

2-

Outlines. Last fall I attended the RAY reunion in Wake Co, NC. My RAY ancestor settled in Northern Wake Co, NC in the mid 1700's - along the Neuse River. Later some migrated to Raleigh & some to Durham.

All this brings me to report that I encountered your input of 11 APR 1991 on Aldyth Shaw, copy enclosed as I filed input for her dated 28 JAN 2005. I assume this is one & the same person. Can you give me more on the family of Aldyth from your standpoint. She and Willard Ray Rogers who is my 2nd cousin.

It would be great to be in contact with you again and to compare notes on how our lives & interests have unfolded.

All Best Wishes.

Sincerely yours

Phil Upchurch

REC'D 16 APR 1991

①

- April 11, 1991  
 - Dr. Robert Phillip Upchurch  
 - P. O. Box 38804  
 - Tucson, Arizona 85740

- Dear Cousin Phil,

- Please excuse the delay in my answering your correspondence of 30  
 △ March, 1991. My aunt Frances Carlton Davis died, so my brother,  
 △ Wm. H. Jr. and I, attended her funeral in Durham. Brother Bill had  
 - to return to Atlanta so I did not get to communicate with many  
 △ relatives. Aunt Frances had not filled in any of the data sheets  
 - I had sent her and of course, I did not pursue the information from  
 - her immediate family. She had been quite ill and in heavy pain.  
 - She took her own life.

Her daughters entrusted to me, a Carlton Bible, published 1861, containing the following names:

- △ Chas. W. Trice - Written at top of inside front cover.
- △ William Carlton - Was borned Oct. 23, 1823
- △ Mary Jane Carlton - Was borned Sept. 4th, 1822
- △ Delassy F. Carlton - Was borned Sept. 20th, 1843
- △ Sidney M. Carlton - Was borned Oct. 31st, 1845
- △ Mary T. Carlton - Was borned Fall 1848
- △ Dimetrius Carlton - Was borned Apr. 28, 1850
- △ Marquis Carlton - Was borned Apr. 28th, 1850 > twins
- △ Corrina Carlton - Was borned Mar. 7th, 1854
- △ Eugenia Carlton - Was borned Aug. 30th, 1857
- △ Della Carlton - Was borned Jan. 24th, 1859
- △ Sallie J. Carlton - Was borned Oct. 8th, 1863
- △ Katie M. Carlton - Was borned Dec. 10th, 1867
- △ Lillie C. Trice - Was borned July 24th, 1871

- At the beginning of the New Testament there is an open page which  
 △ + △ had three names written, C. W. Trice, Sallie J. Carlton was borned  
 △ Oct. 8th, 1863, and either A. C. Patton or C. Patton was borned  
 - August 31st, 1878.

□ + □ I wonder if Charles W. Trice was either Wm. D. Carlton's great  
 □ + □ grandfather or a cousin. Mary Jane Carlton is Wm. D. Carlton's  
 △ + △ + △ + △ older sister. Delassy, Sidney, Mary T., Dimetrius (twin to)  
 △ + △ + △ + △ + △ Marquis (aka Marcus), Corrina, Eugenia, Della, Sallie, and Katie,  
 △ I believe were all the children of William Daniel Carlton. It is  
 △ + △ known that Marquis Carlton is his son. Lillie C. Trice is kin to  
 △ + △ the Carltons because Wm. D. Carlton's grandfather, Len Carlton,  
 - married a Trice female (I do not have her first name).

- Please find enclosed, some of my efforts on computer. The program  
 - is Brothers Keeper version 4.5. Any blanks you can fill in will  
 - be greatly appreciated.

While in Durham, I was able to either contact or get addresses and phone numbers for all of my living relatives, so I will have the data you requested in the near future.

Please recommend to me which of your publications contain pertinent data on the direct ancestors of Florrie Upchurch. Brother Bill and I would like to eventually end up with your complete set.

Sincerely Yours,

Carlton Reed Shaw

Dear Carlton

I have taken an extra day off for the 4th giving me a four day week end and a chance to catch up on genealogy. I have just finished processing the packet furnished with your letter of 31 MAY 1993 and want to thank you for it. Sorry it took so long - but all the details are now locked firmly into place.

Provided herewith is a copy of the four-page master outline for your mother's family. It is in excellent shape thanks to your effort. However a few things are missing or shown on the two pages of questions enclosed. These items are not critical but anything you have or can get will be appreciated. It is nice to strive for perfection even if you don't quite get there.

Thanks also for the picture of your daughter and the details on your son-in-law's family. Katherine is a beautiful young lady and I know you are proud of the development. Cilla no doubt had a grand time planning the wedding with her. I have been through two of those "daughter gets married" things. My only role was to keep check book ready.

I really appreciate the arrangement for the Fendal Benier map and will be looking forward to it. Please let me know if there is some expense I can bear.

In your record I note Gordon Seward McGuire as being born in Portchester, N.C. I assume this is really Portchester, N.Y. If not please let me know. Also I note Cilla's records are on a "Floopy" disk - must be some new computer technology!!

Thanks a million for the Vidalia onions. Sallaine has made several excellent dishes. I ate one raw. Right now she is out to buy blackeyed peas and tomatoes so we can have a mixture of cooked peas with fresh onion and tomato chopped in. I remember this dish from the farm

in North Carolina and am anxious to try it. Of course it is unfair to expect your wife to prepare a dish that your mother prepared 50 years ago and served to you as a teen ager.

Carlton, I hope your plane to publish a book on John Baptist Shaw is moving along. I will want to buy a copy so reserve one for me. Over time you and I should have much more to share as so many of our ancestors lived in central NC and surely their lives must have craved many times whether in older days or more recently.

Alla, our son Barry has a new assignment in Merchants Bank in St Louis. He will be in charge of credit card sales in stores and have responsibility for a profit center. I don't understand this but you probably do. He is pleased.

Sincerely yours  
 Phil Murchy  
 Let me hear from you ☺  
 Enjoyed your visit

Dear Cuz Phil,

This letter is in reply to your 17 April letter. Please find enclosed a Family Group Sheet for each of my relatives that you requested additional information on. The only person I have no Group Sheet on is Palmer Chamberlain. All of the data I have on each person is contained on their F.Group Sheet.

Also please find enclosed a copy of all of the pages I have had run from the "My High Line" microfilmed book. Samuel High is listed as the fifth child of John High, Jr. and older brother of Alsbabrook High. See book page #11. Samuel High had more than one wife. Also find enclosed a Group Sheet on Peyton High.

Thanks so much for the info on Margaret Yates! I will go to our Genealogy Room at local library and trace her to John Yates the Revolutionary Patriot. If I hit a snag, I'll call for help.

[KATHERINE LOUISE SHAW] ← see Photo File 93-1

You will note on my daughter's Group Sheet that she just got married. Please find a photo of her enclosed. Her husband, Brian Houpt, graduated with honors from the University of Georgia Business School. He is an investment analyst with Sun Trust Securities in Atlanta. He plans to get his masters in business starting in the fall.

Brian's father, Jeff, is the Dean of the Medical School at Emory Univ. in Atlanta and his mother is Legal Council for Mercer Univ. in Macon. His younger brother is in medical school. A smart group of folks!

Kindest regards,

*Carlton*

Carlton R. Shaw

P. S. Thanks for returning my SAR book. Hope you retrieved some good data from it. CRS

Dear Carlin Carlton,

I am a real pleasure to have you

and like just with me on 3 APR 93. I

have spent much of my spare time since

processing the document you left for

me and I also express appreciation. The

SPR book was no doubt left by accident

but I took advantage of it and made

a number of extracts. It has been returned

to you and should have arrived by now.

I am glad you let me know.

I was greatly able to locate the

pages of the High House and a copy of

the seven page document associated with

the photo (Photo File 82-6) is provided

herewith for your use. Note that a wide

explanation is mentioned. I have not been

able to get him into the U family but

he has to be a descendant of Nathan U, I or of Moses U. I have not been able to link the individuals mentioned in the seven page packet to the High Family outline (by Joseph & Perry High) which you left.

This house is/was (?) about 2-3 miles due west out of Cary, NC. I believe the road is called High House Road.

Enclosed are two High Profile sheets. The one on William Henderson High, fit in back into your High outline nicely. The one on Samuel High I cannot fit into your High outline.

To keep up with the papers you left I numbered the pages 1-39 covering the various charts, outlines, etc. In the supplying of papers pages 12, 13 & 14 disappeared - either accidentally destroyed or misplaced. Pages 11 & 15 are enclosed so you can visualize what 12, 13 & 14 would be. Could you rerun this section for me. I am sorry to be such a bother but these documents are a valuable part of my overall data bank. I am particularly interested

because your several grandparents and my several grandparents all have their heritage in central NC & especially in Wake Co, NC. I am sure we will find more heritage between/among them over time.

You asked about your ancestor Margaret Yates. I enclose herewith a copy of my biopic for her. See entry 7.

Enclosed is a set of questions concerning all the missing details on the family of Flanie Louena (U) Carlson. I know you have tried to get some of these items before. They are not critical but perhaps you will have or be able to get some of these missing items.

Let me encourage you to proceed with your book on John Baptist Shaw. This will be a major contribution in many respects. Let me know if you have questions.

☺ Sincerely yours  
Phil Upchurch

Res# 919/892-6445. John Q.,Jr. had gotten a "John Shaw" headstone (#48) from  
his father, John Q. Sr. The unidentified headstone was given to Sr. years ago  
by a friend who had found it by a rural road while bushhogging. I went to Dunn  
and visited with John,Jr. and brought the stone back to Guy Gentry in Durham  
who will reset it in the proper spot in the cemetery on Mr. W.J.Sherron's  
farm on Sherron Rd.,Durham,NC. August 11,1992 by Carlton Shaw.

Dear Cousin Carlton,

Your day's mail included a letter from Emma Louise (Upchurch) Priest of Charlottesville, VA. In it was a picture of your mother and your Uncle & your Aunt. This has been entered as Photo File 91-20 in my permanent photo collection. A machine copy is enclosed. Had you seen this before?

Emma Lou is a delightful person. She is your 1st cousin once removed (your father's 1st cousin). You would enjoy getting to know her and also your cousin John Lee Upchurch, Jr in Raleigh, NC

All the Best.

Sincerely yours  
Phil Upchurch

Dear Cousin Philip,

Your letter of 27 April was most helpful. My interpretation of the name Delaney Frances Carlton from the Carlton Bible, was wrong. It is indeed, Delaney. I am a bit confused about your notes on her. Was she married to Madison Barbee or Edgar Patterson Barbee? Also, I could not decipher the name Mal\_\_\_\_\_ Sidney Barbee. The  
△ reason for the interest in the connection is because Betty Ann  
△ Barbee married my uncle, Hurley Jennings Shaw. Trying to determine if there is a close tie. If there is, the cemetery location may be of interest to my Shaw cousins.

Please find enclosed, the <sup>Descendant Chart</sup> ~~Family Group Sheets~~ completed on the descendants of my grandmother, Florrie Lovena Upchurch. Also find enclosed, an order and check for \$24.00. I would like Volumes #1 (1980), and #3 (1982) of the Upchurch Bulletin.

Thank you for your help, and hopefully, the enclosed information will be of help to you.

Sincerely Yours,

Carlton R. Shaw

Dear Cousin Carlton:

Many thanks for your letter of 17 MAY 1991 and for all the details. I have just finished processing it.

I am enclosing Biofile sheets on MARCUS SIDNEY BARBEE, MADISON BARBEE, & EDGAR PATTERSON BARBEE. Let me know if you have questions. Also provided is a 2 page Biofile on Happy Shane just in case this connects into your Shaw data.

Enclosed for your use is a four page master outline for the family of Florence Louisa (Upchurch) Carlton. Also provided are questions on missing details. I'll be glad for any of these details you have or can supply based on your contacts with relatives.

The UB you ordered have been sent except for Issue 2 of Vol 1 which will be sent as soon as we can reprint - hopefully in the next few days. Hope we can continue to work together.

Sincerely yours  
Phil Upchurch

Dear Cousin Carlton,

Your letter of 11 APR 1991 with all the details was most welcome. I have just finished extracting all the information and want to thank you for all the input. Your collection system and your approach are somewhat different than mine so a lot of the names you sent do not fit or descendants of Michael U, I (b 1620). However, I have made a profile sheet for every person mentioned in your letter thinking that this might surface one kind of family connection or another either now or in the future. These profile sheets have been placed in my alpha-ordered file which now includes on the order of a million entries. I did find one "extra" connection as shown by the two enclosed sheets - one on your Delaney F. Carlton

2-

and one on my Delaney Frances Carlton. I am  
sure these are one and the same, I have  
some details on the descendants of Marcus  
Sidney Barbee and Laura Alice II if you would  
like me to send them.

Here is how you and I are related:

So, your GM and I are 3rd cousins, you and  
my grandchildren are 5th cousins, while you  
and I are 3rd cousins twice removed.

I was sorry to learn about your Aunt Franzer. It seems possible that prolonged suffering and advanced age could cause one to take extreme steps.

It is good that you are collecting additional details on the descendants of Florie (W) Carlton. I will welcome these whenever you are prepared to share some of the items collected. After you send a list, I will recap what is missing.

Provided herewith is a copy of the two page outline for James Bartlett II, I and his children. Let me know if you want copies of the follow-on sections 16-23. We have made good progress on children a - e but somewhat less on f - h.

I am pleased to know that you want to obtain all the back volumes of the U. B. All are good (my view!) - but you might start with Vol 3 (1982) and/or Vol 1 (1980).

Hope to hear from you soon & look forward to our exchanges.

Sincerely yours

Dear Cousin Carlton,

I was so pleased to have a call from you on 26 MAR 1991 expressing an interest in your family heritage. You and I both belong to the Nathan Upshur, I clan. I'll be glad to send you a sheet on our line back to Michail U, I showing how we are related if you so desire.

Provided with this letter is the single sheet for the master outline for the family of Florie U. I hope you can help me update this. I collect names of people (full maiden names for females), Dates of birth, marriage, and death and Place of birth, marriage, death and burial. You can see we have quite a list to add. I am hoping you have most of these details in hand.

My work on the Nathan, I / Burtis U  
Subclan to which you belong has been  
especially productive and I am certainly  
happy to share this with you. My connec-  
tion with several of your mother's first  
cousins has been extensive. I know where  
your GGF James Bartlett U, I and your GGGF  
Gilbert Burtis U are buried and have been  
to their gravesites in Wake Co, NC.

Details on the Upchurch Bulletin  
are enclosed. I am sure you would enjoy  
it. All of the back issues are available  
should you desire to order them at any  
point. I cover the entire extended Upchurch  
Family but naturally give special attention  
to the Nathan, I Clan from time  
to time.

Hope to hear from you soon!

Sincerely,  
Phil Upchurch
