Dear Cousin Edna,

I have just finished extracting your letter of 10 FEB 1988 and want to thank you for your excellent contribution. Sorry it took me so long to get to it. Perhaps you have noted that the latest issue of the U B includes an outline for George U / Mares U through the 9th generation. This gets us pretty close to you.

You mentioned the criteria in the U B for APR 1987 starting with XED-1,642. I am sending you a copy of my two page outline on Lwanda Jane U (XED-536) and the follow-on section 11A → D so you can study what I have. Also provided is the one page profile on Hiram C. Crutcher. Hope this makes sense.

The marriage record of Lwanda U is for XED-376, dau of Mares U + gd of George U (Head of clan) (see latest U B). Note that the 5 children I list are not all the same as the ones you list. Can you clarify?

you really had a wonderful ⁽²⁾ trip last fall. I will look forward to hearing about your 1938 travels and all the family history you collect. Also let me know how Howard is doing. I know, too, that you have some letters to update me on as they were anticipated in your 10 FEB 1938 letter.

The Upchurch-Bellispley interaction is still a puzzle. I hope we will come across information somewhere that will shed new light on this mystery.

Can you send me the father and grandfather of Floyd Melton Sanders XED-15813 so I can see how he links to the Bellispley family that may or may not be related to David Phillip U to ca 1812 (10).

On some reports should I have listed what is still missing on the family of Sadie Elva Pinnett so you will have a fresh look at what we have yet to find. Any details you can provide to help fill in words for her brothers & sisters will also be appreciated.

We do hope that you will spare a few hours to see us on your next trip to Anyama! Hope to hear from you soon!

Sincerely yours
Phil Upchurch

Dear cousin Phil,

At long last, I have a chance to answer your letter of 16 May 1987. This has been a busy year. To answer your question on Howard, he is retired now. After seeing all the doctors and specialists, they have decided that they can't do anymore for him. When we returned from our trip we changed insurance which meant, we changed doctors. They have done wonders already. He can now raise his arm, and is going to have his wrist operated on 18th of Feb. to get rid of the numbness in his hand, now if they could do something about his back.

We had a wonderful trip in Sept. went all the way to Underwood, North Dakota to see my niece Judy Jesser, and get acquainted with her husband Larry and family. They live by the Missouri river, which meant a lot of good fishing. Judy #14490 became a step grandmother on 1 Oct. 1987 named Justin Robert Lauf, don't know if you need this information, but will give it to you. Larry Jesser #14548 has a daughter, Theresa born 20 Feb. 1966 in North Carolina, married to Brent Robert Lauf, born 22 April 1965 in North Dakota, married 11 April 1987 in Riverdale, N.D. Justin born in Riverdale.

We got to see Mt. Rushmore and the black hills on the way up there, went through Montana, and stopped to see Custer's little big horn, and a lot of beautiful country. Went on to Hermiston, Oregon, to see my aunt Rachel Rowe, and her family. This is the information I got on her family. Rachel Loretta Privett b. 29 Sept. 1920 in Ava, Mo. I said 1918. She married George Edward Rowe #13817 6 Aug. 1938 in Ozark, Mo. he was b. 3 Feb. 1919. Patricia Faye Rowe #17621 b. 16 Aug. 1942 in Ava, Mo. she married Norman Lyle Brown #17623 24 Jan. 1967 in Lewiston, Idaho. He was born 24 April 1940 in Hermiston, Oregon, Roger Curtis Brown #17624 b. 13 May 1967 in Hermiston, Oregon, Dawna Lynn Brown #17624 b. 11 June 1969 in Hermiston, Jeremiah Ishmael Brown #17626 b. 10 Aug. 1976 in Hermiston, Joshua Elimelech Brown #17627 10 Aug. 1976 in Hermiston, Robin Karina Brown #17628 b. 11 Sept. 1977 in Hermiston, Vickie Lynn Rowe #17621 b. 13 April 1951 in Pendelton, Oregon, was married to Kelly Clark, I have no information on him. Lori Marie Rowe #17622 b. 4 May 1971 in Hermiston.

We went on to Grants Pass, Oregon to visit my niece Joyce Stringer, and her family, and stayed with my sister in-law in Grants Pass. My sister in-law has remarried, Jessie Irene Hall #14461 she married George Washington Hill on 20 Sept. 1987 he was born 1 Dec. 1912.

Then on to Placerville, Calif. to visit Howard's brother and family, we got home just in time for the Whitter earth-quake, did't do any damage here.

I got into a house cleaning mood, so took the whole month of Oct. took everything apart, got it back together, and Howard decided to paint, so had to move everthing again, and at the same time get ready for Christmas. We had a nice Christmas in Riviera, Arizona, with my brother and family. we left 23 of Dec. and stayed all night with Sid and Donna in

- Hesperia, calif. it started to snow, was afraid we could't make it out, but we did. Then
- came home for new years, but then we left the 4th of Jan. for Mesa, Arizona, to spend a
- +□ few day's with Rod and Bev. that is the extent of our traveling until June. We are planing
- a trip to Arkansas, Kentucky, and Missouri. I'm going to look up some of my cousins, and
- fill in some names and dates. I can't get them by mail.

NEED DETAILS

We have just found out we are going to have a granddaughter, to be born about April 21, Sid and Donna have already named her Rachel Ann. Scott McCarty #14496 And Kathy are expecting a baby in May. My ex-husband Vance Rugh #13836 died on 6 Dec. 1986.

I hope to find out when we go to Missouri in June. I know the date is on the headstone

when Delora Ann Ritter died, but was't doing history when we were back there 14 years ago.

My mother asked if we could go to Ava, and get pictures of all her nieces and nephews which

we did, she sat and looked at them till she died.

10. Mara Fleming

Rachel was 2 years old when her mother died, so that would make it 1922, will also look

at the headstone for that, she died in Ava, Mo.

I have the Billingsley book pages 52-56 in front of me. The Major that did this book could have gotten the name wrong, but David Upchurch could have married twice, I am sending you a copy of what I had to do with my family, it sure took me a while to straighten it out.

You were right it should be

I am interested in the Crabtree family in the April 1987 Bulletin, starting with #17642 they almost have to be related to my Elizabeth Crabtree, b. in 1726 in Maryland, I did send for the Crabtree book, but doesn't give her name in it.

I thought you might be interested in this other copy I found, could be #380 and #376 If it is their children are, Frank, Nancy M, Polly P. Margaret, Louisa M. Victoria. If you think it could be, I could look up the dates. It was sent from Wayne county Ken. Hope I have given you some information.

Sincerely Yours

Dear Cousin Edna,

At long last I have processed your letters of 22 OCT 1976 and have all the details locked into place. They are most welcome & most appreciated. I do have some questions about the Bellisply material. I did not mean to ignore your note about your possible trip to Thanksgiving last fall but guess I got swamped and could not pay proper attention to everything. Did you make the trip? If you come in the future please plan to drop by to see us. I would love to chat. We are in the phone book (602-742-2669) and we live at 2637 West Crown Key Drive in Tucson. Did Howard get OK?

The paper we have made on the Camp 41 Merit Club is really good. I assume you will continue to get information on the brothers and sisters of Sadie Elva Bennett. In the meantime let me hear from you what is known on the family of Sadie. I know you have worked hard on this so far and may have all you can get but let me

best submit in summary anyway

1) For Sadie & Floyd - All OK

2) For John Allen Sanders - All OK

3) For George Allen Sanders

a) when and where did Michael Roy use marry?

b) when and where was Nancy Marie Fahley born?

4) For Fela Faye Sanders

a) where was Gary Jayson Judson born?

b) what is the full name of Harry Tresmiller?

c) when and where was Harold Charles Judson ~~born~~ married?

d) when in Hawaii was Opaline and Hal born?

ii) when married the 2nd time?

iii) when in FEB 1981 married? (4th mry)

- f) For Charles Melton Sanders - All OK
- g) For yourself - All OK

If there have been births, deaths, marriages or divorces in the Sadie Eva (Pruett) Sanders family since our last correspondence would you please let me know. I would like to know all the members in the family now.

For John Preston Pruett we are missing details for his two wives as follows:

- 9) when in 1888 did he marry and when in 1909 did his 1st wife die?
- 10) when in 1916 did he marry, what is the full maiden name of Mary Fleming, when in FEB 1880 was she born, where in MD was she born, when in 1970/1971 did she die, where did she die and when buried?

on the Billingsley Material I have page 52-56 from the Billingsley History you sent me on 15 AUG 1985 and the sketch you sent on your 22 OCT 1986 ltr. I don't have any questions about the part in your letter that traces from William Billingsley + Clearanna Bowler down to Floyd M. Sanders because I don't have the Billingsley History on that part and assume what is in your letter is correct. on the part that traces from William + Clearanna down to Catherine Craig I have two major questions. your letter shows:

The way I read the Billingsley History it goes like this starting on page 52.

Francis Billingsley

↓
John Billingsley

↓
William Billingsley [Note Assume this is one who was in Clearwater
Boulder
- RPA]

↓
Samuel Billingsley [you have Boulder B. Her.]

↓
Basil Billingsley [you have Zachary B. Her.]

↓
Mary Billingsley (1st child)

↓
Catherine Craig (5th child)

Can you straighten out the confusion over these two names for me.

The second major question I have is over the children of Catherine Craig and David Upchurch.

The children listed on pg 54 in the Billingsley History are the children of David Phillip Upchurch who was Kitty (Catherine) Gill - not Catherine Craig. There is a fair body of information to show that David Phillip was a Gill and not a Craig and also fair information that he only married once. My guess is that Catherine Craig did marry a David Upchurch but probably not David Phillip U. In any case we now need a clarification of the issue. Do you have any thoughts?

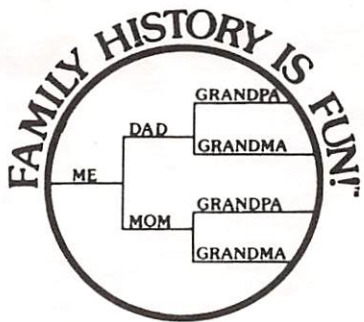

Let me hear from you.

Sincerely yours
Phil Upchurch

Dear Cousin Phil,

I don't know where the summer went, but was a short one. We had company from out of town, about every two weeks, and family reunions and weddings. I didn't get to work on the family history. We did find out that Howard has a Cousin once removed, that is attending your University. His name is David Neil Brown, he is in his 4th year residency. His parents are Don and Dawn Brown of Denver, Colorado.

I will try and answer some of your questions, and give you more information.

Howard was hurt at work on 8 Sept. just a few day's before the fair was to open, and was in the hospital for a week in traction. Now we find out that he has to be in traction again. If that does't work, he may have to have an operation on his back.

Our plans are to come over to Arizona around Thanksgiving, it will have to be our delayed vacation. Are you in the phone book, or a phone number we can reach you, if we can manage to get down that way.

Dear Cousin Edna,

This is just a note to thank you for your renewal for the 1987 UB and for your contribution to the Upland Research Fund as a memorial to your father. Interest such as yours help us to keep the Upland family history project vigorous.

We mailed the October issue of the UB in early December. It goes by bulk mail and can be delayed by the Post office if they so desire. This is especially a problem in December because of Christmas mail. It should be in your hands before the end of the month. If not let me know and I will send another copy.

Dear Cousin Edna,
on my 53rd birthday I take pen in hand
to thank you for your letter of 18 JAN 86 and
for all the details therein. They have all been
extracted and recorded. The Hilford U on the 1880
Census of Douglas Co, MO is actually William Alfred U
(XID-309) according to my records. Your line and we
are related as follows:

From my records I have not been able to sort out the
earliest Upshurmen who moved to Douglas Co, MO &
how many & which brothers/sisters/cousins were in
the first wave of settlers. I presume they were
all descendants of George U (XID-137).

By a rough count there are at least 94

I am fascinated by the Indian ancestry in many parts of our family and do hope you will be able to learn more about this in your line.

Some of the details I have listed as missing may not be available or may be hard to get. I have provided the list just in case you can respond. A hundred years from now someone will thank me for being so thorough!

Enclosed is a flyer to let you know about our more Upchurch activity.

Hope you can come to Tucson!

Please let me know if you have more questions about the family.

△ e. Mara Fleming I get the information from 1900 census Ava, Mo. Douglas, Co. It didn't list her full name, or what day she was born, and we don't know what town she was born in.

△ + △ She died in 1921-22. Aunt Rachel didn't know anything about her mother, but she did tell me

△ + △ + △ that she, Rachel had a brother named Leonard born 1920 died before 1921. Mara Fleming

△ Lester, which made him my fathers half brother, my mothers brother in-law and their step cousin.

△ We believe that my Grandmother Delora Ann Ritter was 1/2 native American. Her mothers name is Harriet Jane Roman, born in 1842 in Illinois. The Indian tribe living there at that time, were the Saux and Fox, but I haven't gotten any farther.

△ We were over to Mesa in Oct. I finally got to the Library, to get the rest of the Billingsley book, but couldn't find anymore of the Upchurch family. It was the Sanders family that married into the Billingsley family 3 times. The Catherine Craig listed in the book married to David Upchurch page 54, would be my fathers 6th cousin.

□ I will try again to get some dates of the children of John Preston Privett, and dates of their children. I have their names but no dates.

△ I don't know when we will get to Mesa, but will plans to get to Tucson. Howard works as a carpenter for L.A. County Fair Assn. Thats the County Fair in Pomona, Calif. He gets a vacation after the fair is over in Oct. I retired 3 years ago after working for 37 years.

△ Two years ago we were in Tucson, and it took us two hours to find some spark plugs that would fit our pick up. We went out to old Tucson, and stayed just out side Tucson in our camper for the night, so didn't get very far for the day on our way to Texas and Arkansas. We spend a lot of time going through old cemeteries looking for Grandparents.

Dear Cousin Phil,

- I'm really sorry about the check. I guess I was in

- the family. I was at a stand still.
- △ My first husband's name is Vance Seland Rugh,
- born in Mo. 24 June, 1928 We were married 12 March 1948
- in Yuma, Ariz. divorced 11 June 1969 in Prescott, Ariz.
- on the 10 children, I took it from 3 census. 2 from
- Ken and 1 from Mo. Douglas co. In the 1880 census
- △ + □ there is a Shelby R. Pivett age 23, wife Mary M. age
- △ 23 and one child, George W. age 1, that's in Douglas, co.
- Missouri, so there's the answer to that one. I know
- △ for sure there was a Lucinda R. born 1865. my aunt

- only way that who ever gave you the information
- didn't get the 1870 census in Wayne, Co. Ken and
- only went to 1860 and I don't have that one.
- We are planning on going to Mesa in late Oct. So
- will get Saunders, Upchurch information to you as

Dear Cousin Edna,

Thank you for your letter of 15 AUG 85 and all the details and for your check in payment for certain issues of the U B. The bulletins have been mailed under separate covers. You forgot to sign the check so I am returning it herewith so you can correct that oversight.

Here is a sketch of your line and mine:

So - your mother and I are 5th cousins, you and my children are 6th cousins while you and I are 5th cousins, once removed. You and my common ancestor is James U I (XID-151)

In your letter you list 10 children of Mary (W) Prewitt. Morgan on page 80 in her Upchurch Story lists 6 children. (She uses the name PREWITT instead of your version PRIVETT. I will connect to your version as you have good supporting information. In the Morgan list 4 of the childrens names agree with yours (Catherine, Moses, Elizabeth & Samuel). One of her listings is Robert S. Prewitt (now to be Pinnett) b 1 DEC 1755. Could this be the Shelly Prewitt you show as Shelly Prewitt b 1856? Also she shows a Samantha P. Prewitt (now to be Pinnett) b 1846 which you do not show. Can you comment on this? I have no idea where she got her information. There is the added confusion that in her list children Catherine & Samantha are both shown as b 1846.

I am in the midst of preparing UB Vol 6th so will have to defer extracting your letter and answering to D number but will do so soon. In the meantime I hope you will read the UBs you have and perhaps order the additional book copies for which order blanks are enclosed. Perhaps you also know of others who might be interested.

In due course I will have some more questions about missing bits of data that you might supply on your part of the family. In the meantime could you supply

me with the details on your first husband (Full name, date & place of birth, marriage & death (if deceased) & place of burial). This information is useful & complets the outline - but not essential.

When you have the detail I would very much like to know about the border with the Bellingsey book who was an Upchurch. It is quite interesting that your father also relates to the Upchurches as shown in the Bellingsey Book. I have a great deal of information on the David Phillip U to 1812 (TD) who is your father's ancestor but we do not yet have a father for David Phillip U. It runs in my mind that there is some confusion over whether Catherine Gray was the wife of David Phillip U - I'll have to check out that item and get you know.

In the meantime you very well may have some questions of me. I'll do my best to be helpful - Delighted to have you as a correspondent and a supporter

Sincerely yours
Philip Upchurch

Dear Cousin Edna,

Thank you very much for your letter of
7 AUG 1985 and for the details on your family
and on the order for the Upchurch Bulletin. I
am almost certain I can sort out your line and
hope to continue our correspondence on this
and to upgrade my Master Outline as a result.

I will send you your issue of the bulletin
as soon as you let me know which year you
want. Issues for the years 1980-1984 are available
and cost \$12.⁰⁰/year. The 1985 issue appears every 3
months and cost \$15.⁰⁰ for the year. Some flyers
are enclosed. I am willing to accept your \$10.⁰⁰ or
payment in full for one of the years since you
may have seen an advertisement based on
\$10.⁰⁰ before the rate went up about a year ago.

Could you please give me the following
information:

1) For yourself:

a) Full maiden name, when and where born, when
and where married, full name of husband,

names of your children and grandchildren.

b) Names of your brothers and sisters and the names of their children and grandchildren.

3) The names of your parents and their date and place of marriage.

3) The names of your ancestors in your direct line linking you to Mary (Polly) Upchurch born in KY in 1822?

4) There is some confusion in my records in that I have been using the family name "PREWITT" whereas you use "PRIVETT". I am sure we are dealing with the same family. Can you shed any light on this? Could there have been a name change along the way. Perhaps your records or mine are wrong. What evidence do you have for the spelling "PRIVETT"?

I am anxious to hear from you and to exchange information with you about your family line.

Sincerely yours
Phil Upchurch

REC'D
19 AUG 1985

Dear Cousin Phil,

I was really happy to hear from you. I'm sorry I didn't send enough money, but am sending you the other \$5.00 plus \$24.00 for 1983-84. The Helper still has it \$10.00 in the May June issue 1985. → [SADIE ELVA PRIVETT]

My Mother allways spelled her name Privett. In the 1790-1800 Chowan, Co N.C. Census, they had it spelled Privit, Previt, Privette, Privett, but I'm sure they are all the same family. The only other place in the world I have found it, was in London England, in 1600 hundreds was spelled Privett.

I am sending you the marriage bonds of Samuel Privett and Elizabeth Miller, who are Elias's parents. I sent for marriage license of Elias and Polly, but they had no record.

I'm also sending some pages out of the Billingsley book, on my Father's side. I have never really figured out yet, what relation the Upchurch's are on his side. My Great-Grandmother was a Billingsley, and also in the book a Sanders married a Upchurch, but haven't copied that far yet. I'm only up to page 600. I found the Billingsley book in Mesa, Arizona in the L.D.S. Library. My Son Rod Rugh and his family live in Mesa, so we get there once in a while. I also lived in Prescott for 4 years. We go through Tucson on our way back east. I would like to meet you some time.

I think Polly's father was Moses Upchurch because, their first son was named Moses, and first daughter was Catherine, after Moses's wife Catherine, and they also had two son's named Shadrack and John, which my Grandfather might have been named after. This is what the census was in 1850 Wayne Co. Ken.

△	Moses Upchurch	60	N.C.	[HEAD OF GEORGE U / MOSES U SUBCLAN]
△	Catherine	55	Ver.	[CATHERINE BARKER]
△	Shadrack	19	Ken.	[SHADRACK THOMAS U - XID-378]
△	John	16	Ken.	[JOHN H. U XID-379]

Polly was already married at that time. I think I wrote down the wrong date for Polly. It was 1825 she was born, Elias was 1822. Polly's Father could have been Thomas age 62 or Shadrack age 65 which was in the census.

My husbands name is Howard Lee Brown, he was born in Springdale, Ark. on 13 Jan. 1928. His Father is Russell Brown born 4 Feb. 1904 in Elm Springs, Ark. died 13 Aug. 1978 in Gravett, Ark. his Mother is Bernice McKeown born 9 April 1908 in Brookville, Ind. died in Siloam Springs, Ark. on 16 July 1980. I have just completed the McKeown family back to Ireland. I'm sending the information I have on my family.

Sincerely Yours

Dear Mr. Upchurch,

I am sending \$10.00 for the quarterly. My Great-Grand Mother's name is Mary (Polly) Upchurch, born in Kentucky in 1822. I have been unable to find out for sure, her Father's name. She was married to Elias Privett. They lived in Powersburg, Kentucky Wayne, Co. but, have been unable to find where and when they were married. They later moved to Ava, Missouri Douglas, Co. I would really appreciate it, if any one could give me that information.

Dear Cousin Edna,

It is now 5:57 AM on WED 1 JAN 1985
and I have just finished extracting all of the
details and am writing to thank you for them.
This is my first letter of the New Year!

Did your fall trip to Mesa come off? I
would love to have you come down to Tucson
for a visit on one of your trips to Mesa.

Re the Bellmeyer history you sent me
pages 52-57 indorse. You indicated you might
send more as it shows your father related to
Uplander. I will be pleased to have it. However,
my impression from earlier checking is that the
Uplander details in this publication are in error.

With your input we seem to have the
family of Sadie Eva (Punnett) Sanders in good
shape. Let me pose some questions on
some missing details as follows:

1) For yourself

a) where in MO was Vance Island Rugh born?

2) For Sidney Vance Rugh

a) where did he marry?

b) where was Anna Jean Brunkman born?

3) For Rodney Steven Rugh

a) where was he married?

b) was his wife born in Glendale, CA or Glendale, AZ?

4) For your Parents

a) where were they married?

5) For John Allen Sanders

a) where was he married?

b) Did he ever marry?

6) For George Alvin Sanders

a) where is he married?

b) where in CA did he marry?

c) where was Jessie Irene Hall born and is she still living?

7) For Fela Faye Sanders

a) what is full name of 1st husband — where and when and where was he born — if deceased — when & where & where married?

b) when & where married the first time?

c) when married the 2nd time?

d) Full name of John Tomajko and where born, where lived & where married?

8) For Joe Barney Sanders

a) where was he married?

b) where was his wife born?

c) Do I understand correctly that his wife's full maiden name was Charlotte Burks-Hall and that her mother was a Burks and her father a Hall?

9) For Beulah Mae Sanders

a) where married?

b) where was William Floyd Hardy ~~was~~ born?

10) For Charles Melton Sanders

a) Did he ever marry?

11) For your GF - John Preston Pruett

a) where born?

b) where learned?

c) when & where married 1st & 2nd times?

d) For Delora Ann Pitter - when in JAN 1872 born, where in MD born, when died, & where learned?

e) For Mera Flemming - what is full maiden name, when in FEB 1880 born, when in MD ~~born~~ born, when & where died & where learned?

Any details you can provide on the above will be helpful. In the future I hope to have some questions about the children of John Preston Pruett and about the children of your brother's sisters.

I trust you are starting the New Year in good form. Hope to hear from you soon.

Sincerely yours
Phil Spurgeon

Dear Cousin Edna,

Thank you for your renewal on the U_B for 1996 and for your contribution to the Uplurch Research Fund. We now have Professor Ransome doing more work in England on our roots and are looking forward to his report in early 1996

I hope this finds you well and enjoying California weather. We have had a very mild fall but will surely have some snow before long. Yesterday I was out on the farm and saw for the first time a blue heron - a beautiful bird.

All the Best for the Holiday Season

Dear Cousin Edna,

Thank you for the renewal on the 1995 UB and for your \$10 contribution to the Upland Research Fund. These funds are now being used in part to pay Professor Ransome for work he is doing on our English Upland ancestor - This is very exciting work.

As each day goes by we are more and more settled in our new situation. Still, it is amazing how much there is to do when you move.

All the best for the New Year!

Dear Cousin Edna,

Thank you for your renewal on the UB
for 1994 and for your donation of \$10.00 to
the Yulbrink Research Fund. Such contributions
help to purchase reference publications which
are extremely useful in our search for more
family information.

Our system of gathering and sharing
information on the extended Yulbrink
family continues to be very successful
with about 200 active participants. I
have to run hard to keep up. I'll count
on you to send in any additional details
that come your way.

With deep appreciation for your continued
interest and support.

Dear Cousin Edna,

This is just a note to thank you for your renewal on the UB for 1993 and for your contribution to the Upland Research Fund. Support like this helps us to keep the Upland heritage effort strong.

I have recently returned to the Wayne Co, KY cemetery records you sent sometime ago and have made more progress in processing this material. At present I am working on a map of Wayne Co, KY which will show the key locations for the early Uplanders in the county. This all fits together nicely.

Hope this finds you and yours well. All the best for a Happy Holiday and a Great 1993!

Sincerely yours

Dear Cousin Phil,

- I'm sorry it's taken so long to answer your letter of 4 Sept. 1990. We did have a
- very interesting vacation this year. I did go to the Library in Ava, Mo. to check on the
- △+△ name of Hobert L. U. 1883- 10 July 1969. The cemetery records did say Hobert L. with a
- wife named Ora M. 19 Sept 1889 - 29 Dec. 1965. I couldn't find him in the 1900 or 1910
- ce nsus. His parents are also burried in the Ava cemetery. John Henderson U. 2 May 1852-
- 5 Nov. 1931 and Sarah Jane 3 June 1856 - 18 Dec. 1916
-
- △+□ I'm looking into the possibility that Howards G.G.Grandfather Lewis Pratt lived in
- Wayne Co. His son was married in Wayne Co. If he did live there he could be the son of
- △+△+△ Stephen and Sarah Pratt, who moved there in 1818. They lived in Bethesda. Lewis Pratt
- moved to Pea Ridge, Ark. which we visit every year. We knew he was from Ken.
- I don't have any idea about the Upchurch town in Clinton Co. but will order the
- census and try and find out.
- You will notice that I could't find all the names on the list.

- Sincerely Yours

Dear Cousin Edna,

Thanks for your note of 24 SEP. I am so pleased to learn that your work on the Upchurch continues and I will look forward to your next batch of data. Details of all sorts continue to come in.

I recently obtained a book of county road maps for TN. A partial copy of Clinton Co, KY which is just west of Wayne Co, KY is enclosed. Note Upchurch Road and Upchurch (Town?, village?). Marked in red. Do you have any idea how the Upchurch individuals fit in here. I am sure the Upchurches involved are members of the George Upchurch clan.

I trust Howard is doing better now. Don't let the grandchildren overwhelm you.

Sincerely yours
Phil Upchurch

Dear Cousin Phil

Don't give up on me yet. Just a short note to let you know I am still working on the upchurches buried in Wayne co. I have all the censuses of Wayne co. from 1830-1910. I thought that I would have it completed before we left on our vacation. Howard just got out of the Loma Linda hospital. He has been in two times this year. They have an artery in his heart 20° unplugged now. If it doesn't stay this time, he will have to have a bypass. This and baby sitting the grand-children have kept me busy. You will hear from me soon.

Thanks for your note of 15 JAN 91, for
your renewal on the UB 91 and for your
contribution to the Upshunks Research Fund.

I am pleased that you are able to
get back into genealogy now that Christmas
is over. It looks like 1991 could be
another banner year for us with quite a
few cousins looking for data to add
to our Upshunks project. The 1970 census
should be a big help when it becomes
available.

I hope this finds you and itewad
well. Get me love from you.

can get back to work. I've went through

Dear Cousin Edna,

I have taken me a long time to process your letters of 18 NOV 1989 and 24 OCT 1989 but I finally got to them yesterday. In fact I spent a full weekend here on them. They make fine contributions to our Upland Family records and they are really appreciated.

For the 18 NOV 89 letter everything falls into place except that I have questions on three of the people buried in the Awa, WA cemetery. They are

1. Re Nadine Combs U. b. DEC 1916 d. 12 FEB 1965 - How does she fit in?
2. Re John U, II b. 1925 d. 1934 - How does he fit in?
3. For Robert L. U. b. 18 SEP 1883 d. 10 JUL 1969. I have him elsewhere as LEWIS ROBERT U. Can you provide the correct name?

For the Upland cemetery as pages 978, 979 I have identified all except 15 individuals. A copy of my worksheet is enclosed. Can you identify any of the 15?

For the complete Upland Index listing you provided, which amounted to 90 lines, I cut the

page up into sections of ten liner each and then taped them on to three sheets so as to have room to add notes. Copies of these work sheets are enclosed. When more than one page was referenced on one line I used the line for the first page cited and transferred the 2nd, 3rd page reference to the bottom of the ten line section in order to have room to make notes. I made a lot of progress in identifying the names of individuals but as you can see there are several left to identify. I would appreciate it if you would add information about any of the unidentified individuals.

After we get this out fairly well completed I will then transfer all information to proper and to the needed bible. I think it quite likely that we will want to publish this in the U B in due course. At that time you will be given credit for your special efforts on this project.

It would be very helpful to have the names and locations of the Amelians represented by the page numbers. I need this to add to the waste outbreak showing where each person was buried.

Thank you for your help and support.

Sincerely yours,
 [ROBERT WILKIE UPCHURCH]

Dear Cousin Edna,

It was so nice to have your letter of
 11/10/58 with the details and your plans for
 the future. All the details have been received
 and XFD's assigned. I was pleased to know
 that you are getting organized to collect more
 information. I have summarized on two
 enclosed sheets what is missing on the family
 of your Aunt Bessie Mae (Burdett) Rhynes. Maybe
 this will be helpful when you get to work
 on that part of the family.

It is good that you are going to be
 visiting in the Midwest this fall and that
 you and Howard will be coming back through
 Tucson. We would love to have you for lunch
 when you are passing through if that is convenient
 for you and we will look forward to lots of
 family history talk. I gather you will be in Tucson
 about mid-October. We should be in town.
 We live at 2637 WEST CROWN KING DRIVE. Our
 home no is 602-742-2669. My office is 602-621-7424.

Sincerely yours

Dear Cousin Phil,

In answer to your letter of 13 Nov. 1988. Time has gone by so fast, i'm sorry to say, I haven't gotten much more information. I have had to many interruptions this year. I am getting all my names and information together that I want to look up, when we go to Powersburg in Sept. First we are going to stop in Ava, for a Privett family reunion.

I can't understand how Ada Morgan misspelled the name of Privett. In the census of Powersburg, it is spelled Privett. No I don't have her book. If she has any left, I would like to get one.

We have a family reunion in Gentry Ark. on Oct. 7 th. Will start for home probably the 8th or 9th. We have one stop in Abilene, Texas. I'm not sure what date we will be going through Tucson. I will give you a call when we get there. I would like to meet you and Sallaine. I really enjoyed reading of your trip to Europe.

Dear Cousin Edna,

This is just a note to thank you for your renewal on the U B for 1989 and for your contribution to the Upchurch Beards Fund. Money is a useful tool in genealogy.

For the final 1988 issue of the U B we have the outline on ^{the} George W. Lydia U Subclass. It will go in the mail in the next day or so. Although the subclass has been greatly improved over the months there is still much to be done. I find that money, something forward a note stimulates other contributions.

I hope both you and Howard are doing well and that you will have a nice holiday season!

Sincerely yours,

Dear Cousin Edna,

Most of yesterday and the AM of today has been spent extracting your letter of 22 OCT 1988 and getting every little detail into place. The extra effort you put into your research is very much appreciated. We are getting down to a very small number of missing items on the Sadie Elva Bennett family as summarized on the single attached sheet. Perhaps you can still get a few more of those.

The work you are doing on the five siblings who married the five siblings is just great. I assume "Babe" may be a nickname and that you could find a different name on the 1850 census - hopeful in a Bennett home.

As you know Ada Morgan showed that children of Moses W (son of George W - Head of clan) and members of the PREWITT family (Miles, Eliza, Sophia). Your records show that they were PRIVETT family members and I am convinced you are right - name started changing my files from PREWITT to PRIVETT. Do you have any idea or do know Ada went wrong? Do you have her book?

I have not been able to identify the extra
 Upchurch (- u 20, Washington u 15, Mary u 1) you
 report in the name of Elizabeth (-) Proutt
 in 1870 but have made biopies for them.
 The Elias U. family (wife Nancy) you report for
 1850 Wayne Co, KY is not Elias U according to
 my records but rather SILAS U, the son
 of Shadrach U. (Shadrach is a brother of your
 Moses - both sons of George U - Head of class)

How nice to hear about your Grand
 Niece - Julie Ann Redmond. We will watch
 with interest her progress as you report to
 us in the future.

The information on your mother's brother
 and sisters will be most welcome when you
 find time to send it. It is good to have
 you working on the George U / Moses U
 subline.

I hope this finds Howard's book in better
 shape. I know you enjoyed your trip to MO.
 We just returned from there last Thursday
 after a ten day stay.

on your next trip to AZ please alert
 us as to your travel plans. We would
 love to see you!

Hope to hear from you soon.

Sincerely yours
 Phil Upchurch

Dear Cousin Phil,

In answer to your letter of 23 June 1988. First I would like to send a belated congratulations on your 40th wedding anniversary. Yes I did notice the outline of the George U. and Moses U. in the april Bulletin. All my family have a copy, it was great.

Thank you for the outline of the crabtree family, I couldn't make a connection. I don't have the Hiram Crabtree mentioned in the outline. I do have two Hiram's, one born 1805-09-1885 married to Evaline Short, son of Solomon Crabtree b.18 March 1779 and Susannah Thompson b. 22 May 1980. The other Hiram Crabtree b. 1837 his parents were, Jacob and Elleanor Crabtree.

I have been working on Miles Privett and Lucinda Upchurch all summer. I sent for more census. I believe Miles was Elias Privett's brother and Sophia Privett was his sister. My father told me one time, that five brothers married five sisters. Why I believe this is, Lucinda was living with Elias's mother Elizabeth Privett in 1870. Frank was 24, Nancy M. 15, Polly (Mary) 13, Margaret 9, Louisa 7, Victoria 5, Miles and Lucinda must have had 3 more children than you have listed. There was also a ---- Upchurch 20, Washington Upchurch 15, and Mary 1, living with Elizabeth Privett. Elizabeth was Elias's mother, she was 16 when he was born. I am looking for a Margaret and Babe married to a Privett, also there is a close connection of a Elias Upchurch married to a Nancy in the 1850 census of Wayne Co. Kentucky, their children were, William, Miles, Milley, Moses, Rachel, Thomas, Archibald. I'm still going to work on this till I find all 5 brothers and sisters.

SILAS W. - SON OF SANDORACK U

Howard is still about the same. He has a lot of pain in his right shoulder and back. We just got back from a trip to Arkansas the 15th of this month. We went to the wedding of Howard's niece in Bullhead City, Ariz. and then on to a family reunion on the 8th in Springdale, Ark. it was a fast trip.

We did have a good trip in June to Ava, Mo. We went by to see where my mother was born. Had a good visit with my cousins. We are planing a family reunion next Sept. or Oct. back in Ava. I found some history of my fathers family in the library. I did get some information on my mothers brothers and sisters, will list them later. Delora Ann Ritter was born in 1871.

My grandfather was George Layfayette Sanders, his mother was Mary Aldin Billingsley, her father was Jessie Billingsley, born in 1808 in Knoxville, Tenn. his father was Walter Billingsley born 14 July 1761 in Maryland.

We now have a little star in our family. She is my g. niece Julie Ann Redmond #14518, she is 9 years old. She is now playing the part of Baby June in the musical Gypsy starring JoAnn Worley, and JoAnn's husband plays the part of Herbie. It is now playing at Civic Light Opera, San Gabriel Valley, Cal. JoAnn's husband is Roger Perry. JoAnn was a star of Laugh In on T.V. Julie play's with the carousel kids of Claremont. She also played Annebelle in children's choras line and in Peter Pan. She came in 1st in the state finals for singing and dancing

in San Jose, Calif. She is the daughter of George and Marcia Redmond Jr. #14515 and #14513

Dear Cousin Edna

Thank you for your letter of 8JUL1988 and for the nice photos. I am sure you must have had a wonderful time with your cousin. Sorry we missed you when you were in Tucson. Hopefully we can get together on the next trip.

I have extracted and recorded all the details provided in your letter. I will be looking forward to another letter from you with whatever added information you can provide. I'm seeing your cousin perhaps you get quite a bit. However, I sometimes get to enjoying a visit only to realize later that I did not ask or record details.

Do we now say Delora Ann better was b. 9JAN1872 or 9JAN1871?

Hope to hear from you soon!

Sincerely yours
Phil Upchurch
