I was sorry to learn of the passing of Leslie Freeman U. He was too young to die. I hope Sue will bear up.

The more you made seemed to be more complex than most. We trust you are now settled and have everything unpacked. At the end we seem to stay fully occupied. In 2002 I had the broken leg & then in 2003 open heart surgery. Fortunately, all is now well. So far this year we have had two trips to AZ and one to NC/SC/TN. The NC/SC/TN provided much new information. After two months I am just now completing the processing of data collected.

It is good to have you back into family history matters.

REC'D
9 AUG 2004

Melva and Phillip

I have finally gotten back to the family history. We sold our home, Bought David's family home. But before we could move in and unpack, we went through 6 months of remodeling.

During this time my computer with the family crashed for the final time. Some how my back ups were damaged in the move. But that may have turned out for the best. Because as I was going through my files, I found some information not sure where it goes. Or if anyone else in the family has. I'm including copies with this letter.

□ Melva did you get my email about the passing
△△ of Leslie Freeman Upchurch? He passed June 20, 2004 in
△□ Florida. He was married to Carolyn Sue Neal.

Phillip sorry hadn't had time to set down and write you with this information until now.

Hope all is well with both of your families
Sorry for writing to both of you at the same time. But can get it in the mail today this way.

Best Wishes,

Ellis Michael, 80, Polo, a retired plumber, was killed Wednesday morning in a propane explosion which occurred at the home of Mr. and Mrs. Harry Hayes, southeast of Cowgill. The couple was hospitalized the same day at Ray County Memorial Hospital, Richmond, for burns.

It was reported Mr. Michael had been contacted by the couple to repair a leak in the propane line, possible caused by installation Tuesday of underground telephone lines, according to Caldwell County Sheriff Maurice Robinson.

Mr. Michael completed the repair about 10:00 a.m. and was relighting the furnace in the basement of the home when the explosion occurred. Mr. Hayes was in the basement at the time of the explosion and his wife was in an upstairs room.

Sheriff Robinson stated the two men possibly were so "conditioned" to the odor of the propane while working on the line they were unable to notice the gas still present when they attempted to relight the furnace.

Mr. Michael's body was taken to the Alspaugh-Cowley mortuary, Polo, where services are pending.

Katharine Jane Dishman was born in 1841, in Wayne county, Kentucky, where she was brought up to the years of womanhood. In 1857 she was married to David C. Craig, who, in 1859, removed to Lafayette county, Mo. The year following they came to DeKalb county, where they have ever since resided. Their matrimonial union was blessed with twelve children, two of whom are dead, and ten living; eight are married, and all but two are living in DeKalb and Buchanan counties.

Deceased has long been a devout member of the Baptist church, having joined the New Hope congregation some twenty years ago, and since then has always steadfastly professed her faith in Him who, on July 12th, beckoned her to come and receive her reward in the blessed realms beyond the grave, where sin and sorrow never dwell.

She has been an amiable sister, a true wife, a devoted and loving mother and her kindness of heart and friendliness have merited the respect and friendship of all who knew her. The many friends extend their heartfelt sympathy to her surviving relatives, who are left to mourn the loss of one who had so nobly endeared herself to home and community.

Do not be grieved, kind husband. True, thy helpmate dear is in the land
