Dear Cousin Fred

Congratulations on the new great-grandson  
and thank you for your letter of 5 NOV giving me  
the details. I have assigned him XIV-24018.  
The next time you write could you tell  
me where he was born. This will give  
me a perfect record on the Egbert Meaders  
Upchurch Family, thanks to your good effort.  
Of course I hope you will keep me posted  
on other changes.

I am envious of your garden as most  
of the time I am tied to office work. It  
would be great to be out in the open more  
and working with plants and the soil  
is good medicine. Be sure to do it again  
next year - but maybe not so large a  
garden.

I hope you and Vivian have a happy  
Christmas.

Sincerely yours,  
Phil Upchurch

Dear Cousin Fred,

I have been checking on the outline for the descendants of Robert Burton Upchurch, Sr, your Grandfather. I have written a number of your cousins to collect details on their part of the family. Thanks to your help the outline for Egbert Meaders Upchurch seems to be in perfect order - unless there have been any changes. Do you have anything new to report? Here is what I show:

1. Egbert Meaders Upchurch had only 3 children.
2. of which two are still living - you + James.
2. your late brother Egbert Lewis never married
3. you had just two children and four grandchildren.
4. None of your grandchildren are married.

If the above are not true please let me know.

I hope this finds you and Virginia in good health.

Dear Cousin Fred,

I have your note about discontinuing  
your subscription to the Upchurch Bulletin  
for 1989. If you will allow me I want  
to make you a present of the 1989 issues  
of the Bulletin as they appear. This is in  
recognition of the fact that you have long  
had an interest in the Upchurch family  
and that you have faithfully supplied infor-

long term subscriber to the U B.

I still have the notes of our meeting in the

It is a benefit for me to have you get

Hope this finds you in good health

Dear Fred,

meeting you at the airport in Memphis on July 17 1981 was certainly a great pleasure. I really appreciate your interest in Wpcchurch history and what you have done to collect information.

I have just finished going over the material you gave to me and have everything properly extracted and cross-referenced.

The outline on the Egbert Menden U family is in excellent shape with only a few bits of information missing. I count 18 individuals including spouses & children, here are some questions on this family.

- (1) Where did Egbert leave U & and when or to whom?
- (2) Is Zeme Elizabeth (Palmer) U still living? If not - death date, place of death & place of burial?
- (3) For Egbert Menden U I have ~~two~~ marriage date as 23 DEC 1909 and as 24 DEC 1909 which is right?

I also have some questions on the 1904 picture of Bob Pittman, from U & for U:

(4) I forgot to write down where the picture was taken. I seem to recall it was in Chicago at the world's fair - but World Fair in 1894 was in St Louis?

(5) I assume Bob Pittman is the one with the newspaper - ~~is~~ in the corner?

(6) I assume Bob Pittman is Robert Francis Pittman and Elizabeth Ridgeway U, the sister of the 2 Upchurches in the photo. Is this right?

Other questions on your line

(7) Where were the 9 children of Robert Burton U Sr born? (I have that Robert Burton U Jr and Marjorie Caine U were born in Coffeeville, MS - no birth place for the others)

(8) My understanding is that there were 15 children of John U (XID-3776) your great grandfather and that only one of them (Robert Burton U Sr) moved from AL to MS. Is this your understanding? Do you know the date of her move?

I will appreciate answers to any of the above. Have to shift now and finish U B Vol 2 #3.

All the Best!

Phil Upchurch

Phil -

This is not an original but a picture taken from a local newspaper. Hope it will do.

as far as the date 1904 I am not sure it is correct. you can check on the year the world's fair was in St. Louis.

I was in mississippi to-day. I talked with both Juanita U. and Julia Morgan. Juanita can help you on William H. U. She has done some work and plans to do more. It is difficult as he left yalobusha County after the death of his first wife and moved to the delta area. The family sort of lost contact with him after he went to the delta. I wish I could help you more. Hoping the photo will help you.

Dear Phil:

I also enjoyed meeting you and talking with you. Maybe you can get back over here again.

As for the information you wanted.

1. Δ Egbert L. U. died Jan. 10, 1981 at Memphis, TN. buried Shiloh Cemetery, Coffeeville, MS.
2. Δ Jennie Elizabeth (Palmetree) U. died May 10, 1980 at Batesville, MS. buried Shiloh Cemetery, Coffeeville, MS.
3. Δ Egbert Meaders U. married Dec. 23, 1909
4. The picture was taken at St. Louis World's Fair.
5. Δ Bob Pittman (Robert Francis) is the one on the left with the mustache. you may not have noticed that he had only one eye. The left eye was missing. He is the one who married Elizabeth Ridgeway U. Leona Eleanor is in the center and Joseph Oscar (Joe) on the right with the derby hat.

you are correct on the 15 children of John U. Two by 1<sup>st</sup>. wife - 13 by second wife.

William H. U. 11<sup>th</sup>. child of John U. by second also came to ms. I do not have any inf. on him. you may can get inf. on William H. U. and Robert Burton, Sr. from the two 1<sup>st</sup>. cousins.

2  
Mrs. Julia Morgan

Rt. 7 Box 193

These two have done some research on William H. L. Julia may be able to supply inf. on when Robert Burton, Sr. came to Ms. I think it was during the 1st. part of the 1870s. I am not certain. She told me they brought one or two children with them from al. in a covered wagon. I wish I could help more on this

I am not sure where the 9 children of Robert Burton, Sr. were born as I do not know the exact year he came to Ms. I would say all but one, possibly two were born at Coffeeville, Ms. The two older children could have been born in al.

Hoping I have helped you. again it was good to see and talk with you.

Dear Fred,

I thank you very much for your letter of March 19, 1980 and for the lineage chart. Your cousin Julia Elizabeth Morgan sent me much of this same material but yours is in a much more readable form. If you want this back let me know otherwise I will keep it for my files.

I have gone over your chart in detail and identified 17 items that are new or different from what I have. The list is attached. Would you examine items 3, 6 and 9 closely. Can you tell me the source of your information for #3? For #6 the dates do not match. Do you have clarifying information? For #9 do you have any comment? You and I have a vast amount of information that agrees and a small amount which needs clarification.

I agree that James U<sup>I</sup> (XFD-151) is our most recent common ancestor your father and I ~~are~~ are 5th Cousins!

In order to complete my files on your immediate family, information is needed in several instances. Can you supply the following:

- ① The names of the parents of Gary Eberhart plus Gary's full name.
- ② The parents of Patricia Ann Hill.
- ③ Where was Fred Upson II fr married.
- ④ The parents of Verian English and her full name.
- ⑤ Where were you and Verian married.
- ⑥ Where were the following born:
  - A. Gary Eberhart
  - B. Patricia Ann Hill
  - C. Verian English
- ⑦ Were your brother Egbert Jensen ever married and if so to whom and were there children.
- ⑧ Re James Kimble II family
  - A. Where was James Kimble Wilson
  - B. " " " " " married
  - C. Parents of Augusta M<sup>c</sup>Donald and her full name.
  - D. Where was " " " born
  - E. James Kimble II has a son James K II
    - I. What does the K. in the sons name stand for
    - II. Where was the son born
    - III. When and where was the son married
    - IV. What is the full name of his wife Ruth Klund, what is her birthplace and who are her parents
    - V. Where were the two sons of James K and Ruth (Klund) II born
- ⑨ Where was Egbert Mendenham born & married - what is full name of Zenia Palmerlee and who are her parents.

I realize the above add up to quite a few questions but I am guessing that you might have at least a portion of this information readily available.

I am especially anxious to have details about William U IV (UID-160) (Head of your clan) and any of her children for publication in Upchurch's Bulletin. Do you have any details that could be shared beyond what you have already sent?

If you have addresses of any individuals who might be interested in Upchurch's Bulletin, they would be most welcome. Don't worry about duplication of what others have sent me. All addresses have been recorded and alphabetized so duplicates can be easily recognized.

Your board comments on UB are most welcome.

Dear Fred,

Thank you for your letter of April 26, 1980 and for all the information you provided. I have cross-referenced it all now. Anything you can send on James Humble U will be appreciated. Our relationship is as follows:

Hence your grandfather and I are 6th cousins, you and I are 6th cousins twice removed. Let me know if this is wrong

I appreciate greatly the time you have taken to provide information about the Upshur family. Such cooperation will go far towards getting our family tree organized.

The next issue of Upshur's Bulletin should go in the mail in early June.

I am still anxious to have more addresses of people who might be interested in subscribing to Upshur's Bulletin. Do you have or can you get any additional addresses? Any you can send will be appreciated.

Thanks for the encouragement

Dear Phil:

Sorry I am so late sending you this information but my brother James Kinkle has not sent the inf. you wanted on his family. He lives in Jackson, Ms. I will inf on his family when he sends it to me.

How do you figure that my father and you are 5<sup>th</sup> Cousins? I figure you are 10<sup>th</sup> and we are 11<sup>th</sup>.

The chart I sent you was for you if it is of any value to you. You can keep it.

I do not have any more inf. on William U. IV (X1D-160) or his children other than Shel U. (X1D-589) my subclan. I would like very much to have more information if it is ever available.

I have been trying to promote your bulletin. My son was supposed to have subscribed to it. I enjoyed it very much and am looking forward to the next issue. Just keep up the good work. I am very much interested in my family history. What I have I obtained since I have retired from Sears after 35 years service.

Hope the information will be of help to you

Dear Fred,

Help! I am in the final stages of preparing Issue 3 of Volume 2 of Upchurch Bulletin and have decided to use the 1904 Worlds Fair photo you gave me as the feature photo. I will use the copy you gave me if I have to but the original would reproduce much better. If you could loan the original to me I will use and return it promptly. It should not be damaged in the reproduction process. I hope to go to press with Vol 2# 3 sometime in the next 7-14 days. Of course I will understand if you prefer not to loan your original

Sincerely yours  
Phil Upchurch
