Page 3, Item 20-B, Feb 25, 1978, visit to Lena Perry: Startled to read gossip about my Aunt Sadie!↑ Aunt Sadie↑ married Uncle Harry on Jan 2, 1904, and their only child, John Harry Holcombe, Jr., was born Oct 8, 1904. I have a copy of the death certificate of Eleanor Marks Upchurch. It states her length of residence in Jacksonville prior her death on Oct 4, 1927, as 20 years. In the 1910 Jacksonville Census I located her living in the household of John J. and Aunt Belle. (You may already have a copy of this census record, but I'm enclosing a copy + my handwritten transcription.) Neither my cousin Jean Augur Kilgore nor Frances Register (10 and 9 years older than me) had ever heard this story about Aunt Sadie.↑ We can't prove it untrue at this point, but I personally will be surprised if documentation is discovered. Sadie↑ would have been over age 60 by the time of my first memory of her, but she always impressed me as cheerful and lively. (She and my grandmother Eulah both talked a mile a minute.) Uncle Harry was a hospital administrator, and Aunt Sadie↑ was a social coordinator for hospital functions and such. She gave my mother a beautiful dress for her high school graduation which is preserved in a studio photograph. I remember her as such a proper lady that a picture of her as an outcast just won't form.

Page 5, Item 31, Dec 28, 1980, phone call to Walter Daniel Martin: I never knew Uncle Harvey, but can vouch that Sadie↑ was not a "ne'er-do-well." I visited in her home regularly between the ages of about 8 to 15 (and maybe prior to the age of 4, although I don't remember it). It was not huge but neat and pretty, and in the nicest old neighborhood in Jacksonville.

(10) Email 1 OCT 2010 Margaret Louis Harris to APU Re (9) above

I love old newspapers! Tiny little items can sometimes reveal so much. But, thus far, I can neither confirm nor deny the rumor about Aunt Sadie. You mentioned this to me earlier, and I put it to both my two cousins Jean and Carole Augur (maiden names) and to Frances Register, and none had ever heard a hint of it. Frances was as informed as any of "my" generation in Florida, so if the assertion was true, it was a well-

kept secret in Jacksonville. The document I have of Aunt Sadie's and Uncle Harry's marriage on 2 January 1904 is from the transcript of a Bible page I found at the Jacksonville Public Library. The Bible was originally owned by Eleanor Marks U, and passed to her daughter and my great-Aunt Minnie, and then to Frances. I suspect it was Frances who gave the page copies to the Jacksonville genealogical library. I have never found the place of Sadie and Harry's marriage. Their only child, Harry Jr, was born 4 October 1904 (documented only by a distant relative's (by marriage) family tree outline of names and dates only.

- △ Uncle Harry was born in Danville, VA, and the first record I have of him in the Jacksonville City Directories
- △ was in 1920 (would have to go back to look again to see if he was there sooner). Eleanor Marks was in the
- △ 1900 Raleigh census, then in 1907 is listed the the Jacksonville City Directory living with her son Garland. My files skip over her whereabouts for the interim years. My own grandmother was married in Raleigh in
- △ December 1902, which would indicate that her mother was most likely still in Raleigh then. My grandmother and her husband James Pollard moved to Jacksonville in 1910, where a daughter was born, then they migrated down to Melbourne.

(EULAN GARTRELL U)

It's probably way too late to find anything like an adoption record (if such was ever available). But maybe there is something else out there to at least more closely indicate the dates of migration for Eleanor and Sadie. (property sale of the Raleigh home?) At this point I don't know if Sadie and Harry met in Raleigh or in Jacksonville, but would think it most unlikely she went to Danville, VA.

will think on what else might be available to search from my home office.....

FROM LTR 24 JAN 2012 MARGARET LOUISE HARRIS TO RA

Reference made to our relatives:

I also spent some days reviewing the Upchurch state hospital records. I sincerely appreciate your including me in the loops of data collection for all these people of our common bloodlines. I essentially agree with your conjectures about the mysteries for which we lack sufficient documentation, although I'm just as tantalized as you probably are also. On the subject of poor Susie, I have the urge to take a flower to her grave should I ever manage to pass through Chattahoochee. If either of her parents or any sibling ever visited her, there is no mention of it in the file. I think I related to you earlier that my mother recalled only "fear" about her Uncle John. As a child and preteen, I knew Aunt Belle only as a stern old woman on the rare occasions that I saw her at all. Aunt Sadie was more the cheerful one who seemed to like the children. It delighted her when Uncle Harry slipped us quarters—which was a fortune then to an 8- or 9-year-old, and which I generally spent promptly anyway. I have no memory of ever actually speaking directly to Aunt Belle.

These details of Rebecca Pearl are extremely sad also. I can offer nothing about her save that my mother told me that Uncle Garland's first wife, Pearl, was mentally ill, and that his second wife, Hilda, had been Pearl's private nurse prior to her commitment to the state hospital. I do not have a marriage record for William Garland and Hilda (or a divorce record for Pearl), but I see that the inquiry from Uncle Garland to the State Hospital in 1919 was more than four years since Pearl's admission there. He remained in Jacksonville at least through the City Directory listing of 1935, and then some time before his death in 1950 he and Hilda moved to Alabama.

It happens that I have recently finished reading *All Quiet on the Western Front*, the powerful novel of the First World War, so when I read the diagnosis description of Fred B.'s problems, my first thought was that he could have had a post-traumatic stress. A cursory Internet search did not find him as a WWI soldier, but he would have been in his 30s and unmarried at the time of that war, so I think it would be worthwhile to try to rule out his conscription and/or participation in 1917 or 1918.

Hello Phil,

I found the attached today and I found it of great interest. There was a Peter Snider who married Salley Upchurch in Warren County, Kentucky in 1811. It turns out that Salley was the daughter of David Upchurch. I need to reevaluate my tree because I now think that my Peter Snider who married Catherine Upchurch in 1847 might in fact be the son of Peter Snider and Salley Upchurch. DNA doesn't lie.

Regards,  
Debbie

AMPLIFICATION OF THE WILLIAM U, IV FAMILY  
BASED ON INFO FROM WARREN CO., KY RPU 9 OCT 2016

The family of W<sup>m</sup> U, IV is represented on the 1810 Census  
of Warren Co, KY by 3 U<sup>l</sup>church households. Evidence  
shows they got there after 1800 and left before 1820  
(Tax Records). Slots in the John U, IV Household are  
easily accounted for by his known family members.

The slots in the David U Household are  
imperfectly accounted for by known family records.  
Names are needed for 1 male + 3 females, children  
of David born 1800-1810.

A slot in the David U Household for a male  
b 1784-1794 (age 16-26) could be for William U,  
a brother of John + David.

The 3rd Household is described by Deborah Shumaker  
in her email of 4 OCT 2016 as follows:

1810 - WARREN CO., KY

Δ	AVERY U - F.	16-26	b 1784-1794	POSSIBLE WIDOW OF	
	—	F.	16-26	b 1784-1794	Δ EDWARD U

NOTES (RPU) - SALLY + AMBROSE ARE CLEARLY CHILDREN

THE WILL OF BERRYMAN WILBANKS IS REPORTED

Hi, I have loved looking over all the things you've found over the years. My pappy, Samuel Upchurch Sr., passed away almost 10 years ago. At the time I was too young to strike up an interest about my heritage but now I want to know where I come from. His father's name was Claude Upchurch and mother was Pearl Doss. I know you're probably very busy with a lot of things but if you happen to come across anything else that could help me out, please let me know. Thank you again!

Hi Samantha---

Your email of December 11, 2013 about my website reached me just as I was starting a three week family history trip to N. C. I am back home in MO now and will respond as best I can. What you sent agrees with my records. My first contact with your family was in 1994 when I had an exchange with Anne Marie (Upchurch) Siddons who I take it is your aunt. Can you confirm this so we can know we are on the same page? I can report that you trace back to Wayne County KY and that you are almost certainly of the George Upchurch Clan. I show your GF Claude U was the son of Joseph Edwin U and the GS of Sherman U. Beyond that you and I will have to do some digging to develop a more complete family tree. Were you able to reach and search the three password protected sites on my website? I have tons of information posted there. The password is "2013upchurch#". I hope you were able to view some of the videos of which there are now 34.

Do you have access to Ancesry.com? I use it constantly and although there are errors it is helpful. I have today done a little more research on your line to set the stage for more cooperation if you are interested. Our work is going forward under our new organization "Upchurch and Allied Families, Inc". You can learn more about this at our new website "www.alliedfamilies.com". I hope you will join as it costs only \$20 for a 2014 membership and we need to keep the pump primed to stay up and running.

I'll look forward to hearing from you and to collaboration.

Hi Samantha---

You are on my contact list as regards the heritage of the George family. Much about him has been written in the Upchurch Bulletins 1980-2015. Details may be searched on our website [www.upchurchstory.com](http://www.upchurchstory.com) password 2013upchurch. Additionally we have made great progress i enrolling thsi family including his descendants on our newer website [www.alliedfamilies.com](http://www.alliedfamilies.com) password 2014allied#. What we have done so far is just a start. note ,for example , our work on Biofiles and cemeteies.

If we are to make progress on the George Upchurch family we will need participation from his descendants such as yourself. We need time, expertise, data and money. Perhaps you are in a position to volunteer. If so, just let me know.

A 2016 Allied Families membership form is attached. I hope you will join with us and be as supportive as your circumstances permit. Success in our venture will avoid loosing what we have worked so hard to accumulate and will allow us to share and preserve the George Upchurch family records far into the future.

It would be a pleasure to hear from you and to learn if your interest in your Upchurch heritage continues.

Sending All Best Wishes~

Phil Upchurch, President, Allied Families

she gives much more on John Wesley U but  
nothing more on Sanford U. This group is said  
to have been in Surry Co, NC at one time.

Also Thomas U, a son of John Wesley U, is said  
to have come from Franklin Co, NC.\*

② RPH Notes on ① above 8 DEC 2000

\* #1 DEA suggested that that the Patnarch was  
JAMES U "JIMMIE". For some years now  
we have followed the idea that the  
Patnarch was in fact JOHN U, VII

\* #2 Knowing the distribution of Upchurch in NC  
in the early 1800's I doubt that Thomas  
U came from Franklin Co, NC

\* **PEERCY, PEARCY, PIERCY** - Mark Percy bought land from his mother, Elizabeth, and heirs (Lucinda Privitt, J.L. Percy, Serna Ellen Upchurch, William Percy and Ambrose Percy), 220 acres, April 26, 1849. Records list four children to Mark and Sarah Hix (Hicks). Mark was my great grandfather. Not sure on exact time spelling of name changed from Percy to Percy.

Freal (Freelan) Percy, was son of Mark Percy; he married Mary "Polly" Privett, 1873 in Wayne County, KY. Freeland and Mary "Polly" had nine children; Richard Percy, Millard Percy, Browder R. Percy, Florence Percy, Arco Percy, Charles Percy, Dillard Percy, Ambrose "Dude" Percy and an infant that died at birth. Millard Percy was my grandfather. Millard Percy married Kate (Katherine Bridgeman). To this union seven children were born: Myrtie married Leo Dalton; Ala Percy (died as a young girl); Flonnie married Rosco Denney; Casto married Lucy Tuggle (who are my parents); Eva married Sank Upchurch, later married Herbert Dishman; Orel Percy married Maxine Bridgeman; Jean married Willard Denney.

My dad and mom, Casto and Lucy Percy, bought the family farm from Millard Percy in 1952 in Shearer Valley, KY. Uncle Orel was always helping them on the farm. They were very close as all the brothers and sisters were. When Dad passed away in 1997 Mom continued to live on the farm with help from her son, Lonnie Percy. Mom (Lucy Percy) passed away in 2006. Both Mom and Dad (Casto and Lucy Percy) are buried in Taylor's Grove Cemetery.

To the union of Casto and Lucy Percy, there were eight children born. Irene married Junior Davis (now divorced). Irene lives in Ohio. They had two children, Terry Davis living in Monticello, KY and Michelle Tegtmeier living in Ohio. Norma married Edward Scalf; they live in Ohio, have two children, John Scalf of Ohio and Katie Scalf also of Ohio. Christine married Jason Slagle; they live in Monticello, KY and have three children: Lynn Slagle of

Monticello, KY; Stacy Slagle of Monticello, KY and Tina Dick of Bowling Green, KY. Donald Percy married Wanda Sloan, Donald lives in Ohio; they have four children: Sheila Scott of Blanchester, OH; Alberta Bradshaw, Edenton, OH; Ronnie Percy, Wilmington, OH and Amy Slone, Illinois. Wanda is now deceased and Donald is remarried to Joyce Hall Percy. Russell married Linda McBee and they live in

Ohio. Lonnie married Patty Bell and they live in Monticello, KY and they have two children, Eddie Percy of Monticello, KY and Terah Jones of Monticello, KY. Pamela married James Watkins (now divorced), they have one child, Jennifer Dick, Lexington, KY. Lonnie bought the family farm and his daughter, Terah Jones, bought the old home place where she lives with her husband, Craig Jones, and three children. Submitted by Christine Slagle.

## Ocean Week at Midland Park Elementary

Midland Park Elementary School celebrated their year-long study of ocean environments with a week of intense ocean related activities. Each grade level has studied a unique environmental area of the ocean and decorated their area to share their knowledge with others. Kindergarten and first grade classes and halls were alive with creatures inhabiting the rocky seashore. A taped tour with ocean sounds guided other students and visitors as they explored the rocky seashore.

Second grade was full of wonder as they explored the sandy beaches. Wall murals provided information about the many creatures that lie under the sand, along the waters edge and fly in the air above.

Have you had kelp in your mouth today? Fourth graders will probably say, "Yes," after studying the kelp forests of the oceans. And fifth graders were deep into issues that pertain to the open ocean, studying plant and animal life.

Students have used ears, eyes, mouth, nose, and hands to explore many aspects of the ocean right in the school as well as away from the school on various field trips.

Problems and solutions to ocean pollution were presented to all classes by Petty Officer Jane Quattrochi from the US Coast Guard.

Saundra Upchurch from the SC Department of Natural Resources/Marine Division brought live sea creatures in a touch tank... sea creatures with lots of squiggly legs and different shells.

Volunteers from the SC Aquarium brought turtles to look at and learn about during the "Turtle Talk" presentations.

News media recorded and photographed the weekly happenings at the school. Teachers and parent volunteers photo-

graphed the happenings away from the school. Trips to the beach, the zoo, the Yorktown, and Cypress Gardens were a part of the week's activities.

Midland Park Elementary is also a No Barriers School working and studying with Neal Petersen as he prepares

to sail around the world in the upcoming Around Alone '98 race beginning in Charleston in September 1998. On Saturday, students, families and teachers gathered at the Maritime Center to participate in the dedication of Neal Petersen's [www.no-barriers.com](http://www.no-barriers.com) entry into the race. The

school will continue its focus on oceans next year as they follow their skipper around the world for 27,000 miles.

It's not too late to visit Midland Park this week and experience the exciting learning that is taking place at this dedicated school in our community.

Saundra Upchurch of the Department of Natural Resources Marine Division shows students at Midland Park Elementary School a horseshoe crab as part of their Ocean Week.

Also attached is a related article - but not including SAUNDRA U. Gene notes that SAUNDRA U is African-American and suggests she may be a daughter of one of the Upchurches listed in the Charleston, SC Phone Book - copy attached.

## Midland Park Elementary School goes marine with MARE

Midland Park Elementary School turned into an ocean for the week of May 18-22, as children at the school participated in Ocean Week as a culminating event of the MARE (pronounced mar-ray) Program implemented at the school earlier this year. The MARE Program is a grade level-based interdisciplinary curriculum, with children at each grade focusing on a different coastal and marine habitat as they learn math, science, and other subjects through themes and concepts associated with each habitat. The activities have been used by teachers throughout the school year, with the entire school actually "turning into an ocean" during the week-long culminating activity, Ocean Week. Parents and other community leaders became involved in Ocean Week as well, assisting with classroom

visits by local experts, field trips on a boat, and tours of classroom habitats constructed by the children.

The kickoff for Ocean Week was the Field Day on Monday, May 18. High school students worked with elementary school students to man stations with MARE themes located throughout school. The School Principal, Ms. Susan Miles, even dressed up in a shark costume for a day. Student artwork on marine themes were displayed throughout the school and guest speak-

ers eagerly shared their special areas of expertise with students and faculty.

Bringing the MARE Program to Midland Park Elementary School builds on existing efforts in mathematics and science education sponsored by the South Carolina Statewide Systemic Initiative, as children learn mathematics and

science through innovative, exciting hands-on marine science activities directly related to their environment. Parent/guardian and community involvement was encouraged and increased. "This program will reach close to 600 school children, their parents, teachers, and the surrounding community. We truly believe that the MARE Program has the potential to become a sustainable regional model for the entire Southeast," said Rhet Wilson, Education Director for the South Carolina Aquarium.

The Charleston Math & Science Hub has been working closely with the University of California-Berkeley Lawrence Hall of Science, the South Carolina Aquarium, and the South Carolina Sea Grant Consortium to expand the MARE Program in the Charleston area.

Ashley Humphrey and Danny White explain about the Kelp Forest and its importance. The classes designed and built the Kelp Forest as part of the schoolwide participation in Ocean Week.

As of 21 OCT 2005 I have not been able to identify  
her Upchurch husband. She did have a son named  
Winston Anderson U. who some suggest as being  
illegitimate. It seems possible that she could have  
been mee Selma West Upchurch and that makers  
of the records concluded that she was mee WEST  
and that she was Mrs Upchurch - Thus two errors  
- which I doubt. I still think there is an UPCHURCH  
husband somewhere.

I came across the "upchurchstory" website by accident in researching my father's family history which then led me to this site. I am so pleased to find a source of information and help. I have joined through PayPal. I am not sure where my father's family comes under which Upchurch line, I am hoping someone in this group can help me figure it out. I started reading the bulletins and listings, but after 2 hours my eyes were "crossed" & tired. I hope to continue over the next days. I would greatly appreciate any assistance offered.

Sincerely,

Seda S. Upchurch- McLaughlin

Hi Senda---

It is always exciting to find a new cousin and to follow the trail that completes the link.

I have helped many, many individual connect to their Upchurch roots. It is always of interest to learn how much of a persons heritage we already have in hand. What I need from you is a list of names/dates/places that link you to the earliest Upchurch in you ancestral line that you know about. With that information in hand I will research our huge file system and report back to you. With what you send it is likely I will be able off the top of my had to place your Upchurch heritage in a special part of the family.

Glad you are going over our two websites. For [www.upchurchstory.com](http://www.upchurchstory.com) the password is 2013upchurch#.  
For [www.alliedfamilies.com](http://www.alliedfamilies.com) the password is 2014allied#.

information. If you will send us a few names/dates/places that connect you to earlier Upchurch  
generations we will be happy to search our files and send you a report. We have a huge Upchurch  
collection much of which is not published. It would be a pleasure to help you with the research.

Hi Phil,

So nice to find your website, I've been doing much reading (as time allows) and learning more of the Upchurch's in general. Until now didn't know much, my father, Charles William Upchurch, didn't seem to know much of his family history and when I became more interested his mother had already passed. I do know that his father, William Henry U., was struck by lightening and killed in Willcox, AZ at about 28 years old, my father Charles W.U. was about 5 years old at the time.

A cousin on the Upchurch side had done some research (before computers) and told me that her family (the Wooten's) and the David Allen Upchurch's traveled in covered wagons from Texas to Arizona together. Supposedly David Allen U. had a twin brother, William U.

I have attached a "tree" from my Ancestry.com account of my Upchurch's that I have discovered thus far. I look forward to learning more.

Sincere Regards,  
Senda Upchurch-McLaughlin

Hi Senda!

We just might be able to work with you on your research. I am sending you a small sample of Phil's research.

Attached is Phil Upchurch's "Biofile" on David Allen Upchurch I, who appears on your family tree as the son of Allen G. Upchurch. Phil, in his day job, was a professor in weed science at both North Carolina State and at Arizona Universities. In between those two positions, he also spent some time at Monsanto, here in St. Louis. Since Phil's background is in science (and I am a former history teacher), I have always had to remind myself to consider a biofile as being his "field notes". These field notes summarize his research of an individual, plus any contributions he may have received from others. Remember to "follow the arrows" ☺.

Since I am a former history teacher, I am giving you a homework assignment. Read the Biofile and find out who Phil thinks is the father of David Allen Upchurch.

Take some time to look it over. Here at Allied Families, we are always looking for volunteers to type up his biofiles so that we may post them under the resource tab of our [alliedfamilies.com](http://alliedfamilies.com) website. We would love to have you as a collaborator! If you might be interested, I can send you the guidelines.

Good Luck with your research!

Hi Senda---

After your exchanges with me and with our Web Master, Jay Buck, in February I have now returned to review the correspondence. My first record of you comes from a phone call I made to your Father on July 3, 1993 when I was nearing the end of my 20 year stay in AZ and prior to my move to MO where I have lived since 1995. You were taking a course in Sports Medicine at Pima College The chart you sent to Jay on February 12 is very helpful but time needs to be spent comparing your input to my other records. I can reliably trace Charles William Upchurch back to David Allen Upchurch born 1871(MS). My memory tells me that he was a twin and that they were sons of "A" Upchurch probably born 1822(NC) but that we have no reliable information as to the father of A Upchurch but have information that the Strickland Family of NC was involved. Over the years I have had interactions with other members of this family. Our opportunity to advance our records depends on having some descendants who have some time to spend on this effort. I can spare some but must have some willing cooperators. Are you available ? We need to establish a team to work on this Project. Our work in Allied Families has progressed to the point that we can use our website displays to focus on your part of the family. Again, we need active cooperators to go this route.

Our Allied Families Program is evolving into a very powerful system but based on collaboration with many people. We have a wonderful opportunity to archive and make available our records collected over many years and to augment these records and to preserve and share them far into the future. Along the way we should be able to solve some of the nagging problems such as who was the father of A Upchurch b 1822 (NC). Solving this puzzle would be a great step forward for our Upchurch Family and I feel you would be happy about this outcome.

Hope to soon be cooperating~

Phil Upchurch, Founder, Allied Families.

Dear Phil,

Sorry for the delay in responding - other responsibilities...

I was unaware that you had actually spoken to my father in 1993.

I would be most interested in working on the "Upchurch" project through Allied Families. I am not very "computer savvy", but can manage basics. I don't spend a lot of time on the computer, however, I am willing to do what I can. I am also researching my maternal side of the family and helping my husband with his family research - as time/ life allows.

Hi Senda----

I am delighted that you are willing to undertake some work on our Upchurch heritage. The lineage for your Upchurch Line is incomplete and over time I hope you and I can find some resolution.

As a first step I request that you transcribe the Biofile of your ancestor David Allen Upchurch, I so we can put it on our website. It is about 10 pages. Let me know if you can do this and if so our Webmaster, Jay Buck, will scan and send it to you with guidelines for Transcribers. The Biofile will let you know a lot of what I have learned about your heritage.

The Tree provided with your email of February 12, 2018 in many ways agrees with my records. However, what you show as the Paternal heritage of David Allen Upchurch, I is suspect. You and I need to confer on the specifics. I can report that James Upchurch and Elizabeth Thaney Butler were not the parents of Alfred Allen Upchurch. Let's confer after you have read the Biofile for DAU, I.

Will look to hear from you~

Phi Upchurch, Founder, Allied Families.

Hi Cousin Senda---

I have spent some time today organizing the Biofile of your ancestor David Allen Upchurch, I. It consists of 11 pages and 17 items. I will give it to our Webmaster, Jay Buck, on Monday to send to you. When you return your transcription to Jay he and I will vet it and I will add a commentary and the end product will be posted on our website.

I hope this will be just the first step in a more robust effort to complete the linkage of your Upchurch Line back to Michael Upchurch, I born 1624 (England).

After you have completed this task let us confer about what comes next.

Great to have you as a volunteer~

Phil Upchurch, Founder, Allied Families.

Hi Senda,

Thank you for your \$50 donation to Allied Families for your 2019 membership which has arrived. I am encouraged by the pace of renewals.

You are one of the few cooperators I have on the Twins born in Mississippi in 1871. It is important that the few of us concerned take action to learn more about this family and to make those records a part of our Association website. If you are interested, I will be happy to list a set of options to pursue. You could add to the list. Maybe we could agree on pursuit of one or more of the options.

Our Upchurch Family is huge. We have workers on the main 22 clans, but are risking the Twins' families slipping from view.

Hope to hear from you.

Hi Senda,

I have in the not too distant past interacted with you about a "ML" (missing link) in our Upchurch family. Originally data about ML's were placed in the *Upchurch Bulletin* (1980-2016). Currently, Jay Buck and I are working to take ML excerpts from the *Upchurch Bulletin* and place them on our website under the Resources Tab in a section entitled, "Missing Links." Go to our website to see Missing Links. Your interest is in ML/4B re: the 1831 Twins.

I am asking Jay Buck to scan and email you the excerpts for ML/4B, or just go to the website and view. Please study and give me your reaction. I hope you will prepare one or more paragraphs on added details about ML/4B to be added to this ML on our website as a further entry.

I hope our progress can continue.

Dear Phil &amp; Jay,

Now that taxes are done, I am ready to take on some "Upchurch" projects. I need to inform you that I am not a "computer techy" type. When I first joined Allied Families you asked me to transcribe some bio-files, which I did. So I think where I would like to begin a more active role is with your options #1 and #2 to get me started, then I can look at and consider some of the other options later on. So send me whatever it is you need me to tackle.

Option 1. Transcribe some key Biofiles to be placed on our website. Our manager/webmaster, Jay Buck, can send you some Biofiles to start on right away.

Option 2. Create an [Ancestry.com](https://www.ancestry.com) Tree starting with A. Upchurch, the father of the twins. Jay can get this started, and you can proceed to fill in the blanks.

Hi Senda,

It is very fortunate that your retirement plans, your interest in family history, and the need to increase our efforts to enhance the documentation/visibility/sharing of details on the twins, born 1871 (MS) all come together. More effort on the twins has long been on my mind, and you have appeared as an angel just in time.

To do the complete job of listing options, I will need to spend some time in our Association office in the Chesterfield, MO Valley. But I will get started here for now. Some temporary health issues have kept me close to my apartment for the last several weeks.

Here is my preliminary list of options. Option 1. Transcribe some key Biofiles to be placed on our website. Our manager/webmaster, Jay Buck, can send you some Biofiles to start on right away. This will give you some interesting aspects to contemplate and when on our website, will make it easy for searchers to find. Let me know if this fits you.

Option 2. Create an [Ancestry.com](https://www.ancestry.com) Tree starting with A. Upchurch, the father of the twins. Jay can get this started, and you can proceed to fill in the blanks. Are you already families with making entries on [Ancestry.com](https://www.ancestry.com), and does this project fit you?

Option 3. Create a list of descendants of the twins for which we have street and/or email addresses showing their level of interest. It is urgent that we find more cooperators.

Option 4. Accumulate photos of individuals pertaining to the descendants of the twins' families. Add these to the Allied Families Photo Gallery, just now being started.

Option 5. Accumulate documents bearing upon the twins, their ancestors, and descendants. Add these to the Allied Families Document File, just now being started.

Option 6. Arrange to adapt the "Missing Links" section of the *Upchurch Bulletin* (1980-2016) to appear as a part of the Resources Section of our website, using prior inputs for the twins as a

If you could learn a little more, I would be most grateful.
