Hello,

Just wanted to let you know that mother (Wilma) passed away Monday morning. Funeral is Friday. She had a very peaceful death. She just wore out. She was 93. Would have been 94 in December. She and dad were the same age. Dad is 2 weeks older than her. They just celebrated their 71 wedding anniversary August 15. Dad is holding up pretty well. It is sure going to be lonesome for him, but I am just across the road from him.

Hope you all are doing well. Diana (Upchurch) House

Hi Diane - DIANE

Dick Upchurch has been very thoughtful in sending me a copy of your email of September 4 to me. I write to say how sorry I am to learn of your mother's passing. I only knew her through correspondence with your father. Please give him my best. He and I have long enjoyed interacting on our keen mutual interest in Upchurch family history. I know you and he will miss Wilma greatly. It is nice that you live so close. My thoughts and prayers are with you as you reflect on the great life your mother has had.

Respectfully, Phil Upchurch

Ma 90!

NO 90!

Dear Diana, Mon1Dec'03. #Thanks for your new e-m address. #We just returned from a 10-day vacation through OR and NV to Reno. Had a very interesting time, including a visit with my first cousin Neva, who is the daughter of Clyde, my dad Harry Ray's sister. She's also in high 80's, lives alone in Ashland OR, and is doing great. #May we take this opportunity to wish E. Eugene a very happy birthday this date (86th) I think. And also to wish gracious Wilma her 86th too on the coming 15th. I also see that they picked up another wedding anniversary last August - congratulations for that too. #Hope you all had a nice Thanksgiving, and may you all have a blessed Christmas. #Yours sincerely, Dick and Nancy.

Dick, Good to hear from you. Yes, Dad had a birthday today. I was over there all day. My brothers are coming in this weekend so we will celebrate mom and dad's birthday together. They are 90. Yes, dad's birthday is today and mom's is the 15th. Both are 90. Dad is still doing pretty well. His knees bother him. Hard to get around sometimes. Although he went to the ball game Friday night. Our son Randy coaches at Johnston City High School. Mother was not able to go. She is getting very feeble. She uses a walker all the time. Usually someone has to follow behind her so she doesn't fall. She doesn't get much exercise because she has fallen so much so her legs are getting weaker. They came over Thanksgiving and Saturday to eat at our house. She is up several times a night. It was so much for dad so we talked them into having a lady come in the evening 7:00 to 7:00. That gives dad a good nights rest and he is able to take care of her during the day. Of course I am over there a lot. Bathe her twice a week and take her and get her hair done. For their age, they do very well. Dad does the cooking, laundry etc. He just passed his drivers test. He was really proud of that. Take care and we'll keep in touch. Thanks for remembering them. Diana

Sorry it took me so long to get back to you about the bulletin. Yes, I would be interested in receiving the Upchurch e-newsletter. I would also like to receive more information on purchasing the Upchurch Bulletin. I know dad (Eugene Upchurch) received some of them and enjoyed reading them. Hopefully, I will have more time to sit down now and read.

Thanks again for your donation in dad's memory and your making me aware of the newsletter.

28 NOV

2012 Hi Diana---

Thanks for your response. I am delighted that you will have an ongoing interest in your Upchurch Heritage. With a little effort on your part and mine we should gradually be able to figure out what interests you most and how I can be of help. I have put you on the list to get future Upchurch E-Newsletters and hope to issue one as soon as we can rehab my website a little more. In the meantime I am sending you the latest UB when it goes in the mail hopefully tomorrow or Friday, latest. From it you will see how to sign up for 2013.

What I usually do with a new cooperator is offer to go through all 100 issues of the UB and for \$40 pick out 8 issues that I think might be of most interest to them. This gets one off to a good start. However, in your case I note that you were sent Volumes 3, 5, 6 and 7. Also, your father got most if not all of the issues. So, you might already have what you need. If necessary I can go through and pick out the 8 I would ordinarily suggest and you can see if you already have them. Give me your thoughts on this. I know a great deal about your John U., III/Samuel U. Subclan but there is always more to learn and share.

I am right in the midst of a major upgrade of my website <www.upchurchstory.com> which was reborn on November 5 after being dark for quite a few months. This is a heads up for you to go and take a look at where we now stand. A new feature is three videos with several dozen more to come.

In my January 23, 1982 letter to you I provided a sketch of your line. Probably it has been lost in the shuffle by now. I can send a copy if you so desire.

Do let me have your thoughts and questions.

Thank you so much for the information. I have been so busy with business that goes with my father (Eugene Upchurch's) passing. I hope to be able in the near future to sit down and read all the information. I know dad has several of the Upchurch Bulletins and am looking forward to relaxing and reading them. I truly appreciate all your hard work and dedication in organizing the materials. It will mean a lot to me the older I get and when I have time to read it. I have forwarded your e-mail to my brothers and my children and hope they will send you their e-mail address so they can keep updated.

Thanks again and may God bless you with a long life and the ability to continue doing what you love to do.

Thank you for taking time to let me know the Upchurch E-Newsletter reached you. When you get time you will be amazed at what searching the 4,000+ pages of the UB on line will reveal. Thank you for referring the matter to your family. I will be pleased to interact with them according to their interests. Our Upchurch family is now quite large and quite wide spread. My effort has been to have some kind of network this keeps us linked even if ever so loosely. You can understand how pleased I was to have your father as a contact to help with his part of the family. It was always so evident that he was proud of his Upchurch heritage.

You are very kind in your remarks and I hope to have several more years in which I can vigorously pursue family history. It ever unfolds. Just earlier this morning our first great-grandchild was born. It is a beautiful day in Chesterfield. With All Best Wishes! Phil Upchurch

14 DEL 2007

Hi Diana---

In about a week I must create UPCHURCH BULLETIN Volume 28 No. 2. If you have any snippet of family information such as births, marriages, deaths, comments, questions or whatever that I might consider including please send me an email or a letter. A number of individuals are being sent this request to see if the electronic world can be used to augment our joint efforts to tell the story of the descendants of Michael Upchurch in America. I hope to place any inputs in the "From The Clans" Section in the Bulletin. It may be necessary to augment, and/or edit inputs for clarity or due to space constraints.

It would be a pleasure to hear from you whether you have anything to include or not.

All Best Wishes!

Hi Diane---

We have progressed in enrolling the John Upchurch, III Family under the banner of Allied Families to the point of having a draft narrative which is attached. You are one of several descendants of John U., III to whom I am sending this for review. Please let me have your comments and suggestions for changes.

This is just a beginning and we need to add much more but this will be possible only if some of the descendants provide support--financial or otherwise. If you have any time/talents you would like to contribute to the cause let me know and we can get into the specifics.

Note that the mechanics have been set up in Allied Families to have Family Trees on line. Look at the four examples already enrolled for examples---www.alliedfamilies.com. A Family Tree and a volunteer Tree Master (Coordinator) are in prospect for the John U., III Family.

We are still trying to resolve the issues of hosting and searching what will be a huge Resource File. When this is in place we can add key documents, images, etc for this John U.,III Family.

All of this work is to be preserved long-term according to our action plan. The grand goal is to have a \$10,000 endowment fund to equally support Allied Families and the John U.,III Family enrollment. Let me know if you need more details on this.

We have now collected \$250 towards the \$500 needed to put the narrative presented here on our website. Beyond that we will post a Family Tree when we have collected a total of \$1,000.

Beyond that contributions go towards building the John U.,III Endowment. Contributions of \$50 towards the John U.,III Family Project means one will be listed as a Co-Sponsor of the enrollment of the family. All contributions are tax deductible.

I hope you will become a 2015 member of Allied Families. A membership form is attached. Huge amounts of time and money contributed by many people have resulted in a great collection for the John U.,III Family. It is imperative that we act now, collectively, to continue this work and to preserve and share it with others. Allied Families is the vehicle to do this. I hope we can count on your support.

Dear Diane:

On April 13, 2015, I sent an email to you and several other members of the John Upchurch III Family about the prospects of enrolling the family to which you belong. I have not heard from you about this proposed project. Personally, I think this is a great project. However, unless the members of this family step forward with time/ money/ advice/ expertise, the venture cannot prosper. A membership form is attached.

If you are willing to undertake a small project, I will be happy to send you a few pages of a Biofile of one of the children or grandchildren of John Upchurch III to be transcribed. I would then put this online. Let me know if this interests you.

We are at a crucial stage for the John Upchurch III Family. Please let us know if you are in a position to lend a hand. In any event, I send my best wishes.

Phil,

I appreciate everything you have sent me and have enjoyed reading it. I have also emailed some of it to family members. I am unable to spend any time on it right now. I am kept busy with grandchildren and great grandchildren. I hardly have time for myself at this time. School is out now and some of them are here nearly every day. Sorry I am unable to help at this time.

Thanks for all you have done and are doing.

Hi Diane---

Thanks so much for your reply. Don't worry a bit about your being too busy to help with the John U., III enrollment right now. I am a strong believer in family and the work you are doing with your grandchildren and great-grandchildren is of greatest importance. Each generation must give priority to helping the members of their family grow up in a responsible way. The work you are doing will be remembered for many years to come.

Having said the above, we both know that the work we are doing in Allied Families on John U. III and other enrolled families cannot succeed unless some others step up to the plate in one way or another. I'll keep plugging along and will count on those who are in a position to help to do so. At some point in the future if your situation changes so you can help that will be great. If not, it is a comfort to know that you find our work interesting.

We now have one great-grandchild and she is expecting a brother in August. They live in Las Vegas, NV and my wife and I hope to pay them a visit in a few weeks.

With All Best Wishes~

Dear Diana,

The 2014 issue of the Upchurch Bulletin was mailed in December 2013 and I am a little tardy in writing to you about it. You can view it on my website at www.upchurchstory.com. We had a very productive three-week trip to NC and I am just getting on top of the information collected.

Given that you and your late father Eugene have followed & cooperated for so many years in our Upchurch effort I want to tell you more about the new organization we have formed "Upchurch and Allied Families Association, Inc."

A flyer is enclosed.

UAFA has a powerful potential for helping

up and sharing family information. Even within the Upchurch Family it has a great advantage. For example we have hopes of enrolling each of the Upchurch Clans as separate families which will allow us to give more visibility to each one. In your case we would hope to enroll the family of John Upchurch, III from which you and Eugene descended. I hope you can help us get the ball rolling on John U, III. The entry fee for enrolling a family is 500 but we can do that separately. Anyone who contributes at least \$50 would be listed as a co-sponsor of the family. Contributions can be made as memorial gifts and are tax-deductible your father comes to mind.

When contributions reach \$200 we would create a 1,000 word narrative on the family and post it on the UAFB website <www.silcedfamilies.com>, we have a lot of other resources to tap for information to

-3-

enhance the record for each family.

It would be great to have you as a 2014 member of UAFV which membership fee is \$20 and to have your help in getting money on the John U. III Family

Perhaps you know of others who could join with us in this effort. As soon as we have a few that are interested I'll start a periodic email newsletter to keep everyone informed on the progress being made.

I trust all is well with you and that 2014 will be good to you.

yesterday I received the sad news that your dear father Eugene Upchurch had passed away from our mutual cousin Rich Upchurch of Maple Valley, WA. Rich also sent me a copy of your letter to him and several items about the passing of Eugene. All of these are much appreciated and have been made a part of the Biofile on your father. They will all go into the Upchurch Collection at N.C. State University to be preserved forever.

I write to extend my condolences to you and to the rest of the family and friends. You are so fortunate to have had him with you for his long and well-lived life. Although I never met Eugene or Wilma I feel like I know them. He was deeply interested in his Upchurch heritage and subscribed to the Upchurch Bulletin and supported it financially. He supplied a great

2-

deal of information for my records on the (12)
part of the family. We stayed in touch through
correspondence and Dick Upchurch sent me pictures
of Eugene & Melina and other inputs. Altogether
I came to know what an honorable and
dedicated family man your father was. You
can all be proud of all that he accomplished
and of all that he contributed to society.
I know you will all miss your parents greatly
but you have wonderful memories to recall.

I deeply regret that Eugene and I never
met. on a number of occasions we talked
about getting together but somehow it never
happened.

Dick has made a \$50 contribution to N.C.

State University to support the Upchurch Collection
in memory of Earl Eugene Upchurch and I will
match this amount. Note of this will also
be made in the Upchurch Bulletin issue which
is now in preparation.

I will be bold enough to ask if anyone
in the family has an interest in keeping up
with or in any way being informed about

Upchurch history. I have been shifting my Upchurch history work over to electronic systems (even as an old geezer!). Periodically I issue an Upchurch E-Newsletter and I will be happy to have email addresses of anyone who would like to get the free input. I continue to publish the Upchurch Bulletin for any who are interested and am in my 33rd year of doing so.

Your part of the Upchurch Family falls under the John Upchurch III/Samuel Upchurch Subclan. I have a huge amount of detail on the Subclan and have published quite a bit.

I close wishing you and yours all best wishes in all your future endeavors knowing that in the process you will treasure the memory of your parents and the solid contribution they made by nurturing family - the bedrock element of the American Society.

P.S. - Knowing you are a twin I will report that I had twin sisters, now deceased, who were very special

Dear Cousin Diana

Our recent correspondence re: Rose Marie (Conkey)

I understand that you have sometimes sent

has been held each August in Benton, IL. Is
this Reunion still being held? Do you send out

about it and try to publicize reunion in
the JAN issue of the U B. So far I have identified

notices about who attended past events. I
would love to have copies if they are available.

Your father and I have often corresponded.

He has kept me up to date on the family of
George Bluford U to the best of his ability. There
are some missing items. However, I believe my
records on Earl Eugene U and family are perfect.
I show he has four children (one deceased) and
12 grandchildren and one great-grandchild of the

There is one who is deceased and only one who ⁽¹⁷⁾ is married. Can you confirm these facts?

I am anxious to have more correspondents and more subscribers to the U B among the descendants of George Valentine U. Do you have any suggestions as to individuals who might be good candidates?

I have enjoyed working on the John U, III Clan to which you belong. Much as we miss John and Stephen just appeared in the U B. We now have three subscribers in the John U, III Clan including the John U, III / Samuel U Subclan to which you belong. We continue to add lists of descendants to the lists each year.

It would be great to have you as a subscriber to the U B again. Details are enclosed in case you or someone else is interested.

If it would be useful I could send you a copy of my George Valentine U Master Outline so you could see where we are short of information.

I know you must be busy - but thought to send you this note to learn of your current level of interest in our Upchurch heritage

Dear Mrs Smith

As you will see from the enclosed materials I am keenly interested in documenting the entire extended Upchurch family. your father has been working with me and he gave me your name and address. I have traced your ancestors back to Joseph Upchurch b 1775 (Virginia). we hope to connect him back to Michael Upchurch, the original immigrant Upchurch who came over from England in 1649. In the meantime I am trying to perfect a Master outline for all descendants of Joseph Upchurch.

Enclosed is a sheet showing the missing details in the family of John Reel Upchurch. I would be most grateful for any answer you have or can get. If you have questions of me I will be pleased to try to answer them.

Sincerely yours
Phil Upchurch

To: "Dianna Upchurch-Halstead" <halstd65@yahoo.com>XX Hi Dianna----

I am delighted to hear from you and hope we can work together to improve the Family Master Outline for our mutual benefit. I had your GF Clarence in my system but nothing more recent. You are of the Jonas Alexander U Line in the Richard U III/Buckner U Subclan while I am of the Bartley Jefferson U Line in the Nathan U I/Gilbert U Subclan. Gilbert and Buckner grew up together in Franklin County, NC and were first cousins. Buckner was the older of the two. I have tons of details on these people. Buckner left NC and eventually settled in Brown County, IL. Are you familiar with your Upchurch heritage in Brown Count?. Several years ago I visited there and gave an Upchurch Lecture an collected much information. There is much more there to collect.

I have your ancestor Ira Ellsworth U in his fathers home in Brown County at age 16 in 1880 but I have trouble tracking he and his-wives and children on later census records. Can you tell me where you think the family might have been in 1900, 1910, 1920, and 1930 ?

Can you give me a list of the siblings of Clarence Donald U if any. I show none.

Can you give me a list of the siblings of your father, if any. I show none.

Maybe this will get us started. Let me know of your special interests.

Wedding

Blankinship-Upchurch

Sandra Kay Blankinship and Steven Lyle Upchurch, both of Cedar Creek, were united in marriage in a double-ring ceremony Oct. 11 in The Abbey in Austin by Dr. Ledbetter.

The bride is the daughter of Minnie Belle Blankinship of Corsicana. The groom is the son of Alice Craighead of Fort Worth and Richard Upchurch of Midwest, Wyo.

Matron of honor was Nan Kana, sister of the bride of San Antonio. Best man was Marc Upchurch, brother of the groom, of Fort Worth. Ushers were Jack Bell of Austin and Joe Kana, brother-in-law of the bride, of San Antonio.

The Abbey, a colonial house converted to a wedding chapel with reception rooms, was decorated with ivy and pink roses. A fern-covered mantle was adorned with large candelabra on each side and floral arrangements of pink gladiolas and carnations were placed in front of the altar.

The bride, given in marriage by Wayne McCluney, wore an ivory

lace gown with lace and satin sash and collar and trumpet flare tea-length skirt. She carried a bouquet of pink sweetheart roses and lilies entwined with baby's breath and ivory satin ribbons.

The matron of honor wore a pink silk tea-length dress similar to the bride accented with hot pink sash. She carried a bouquet of lilies and dark pink mini-carnations.

A reception was held following the wedding and the room was decorated with pink roses on the table. Also on the table was a three-tier wedding cake with strawberry and whipped cream icing.

Guests were present from Fort Worth, Cedar Creek, Corsicana, Austin, San Antonio and Midwest, Wyo.

The bride is employed with EM-SI Insurance Company and the groom is employed by CYS Systems Computers in Austin where they live. Their wedding trip was to a resort ranch in Bandera.

Her GF was James Brandon U. She says he was one of 13 children and she names several of them including "JINX" U and "DIDI" U. I assume there are probably much names. We are still short of 2 of the 13 even if those two are new and not represented already in my list of personal names for this family.

Stacie mistakenly reports that James Brandon U was the sp George Brandon U when actually he was the sp George Richard U. A sketch:

Dear Mrs Jaern,

As you will see from the enclosed materials I am keenly interested in the entire extended Yulrich Family. Recently I have been working on the Family of Virgil A. Yulrich, your Grandfather. Your 1st cousin Johnnie Pearl (U) Hounell provided considerable detail and suggested I write to you.

Enclosed is a copy of the Master outline for the Virgil A. Upchurch Family. We have made great progress. Also provided is a list of what is missing from your part of the family. I will be grateful for any answers you have or can get.

Please let me know if you have questions about your Upchurch heritage.

☺ Sincerely Yours

said "Up with People". The 327-7351 is the Up-with-People

Office in Tucson. The presumption now is that Dinah U
is in Cast or on staff of UWP. The lady suggested
I call back during regular work week (327-7351)
and learn which cast Dinah is in. Then
call Up-with-People Operations and they can give
me a location for Dinah (if she is in the
CAST.).

CORRECTIONS

- Durham Co, NC formed in 1881 from Wake Co, NC & Durham Co, NC.
- Entries for the two females not found in Wake census for 1880
- Entries for the two females not found in Orange census for 1880.

HOWEVER - It is quite possible that these two girls are ^{NEICES*} grandchildren of [△] Sidney U who headed a line in the Moses U/Gilman U Sublan. [△] Sidney was active in Orange Co, NC being on the 1860 census there with wife [△] Delilah G. Williams "DELIA". He appeared to have d before 1870 census as he was absent but [△] Delilah was still there. Sidney had 2 ^{BROTHERS*} ~~sons~~ whom are prospective fathers of the girls:

XID-3066 [△] JOSEPH U b ABT 1827

Age 43 in 1870 & Age 50 in 1877

XID-3065 [△] CHARLES b ABT 1836 (most likely) Age 34 in 1870 & Age 37 in 1877
