Dear Robert:

Mrs. Aileen I. Tarver
5501 Parkwood Dr.
Raleigh, NC 27612-6230

I'm sitting here reading a letter dated 2 Dec 1997 written to me by you. I'm still working on the Rogers - Upchurch Family. Was at our archive this week. Looked at the Upchurch Newsletter, looking at the "Missing Link," Vol 15 #2 April 1994.

My husband came from the Joseph Rogers (Sr) line twice. He came from John's son Green and Jobitha Upchurch Rogers, and from Sarah Rogers and John Jagger.

John Rogers and Prudence — Children:
Green married 1st Jobitha Upchurch on Jan. 16, 1786 in Johnston Co., NC. Borderman was James Baucum — Green's brother-in-law.

Green, died 22 July 1842 in Wake County, NC near Busbee's store, married 10 Jan 1837 in Wake County (Raleigh) NC to Penira Clifton. When Green died what a mess his and Jobitha's children caused because they thought she (Penira) would get everything he had - no will.

I've wondered about Thomas as a name.
Isn't it a Bible name? Now I've
discovered it is a family name. I've just
found that there were Ischem families
in the area where the Rogers lived.
Now I'm wondering if Ischem could have
been a family or friends, ^{last} name.

Someone wrote about a book I had
written on Green Rogers - Vol 14 #3

July 1993 - page 111 and the other reference was on page 79 - not sure which but it talks about your buying Maurice Roger's book but could not find the one I had written. Well it is not a book - the article I wrote was in the Wake County, NC Heritage book - published in 1983.

I'm enclosing a copy for your files. I'll be happy to help any way I can.

I'd would like to know Talitha's parents names.

The Raleigh Register and North Carolina Gazette, July 26, 1842, page 3.

Died: In this county, on the 22d instant, near Busbee's Store, Green Rogers, aged 84 years, a soldier in the Revolutionary War. He was as good a neighbor and as honest a man, as is now alive. Well might Pope say; A wit's a feather, a chief's a rod, An honest man's the noblest work of God.

Little is known about Green Rogers until his death. His grandfather was Joseph Rogers whose will was written in Northampton County, NC, 18 February 1752 and probated in February Court 1752. Joseph's children were: John, Joseph Jr., Aaron, Isham, Reuben, Drurey, Michael, Sarah who married John Tarver, Mary who married Matthew Lowrey and Faith who married James Wooten. Green's parents were Isham and Prudence Rogers.

He married first in Johnston County to Tabitha Upchurch, 16 January 1786. Their children were: Cynthia wife of Henry Crawford, Gilly wife of John Poole, Theny widow of Davis Smith, Winefred wife of Burwell Poole, Sythia dec'd wife of Bryan Ferrell, Letha present wife of Bryan Ferrell and Edwin.

In the *Raleigh Register & North Carolina Gazette*, February 7, 1837, appeared the following information.

Married: In this county, by the Rev. Littlejohn Utley, on the 10th. Mr. Green Rogers, aged 76, to Miss Penina Clifton, aged 49. (Wake County Marriage Bonds — Vol II, I-R, page 448).

The said Green Rogers died without making a will. Wake County Record Book #25 (WCRB #25), pages 150-1, November Term 1842, one years support was allotted to Penina. Wake County Court of Pleas and Quarters Sessions May Term 1843, the children of Green petitioned for their share of their father's estate.

WCRB #25, pages 267-8, the jurors of the court and the sheriff of the county reported they had met on the land owned by Green Rogers, dec'd and had approved of the division of land done by Sion Rogers, County Surveyor. This gave Penina her widow's dower of 177 acres, 24 poles plus the home. WCRB #25, pages 348-9 details the land that was divided among the children or heirs of children. The remaining 235 acres, 20 poles were divided into 7 parcels, WCRB #25, page 129 and 134 is a list of the property of Green and to whom it was sold. Page 570 of the same book is Johnson Busbee's administrators account report of Green's estate.

Uplurch-Rogers interactions in my files for the 1800's in NC all trace back to Joseph Rogers, s.d. 1752

I really appreciate your offer to collaborate. Let me offer some opportunities for us to work together

Enclosed is a single sheet showing that I have started a master outline on the assumption that Talitha U was most likely the daughter of John U, III (The U's you read describe this assumption in detail). I would like to augment this tentative outline. Do you have some already organized material you could send me on how your husband's line traces back to this group? This would be very helpful to me and could lead me to some new approaches.

If you think it would be helpful I would be glad to send you copies of Profiles of members of the Rogers Family for whom there is a known connection to the Uplurch Family. I would guess

⑨

there are about 20 of these. In each case I know exactly how the Upchurch Family member links back to the main Upchurch Family Tree - but in most cases I do not know how the Rogers Family member links back to the Rogers Family Tree. There could be a mutual interest for us here.

I had thought to write you a paragraph on the logic of proposing that Talitha U was a daughter of John U, III - but upon rereading the UB's cited above I see the story is already told there. I could send you copies of the relevant pages if you so desire.

If you are interested in John U, III, I'd be glad to send you a copy of his Biofile which contains all of the raw data I have on him.

My reference to Wake Co, NC families and to those of nearby counties are quite extensive. All 16 of my Great-grandparents lived in central NC and interesting linkages

show up often.

We made two trips to make 20, NC in 2001 and I hope to make one or two each year. For the present we are looking forward to a trip to England 2-7 MAY 2002 when we hope to see the actual letters our American Upchurch Ancestor, Michael U, I, sent back to England 350 years ago. They are preserved in Cambridge University.

I tried to call you several times yesterday but failed to get through so elected to go ahead with this letter to move our association along. I'll look forward to working with you in whatever way and at whatever pace suits you based on our mutual interest.

With All Best Wishes..

Sincerely yours

Dear Mr. Tarver,

As you will see from the enclosed items I am deeply involved in Upchurch family history research. I have returned numerous times to your article on Green Rogers in the Wake Co, NC Heritage Book to figure out how TABITHA UPCHURCH fits into the Upchurch family. I have never solved this puzzle but I now have a proposal based on circumstantial information.

If you are still interested in family history and would be willing to exchange information, it would be a great pleasure to hear from you.

Sincerely yours
Phil Upchurch

Hello Mr Irvin---

May I introduce myself as Robert Phillip Upchurch a native of Wake County, N.C. born there in 1928 and now living in Missouri. For forty years I have been the historian for the Upchurch family. I write to you in you capacity as Senior Deacon of the Green Level Masonic Lodge. I hope you will indulge me in bringing up a couple of subjects.

My Cousin, Billy Mills of Georgia, has called to my attention the Lodge website where one notes the first officers of the Lodge. There are two broad connections between the Lodge and the Upchurch family. One is that the land on which the lodge stands was owned by my GGGF Nathan Upchurch, I when he died in 1835. I have published in the Upchurch Bulletin a map showing the various tracts the Upchurch family owned prior to the Civil War. I continue to collect and share details about these tracts and would be happy to interact with anyone who might have an interest in this matter.

Further, I take note that all six of the first officers had Upchurch connections. Four of them married Upchurch females, one had a son who married an Upchurch and one, Golden Almon Upchurch, Sr, a grandson of Nathan, was an Upchurch. If there is any interest in these relationships I would be happy to enter into a dialog about them.

In a somewhat related matter I seek information about a Colored Lodge that existed from before 1910 to the 1930's on Tryon Road. The one acre tract on which this lodge stood adjoined the tract on which I was born. I seek more details as I am collecting information to prepare a history of Swift Creek Township.

I am in hopes that the Green Level Lodge has someone who has the assignment to deal with history or that someone in the Lodge has and interest in some of these matters.

It would be a pleasure to hear from you or one of your colleagues. Feel free to have a look at my website <www.upchurchstory.com>

With All Best Wishes.

Phil,

I don't know that we have a historian per se, but you have found one brother who is deeply interested. I am also glad that we have people reading the website. I will actually bring up your communication at our next lodge meeting. I am on the committee for education and this is a wonderful history to present to our lodge.

In fact, I was just contacted by the person who now owns the old lodge building. I am hoping to do a write up of that as well. How much land did the Upchurch family own? I am very familiar with the Upchurch Farms housing development, but I am not familiar with where Upchurch actually sat as a small township. Given the name, I assume your family was largely involved?

I tried looking at your website, but I kept getting an error, HTTP 503, where it couldn't resolve the server name. Have you published this site yet?

Hi Lee---

Delighted to hear from you. I made an error in my website listing. It should be <www.upchurchstory.com>. When you get to the website call up the Upchurch Bulletins and look up Upchurch Bulletin Vol. 4 No. 2. There you will find the Upchurch land laid out in detail. The tracts totaled about a thousand acres. Upchurch Farms is a little further east on land owned by Nathan's son Hubbard about 1855. Many of Nathan's grandsons settled in that area as well. The story goes on and on. Over time I would like to learn your particular interests in local history/local families.

Best.
