Dear Harriet,

The enclosed letter documents your generous 2016 in support of the family history project on which you and I have long cooperated.

Jan will share with you the Upchurch Bulletin for 2016 which details our shift to the digital world and which your support has made possible.

Provided is a summary of what we have done and what we have for 2017 with your help.

I want you to know that Jan is taking a lot of interest in our family history work. My daughter Deb Nech is doing the same. It is nice to have another generation on the scene.
