Hi Gary

In the process of reviewing some of my records, I have gone over past exchanges dealing with our mutual interests, especially those in Wake County, NC. While we have not, so far, found an Upchurch ancestor for you, there are many families in which we have a common interest including the Hursts and the Goodwins.

I can be of some help in developing a plan for continued interaction. However, the days I have left are fewer than before. Therefore the next option is to link you to our Allied Families facility in Cary, NC. We are having great success in developing our national headquarters there. Also, we are moving as fast as possible to process our written records into digital files. Eventually you, and others, will be able to access these

As an interim step, if you will let me know of some limited scope project on which we could move ahead, I would be more than happy to work with you.

So that you will have an ongoing contact with our Cary facility, I am sending a copy of this email to our Volunteer Coordinator, Carla Michaels, in Cary. I feasible, you could come down from Maryland to visit our Cary operation.

It would be a pleasure to develop our collaboration more fully.

Sending all best wishes,

Phil Upchurch, Manager Allied Families

I visited the Cary facility last week and they were not far enough along with the transcriptions to be any help to me.

I was trying to get info on Lena Hurst and Martha King Hurst

Hi Gary---

Thank you for your \$50 check in support of Allied Families which arrived on Friday. You are being credited with a 2018 prepaid membership. Your financial support is encouraging.

For the last two days I have returned to getting my Hurst Biofiles up to speed. This included finishing processing the excellent inputs from your email of September 6 which I had worked on but not finished. I also did more research via census, Find A Grave ,etc. My Hurst Biofiles are now in better shape but there is always more to do.

I have a couple of questions as follows:

1. What evidence do we have that Kendrick M. Goodwin was the Father of the Hurst children that Martha Hurst had? In some records I see that Martha had a husband Kendrick Hurst but I assume there is no such person. Agreed? (I took a y-DNA test and the only matches I had were Goodwins. We then found out from a cousin that it was common knowledge the the Hursts were not Hursts)

2. Do we know the maiden name of Martha and the name of her father? (Martha M. King)

3. At some places I see Martha listed as Martha M. King Hurst. Does this imply her maiden name was King and that she married a Hurst? (Yes, she supposedly married a William Hurst, had one child, and William supposedly was killed in the civil war). There are about 6 King families in Wake County including 3 in the are of Swift Creek Township. Some are more well defined than others. (Kendrick had a brother, Jefferson, who lived on the farm next door, had a maid named Nancy King, who Jefferson subsequently married)

I will welcome any information you have on these items. In defining your heritage you might want to consider a DNA test as a part of our Allied Families DNA Program run by Brenda Carbon in our Cary, NC Facility.

I will check with Jay Buck, our Webmaster, about how we stand archiving your digital records. After that and I hear from you again I would like to explore just how we might collaborate going forward. I have some ideas and perhaps you do as well.

Wishing you the best on this a beautiful Christmas morning~

Phil Upchurch, Manager, Allied Families.

My theory is that it all revolves around Ephesus BAPTIST Church, which had a pastor by the name of Solomon King. Martha is buried there.
