② 21 DEC 1996 - Cathy Buttram (nee CL) called in response
to my letter of 16 DEC 1996 to her. She wanted to
know if I want all descendants of John and
Elizabeth (W) Carpenter. I said yes. She said she
would see all information but she did not
have permission to release all. Her husband died
several years ago. She will gradually order all
birth issues of the US. She is on a fixed budget.
She seems quite familiar with the 1803 Upshur

want information but will not help.

I have gone over them hurriedly & excitedly and now need to go back in a more systematic way. There is certainly new Upchurch information there although I do already have a good bit of it. Naturally, I was on the lookout for something on the car. Upchurch connections but nothing jumped out at me.

Do you happen to have anything in your Carpenter files on a Dr. WILL D. CARPENTER? (PHD). He was born & raised in Mississippi and graduated from Mississippi State. He spent all of his working life with Monsanto in St Louis and retired from Monsanto about 4 years ago as a Vice President. I knew him quite well and we still talk by phone from time to time. I have a feeling he is not especially

interested in family history so am reluctant
to be overly bold in approaching him.
Still, I would bet he is a part of the
Upchurch-Carpenter connection.

Subdan. Elizabeth U was of the 6th Generation of the Uplund family in America. you will note that this Master outline carries the 10 children who were cared for in the home of John and Elizabeth (Uplund) Carpenter - whether they were natural born, adopted - or just lived in the home. The outline goes through the 9th Generation covering the actual or presumed Greatgrandchildren of Elizabeth (U) Carpenter. Descendants of the Greatgrandchildren, if any such descendants / if known, are covered in continuation sections. I included herewith are those continuation sections which fall under your ancestor Churchwell (U) Carpenter. I'll be glad to send copies of the remaining continuation sections if you so desire.

Enclosed are two sets of questions - one on Ed Carpenter & his descendants and one on Sidney Churchwell Carpenter & his children. I'll be grateful for any answer you have or can get. As you look over the broader outline perhaps you will spot errors or places where you can add something. I'll welcome any input.

As regards Churchwell (U) carpenter having also the first name "William" I have looked through my records and cannot spot the origin of this idea. I'll have to look some more. In due course I may have to change my records to eliminate the "William"

You asked for more information on Jephtha Morley. No new information shows up in my files.

Your comment about the "caught" and the "uncaptured" is very much on target. This saying is new to me and it will become one of my "sayings". It is a fact that in family history we mostly seek not to judge but rather just to collect the facts.

There are many ways the 5 Upchurch¹⁸⁰³ → Carpenters children are linked to the overall family of Richard U, II. One of these is by name association. Note the enclosed 2 page 5 item profile for Churchwell Upchurch, son of Benjamin U & ggc of Abel U, Sr. Note that Abel U, Sr is a brother of the Benjamin U who was the father of Elizabeths U who mtd John Carpenter. These two brothers (and my

GGGF Nathan (I) was son of Richard (II).
 This is a familiar pattern in which family first
 names are used over and over again with
 brothers naming sons for each other, etc.
 Perhaps you have run into records for this
 Churchwell (I) born about 1829 (AL).

I am very encouraged with the momentum
 we are developing on the Carpenter - Upchurch
 connection and hope we can pick up one
 thread after another over time. We can
 certainly develop a more complete master
 outline including John and Elizabeth (I)
 Carpenter and their 10 "children". One hope
 we can eventually identify the Upchurch
 parent of the 5 who changed their name.
 Let's remain hopeful.

With deep appreciation for your interest in
 our shared heritage

Sincerely yours
 Phil Upchurch

place me in a much better position to become more active working with those interested in the Carpenter-Uphunch story.

There are so many aspects I would like to explore with you but lets take just two on this round (you can add more aspects if you like).

Aspect #1 I would like to start working backwards on your line. Enclosed are some questions on the family of Ed Carpenter. Perhaps you already have something organized and can just send me a copy of what you have submitted addressing my specific questions. This working backwards is just one way of approaching the overall issue of Uphunch family history. you never know what it will lead to. Anyway, it needs to be done.

Aspect #2 Enclosed is a copy of my 16 Page 40 Item Profile on John Carpenter. you can see I have been entering details on him for a long time. Some of the entries are duplicates and some may involve a different John Carpenter (whenever instances I would like to know about so I can remove them from the profile). would you go

over the Biopile and let me know if you see anything that needs to be removed or corrected. Also I would be very interested in anything you can provide to be added to the Biopile. I suspect you have a number of such items including some census records involving John Carpenter which I do not have.

After I hear from you I'll incorporate any information you provide and get back to you on another specific step we might take of course, if you have any specific issue or approach to be taken I would welcome your suggestions.

Enclosed are extra copies of materials on the Upchurch publications in case you can find a place for them.

It is great to have you as a cooperator.

Sincerely yours
Phil Upchurch

out about my Samuels line

T. L. Carpenter

John of Greene Co. AL

John Carpenter of Franklin County, North Carolina, and Greene County, Alabama

by Catherine L. Buttram, Lucille C. Curlee, Wendell G. Carpenter, and Terry L. Carpenter

John Carpenter, born c1760-70, died c1836, resided in Franklin Co. NC and Greene Co. AL. A great-great-grandson (#5a2a) stated that "the Carpenters came from England to America about the time of the Revolutionary war, settling in North Carolina" [Shawkey:161]. John Carpenter's heirs were listed in an estate settlement in Greene Co. AL on 25 Apr 1836. He appears to have married twice. His wife named in his will was Elizabeth, who was born probably c1761 in NC. The reason for the legal change of the surname of five of his children from Upchurch to Carpenter is not currently known. Possible reasons for changing the surname include adoption of his wife's children from a previous marriage, acknowledgement of illegitimately-born children, and other possible explanations--the reason in this case may be in the court records, but we have not been able to access them. Elizabeth may have been born or previously married to an Upchurch, which would explain the name change, or the children may have been his natural children.

Dear Cousin Phillip,

Enclosed is a copy of my records
- or family of Ed, Sidney, Churchill
- Carpenter. These are incomplete, as
- ever my direct line sometimes will not
- provide information. The family of
- Robert Carpenter brother of Ed continue
- to live on property purchased by Sidney
- following War Between the States.

Enclosed, also is a copy that not very
- good of Ed and his brother Kelly,
- as young men.

I wish I knew if we were Carpenters/Hapkins
- as Upchurch/?/? — the way the heading
- of Chapter CXX Laws N.C. Acts - General
- assembly reads - could imply we were
- illegitimate - I hope so - Cause I want
- to be a Carpenter - part of the Lees,
- Ludwell family as well as Upchurch and
- Hapkins, ~~and Somers, Hester, Hester, Hester~~

Do you have any idea why Jethro
- Worley was shown on same line as
- Benjamin, Somers, Jubal, Churchwell etc?

P.P.S. When did name William get added to my Churchwell?
I have never seen anything legally showing the name
William Churchwell - only Churchwell - ~~Shank~~

- Actually, I really like the bad boy items - as it shows humor
- Most folk want to believe folk legend. My theory is there is
- a bad caught and the uncaught.

- Also why so many names were changed
- after law concerning word of state was
- passed - 1802 - 1808

□ Anyway, I just returned from Raleigh -
- and those loose files have now been
- sorted, and placed in separate folders
- in the 4 boxes everyone refers to. We went
- through all 4 & still can't find the
- petition for change of name.

Enclosed check is for years 1996-1995
Please put me on mailing list for 1997

Yours truly,
Catherine Buttram

411 Sperrin's Ford
Peachtree City, GA 30269

P.S. Note Churchwell + Jubal were
administrators of John's estate
valued at \$40,067.73.

PRs. My Churchwell (whether Upchurch or
Carpenter) was a bad boy - one of those
caught as he was named father of child
born to Helderay Crawley - May 1824. I am
trying to find outcome of case now.

I have related stories of Grandmother and Granddaddy in the Holder book, but feel the need to state once again how much I loved going to their house and how much I loved the time I lived with them. I remember when Aunt Lee and Uncle Ganus lived in the little white house across from the old Morrow Place house, and even more the teasing Uncle Ganus and Granddaddy engaged in. I remember the first time I ever saw Aunt Colene was at their house (Old Morrow house). I also remember one time when all us kids had mumps while at Lewiston and Mother and Grandmother had their hands full. Granddaddy had a mule named Joe - well one day Joe cut his eyelid on something and Granddaddy and Uncle Ganus had to hold him while it was being fixed - this was outside the kitchen door (house on Richardson's property) by the well - Joe got loose and for some reason I started running along with Joe - can't remember who won but probably scared everyone half to death. TOLD YOU I WAS TROUBLE >

Seriously, I thought it was terrific to be able to go to the one room school at Pleasant Ridge - can't remember the teacher but do remember everyone (or that is what my mind tells me) being in the same room. Of course, my tenure was very short. Lived as we went back to Thaxton and on to the "big" school.

Grandmother had very long hair which she wore in braids around her head (like as crown). I can remember sitting at night and in the mornings watching her comb, brush and braid her hair. It was so beautiful. Granddaddy always had a pack of dogs and went hunting many times. If he ever caught anything I don't remember, but do remember feeding his dogs. u

Order of children after first three may be out of order. First three shows on the 1910 census. Other information obtained from Mary Julia in August, 1989 while Clarence and I were in Greene County. I may have written some information incorrectly. Marriage date of Robert and Theodocia obtained from marriage license Pickens County Probate Court Office. Information on Jack obtained from Cemetery Records of Greene County, AL.

As this book is not a formal printing I feel free to record any memories that I care to about these families. I do remember being in the home of Uncle Bob only one time - couldn't have been over three/four years, but do remember getting in trouble because I wouldn't eat the cornbread as it didn't look like grandmother's (remember I told you grandmother was a great cook). I spent many a happy hour playing with Barbara Ann, Mary Earle and Mildred, or perhaps as I get older my memory has removed

△+□ Joel was always known by later family members as "Uncle Nick" and when I started researching this line couldn't find any record of a Nick/Nicholas so I then called Hillary in Demopolis, AL (Uncle Nick's son). Hillary laughed and told me his father's name was really Joel C. but that his mother Jo told him he was as mean as old nick (one of their dogs) therefore, the nickname stuck, and ever after Joel was known as Nick. True or not it does explain why I couldn't find a Nick in any records, or why no one else in the family knew his name was Joel.

We can certainly continue to improve the Family Tree we have been developing. Enclosed herewith is a copy of my Master Outline for the William Churchwell (W) Carpenter family. This covers Churchwell, his children and grandchildren. Descendants (if any / if known) of the grandchildren are covered in continuation sections as noted by the number on the left hand side of the page. Continuation sections 12-19 and 24 are provided herewith. As time permits would you have a look at them and see if you spot any errors or places where missing information can be supplied.

I asked you once about WILL D. CARPENTER. Enclosed is a 14 SEP 1997 note showing where I found his parents and his birth place. Can you now place this family?

With regard to publishing the Yulunch-Carpenter data in the Yulunch Bulletin I will have to proceed stepwise. There is limited space available so the most

3.

important thing to publish in material which will attract reader attention to the fact that we have a major problem to solve. I have done this in the post and will continue to return to this approach. A problem is that I can't assign XTO number until we make the paper Carpenter - Upchurch connection. At some point I might publish a skeleton outline such as the enclosed 5 page Master outline for William Chudwell (U) Carpenter.

I don't want to press the Upchurch Bulletin on you. Since your budget is fixed I'd be glad to let you have back, present & future copies at half price if you want them. The contains lots of Upchurch information but quite limited details on the Carpenter - Upchurch connection. I'll try not to be so slow next time

Sincerely yours
☺ Phil Upchurch
