We corresponded first in the late seventies. I am descended from Moses, through Whitney. My great grandfather was James Curtis Upchurch whose father was Bennett Upchurch/Sarah Lawrence. At the time we wrote I was Bonnie Watkins. Since then I went back to my first husbands name, Bonnie Wakeman. Lots to update with you. It's best to text me on my cell, 850-566-5416, to get a quick response and exchange pictures. My grandmother was Jessie Wake Upchurch Patterson. My mom was Agnes Patterson Billings. It's nice to see you on your YouTube presentations. You favor so much my great uncle, Henry Benton Upchurch. Please reach me. I look forward to rekindling our history.

We corresponded in the late seventies. I was Bonnie Watkins then living in Jacksonville,(Mandarin), FL. It's been a long time since we've written. A lot of new info to give you. Some is a major correction! I descend from Moses/Whitney, through Bennett Upchurch and Sarah Lawrence. My great grandfather was James Curtis Upchurch/Repsie Rochester Cotten. Then Jessie Upchurch/Marion Linwood Patterson, Agnes Patterson/Edward Pegram, to me. Have since found out that my father was not Edward Pegram. I am the product of Agnes and her second husband, Warren Lee Lewis. I didn't find this out until 2014 when my half sister located me. It's a long story, both sad and happy. Seems my mom still loved her second hubby after she married her third. Anyway, I'll be happy to hear from you. Bonnie Wakeman.

Hi Bonnie----

Delighted to note you visited our website www.upchurchstory.com password 2013upchurch#. I recall with pleasure our exchanges many years ago and look forward to catching up. Let me give you a brief sketch.

In 2016 I stopped publishing the Upchurch Bulletin after 37 years just because I needed a stopping place but also because we had a new digital approach. All of the UB issues are posted on our website along with 35 videos. I hope you watched the one about your ancestor Moses Upchurch and the ones about his ancestors. The videos were one step towards creating our Association Upchurch and Allied Families Association, Inc.

I had stayed out of computers until 2005 but got one and was hooked. Along the way we established the Upchurch Collection at N.C. State University in Special Collections and our endowment to support this now stands at over \$56,000. They have agreed to accept all of my business, professional and family history records and especially materials to support my memoir "From City Shadows" now 90 % complete.

In 2013 six of us decided we needed a digital platform to carry our research on Upchurch and allied families far into the future and so created Allied Families with a \$200,000 endowment. The platform is unique and still undergoing improvement. Of special interest is our approach to "enroll" families of which your Moses Upchurch Family is one. See his section www.alliedfamilies.com password 2014allied#. I hope you will join with us and a membership form is attached.

We have quite a few remote computer operatives helping to populate trees on Ancestry.com and transcribing Biofiles. If you are up to either of these we would welcome the help. Aside from this we will need to find the right pathway to capturing for our Association records new information you have for us.

On the personal side my wife and I, now nearing 90 and 92, are doing extremely well in spite of fact that I was diagnosed with pancreatic cancer on July 1, 2016. I am an exception to the rule and am still functional. I tolerate the chemo treatments well except for peripheral neuropathy which I accommodate.

Trusting you are well and looking forward to hearing from you.

Warmly~

Phil Upchurch, Manager Allied Families.

Hi Bonnie---

I am just now filing year-end exchanges and note our emails of December 4 and 5, 2017. I was excited to hear from you recalling our interactions going back many years. Your inputs have been valuable and now I note you have learned more. I hope you have been able to study our two websites closely and that you are pleased that we are committed to preserving and sharing our hard-won Upchurch heritage. We are making great progress in converting my Master Outline for the Moses Upchurch Family to an RPU Legacy Tree on Ancestry.com. It will become archival and not changed but will be accessible and available to populate an Active Tree for Moses Upchurch on Ancestry.com. In fact we have a volunteer already working on the Active Tree. We need your inputs and if you have any electronic records we would very much like to have a copy for our archives to be used later to help with the Active Moses Tree. Beyond that it would be very helpful you could be available to review the Active Tree as it progresses.

If you have any spare time we could use you as a remote computer operator to do some small projects. In any case we would like to have you on our team to the extent that you have interest/time.

Attached is a Recap for 2017 so you can see the progress we have made.

Sending All Best Wishes~

Phil Upchurch, Manager, Allied Families.

In May we were in NC for 3 weeks and did a lot of family history work. I made two trips to the Holly Springs - Fuquay-Varina Area to get a better feel for this part of Wake Co. I located the spot where the monument for Bennett A. Upchurch was originally and also saw it in the Holly Springs Cemetery where it has been located (due to Highway construction).

I have continued to collect and organize lots of Upchurch information - including details on the Moses W/Whitney W Subd on to which you belong. I will be happy to supply anything that could be of interest to you. All the Wake Co, NC families you pursue are of ongoing interest to me.

Do you have any organized material on the LAWRENCE FAMILY you could send me. It would be great to hear from you.

Sincerely yours

Phil Upchurch

Dear Cousin Bonnie,

I was delighted to get your letter of 27 DEC 1999 and to know that we can jointly take up our pursuit of our mutual interest in Upchurch heritage which we left off several years ago. It is nice that cousin Charles Peterson is helping interface on the internet on my behalf. I'll get there myself one day.

Enclosed are copies of our "freedom" document, the 24 NOV 99 open letter and our JAN 2000 Status Report and details on the Upchurch publications. This should somewhat bring you up to date on us. Let me know if you have questions.

We are currently adjusting several aspects of our life which I hope will allow more time for family history research - but with a focus of my own choosing. Actually, I hope to emphasize the Richard U, II Family of NC. Among his 11 children were your ancestor Moses U and my ancestor Nathan U, I.

I remember you very well and have copies of all our correspondence including the pictures you sent. After some lumps in the road you seem to have a productive and active life going forward. your "Profile" operation sounds exciting. I know the upcoming marriage of Glenn must hold a very special interest for you. Each of our three children have a "clutch" of young ones - 8 in all ranging from 2 - 16 years. They divide by families into 3 natural groups - the "nice ones", the "hellions" and the "renegades". We love them all.

Thank you for your 14 page printout. I appreciate this and have spent several hours comparing your records and mine. Enclosed are copies of pages 2, 3, 6, 7, 9, 13 on which I made certain notes. Let me know if there are questions. There is inadequate evidence that the maiden name of the wife of Michael U, I was Delhe - and some evidence that it was not Delhe. All we know is that it was Francis. There is no evidence he was Francis 3 times as indicated in your item 7. Michael U, I was born in the 1620's possibly in 1624. There is no evidence he was born in Bedham, Essex, England. The first 6 generations of your chart are almost certainly wrong. The early Yorkinches

researcher made some wild guesses. It is unfortunate this is now being widely spread via the Internet. It's like a virus.

I have a hunch about 1/3 finished and the best I can do with my crystal ball is that I may get back to it in 2001.

We have reviewed and published huge amounts of Upchurch information in the Upchurch Bulletin and in England's. There is no end to us!

Enclosed is a copy of my master outline for the family of Jessie Wauh U along with a list of what is missing. Would you look this over and let me have any corrections or additions you may have. The missing details are not all that critical - I just like to proceed stepwise. With this out of the way we can move to a consideration of the rest of the James Curtis U Family and compare your records & mine & consider what is missing.

I look forward to our ongoing collaboration.

Sincerely yours
 Phil Upchurch

 and for your renewal for UB 81 and for
 the information provided. Vol 2 #1 was sent

I am sorry to learn of the narrow

I was in NC in FEB and ran across
 Pete Upchurch near Fuquay-springs - the

Dear Dr. Upchurch,

Sorry its taken so long to write.
I do want to subscribe again.

Wanted to tell you my father Edward Hodge Pegram[△] died Jan. 18, 1981 and was buried on the 21st. He died in Asheville, N.C. where he was in the Va. Hospital there. He was buried in Stale Creek Presbyterian Cemetery next to the church. He grew up going to this church as it is very old and has some old stones back into the early 1700's. Its very interesting to walk around. Kladdy had taken me there before to show me the graves of my grandparents - Alexander Hodge Pegram[△] & Lou Grace Bain[△] Pegram also my great grandparents are there - Theodore Pegram[△] & Gerika Cooper[△] Pegram. He is buried in the same plot with his parents. A lot of my cousins are buried there also -

He died of a heart attack. Im so glad that I found him when I did or I would never have known him at all. I met him Oct. 18, 1979 & he died Jan 18, 1981 - 14 months to the day. Isn't that strange? He was born Dec. 3, 1918 in Missouri. I think you already have this information. I took some pictures of my parents together in May. I will get smaller ones and send one to you soon - My search was worth it!

Dear Cousin Bonnie,

It has been several years since we corresponded about our mutual interest in family history. I did so much enjoy the reports of your trip to Wake Co, NC and the pictures you sent back around 1981.

We have made great progress on the family of Bennett A. Upchurch - your GGGF - in the last two years. Recently your mother, 1st cousin, Mr. J. Peyton of Thomasville, GA, suggested I write to your mother and I have done so today. I understand she (Jesse) is not well. I am sure you stay in touch with her.

I would love to hear from you and to know how things are in your family. Your son would be almost 21 now. How is he? Do write.

Sincerely yours

Dear Phillip...

Hello Stranger! It's been almost 20 years since our last letter. Since that time much has changed in my life and my Upchurch lineage. I have enclosed my new file, so you can see the updated information. I got your name from another internet researcher named, Charles Peterson, which mentioned that you published the "Upchurch Bulletin" and I put two and two together and realized that you are the same person that I corresponded with long ago. It has been awhile, hasn't it? Where does the time go? I see you've moved from Arizona to Missouri. Do you like it better?

Sorry that you are not on the internet, as yet. It is a wonderful tool! The amount of information you can get from other researchers is overwhelming at times. For awhile I shelved the genealogy. Just too much going on in my life. But now through the internet, I have started to expand my files, meeting new cousins, and compiling a broad spectrum of surname ancestors on both maternal and paternal lines. Of course, you still have to obtain some records by researching libraries and microfilm, but the internet and the use of CD records has cut that down quite a bit.

Since 20 years ago, I divorced Benjamin Watkins, remarried to a Thomas Kreuzburg, divorced again and changed my name back to the maiden name of Patterson. I give up on the love department, just not lucky this way. I started back to college in 1991 (should have graduated in 1971) and through part-time efforts, should complete my studies in the fall of 2000. I am semi-retired now due to illness, but I have taken classes to be a forensic reconstruction artist, (have done two skulls) so I can become self-employed. I take care of my mother now who has a bad heart, so my time is well occupied. My son, Glenn (Wakeman) Watkins, is now 30 and will marry May 20th to, Angie Cato (if all goes well). I moved from Jacksonville, back to Tallahassee, Florida, and here I will stay. Maybe you will remember me now.

Would love to hear from you and catch up on what's been happening in your life. Did you write an Upchurch book? I would love to buy a copy.

Sincerely
Bonnie

Seasons greetings to all Upchurch cousins and relatives.

I have been looking at the queries and comments posted on the GenForum Upchurch Family Genealogy Forum and cross-checking with the correspondence files of Robert Phillip Upchurch. Cousin Phil has been researching the Upchurch family for over 20 years, during which time he has published the Upchurch Bulletin which lists nearly 50,000 descendants of Michael Upchurch, our immigrant ancestor who came to Virginia about 1640. Efforts are underway to trace the Upchurch family in England. Unfortunately most of the published English family lineages appear to be incorrect, but with some effort perhaps we may determine the true family heritage.

Unfortunately cousin Phil is not on-line, but can be contacted by snail-mail at 6 Eagles Way Lane, Lake St. Louis, Missouri 63367-2240.

If you have not discovered Phil, do contact him and share with him your family information. His files likely have the information that will connect your Upchurch ancestors to the rest of the family. I have always found Phil to be very generous in exchanging information.

With best wishes for the holiday season and new year, Charles Peterson

Dear Phillip...

Hello Stranger! It's been almost 20 years since our last letter. Since that time much has changed in my life and my Upchurch lineage. I have enclosed my new file, so you can see the updated information. I got your name from another internet researcher named Charles Peterson, which mentioned that you published the "Upchurch Bulletin" and I put two and two together and realized that you are the same person that I corresponded with long ago. It has been a while, hasn't it? Where does the time go? I see you've moved from Arizona to Missouri. Do you like it better?

Sorry that you are not on the internet, as yet. It is a wonderful tool! The amount of information you can get from other researchers is overwhelming at times. For awhile I shelved the genealogy. Just too much going on in my life. But now through the internet, I have started to expand my files, meeting new cousins, and compiling a broad spectrum of surname ancestors on both maternal and paternal lines. Of course, you still have to obtain some records by researching libraries and microfilm, but the internet and the use of CD records has cut that down quite a bit.

Since 20 years ago, I divorced Benjamin Watkins, remarried to a Thomas Koenzberg, divorced again and changed my name back to the maiden name of Patterson. I give up on the love department, just not lucky this way. I started back to college in 1991 (should have graduated in 1971) and through part-time efforts, should complete my studies in the fall of 2000. I am semi-retired now due to illness, but I have taken classes to be a forensic reconstruction artist, (have done two skulls) so I can become self-employed. I take care of my mother now who has a bad heart, so my time is well occupied. My son, Glenn (Walker) Watkins, is now 30 and will marry May 20th to Angie Caro (if all goes well). I moved from Jacksonville, back to Tallahassee, Florida, and here I will stay. Maybe you will remember me now.

Would love to hear from you and catch up on what's been happening in your life. Did you write an Upchurch book? I would love to buy a copy.

Sincerely,
Bonnie

It has been awhile, hasn't it? Where does the time go? I see you've moved from Arizona to Missouri. Do you like it better?

Sorry that you are not on the internet, as yet. It is a wonderful tool! The amount of information you can get from other researchers is overwhelming at times. For awhile I shelved the genealogy. Just too much going on in my life. But now through the internet, I have started to expand my files, meeting new cousins, and compiling a broad spectrum of siblings ancestors on both maternal and paternal lines. Of course, you still have to obtain some records by researching libraries and microfilm, but the internet and the use of CD records has cut that down quite a bit.

Since 20 years ago, I divorced Benjamin Watkins, remarried to a Thomas Kreuzberg, divorced again and changed my name back to the maiden name of Patterson. I give up on the love department, just not lucky this way. I started back to college in 1994 (should have graduated in 1974) and through part-time efforts, should complete my studies in the fall of 2000. I am semi-retired now due to illness, but I have taken classes to be a forensic reconstruction artist, have done two skulls so I can become self-employed. I take care of my mother now who has a bad heart, so my time is well occupied. My son, Glenn (Watkins) Watkins, is now 30 and will marry May 20th to, Angie Curo (if all goes well). I moved from Jacksonville, back to Tallahassee, Florida, and here I will stay. Maybe you will remember me now.

Would love to hear from you and catch up on what's been happening in your life. Did you write an Epchurch book? I would love to buy a copy.

Sincerely,

Bonnie

Dear Phillip

Hello Stranger! It's been almost 20 years since our last letter. Since that time much has changed in my life and my Upchurch lineage. I have enclosed my new file, so you can see the updated information. I got your name from another internet researcher named, Charles Peterson, which mentioned that you published the "Upchurch Bulletin" and I put two and two together and realized that you are the same person that I corresponded with long ago. It has been awhile, hasn't it? Where does the time go? I see you've moved from Arizona to Missouri. Do you like it better?

Sorry that you are not on the internet, as yet. It is a wonderful tool! The amount of information you can get from other researchers is overwhelming at times. For awhile I shelved the genealogy. Just too much going on in my life. But now through the internet, I have started to expand my files, meeting new cousins, and compiling a broad spectrum of surname ancestors on both maternal and paternal lines. Of course, you still have to obtain some records by researching libraries and microfilm, but the internet and the use of CD records has cut that down quite a bit.

Since 20 years ago, I divorced Benjamin Watkins, remarried to a Thomas Kreuzburg, divorced again and changed my name back to the maiden name of Patterson. I take care of my mother now who has a bad heart, so my time is well occupied. My son, Glen (Wakoman) Watkins, is now 30 and will marry May 20th '00, Angie Caro (if all goes well). I moved from Jacksonville, back to Tallahassee, Florida, and here I will stay. Maybe you will remember me now.

Would love to hear from you and catch up on what's been happening in your life. Did you write an Upchurch book? I would love to buy a copy.
