Dear Cousin Elsie,

Thanks for your letter of 13 MAR 2003 and for the 1888 Biographical Sketch of John Ferdinand Upchurch. I saw this article in a book in the DAR Library in Washington, DC in 1980 but made only a few notes on it. It is nice to have the complete article.

John Ferdinand is probably the most outstanding Upchurch of all times and I have learned a lot about him. I have a copy of a book he wrote. I have corresponded and visited with a number of his descendants.

The article is in error in reporting that John and Elizabeth (Bet) Upchurch were his parents. They were in fact his grandparents. Other than that the article is more or less correct.

John Jordan II is buried in Bellefontaine Cemetery in St Louis. There is a large monument in his honor there.

I am always available to correspond with anyone who has an interest in Civil War matters.

On good days we are now taking walks in our village to help my leg heal. We enjoy noting how plants are beginning to green-up day by day.

Keep well.

Sincerely yours
Phil Upchurch

Biographical Sketch of John Jordan Upchurch, Crawford County, Missouri

>From "History of Franklin, Jefferson, Washington, Crawford and Gasconade Counties", Biographical Appendix, Goodspeed Publishing Company, 1888.

***** -

John Jordan Upchurch (deceased) was the founder of the fraternity known as the Ancient Order of United Workmen, and was born in Franklin County, N. C., March 26, 1820. His parents were John and Elizabeth (Hill) Upchurch, also of Franklin County, N. C., the former of whom died when John Jordan was but two years of age. The latter was employed as a clerk at the age of twelve years, and clerking, farming, and running a sawmill furnished him employment until 1841, when he married Angelina Green, and soon after began keeping hotel at Raleigh, N. C., where it is said he conducted the first temperance house south of the Mason and Dixon's line. This venture, however, proved unprofitable; but possessing the happy faculty of always finding something to do, Mr. Upchurch was successful as an engraver, a railroad agent, horse-tamer, locomotive engineer and master mechanic. A strike in 1864 impressed him with the injustice done to both capital and labor by the existing unions, and he began to study principles that should underlie a union benefitting both. In 1868 was created the noble order of the Ancient Order of United Workmen, of which Mr. Upchurch was the honored father. In 1873 he located in Steelville, where his family still reside. During the latter years of his life he visited, by invitation, Grand Lodges from the Pacific slope to the Atlantic coast, and everywhere was most cordially met with expressions of highest esteem. Upon his visit to Cincinnati, Ohio, he was presented with a gold medal, bearing the emblems of the order, anchor and shield, the former set in diamonds, and, on the reverse side, engraved, "Presented to J. J. Upchurch, P.S.M.W., Father of the A.O.U.W., by the members of the Supreme Lodge, 1882." Mr. Upchurch died in 1887, deeply mourned by his widow and five living children. Of his sons, Theodore F., a machinist, served nearly a year in the late war, in Company K, One Hundred and Twenty-seventh Pennsylvania Volunteers, and married Sarah Millspaugh, by whom he has one daughter; John C., a carpenter, married Emma Wheeling, and has one son; William A., an undertaker, wedded Olivia E. Adair, and has two sons; Horace C. is also a carpenter, and Curtis L. is a barber. Two of the boys, John C. and William A., are members of the A.O.U.W., and all are Democrats in politics.

Dear Cousin Elsie,

After nine months of recuperating from my broken leg I am finally downstairs working on family history files. As I promised in my letter to you of 16 DEC 2002 I have returned to your letter of 16 NOV 2002. All the details you provided have been extracted as appropriate for my files. Thanks for the input.

I checked my file for your William Alan Bettis and could not make a connection. If you can place him in Central NC in early 1800's I might make a connection.

It is good to be back in business - I have 19 more letters to answer.

All Best Wishes!

Hello,

Enjoyed reading about your trek to England

and of course you just had to one up me! I fell in May, didn't break anything but got a concussion, vomited for 5 days n nights, couldn't eat for about a month, so much back pain, had berries inside around all the rods in my back lost 35 lbs in a month! figured I had a good start-So- really been pushing away from the table, ~~have~~ lost 69 lbs since May, shooting for a 100 lb off.

Hope your break heals good, cast are so hot, scratchy and all that good stuff.

Son Arvil was married three times

both of his other wives died this year - (Dovie Lucille Mahery Gorman Matney) and Brootie Taylor Gorman X

Sure wish I could find a picture of
my Edward upchurch,

I have 2 tintypes, one of my grandma
& her sister, their mom was Rosa Fudger
upchurch, they were Edwards grandchildren

I am working on so many sides of the
family till - all I do is climb trees!

I saw Betts on your side
I have Betts from N.C. to TN

William Alan Betts was my g-g.
grandpa, his daug (Gallie Ann)
Betts Married John German in
Gibson Co TN

Her mother - Williams wife, was a
Kizer - ring Amy Kells?

Really hit pay dirt on my mom's side
Goodmans & Browns, met a whole branch of
the Goodmans this July and got a 500 page
book on our Browns (all) because of
being on the inner net!

Bad luck forces our 4 yr old furnace West
out, Cracked heat exchanger, furnace man
says we could have died - so we got out &
brought an alert to put in by the furnace
right now we have 3 loaner electric heaters

3

From the insurance co who has ordered a part to fit it.

We have been to Drs so much of late, think I will claim them as dependents on my income tax.

There was an elderly lady living around Alton several years ago who was related to Edwards second wife, she had a tin type picture of him but wouldn't let me take it to copy. She was a school teacher, never married but I can't remember her name.

A Tal Wallace signed his death Certif.

This lady told me he was a blue eyed blond and was very religious 'Methodist' he wouldn't even shave on a Sun.

I will have to dig & see if I have her last address somewhere. Well, now that I have talked your ear totally off I will stop & give you X

Dear Cousin Elsie,

Thanks for your renewal on the UB for 2003 and for your nice letter. I have noted in your letter several family history matters that need attention. Unfortunately, I can't get downstairs to my records yet and your letter will be added (by my wife) to a growing stack down there to be processed. I'll get to them all in due course.

I hope you and I can mark 2002 off as a bad year and move on to a great 2003. It seems you have found an effective weight reduction program but I don't know if you can get it widely accepted. Since my leg problem has me being less active than before, Sallaire is putting smaller portions on my plate. As

soon as I get this ⁻²⁻ cast off I will weigh and see if I am winning or losing the weight battle.

In about 6 weeks the 4-month healing process for my broken leg should be far enough along that I can walk. That means a celebration about 1 FEB 2003. Oh Happy Day.

I hope you got the furnace problem taken care of. It sounds like a dangerous situation.

On 3 JAN 03 the Doctor will shorten my cast again and start me going to the Hospital Therapy Unit. It looks like January will be a month of concentrated therapy.

We wish for you and yours a Merry Christmas and a Great 2003.

Good Morning,

Get you thought we died over here! no
we have just been busy as can be.

after my husbands battle with cancer
we have sure been living life to the fullest

of interest - I found a upchurch lady
on the Indian Falls, she has a roll no.

also, an update on my Edwina
upchurch line

arril Gormans last two wives have
died, both in the same year, ones name
was Brootie Gorman and the other Lucille
They both died last year.

I have been working on my mom's side
of the family tree also, and made a major
breakthrough on it, she did not know who
~~her~~ grandparents were and I had no names
to work with other than her grandpa's name +
his children

one of his sons had an odd nickname
for a man "Rose" and that is how I finally
get a break, some one had a query on their
Goodmans and mentioned that there was a
golen who had a son nicknamed Rose in
their line. over

2

being on the inner net has brought me
several break throughs

I goofed up writing your check; if
they don't take it at the bank; send it
back & I will send you another one.

I shouldn't have any problems, I initialed
over my mistake & that is what I have done
before & it went fine

We have got involved with our senior
Citizens site and are really enjoying it lots to
do, am going to an art class on Tue. and
found out I can paint! doing sketching
also.

Planning a trip to Tx in July for more
tree research on both sides!

Eva Rhodes married Edward Upchurch

Eva Rhodes married Edward Upchurch
and she had a sister named Missouri
Rhodes, have finally found them Eneor
Eva had a twin brother named adam

an Mo-Rhodes married a Jim Laines

So I am constantly climbing trees &
digging up bones!

Dear Cousin Elsie,

Thank you for your letter of 1 MAR 2002
and for your renewal on the UB for 2002.
We are in the midst of preparing the next
issue and hope to have it in the mail
soon. I am waiting for a letter & a photo
a cousin promised to send for this
issue.

Thanks also for sending the details
on the last issue of April. I have entered
this information in their profiles and
on the master outline sheet. Please
do continue to send any new information
you get on your part of the family or
on any other Upchurch for that
matter. If you learn any more about

the Upshur Lady on the Indian Rolls
it would be nice to have its details.
We have recently gotten fairly good
evidence that my wife's mother had
an Indian ancestor. They are from
Eastern North Carolina.

You and your husband seem to
be very busy and that is the same
with us on this side of the river. We
keep having to make choice among the
things to do and I am sure it is
the same with you.

We had a very productive
three week trip to NC in December.
You can read all about it in the
next issue of the U3. We were warned
that the weather might be bad as
it can be in NC in December.
However, the weather was lovely.
We need to go back again.

Our next big venture comes next month when we leave late in the month for England. We will spend several days touring London and then have 3 days with Professor Ransome in Upchurch Country. With any luck the UB next fall will show a picture of us with Ransome holding the 4 letters your ancestors (and mine) wrote back to England in the 1650's. So far it looks like 3 other cousins will join us for the trip.

With All Best Wishes To the Retzies.

P. S. - your
rose is a
nice touch

and found something interesting
Some of the Betts married
Jacksons - the same Jackson
that Rosa Luella (Ella) upchurch
Married into!

Some where we were all double
Cousins

I knew there had to be a way
my grandma Katie Ellen met my
grandpa he living in Tx

His mother was a Betts, his

The deeper I dig the more

Dear Cousin Elsie;

Thanks for your letter of 11 MAR 2000 and for the \$7 in cash. I am recording this as a contribution to the Upchurch Research Fund. If I need to send you anything specific, please let me know.

I was sorry to learn of the passing of your son-in-law. I do not have his name and would be glad to have it for my records if you care to share same. I assume he was the husband of your daughter Penny. It is good you and your husband are helping her on the double-work. I am a fan of not-many trades. My wife says I am good with a pen but that is as far as it goes. She, on the other hand, can fix anything and has no fear at trying. She has a huge amount of get up and go as they say.

you referred to Eva Rhodes. Enclosed is a copy of my 3-Page, 7-Item Biopile on her.

Also I am sending a copy of my 2-Page, 4-Item Biopile on your ancestor James H, VI (X-50-33025) I wish we had more on him. Note that your ancestor Robert J.M. H, presumed son of James H, VI, does not appear on these records as he was not born until 1833 (in NC). Just when James H, VI died we do not know. Later records for the family surface under the wife Hannah as a widow & under the sons James Green H & Robert J. M. H. Please let me know if you have questions or more to add.

Good luck on finding a home for the cat. My wife is not generally disposed to pets (except me) but she did relent as the kids were growing up. For 10 years we had a lovely Boston Terrier named Crystal. Our three kids all have dogs & two of them have cats (one has 3 cats). Our daughter is an 18th 2nd Boston Terrier. Our son has a Boxer. All these animals are like family members. I call them my grand dogs and grand cats!

we, like you, are extremely busy. We are in the process of building a new home. Our present house goes on the market next week. We are busy decluttering the house and cleaning it for showing. In the midst of all this we leave on the 29th for 10 days in Tucson to watch over our 3 grandkids there while our daughter goes with her husband on a business trip to Australia - These grandkids are ages 12-18. They probably think they will be taking care of us. When we return I have to get busy and help plant 500 acres of soybeans. In the meantime I am negotiating with our 3 farm operators to take on more responsibility next year. In about 6 months we hope to be free - or - a bird. Maybe I can get on the Internet.

It's always good to hear from you.

Sincerely yours,

Dear Cousin Elsie,

Your letter arrived yesterday and I have now extracted all the information and entered on the master outline and in the various Profiles. The photo of the monument in New Hope Cemetery turned out nice. I was thinking I might go to New Hope for a visit down near our church. We attend church in Town & Country which is about $\frac{1}{2}$ way between Lake St Louis and SainteMarie St Louis. I had thought we would go on downtown to have a German lunch at the Strassenfest which is underway just now and then go on to see a WWI exhibit at Jefferson Barracks and then take a look at New

Hope Cemetery. You beat me to it. I take it the map was useful or perhaps you had gone to the cemetery much earlier. If we do go to the cemetery your photos will help us find the sites more easily. Let me know if you want the photos back.

Esie, I have sent you quite a few items and cannot think of more to send right now - but I do have more on your father's Upland Ancestors. Please let me know if you have questions or if there is something else I can send. Those of us interested in family history have to stick together. Other people think we are crazy. My wife does humor me.

You can see I collect full names (full maiden name of females), dates of birth/marriage/death, and place of birth/marriage/death/burial. For place I like to include the town/city/county/state and name of cemetery if available.

With Appreciation.

Sincerely yours
Phil Upland

Dear Cousin Elsie,

Thank you for your letter which arrived 22 JUL 1999 with the family details. They have been extracted and recorded on the Master Outline and in the various Profiles. Provided herewith is the updated copy of the Master outline for the family of Luella Rosa Lee (W) (Hudson) Jackson. Please let me know if there are corrections or additions or if there is something you would like me to delete. I would always be appreciative of any improvements you can make in this outline now or in the future. I am especially interested in the siblings of Luella Rosa Lee Upchurch and her parents and her Aunts and Uncle. These people tend back in the 1800's and information is hard to get. Let me know if you want me to ask specific questions. You are one of only four cooperators I have had on the descendants

of Robert F. M. Upchurch. we need more cousin
to help.

Enclosed is a copy of my 3 page - 5 item
Biopic on your ancestor Robert F. M. U. Please
let me know if you have questions or additions.

I was curious about where Luella lived
and was buried in the St Louis area. I
was going to ask you but decided to dig
into my St Louis maps. Enclosed are expanded
copies of the sections of said map that I
thought showed W. Loretta street & New Hope
cemetery. Note that this is just close to
Jefferson Barracks a famous St Louis Landmark.
Do I have the right place? Have you ever
been there? Maybe there are monuments there
for Luella & possibly some of her heirs.

Elsie - thank again for your interest &
for your sharing. I hope we can help each
other some more.

Sincerely yours

15 JUL 1999

Dear Cousin Elsie,

Thanks for your note of 13 JUL 1999.
Regarding the confusion on the trees in
Englandia I have to agree with you. That
is why I prepared Presentation 5 which appears
on pages 11-13 of the copy of Englandia you have.
Our ancestor Michael Upchurch, I b. about 1624
who came to America about 1638 appears
near the bottom of page 13. Maybe this will
make some sense - maybe not. - we keep
trying.

You suggested I ask questions name-by-name.
Often this is what I do. Enclosed is a page
of questions about the family of Fuella. Certainly,
all of this detail is not essential but I will
be grateful for anything you have or can get
and will share.

As a part of our exchanging details I enclose herewith a gift of Upchurch Bulletin Vol 18 No 2 (APR 1991). On Pages 61-67 you will see the record of the trip Trux and I made to Bellinger Co, MO. The James U, VI mentioned in the Grandfather of your GGM Luella. James U, VI was the son of Harmon U (Head of Upchurch Class #16). James U, VI had two sons James Green U and Robert F. M. U. Robert F. M. U was the father of Edward Green U and the GF of Luella U. Please let me know if you have questions.

I am sure you are right about me enjoying the Internet - but where does one find time. Much of what is in the Mormons Records is what I have compiled (I send my records to Cousin Clyde U in Mesa AZ and he inputs them under his name. He is a good Mormon) Cousin do unload from the Internet & send me records, some of that is new & useful to me - some is in error - & most is a duplicate of what I have. Still - The Internet is powerful.
All The Best.

Sincerely yours
② Phil Upchurch

Hello

Got the copy of Englandia, Thanks.

I'm not sure what you want to know about who-

When those trees are made out like that they confuse me.

Just ask me by name and I will try to tell you what I know.

However I don't know much other than what I sent you.

I am trying to work on the Rhodes and Hudson lines, don't know much about them at all.

The upchurch line is on the L.S.D. (Mormon Church) web page.

You really should get on line, you would have a ball chasing trees (HA)

Dear Cousin Elsie,

Thanks for your letters of 30 JUN & 3 JUL which have now been fully received. We have enrolled you as a 1999 subscriber of Englandia. The first 1999 issue has been produced and is forwarded herewith. The second issue will be send when it is produced later this year.

You asked about the additional children of Robert f. M. II. I provide herewith the 6 pages of my master outline for Robert f. M. II. These can be added to the single page for him I sent earlier to give you the picture for his 9 children including also his grandchildren. Please let me know if you have any additions, corrections or questions regarding this set of details.

Would you have another look at continuation Sections 17 & 18A I sent you with my letter of
→ [

29 JUN 1999. I would hope you would have some details to add to these sections. If there are some bits of information you prefer not to share I will certainly understand.

We have just returned from a 5-day trip to Wayne Co., KY where I attended an Upchurch Reunion and where I gave an Upchurch lecture with emphasis on the George W. Class. It was a very enjoyable trip. Now I am behind on a number of things. It seems like a normal start.

I do hope you find more on the internet and that you will share same. I am always excited and pleased to have a new cooperator and new found cousin.

P.S. - I usually do not exchange stamp money or at sort of balance out.

Phil. U.

Dear Cousin Elsie,

Your nice letter of 25 JUN 1999 arrived yesterday and I have spent about ten hours extracting your records and meshing them with mine. Your set and mine match nicely but as you can imagine we have more work to do.

Enclosed is a copy of my Master outline sheet for your ancestor Edward Green II and his children. Descendants, if any, if known, of his children are covered in continuation sections as indicated by the number on the left hand side of the page (17 & 18). Copies of these two continuation sections are also provided (after the pink sheet). Actually you provided all the data in these two continuation sections.

Would you please have a look at all of this and see if I have made any mistakes or if you have more information to provide, you

will note that I collect full names (full maiden name of females), date of birth/marriage/death and place of birth/marriage/death/burial. For places I like to include Town/County/State and the names of cemeteries where available. Of course we never get all this detail but we can try.

I don't know if Edward Green II had more than four children. Perhaps you know or can find out. I wonder what happened to Ellen.

Robert J. M. II [Robert in your records] had at least 9 children of whom your Edward Green II was one. I have some detail on the others & I can send you in due course if you so desire.

You will note that Robert J. M. II was the son of James II, II who was the son of Harmon II. Harmon II is the Head of Upshur Class No 16. There are 22 such classes in America each headed by a member of the 5th generation of the Upshur Family in America. Michael II, I was the first generation and he came to America from England about 1638.

Robert J. M. U and his brother James Green U came to SL Missouri before 1850. Before that they were in Henry Co, TN and before that they were in NC. It would seem your ancestor Edward Green U was named after his Uncle James Green U (or at least the Green part).

Your records show that Susan Rice was the mother of Edward Green U. I wonder if Susan Rice and Susan C. Walker are the same person. Maybe Susan married a Mr Walker before she married Robert J. M. U.

I am sure a number of questions will occur to you as you work on meshing your records and mine more effectively.

Thanks for the invitation to visit. I'll keep your instructions and perhaps one day I'll be passing your way. It would be great to visit. In the meantime we can stay in touch by mail.

I can think of lots more questions but will stop for now.

Sincerely yours

Dear Cousin Elsie,

I was pleased to get your letter on 23 JUN 1999 expressing your interest in your Upchurch heritage. We have probably more detail than you would ever want but let's exchange some letters and see where we go. Enclosed are details on the Upchurch Publications and a copy of our "freedom" document.

I have Edward Green II in my system and a good linkage for him to earlier Upchurch generations. Also have a rough outline of his descendants but your records on his descendants must be much complete than mine. Would you send me a copy of any organized material you have on the descendants of Edward Green II? I will then compare your records with mine and send you the

combined result, you show his daughter as
 Rosa Luella A. The closest I have to this is
 a daughter named LUELLA PEARL A b. 2 JUL 1837.
 Do you think these two are one and the
 same? I would guess so.

After a look at my records I don't think
 I have anything to add on Susan Bee Mission
 Rhodes. She could have been the mother of Eva
 Jane Rhodes but I do not have evidence for
 or against this.

About two years ago I made a trip to
 Bollinger Co., MO to do Upchurch records and
 had an interesting visit. The details are
 reported in one of the issues of the Upchurch
Bulletin (U.B.). One issue also deals specifically
 with the ancestors of the Bollingers Co., MO
 Upchurches.

Upchurch was never Churchill - sorry!

I'll look forward to hearing from you
 and working with you based on your level
 of interest.

P.S. - I am not
 on line. Phil H.

Sincerely yours
 Phil Upchurch

Hello,

I got your name & address on line and understand you are researching the Up Church family.

Edward Green upChurch was my great grandfather.

His daughter Rosa Suello who married John Hudson is my g-grandmother. I found Edwards grave & got a death Certf. on him.

I would love to have any information you have on him - Robert, Susan Rice

Missouri & others - who was she? Was she Eva Jane Motter?

Was upChurch one time Churchill
I would gladly pay for copies & postage for anything you send.

Are you on line?

Dear Cousin Elsie,

Thank you for your renewal on the UB for 2004 and for your words of encouragement. I enjoyed your drawing of the fish and have saved it. You have a talent for drawing - I don't.

My health is great - just have to exercise a lot and follow a proper diet. So far its working great.

We got the UB Vol 24 No 2 in the mail yesterday. Now I can "catch up" - Fat chance. Like you I've got too many issues in the file.

All best wishes to you & your husband for a very Christmas.

 sincerely yours
Robert Phillip Upchurch

Hi

Nov 19-03
Baldwin, IL

always enjoy hearing from you, glad your heart surgery went well
my hubby had two bypasses and later a new valve put in, so we
kind of understand what you have been through!

My husbands brother married a girl from China, Beijing and
they built a new home there, plus have one in Texas, they spend
part of the year there and part in Tx he is a retired Dr. of Math
from two univ's.

I am working on so many different lines - probably am
not doing justice to any of them, do enjoy your paper a lot
know it must take a lot of your free time.

As you can see I'm still working on my art hobby, have had
folks ask to buy my Cards - may just Copright and do that
one of these days. Take care, get well.
