FOUKE AR 71837

Dear Chuck.

Thank you for your \$100 check in support of Allied Families which arrived on January 30. You are now a 2017 Silver member of Allied Families. A portion of your contribution has been allocated to support of the email Family of Richard Upchurch, III to which you belong.

We continue to add to our two web sites and have made good progress on the Richard Upchurch, III Family and will do more. If you do not have access to the internet, I hope you will go to your local library and they can help you view the two sites. I enclosed in a summary of our progress.

Let me know if you have questions.

Phil Upchurch

It would be helpful if you would subscribe to the Upchurch Bulletin but we can collaborate whether you subscribe or not.

If you are interested, I can send you a copy of my 11" x 17" chart which shows the first 6 generations of the Upchurch Family in America. I have divided the Upchurch Family into 22 Clans each headed by a 5th generation member of the family. You belong to the Richard Upchurch, III Clan. I belong to the Nathan Upchurch, I Clan. These two were brothers. You are also descended from another brother Charles Upchurch. These are three of the 11 children of Richard Upchurch, II who arrived in Franklin Co, NC about 1755. I have collected a huge amount of data on the non-southern American Upchurches much of which is published in the Upchurch Bulletin. However, there is still much to collect.

If you will drop me a note on your situation and on any particulars

interest you have in family history, we can then see how we can help each other. As we exchange letters and information I will send you items that may be of special interest to you.

I recognize that you are in school and must give priority to that venture. Perhaps you will still have a little time left over for family history.

Sincerely yours  
 Phil Upchurch

Chuck Puckett

Dear Phil,

Thank you for taking time out of your busy schedule to write me and share a little information. I was going to try and make it to the hotel when you were in Texarkana, but I had a class from 4-10 that kept me from coming. I would also appreciate it if you could send me a copy of the Chart showing the first 6 generations of the Upchurch family in America.

I was also curious about you writing that I was descended from Charles Upchurch. Where does ~~he~~ he fit in at? You wrote that he was a brother to Richard Upchurch III and Nathan Upchurch I. About 12 years ago Edwin sent me a brief outline of the Upchurch's, it started at Michael Upchurch and then went on down to me. Charles Upchurch is not on this outline, but I would like to know where he fits in it. Sarah Elizabeth Upchurch, who I think is Clabun Upchurch's daughter, is my great-great-great grandmother. Sarah married James Monroe Upchurch. They are both buried at Courtland Cemetery in Queen City, Texs, which is 20 miles below

Texas. On the outline Edwin sent me, he wrote that he could not find out who James Monroe Upchurch's father or mother is. Is Charles Upchurch his father? If so, who is his mother? If Charles is not his father, then who is? My great-grandfather Jesse Lee Upchurch is the grandson of James and Sarah. I remember him telling me that James and Sarah were either first or second cousins. Is this true?

Morris Upchurch is also a grandson of James and Sarah, and he told me that James and Sarah were originally from Mc Donough, Georgia which is just below Atlanta. James fought for the Confederacy in the Civil War, and sometime after the war they moved to Alabama. Then in 1890 they moved to Cass County, Texas near Queen City. My great grandfather Jesse Lee told me he was born on Sand Mountain, Alabama in 1889. His sister Pizzie Upchurch Cummings was born in Alabama in 1879, and I believe she is one of the oldest kids in their family. Does the Upchurch Bulletin tell what year James and Sarah's bunch went to Alabama? Does it tell

where James and Sarah were born, and does it give the birthplace of all the other Upchurch's?

I read in an Upchurch newsletter where Michael came from England to Virginia, where at in Virginia? Does the Upchurch Bulletin show where all of Michael's descendants migrated to? I saw where you wrote that Richard Upchurch II arrived in North Carolina in about 1755. I was also wondering if you had a list of Upchurch's that fought in the American Revolution and the Civil War, if so I would like to have a copy. I would also like to have a copy of a 1996 bound back Upchurch Bulletin, do I just need to send you a \$25 check? I would also like to have a book of the Upchurch Family of Old England when you are through with it. I am also sending a copy of the outline that Edwin sent me. If you see any errors please correct them. Please show me where Charles Upchurch fits in on the outline, and if you can tell me who James Monroe Upchurch's mother and father are I would greatly appreciate it. I know I have asked

you a million questions, and I hope  
you can take time out of your busy  
schedule to answer <sup>them</sup>. Once again I look  
forward to corresponding with you and  
learning all I can about Upchurch  
history.

Thanks a million,  
Chuck Puckett

Enclosed is a copy of the 4-Page Wanted outline for the family of Jessie Lee U (XED-8439) along with a list of questions on what is missing. The list is fairly long and I have no idea how difficult it is to get this information. Probably you will have to work on it over a fairly long period of time. In any case I will be grateful for any details you have or can get. I assume you will send the details in batches as you get them.

Our next job is to get you access to the Upchurch Bulletin. I have the bound volumes for each of the last 16 years and they are available at \$25 per year. In loose form <sup>(CONBOOK)</sup> the same information sells for \$15 for the present year and \$12 for back years. I would suggest that you send in \$15 for a 1996 subscription. There are four issues each year. We are just now getting ready to mail out the second issue for this year. It includes details on the Texas trip.

As a special honor this year I am sending free of charge to all 1996 Upchurch

Bulletin subscribers the two issues of the new publications ENGLANDIA - The Ypurch Family of Old England. The first issue of Englandia is being run even as I write this letter.

After you have an issue or two of the Ypurch Bulletin you can decide what you want to do. You could buy all of the back issues. However, we are in the process of placing the Ypurch Bulletin, including all back issues, in the Tixarhara, TX Library (Genealogy section) and you could go there and examine them. I'll let you know when we have placed the UB there.

If cost is a problem to you in becoming a subscriber or in buying back unbound issues, please let me know and we can strike a deal.

You will have to examine the UB to see the nature of the material included and its interest to you. Much of what is

written does pertain to the descendant of Richard II, II. However, the family is now quite large and not everyone is interested in every part of the family.

As we continue to exchange information I can provide you with additional increments of information of special interest to you in the form of Master outlines and Biopics on specific individuals. In the end you will have more details on the Upchurch family than you ever imagine existed.

It is great to have you as a cooperator.

☺ sincerely yours  
Phil Upchurch

Dear Cousin Chuck,

Thanks for your letter of 11 JUN 1996 and for the details and for the order for the U B for 1996. Issues 1 + 2 of U B Vol 17 (1996) along with Issue #1 of Englandia have been sent under separate cover. Other 1996 issues will be sent as they are printed later this year.

Enclosed is a fresh copy of the master outline for the family of Jessie Lee U. Thanks to your splendid help this is now in excellent shape. The only missing items are listed on an enclosed sheet. We may never have all of these items but they are not critical. However any of the answers you have or can get over the months and years ahead will be appreciated. This master outline is already more complete than most. I do hope you will help me

informed of any changes in the family as they come to your attention (marriage, divorce, births, deaths).

Also appended herewith is a copy of the master outline for <sup>the</sup> Sarah Elizabeth (Cupland) Cupland line. This covers Sarah & James and their children and grandchildren. Descendants of grandchildren are covered in continuation sections as indicated by the number on the left hand side of the page. (As for example continuation section 20 enclosed). From this outline you can trace where this family was group by group at different times based on dates and place of marriage, deaths and burials. With this format you can also spot inconsistencies and missing details. Would you have a look at this master outline and let me know if you have details on any of the grandchildren other than Jessie Lee U. Please let me know if you want copies of any of the continuation sections other than 20A enclosed. It seems that many individuals of this line

ended up in TX or AR. In fact we need to establish which of the 12 children of Sarah and Jessie never came to AR/TX. The three that may not have come are William Jasper U, Chanty Medora Ann (U) Plunkett and Daisy Ardel (U) Kemperley. Perhaps you have information on this point.

For a number of years I did not include on my Master outline sheets the town and the county where an event took place. I have decided that both are very useful and am gradually adding both as I revise the outlines. Also I often did not include the name of the cemetery where a burial took place. Now I try to include the name of the cemetery, the town/city (if appropriate) the county and the state.

We will still have much to share but don't let this "family history" stuff get in the way of your studies. We can work together over the long term future. Let me hear from you as time permits and as you have a few items to share.

Sincerely yours  
Phil Upchurch
