to know all you can learn about your Grandfather Upchurch. I want to be able to update my Master Outline so that it correctly shows his two families. There are still a bunch of things I need to get straight in my mind. Along the way I would like to send you some of what I have on paper for which I will need your mailing address. I'll ask a bunch of questions and lets see how many of them we can answer. Not all are equally important but we need to do as much sharing as possible to get the record correct. Perhaps your cousin in TX will be able to help. Here goes:

1 1891 in Hamilton Illinois.

He died Sept 1 1962 before I was born. Nora Ellen Johnson Upchurch
born sep 9th 1875 in Nebo Pike Illinois died oct 16 1949. If you could help would fill
in my gap in my family history on my father's side.

Thank You

Debbie Markham

⑤ 10 JUL 2009 - CONTINUED

1. Was there any awareness on the part of your father, so far as you know, that his father changed his name? If so, is there any speculation or knowledge as to why he changed his name?

2. Were the two families aware of each other?

3. You report that your father was born in Shobiner, IL. In what County is this located? (I don't find this town on my map)

4. I find your Grandfather on the 1930 Census in East Alton, Madison, IL as Herman E. Johnson. He and his wife Nee Lillian Easley are shown as born in KY and that the parents of both were born in KY. I have other records showing Lillian was born in KY but I think Herman was born in IL as were his parents and the Census record is just wrong about his birth place. Any comment?

6. Can you let me have your full maiden name? (I like to file that way)

7. Do I understand correctly that your father had only two children--you and your brother Gary Upchurch and that he had two step children Eugene Miller and Nancy Miller who were your 1/2 siblings? If this is so I assume that Bernice married first a Mr Miller and had Eugene and Nancy. If I am all wrong here maybe you can get me on the right path.

I know a great deal about the ancestors of George Willis Upchurch. I have made one trip to Saline Co., IL and got lots of reference books. However most of my information has come from some great cooperators over many years. These Upchurches all came from Chatham County, NC about 10 miles from where I was raised in Wake Co., NC. I am reasonably well convinced that your ancestor Samuel Upchurch had a sister Elizabeth Upchurch who in 1818 married my great grandfather. They had only one child Mariah Elizabeth Upchurch b 1820 d 1900. She is buried in the same cemetery as my father and grandfather.

Perhaps you have some questions also and if so I'll do my best to answer them. Any input will be appreciated.

My maiden name Debra Anne Upchurch born Oct 12, 1963

1. My father knew very little about his natural father as what I remembered he had stated, my father never said anything about his childhood at all.

2. I have no speculation of why he did only thing my cousin stated was to get away from my grandmother veda. I do not know if the two families knew about each other. My father stated once when I was real little about have some more family.

3. In Fayette county.

4. My cousin e mailed me. Found my grandfather in the 1930 census under the name Herman E Johnson with his wife Lillian and Three Children. Also found him in 1900 and 1910 with his parents in Saline co and in 1930 in Madison co.

5. Yes my father had my brother Gary Upchurch from another marriage and me with my mother Bernice Upchurch, however it was told to me later in life my father and mother was never married.

My mother was married to a Loren Miller which is my sister and other brother's real father.

I was told by my cousin that it could be a possibility that Herman changed his name to Johnson to get away from my grandmother Veda. She later married a man named Leon Merrow moved to Arkansas from Decatur IL. Some years later my grandmother was killed in a fire. And Leon Merrow was accused of Murder. Do believe got convicted sent to jail.

That was just some history of my grandmother. I tried to send you the article my cousin sent cannot get it to work, if you want it I will try again.

Do you think we are Distantly related?

Thanks for your help and I will help you anyway I can for your files
