Dear Cousin Donna (really!)

Thank you for your letter of 28 JAN 1999 and for the excellent packet of family information. When it arrived on 4 FEB 1999 we were in the midst of preparing tax records but I stole a few minutes and became very excited as your records and mine now match and one can reasonably conclude the Upchurch heritage of your Cynthia (Upchurch) Robinson. We spent yesterday meeting our accountant so I am now free to get back to important stuff - like family history - and your packet was the first order of business.

Without giving all the proof let me assert that your CYNTHIA was the daughter of JAMISON (JIMMISON) U who moved from the Crossroads District of Wake Co, NC to Benton

2

Co, TN sometime between 1850 and 1860. Jamison U was the son of James U, VII. This James U, VII lived in the Moccasin Creek/Pilot Area of Southern Franklin Co, NC. It was in this Area that Richard U, II came in 1755 from Brunswick Co, VA. Richard U, II was of the 4th Generation of the Uplunch Family in America. Richard U, II had 11 children including Richard U, III (the father of James U, VII) and Nathan U, I (my ancestor). About 1/2 of all present-day members of the extended Uplunch Family (such as you and I) trace their ancestry back to Richard U, II. I have researched and published a huge amount of detail regarding your Ancestor Richard U, III and his descendants. This includes a plot of the land that he owned at his death in 1817 in Franklin Co, NC.

I knew that Jamison U moved to Benton Co, IL but until I started researching your male line I did not realize that descendants of Jamison U also became involved in Henry Co, TN. After

much searching I have finally learned the location of Mt Zion Church in Henry Co, TN. This church was on the east side of the Big Sandy River. There were at least two other branches of Upchurch who were involved in Henry Co, TN. To describe the situation I should first refer to the fact that I have divided the Upchurch family into 22 clans, each headed by a member of the 5th generation of the family in America (with their children heading subclans). Thus you belong to the Richard U, III clan and to the Richard U, III / James U, VII subclan and to the Jamison U line in that subclan.

The main body of Upchurch to occupy Henry Co, TN belong to the William U, IV clan. William U, IV was a 1st cousin of the 11 children of Richard U, II. It was, in fact, John U, V, the son of William U, IV, who reached Henry Co, TN in the early 1800's. A year or so ago I went down to Henry Co, TN to get a better feel for the Upchurch history there. This is detailed in one of the Upchurch Bulletin (U.B.) This branch of Upchurch lived just west

of Big Sandy River about 4-6 miles west of Mt Zion Church, only further research will establish if the Benton Co, TN Upchurch interdict with John U, IV & his family.

Another Upchurch group that passed through Henry Co, TN belong to the Harmon U Clan. I think the presence of the Jamison U Group on the Benton Co/Henry Co, TN scene may help us to sort out things better.

By-the-way while FAXON, TN is not indexed in my Atlas I was able to spot it in Benton Co, TN - see enclosed map. I have also highlighted the old 23rd District of Henry Co, TN where Mt Zion Church is located.

Enclosed in a sheet I have labeled "A" in Green. This is all I had on my Master Outline for the Jamison U Family as of the time your packet arrived. This has now been expanded to 3 pages & a copy is enclosed. This covers Jamison U, his children & grandchildren. Descendants (if any / if known) of grandchildren are covered in continuation sections as indicated by a number

5-

on the left hand side of the page. At present all continuation sections contain just the details you sent. I enclose, for example, continuation section 32 A for your father's family. Would you please scan these outlines and let me know if you spot any errors or have any additions. I collect full names (full maiden name of female), dates of birth/marriage/death and place of birth/marriage/death/burial. where possible I show town/county/state for place and the name of cemetery if available.

I know there are many more aspects of our mutual heritage we can share and I will be happy to collaborate to the extent of your interest.

It is a great feeling to find another cousin who is interested in their Upchurch heritage.

Sincerely yours

☺ Phil Upchurch

Dear Cousin Donna,  
your letter of 12 DEC 1998 arrived today just  
as we are preparing to leave for two weeks  
in NC & FL. I am delighted to have you as  
a cooperater on our Upchurch heritage effort  
but cannot do justice to your request in the  
few minutes available at the moment. However,  
I have checked several sets of information which  
would have revealed how a Cynthia (Upchurch)  
Robbins d 1908 fits into the Upchurch family  
- if the search was going to be easy - No Luck!!  
We need a few more details if possible.  
Can you tell me where FAXON, TN is/was.  
I cannot find it on my maps. Do you  
have any idea how old Cynthia U was  
when she died. Do we know if John Daniel

Robbins to 12 FEB 1863 had any siblings - if so names & dates & place would be useful.

By working together there is a good chance we can tie Cynthia to the Upchurch Family Tree. Please let me have any beside of information you have on her.

Enclosed are details on the Upchurch Publications and a copy of our "freedom" document.

I have a pretty good handle on the various Upchurch Groups that lived in TN in the 1800's but there is always more to learn/add.

Hope to hear from you soon.

Sincerely yours

Ⓢ Phil Upchurch

Mr. Phil Upchurch

Dear Mr. Upchurch,

I am trying to trace my family, which includes the following names: Upchurch, Robbins, Odom, Berry and Leagan. The Robbins - Odom lines intermingle throughout the years. I've put this information on the Genealogy Website and was contacted by a very nice man named Tim, who put me in touch with you. He stated that you are the premier Upchurch researcher in the country.

The only information I have is from my grandmother's (Mary Jane Berry Robbins) Bible. In it she wrote:

Mary Jane Berry	married to	John Daniel Robbins
b. 15 Dec. 1867		b. 12 Feb. 1863
m. 5 April 1890, Faxon, TN.		m. 5 April 1890, Faxon, TN.
d. 5 April 1950		d. 20 Dec. 1947

She lists their parents:

Jim Berry and Dorothy Angeline Berry (no maiden name)	John Daniel Robbins, d. 1880 Cynthia Upchurch Robbins d. 1908
--	--

This is all the information she included, except to list her 6 children: Dyer F., Jim S., Dorothy A., Tenney I., Novella L., and Clyde A. , my father. These people are all deceased.

However, a distant cousin of mine has done some research and lists Cynthia Upchurch married to Daniel M. Robbins. He also states that Cynthia Upchurch Robbins is buried at Mt. Zion Baptist Church Cemetery in Henry County TN. I am inclined to believe my grandmother's Bible as to my g/grandfather's name, John Daniel or John M.

Can you shed any light on this subject? I would be grateful for any help you can give me.

Thanking you in advance,

Dear Phil,

Thank you very much for responding to my inquiry of 12 December 1998 regarding my great grandmother, Cynthia Upchurch. I also have been very busy and have waited until now to try to supply the information you requested.

I am sorry to say I don't have much. The only information I have is from an old family Bible of my grandmother's. Actually, I never remember hearing about Cynthia Upchurch. My father, Clyde Robbins, was the youngest of 6 children born to Mary Jane Berry and John Daniel Robbins. Ancestors, unfortunately for me, were not an interesting subject to either of my parents, and because of my father's placement in the family, I don't think he knew very much. They always chuckled at me for wanting to know what and who came before me. My parents are both deceased. I regret that I didn't push for more information, but, knowing what a little pest I was, I probably did and they didn't have the answers.

[NEE MARY JANE BERRY]  
My grandmother recorded in the Bible that her parents were Jim Berry and Dorothy Angeline (surname or middle name ???) Berry. She recorded the parents of my grandfather (also named John Daniel Robbins) as John Daniel Robbins, d. 1880, and Cynthia Upchurch, d. 1908. No birth dates were given for them.

Information on my grandparents, which I think I've already given you, is:  
Mary Jane Berry, b. 15 December 1867, d. 5 April 1950  
John Daniel Robbins, b. 12 February 1863, d. 20 December 1947

Thank you in advance for any assistance you can give me. This is all so interesting to me. Can't understand why some people have no curiosity about these details.

Sincerely,

Donna

Donna Shippey  
(possibly a cousin)

Phil -

I know this is a lot of unnecessary information, but maybe you can figure out his format. I can't.

Thanks,  
Donna

P.S. I've highlighted what is pertinent to me. Hope you can find something here.

Married 5 April 1890 in Faxon, Tn. I cannot find Faxon on any map I have either, but that is definitely what is printed in her Bible.

Aha, I just remembered a cousin of mine had sent me some information, and I've dug it out. I can't vouch for his authenticity, but this is what he's given me:

He has my great-grandfather listed as Daniel M. Robbins (I doubt this unless my grandmother recorded it wrong), married to Cynthia Upchurch, b. 1840 in North Carolina, d. 1908 in Henry Co., TN - Mt. Zion Baptist Church Cemetery. That would make her 68 when she died, an answer to one of your questions. I'm familiar with this church, as it was my mother's (Marie Odom) childhood church in Big Sandy or Paris, TN. The Odoms and Robbinses married back and forth so much, I'm surprised I can understand this high tech equipment.

Regarding my grandfather, John Daniel Robbins, according to my cousin's information, he was born in Benton Co., TN. He had a notorious brother, Thomas Yancey Robbins, b. 1864 in Benton Co., TN. who was ambushed and killed in 1916 in Henry Co., TN. Interestingly, my father (his nephew) didn't know much about him, as the family had removed themselves from him. I'd heard this story from my mother who knew him and was scared to death of him. He was a mean and ruthless human being, thus the ambush. His son-in-law agreed to go to prison and take the blame, but everyone knew it was someone else's doing. So the story goes. He had another brother, Charles Anderson Robbins, b. 5 Dec. 1867 in Henry Co., TN. He also might have had a sister named Roella.

I find my cousin's information difficult to follow, so I've decided to send you copies of this information. I see there is another Upchurch mentioned, and this information might be key. Perhaps you can decipher it better than I. I can't decide where to start, so just toss anything that isn't pertinent to our research. I don't know where to cut it off.

I'm very interested in the wonderful research you've done and in your publications. If we can find a tie, I would be very interested in purchasing some of it. I just don't know, at this point, what I want.
