Parker Allen Cemetery Wake County, North Carolina

Lat: 36° 01' 29"N, Lon: 78° 33' 29"W

Contributed by Barbara Allen, Apr 08, 2004 [dallenResearch@aol.com]. Total records = 7.

From Raleigh, drive north on US1 (Capitol Blvd) to Wake Forest. After crossing NC 98, drive about 1 mile to the stop light at Purnell Road. Turn left on Purnell and drive 1.5 miles to Bud Smith Road. Turn right on Bud Smith and drive about 1 mile to Woodland Church Road. Turn left onto Woodland Church Road, the cemetery is about .1 mile on the left side of the road before reaching Camp Kanata Road.

This cemetery is on Woodland Church Road in northern Wake County almost on the Granville County line.

This cemetery is on the edge of the road in a field, and no longer in use but cared for. Looking on down Woodland Church road, from the cemetery, you can see the Granville County sign on the far side of the intersection with Camp Kanata Road, and across from the intersection is Woodland Baptist Church. The path next to the cemetery leads to the old Allen farm house which is no longer lived in.

In addition to the graves listed below, there is one grave marked with a stone.

I surveyed this cemetery in Apr 04, 2004.

Friendship Chapel Cemetery

From US #1 north (Capital Blvd.), take the Wake Forest exit, Alt. #1, (Main St. South), 1 mile to a traffic light at Rogers Rd. Turn right onto Rogers Rd. (SR 2052) (only runs one way). Go about 1 mile on Rogers Rd. to a left turn onto Franklin St. and go a little less than 1 mile to the dead end marked by red flags. Park by the side of the road and proceed into the wooded area ahead. (* Wake County Real Estate Data says the cemetery address is 0 Forestville Rd., but that is misleading. The only approach is from Franklin St.)

The cemetery appears to lie directly in the path of the planned extension of Franklin St. This part of Wake County is being heavily developed and the uniting of the 2 parts of Franklin St. is inevitable.

The burial ground lies within a rusting barbed wire fence enclosing 1.64 acres. It is very neglected and overgrown with at least 10 deeply sunken graves, so care must be taken when viewing the cemetery. A mat of leaves cover the ground which is irregular. A number of headstones are in good condition. Part of the graves are in an orderly row but others are scattered randomly. It appears to be an abandoned cemetery.

I walked this cemetery on Apr 03, 2006, with Kari DiMotta and Suzanne Yu.
