I am also always looking out for further information about Gilbert's "Elizabeth." Because of the July 1820 birth date of Mariah Elizabeth, I'm now guessing that this first (?) child of Gilbert and Lucretia was actually born to Elizabeth. I'm also guessing that the mysterious child named "Marie" was the same as "Mariah Elizabeth."

RPU Comments re above. All known information fits the above proposal that Mariah Elizabeth U was a child of Gilbert U and his first wife Elizabeth U whom he md in 1819. However, I know of no rationale for the proposal that Mariah Elizabeth U and Marie U were the same. Uncle Gettys told me Gilbert U had 5 daughters -: Sister Perry {Lena Perry} told me one of the 5 was named Marie. Sister Perry knew enough not to confuse Marie & Mariah - RPU - 11 APR 2001

Lena reported that Gilbert & Lucretia (Mills) U had a daughter Marie U.

MARIE BOYLE
[illegible] LACOST
KANSAS CITY, MO 64131

Dear cousin Marie,

Thanks for your note on your part of the family. They arrived today and have already been extracted and entered on the master outline. The outline for the family of Joseph U is getting to be an excellent shape thanks to some fine cooperation from the family members. On a couple enclosed sheet I have listed what is still missing. If you have or can get any of these details they will be greatly appreciated. After writing this last I realized that your last name is now Boyle. Could you tell me when and where you and Mr Boyle married and her full name and date and place of birth.

To put you more fully in the picture I will add the following: you are descended from Joseph Upchurch b 5 DEC 1775 (Virginia). We do not know his parents but many of his descendants are actively seeking the name of his father

and I think we will eventually succeed in locating him to the rest of the Upchurch family. In the meantime I am trying to get the details on all the descendants of Joseph Upchurch organized. You can appreciate, I am sure, that this runs into several thousands of individuals.

Details on the Upchurch Bulletin are enclosed in case you are interested or can to share this information with others who could be interested.

Please let me know if you have questions on your Upchurch heritage. I appreciate your cooperation and possible interest and want to share with you anything I have that you would desire. My files on the family are quite extensive and growing all the time.

Hope to hear from you soon.

Sincerely yours

Phil Upchurch

CROSSING THE BAR

Sunset and evening star,
And one clear call for me!
And may there be no moaning of the bar,
When I put out to sea.

But such a tide as moving seems asleep,
Too full for sound and foam,
When that which drew from out the
boundless deep
Turns again home.

Twilight and evening bell,
And after that the dark!
And may there be no sadness of farewell,
When I embark;

For tho' from out our bourne of Time
and Place
The flood may bear me far
I hope to see my Pilot face to face,
When I have crossed the bar.
