Dear Cousin Beverly,

I have spent the last couple of days working on the packet that arrived from you on 2 Dec 1997 and want to thank you for it. All the details are now extracted and have been entered on the master outline and in the main index. XID's 43723 - 43754 have been added based on the information you supplied. They will appear in the next U.B.

Thanks for the Cemetery Directory for Union Christian Church, Greene Co, AL. This was new to me and has been made a part of my Cemetery File. I am returning herewith your copy of this along with the other items you requested be returned.

On the Cemetery Directory I have entered in pencil the XID's for all members of the Extended Upchurch family I can identify. If you can identify any more who are members of our extended family, I would like to have the information

In particular I would like to know how John and Janie Walker fit into the family. Their infant daughter appears as Entry 23 in Row 10. I have been able to identify all other entries where WALKER is a part of the name.

Here are some specific questions that have come up as I perused your letter:

- #1 Lewis Tee Adcock, Sr was born in WINSTON COUNTY - but was this in AL or MS? (Both States have a County by this name.)
- #2 See continuation section 66B. CINDI MARIE WALKER had a son CAMERON LANDON. Was this a child born out of wedlock to CINDI in which case I presume the full name of the child is Cameron Landon Walker - or did a Mr LANDON (husband or not) father this child giving it the last name LANDON?
- #3 JAMIE RENEE WALKER is shown as born in FORT LEONARD WOOD MS. I assume this should be MO as Ft Leonard Wood is in MO not MS
- #4 Re the need for information on 1/2 brothers and sisters of Joe Henry Adcock. I assume these 1/2 siblings are children of Lewis Tee Adcock, Sr by his 2nd wife so I would not need this information - but thanks for asking.

Enclosed is an updated copy of the Masley outline for Joseph Benjamin U, his children & grandchildren plus continuation sections 39-42 & 59-74 which cover the descendants of his grandchildren

Thanks to your input and that of others we have made wonderful progress in documenting the Joseph Benjamin U line in the Able U, Sr / John U. Sudan. Joseph Benjamin U was the 15th and youngest child of John U. For many of the siblings of Joseph Benjamin U we have also made great progress in documentation. Our Masley outlines for these lines are greatly improved over what they were 3-4 years ago - and starting from almost nothing 10-15 years ago.

If you want me to write any particular individuals, just let me know. I get answers from only about 1 out of 10 that I write. You can see my experience is similar to yours. Once we find that a particular person does not have interest in cooperating there is no point in bothering them. However, sometimes they just need prodding.

I will leave it up to you or to have much effort and in what way you see to collect more details on the family. I am deeply grateful for what you have done and will welcome any additional details you can collect.

I hope the judge finds much improved from his injury. These things take time. Sallaine slipped on some spilled liquid soap in a store two months ago and hurt her knee and back. She still has a sore knee.

It is great to hear that you are so involved with the kids and they with various activities. As the years go by you will realize what an important thing you are doing. The kids will look back with appreciation - I know we do.

We were blessed with company of one sort or another for a full month in December. A great time was had by all but Sallaine and I are glad to have our peace and quiet back. The

next big family thing for us will be the
birth of our 8th (and probably last) grandchild
next MAY in Minneapolis. Our son and
his family moved up there last summer. If
a boy, ~~that~~ would be my only UPCHURCH
grandson. Naturally, I will gracefully accept
what comes. We will no doubt go up so
Sallaine can help with the event. They
can't get by without her - and neither
can I.

You asked about the 1998 Yuletide
Publication so I am enclosing flyer.

with appreciation for your continued
interest and help.

Sincerely yours
☺ Phil Yuletide

{ROBERT PHILIP UPCHURCH}

I will be most grateful for any corrections or additions you have for this Master Outline Postion. Perhaps you will find someone on your trip who can help improve this documentation. Just in case you encounter someone who has a desire to know, provided herewith are extra flyers on the Upland Publications.

Enclosed are Pages 32, 33, 34A, B, & 38-45 from a packet sent to me with a letter dated 9 FEB 1999 from Daniel Scarborough Heyle, Jr.. The larger packet he sent deals with HORTON & CHAMBLEE family history. I follow these two families to some extent because they lived side-by-side with the Upland Family in Surry Co, VA in the 1700's, and likewise in the area of Eastern Wake Co, NC from 1750 to the present. Then some of all three families migrated to Greene Co, AL / Pickett Co, AL / MS starting about 1820. Church's ancestor Abel U, Sr was one of those who made this move. The enclosed Heyle Packet shows some of the Hartons who moved to Greene Co, AL. I hope you will take this packet to the meeting at Union, Greene Co, AL and see if you can identify

any descendants of Abel U, or who may have intermarried with the Hortons who also came from Wake Co, NC. Perhaps they will have a place you can post this question.

I have not found any case in which Horton descendants & Yulburch descendants interacted/named/whatever in Greene Co, AL.

There are several documented instances of interactions/managers in Wake & Franklin's counties in NC. In fact the best man at our 1948 wedding in Raleigh, NC was a Horton/Chamblee descendant.

It is recorded that the Hortons lived around Pleasant Ridge in Greene Co, AL which I do find on my map. It is also recorded that some of our Yulburch Family are buried at Pleasant Hill Cemetery in Greene Co, AL. I don't know where this cemetery is in Greene Co, AL. Perhaps you might be able to ask a few questions about the location. I would love to know.

Sallaine finally recovered from her horse / back injury resulting from her fall on a detergent spill in a store in DEC 1997 but it took several months. Then she had two bouts with internal pain / bleeding in 1998 which involved 2-3 days stay in the hospital each time. They never found out for sure what the problem was but everything cleared up and for the last six months she has been in great shape. They guess the problem was a mild case of diverticulitis. It did not seem mild to her - or to me.

Our son's 3rd child turned out to be a beautiful girl - Jenna Lane Upchurch born 24 APR 1998 while we were driving across Iowa on our way to Minnesota to help with her arrival. Barry & Diane & the three girls have since moved back to the St Louis Area and he has decided he he is business for himself. He is now the head (broker) of his own Realty company and has formed a Development LLC and a Publishing LLC. He is all set to make money but none has come in yet. It drives his mother crazy. She cannot abide uncertainty

5

for any of her brood. I have to tell her often to concentrate on improving me and to leave the others alone.

Our daughter Nehra & her husband and family in St Louis are doing well. She is in the bread-business and is doing well as a Purchasing Director at Monsanto with 60 employees under her. Of course she has to weather a company storm (takeover/reorganization) every 6-18 months. Husband Robert does take care of the two kids but he is a lousy housekeeper - but a brilliant conversationalist - MENSA member.

Our daughter Nella & her husband and family in Tucson are also well. Their children 11, 15, 17 are a real challenge. A 17 Heather is rebellious but I don't see any serious damage. She is teaching herself to play the piano & the violin and doing a good job - sounds impressive to me. She is also a good artist and when we were in Tucson in February she gave us a pencil drawing of Mother Theresa she had copied. It

6-

is quite good and I am sure Sallaine will find a place on one of our walls for it.

You can see what you have before you when grandchildren begin to arrive.

Sorry we can not make it to Greene Co, AL. Know you will have a grand time. Hope you can collect some bits of information for me.

I hope Chuck comes along with his surgery in June OK.

With All Best Wishes

Sincerely yours
☺ Phil Upchurch

I WANTED TO LET YOU KNOW WE WERE GOING BECAUSE THERE WILL BE A FAMILY REUNION ON SATURDAY APRIL 3rd, 1999 AT THE UNION CHRISTIAN CHURCH IN UNION, ALABAMA. THE REUNIONS ARE ALWAYS ALOT OF FUN AND ITS NOT ONLY THE UPCHURCH SIDE BUT ALSO THE HERNDON'S AND JONES'. THE JONES' ARE CHUCK'S MOMS SIDE OF THE FAMILY. I SOMETIMES HAVE SUCH A HARD TIME REMEMBERING EVERYONE BUT WE REALLY HAVE A GREAT TIME. AFTER THE REUNION WE ALL GO BACK TO CHUCK'S AUNT AND UNCLE'S HOUSE THAT'S H.O. AND CHRISTINE UPCHURCH. WE STAY UP THE ROAD AT THEIR SONS' HOUSE AND THAT'S TOMMY UPCHURCH. IT WOULD BE GREAT IF YOU AND YOUR WIFE COULD COME, WE'D ALL LOVE TO MEET YOU AND YOUR FAMILY.

I FEEL BAD THAT I HAVEN'T WORKED ON OUR FAMILY TREE BUT WE ARE JUST SO BUSY. OUR OLDEST IS NOW IN HIGH SCHOOL AND IS ON THE DRILL TEAM. SHE'S ALSO IN 4-H AND RIGHT NOW SHE HAS 2 MEETINGS A MONTH. AND IN A WEEK SHE START PLAYING SOFTBALL. CAROLYN OUR 2ND DAUGHTER IS VERY BUSY WITH SCHOOL AND HER GRADES. SHE'S ALSO IN 4-H AND SHE HAS 2 MEETINGS A MONTH ALSO. SHE WILL ALSO START PLAYING SOFTBALL IN A WEEK. THEN THERE'S CHUCKIE OUR YOUNGEST. HE'S NOT IN 4-H BUT HE IS ALL BOY. HE'S PLAYING BASEBALL AND HE PRACTICES 2 DAYS A WEEK AND HIS FIRST GAME IS MARCH 6th SO HE'S PRETTY EXCITED ABOUT THAT.

I WILL BE TAKING ALL OF MY STUFF WITH US ON OUR FAMILY TREE JUST IN CASE SOMEONE HAS QUESTIONS OR ANY OTHER INFORMATION FOR ME. SOMETIMES THEY EVEN CORRECT ME AND MY INFO. BUT THATS OK I GRACEFULLY CHANGE WHATEVER AND GO ON. HA HA HA

HOW IS SALLAINE DOING WITH HER KNEE AND BACK? CHUCK IS DOING BETTER BUT HE WILL HAVE TO HAVE SURGERY SOMETIME THIS YEAR PROBABLY IN EARLY JUNE OR SO. IT'S REALLY BOTHERING HIM AT TIMES ESPECIALLY IF HE USES IT ALOT. HE DOES USE IT ALOT CUZ HE IS RIGHT HANDED. DID YOUR SON AND FAMILY HAVE A BOY OR A GIRL? HOPEFULLY A BOY THAT WOULD BE GREAT ANOTHER UPCHURCH!!! BUT OF COURSE A GIRL WOULD BE GREAT TOO!!!!!!

PAGE 2

Also enclosed are copies of pages ② & ③ of your letter showing the notes I have made. I was able to identify all in your list that started at the bottom of pg ② - except for Nancy Coleman Upchurch. Her dates are somehow wrong b 1839 & 1962 ?? (died at age 143!!) I was able to identify all the Upchurch descendants who attended the gathering

You asked for details on the ancestors of John U (XFD-3766). Enclosed is a copy of the master outline (2 pages) for John U and his daughter Mary Jane U down to her grandchildren. Let me know if you need the master outline page for his other children

Going back from John U (XFD-3766), I provide herewith my crude 11" x 17" chart with his father Abel U, Sr (XFD-589) highlighted. The siblings of Abel U, Sr are listed just above him. Then I highlight the 4 earlier generations. This is somewhat sketchy but it should get you started. I'll be glad to provide more details. Just let me know what

in next en year list and I'll work on it.

You show that Joseph Benjamin U (KIT-3797) was born in NC. I have several bits of information that indicate he was born in AL. The general arrangement of the family also indicates AL as a logical choice. However, I could be wrong. If you have specific data let me know and we can compare notes.

It is great to have you as a cooperator and to have your interest. My best to you and Chuck.

Sincerely yours

DEAR PHILLIP,

Well we're back from our wonderful vacation! Always good to go but always good to get back and in the flow of everything.

→ [HERBERT OTIS U, SR]

Enclosed are alot of different things. I'm going to write to Uncle H.O. Upchurch and remind him to send me an updated Map of Greene Co. actually its a Highway Map. I have a 1983 copy but I'm sure he'll be able to get us a couple more. Anyways we've been to Pleasant Hill Cemetary many a times before this trip I didn't realize you needed to know where it is. Well its off of County Road 181. This map I have is very old so when Uncle H.O. sends a new one I'll be able to explain it better. I will also write to the Cemetary and see if we can get a list of who's in the Cemetary.

Also in this Cemetary was the name COLVIN. You had asked of Floyd Colvin's place but no one knew of it, so here's what we found:

FLOYD V. COLVIN, SR. B 10-09-1904 D 10-23-1987 "V" = VIDMER
BESSIE U. COLVIN B 10-18-1907 D 05-11-1974

Alot of Chuck's Mom's side of the family is also buried there at Pleasant Hill. But no one really knew of a Floyd Collins Place or Floyd Colvins Place. SORRY!!!!!!!

Am sending back some copies you had sent to me a long time ago I just came across. You may already have some of the information.

I'd like to know if I could get copies of this Upchurch Clan from John Jack Upchurch back to Michael Upchurch what I'd like would be all of their brothers and sisters and dates and

UNION CHRISTIAN CHURCH CEM., UNION, GREENE CO, AL :

I also have more information on Joseph B. Upchurch's wife Fannie Mae Wilson Upchurch we went 2 years ago to another cemetary across from Uncle H.O.'s house and Chuck's Dad helped us figure out who these headstones belonged to. As I've looked at the dates it all just doesn't make sense. But I'm now one to argue with anyone so here goes:

- #1 - SIDNEY M. WILSON B 09-20-1850 D 04-06-1935
ROSA F. WILSON B 07-06-1855 D 1924
- #2 - EMMETT M. WILSON B 01-20-1870 D 02-17-1950
DORA J. WILSON B 05-24-1883 D 05-15-1977

THEIR SON IS AS FOLLOWS:

WILLIAM MARVIN WILSON B 11-22-1912 D 07-15-1980

HE NEVER MARRIED HERE'S THE REASON

I guess he was going off with a girl named RUTH LEE to get married (hear say) and his mother (Regina) didn't like her. Marvin & Ruth stopped by the Iron Bridge cuz their car over heated & Marvin went down to get more water. His mom came along shot Ruth & the bullet hit the bridge and cam back and hit Marvin in the eye. They say he never was right after that.

- #6 - SAM M. WILSON B 1890 D 1973
AVIS LEE WILSON B 1901 D 1957

I believe Avis is the sister of Chuck's Great Grandmother Martha C.E. Lee Herndon.

- #6 - Possible daughter - MINNIE MAYFORD WILSON

I also have a bunch of names and birth and death dates I'm sending to see if you recognize any of these.

NOT FOUND THIS - SORRY!!
SOME ODD QUESTIONS ABOUT JOSEPH ✓ 9 NOV 1996
BENJAMIN WPCHTORCH

1) For Joseph Benjamin W

- a) where was he born? (I have one reference that shows ^{ALL THE HAVE IS NC} NC but that seems unlikely)
- b) where was Frances Elizabeth Wilson born? ^{DON'T KNOW}

2) For Addie WMM W

- a) I show she was b. about 1898 and died about 1901.
^{can we identify more precise dates?}
- b) ^{ON THE HEADSTONE ONLY HAS THE YEARS} I show she was probably buried in Pleasant Ridge, AL. Can we confirm this? ^{YES}, Pleasant Ridge in Greene Co, AL? ^{YES}

3) Regarding the number of children of Joseph Benjamin W
- we currently show he had 8 children with a belief that he had only eight. This may well be true but it seems to me there was "room" for more than 8 based on the following:

- a) Joseph and Fannie Mae were married 24 AUG 1893 and their first known child was born ²⁶ 38 months later. I would normally expect a child before 26 months. Perhaps there was a miscarriage or a first child who died as an infant (Could it be that their child Addie was a first born (in 1894 or 1895) rather than being born in 1898? ^{NO - WE'RE GOING BY THE HEADSTONE})
- b) There was four years between Mamie & Marney - room for another child? ~~1894-1898~~
- c) There was four years between Charles Sr & Annie - room for another child. ^{DON'T KNOW}
- d) Fannie Mae was only 3? when Annie was born - room for another child ^{CAN'T TELL YOU ANY REASONS WHY?}

Dear Cousin Beverly,

Thanks for your letter of 14 MAR 1996 and for the details which I have now transferred to Biopics and the Master outline as appropriate. A copy of the updated outline for the Joseph Benjamin U Family is enclosed. I have written to the five individuals for whom you provided addresses and have sent them a copy of the outline, a list of what is missing on their part of the family and a stamped self-addressed return envelope. I very well may not hear from any of them - but we have to try. I'll let you know if I hear from any of them.

Your experience in not hearing is about par for the course. I get back responses for about 1 out of 10 letters. Some people are just

not interested and others mean well but just never get around to it. Whatever the reason it is up to those of us who are interested to find ways of getting the key bits of information, sometimes a visit or a phone call works. Sometimes we have to give up on a particular part of the family.

Your vacation sounds great. If it works out it would be nice for you to drop by and see my records. We will be away 4-17 APR but otherwise should be in.

Please do try to continue collecting details on the family and please let me know if you need more details from me.

P.S. - Please note enclosed change of address sheet.

Phil U

Sincerely yours
Phil Yankovich

enclosed are some more info. for you to add. This is very overdo on my part. I've written to people & have not gotten anything back. So, I've enclosed addresses for you if you want to write them yourself. Please please if you do hear from them will you let me know & send a copy of whatever you get from them. Maybe between both of us, we will get more info. I'm really tired of writing & I never hear anything back. Even when we visited in Oct 95 everyone said they'd write or call & yes here we are with nothing

About the Heck family my dad told me that my grandfather (his dad's) full name was IVAN RAY ISBELL but he moved in with this Heck family & changed his name to JIM HECK.

We are leaving 322 to go on another vacation. We are 1st going to Los Osos to see my sister, then to see my dad in Montana & down to see Chuck's parents in Colorado. It ought to be a real nice trip & will be gone about 3 wks.

On page 3 for Avis Upchurch the lady who has known them for years her name is Helen Mahoney & that's her address. I don't think there is any relation but I'm not sure.

Just let me know if you need anything else or if you hear from anyone I better go & pick up the girls from the bus stop & head into town. Take care & hope to be hearing from you!

Sincerely,
Cousin Beverly &

Dear Cousin Beverly,

Thanks so much for your letter of 20 JUL 1994 and for the details on the family. I have just finished processing the material and want to let you know how much I appreciate it.

The Master outline for the Charles Smiths U, Sr Family is in excellent shape. Enclosed is a list of questions about the few remaining items. Also I have hatched up one generation and provide a set of questions on Joseph Benjamin N & his children. I know all of this is a challenge so will appreciate anything you have or can get. Please let me know if you want me to correspond with someone.

We will be moving to Tucson this fall but I hope not to slow down on family history work.

All the best!

Sincerely yours

Dear Cousin Beverley,

Many thanks for your splendid letter of 30 NOV 1993 with all the details. I have just finished extracting all of the information and placing it on the master outline and in the narrow profiles. We are now getting down to the fine points on the Family of Charlie Smith Upbrush, Sr. I have enclosed a fresh copy of the master outline for him including the four fellow-on sections. Also provided is a list of what is still missing. We may never get every last one of these details but perhaps we can get a few more items. Any help you can provide will be appreciated.

I have written to Mrs Catherine Shirley and enclosed questions on her mother's part of the master outline. Hope we hear from her.

Oliver Upchurch
[ROBERT PHILIP UPCHURCH]

I will have more details to share with you over time about your line. Many of these items are covered in the narrow issues of the U B. As a start I enclose herewith the three page Biopile on John U (XIP-3776), the Grandfather of Charlie Smith U, Sr. Over time I hope we can add more items to this Biopile. In particular we need to learn more about his early married years. It appears John U moved to AL with his father and there married his first wife. Yet his two children by her are shown as being born in Johnston Co, NC. Does this mean John U and in AL then moved back to NC near his wife's people? If so, I guess he left the two children with his wife's folks in NC and he moved back to AL after she died. The other possibility is that the two kids were not actually born in NC but were sent there from AL after their mother died. Sooner or later I hope we will sort this out.

I look forward to our continued contact over the year ahead.

☺ Sincerely yours
Phil Upchurch

Dear Cousin Beverly,

Thanks for your letter of 22 DEC 1995 and for the update on your activities. The world is a busy place and some of us seem to get involved rather fully. I know the feeling.

You asked about my Heck grandchildren and their ancestors. My daughter Delia Ann Upchurch is married to Robert John Heck who is the son of Henry W. Heck. The sense I have is that Henry W. Heck was born in the area of St Louis, MO and that his parents had lived in the area for quite some time. The mother of Henry was a VOSS I believe. I can learn more about this HECK family if you want me to do so. We lived next door to Henry for ten years and are still good friends. He is about 60 years old.

I am pleased to know that you are still working on the details for your part of the Upchurch family. I will welcome any input you can make. It is now a big family and I could not begin to help up without people such as yourself who do a lot of the work to collect information. My main job seems to be to put the main pieces of the puzzle together.

I'll be happy to have any addresses you want to send and will write to them. We need to use whatever approaches work to get information.

It is great to have you as a cooperator

With All Best wishes for a Blessed New Year!

☺ Sincerely yours
Phil Upchurch

REC'D

We wish you & yours a very Merry Christmas & a Happy New Year.

Boy I just realized I'm really behind in information to you. It scares me! I've written to a few more people if I don't hear from them I'll give you their addresses ok!!

In your letter of Oct 3rd you mentioned your grandchildren Andy & Ginny Heck. I just have a question where was their father born & what is his name. Why I ask is because my grandfather on my dad's side went by IVAN RAY ISBELL & JIM ISBELL & JIM HECK. They are all from Belgrade, Montana. just a thought you just never know about families huh!! We enjoyed your letter & all of your adventures & your life.

Hopefully I'll be hearing from some of our family soon. I finally got Earl Upchurch's address & I've written to him. It seems funny I hardly work on my side of the family anymore as I'm too busy with the Upchurch-Herndon-Jones & Freeman sides.

Well I better go & get to working out. Our trip was a great one but it's never long enough. All is well & did get some

information just not enough. My book is not big enough so I've started a notebook for all of us cousins etc. 1st, 2nd etc. cousins & their families. Take care & hope you all have a great holiday season.

Love,
Beverly Upchurch

Dear Bernesley,

I am delighted to have your letter of 18 JUN 1993 and your expression of interest in the heritage of the Upchurch Family. Details on the Upchurch Bulletin are enclosed. I would be pleased to have you as a subscriber. Both issues are available if you want them.

I do have Joseph Benjamin U. b185AN1871 in my records but have very little on his descendants. However, I do have the full story of his ancestor back to Michael U, I who was born ca 1620 in England and came to Virginia ca 1649. You belong to the Abel U, Sr Clan and to the Abel U, Sr/John U Subclan. This John U "Jack" was the father of Joseph Benjamin U. Abel U, Sr was from Central North Carolina and he was a brother of my ancestor Nathan U, I.

It appears that you and I have an excellent fit in that you have the more recent information and I have the earlier details. I would be most appreciative if you could send me a copy of any organized information you have on the Joseph Benjamin U family. I assume this will show how your husband fits into the picture. Is his legal name Charlie or Charles? Can I have your full maiden name? (I file that way)

Can you tell me how Fannie Mae Upchurch Walker fits into the Upchurch family. I cannot locate her in my files.

Could you tell me a little more about how Earl U fits into the family. I have 18 Upchurches with the first name Earl and no telling how many with the middle name Earl. I'll be glad to check my systems again on him if you can send more details.

Joseph Benjamin U was the youngest child of 15 children of John "Jack" U. I have lots of detail on some of the other 15 but some how the Joseph Benjamin U family seemed to escape my efforts. You now provide a basis for connecting this.

I note that your return address has a cow on it. Does this mean you are in the agricultural business? I have been in agriculture all my life.

Hope to hear from you soon!

☺ Sincerely yours
Phil Upchurch

of the Master Outline Paper. For example, I enclose copies of continuation sections 39, 40, 41 & 42.

I have looked over my files for Earl U and cannot add anything. Do I understand correctly that Earl U was in fact a son of Catherine Elizabeth Miller? Can we learn if Earl U had a middle name? About when was he born? Is Earl U still living? Did he marry / have children? Any hints would be helpful.

I have enclosed a list of nursing stems for the family of Charles Smith U, Jr. Any of these stems you have or can get will be appreciated. Of course, I hope we can deal with other ways of upgrading the Master Outline. If you have any suggestions on how to proceed, just let me know. Otherwise, I'll just keep sending lists of questions.

All the Best! Hope to hear from you soon.

Sincerely yours
Phil Upchurch

Sorry its taken a little while but I'm so glad you wrote back. I started working again after 6 1/2 years at home & its kinda hard to get used to. And its only part-time.

We're not in agriculture at all but we love cows & my mother-in-law has teased me for a long time about cows & how much I like them.

If you need anything or have any more questions please let me know.

I've written little notes thru out hope its not too confusing! Thanks so much for writing it means a great deal to me/us! Hope to be hearing again from you soon. I will send in for the bulletin soon!

Dear Phillip & all 09-14-96

You'll find a picture of us taken 8-11-96

I'm so sorry I haven't written before now. We just seem to get busier everyday. I have worked on our family tree in July & now Sept. I'm trying to get organized with all of the family paperwork ^{HA} ~~HA~~!

About the Heck family I guess my grandfather Evan Ray was AKA Jim Heck. My father said that Evan lived at some point with the Heck family, so he took on the Heck name & Jim because he liked it. So no other details are needed.

Thanks anyways!!

I'm also enclosing the info. packet that you sent to Mildred Hayes, all info is there about her & her families. ² packet also on Charlie H. Sr. etc. etc. ³ ~~Charlie H.~~
~~Dr~~ JOE Henry Adcock's mom is

Aunt Mamie (Mary Upchuck)
 his immediate family kids
 etc. Hopefully, sometime I
 will write him again &
 get more info. from them.
 Boy this sure is a lot of
 work. But I do enjoy it,
 it is so interesting.

Please let me know if
 you need anything else.
 Hopefully I'll get the copies
 done here in the next
 couple of days. Take care

Love,
 Beverly, Chuck & kids

REC'D
2 DEC 1997

Dear Phillip,

05-04-97

Sorry this is so late
in responding.

While we were in Alabama
we had a huge family re-
union. I talked again to
Mildred & her sisters well
they were rude & refuse to
give me more information
so if you want to write
her again good luck!
Here is her address:

MILDRED HAYES [nee MILDRED LUCILLE W]
413 BROAD ST.
ALICEVILLE, ALA. 35442

Her address is the only one
I have so! And just think
she wanted a California mug.
She collects them HAHHA!

7-4-97

Happy 4th of July! Well I'll
try this again. Its been
exactly 2 mos. today that
I started this letter to you,
oh boy!

Oh, my gosh here we are again. I haven't worked on this stuff since July. I now just don't take the time to do it anymore.

Hope you & your family have a wonderful Thanksgiving!

I've enclosed a picture with a Mary & Michael Upchurch. Its from the statue of liberty where people would come into the United States. I don't have any dates but we thought it was really neat.

The first set of papers its explained on them. The second set see page 3 for Herbert Otis Upchurch some things are changed. Never mind they are all individual papers.

I've given up on some of these people cuz they don't send me the info. so I get tired. HA HA HA I hope this info. will help in some way. I'm sorry its taken me sooo long to send this.

Well its still 11-25-97 so Im just about ready to send all of this info.

Chuck & Chuckie were coaching & playing football from Aug. 1st until Oct. 1997 they had a wonderful time.

Carolyn & Melissa are in 4-H and their projects next year will be P/650. All 3 kids will be playing softball starting in March 98.

Chuck has been off work since Sept. 7th he got hurt while at work he stretched a tendon in his right forearm. Now the doctor believes he may have some nerve damage. His thumb keeps going numb so its an officer safety problem.

We're hoping to go to Colorado for Christmas but were not too sure.

The subscription for 1998 on Publication #1 will it be the same as 1997 \$5.00 each or \$20.00 for the year? Please let me know.

Well I need to get dinner going. Take care! Sincerely, Beverly Aschurck

IN LOVING MEMORY OF OUR BROTHER, & SON
CPL. LEWIS T. ADCOCK, JR.

by his sister, Lucille Adcock Bunn

No words can express how we miss you dear;
We had you and loved you for twenty-six years.
You were so kind hearted, loving and true;
And had the sweetest smile, everyone knew.
No family reunion is complete anymore;
Without your knock, and dear voice saying

*see previous

"let's open up the door".
Yes, God called you that sad night in June;
He plucked the most beautiful flower,
"Our family circle" had in bloom.

A Poem by Elizabeth (Adcock) Burrage, to her father

IN MY GRIEF

From the depths of my grief
I cried and said, "Oh, such wasted years"
You lived alone you died alone.
Not sharing yourself with us
For reasons only you, Dad, knew
But it must have been a lonely existence
Oh, I would, if I could, like to understand
For we welcomed you
To share what sickness and sorrow, you may have known
I console myself that maybe you turned to God
To comfort you and give you the solace
That he alone can give.
Anyway, I pray you did.
In time, maybe the grief will lessen
And only old and good memories remain.
May God help me
To be the servant He needs
To witness as I should
Not doubting and faltering
But trusting in his merciful goodness
And keep my steps aright
Leading to his Eternal Heaven
Where there is no sickness, sorrow, or pain.
Where we're never even physically alone
But in a home not made with mortal hands
A place to share with our Savior
In the sweet By and By.

Enclosed is an updated copy of the master outline for the Joseph Benjamin U line in the Abel U, Sr / John U Sublan along with all continuation sections (39-42 & 59-71). [I will gladly make extra copies for you to give to other people if that would be helpful].

Also provided are some odd questions about Joseph Benjamin U and then several lists of questions about the families of his children. I realize you have already made a major effort to collect most of these details. Please don't feel you are obligated to pursue all of this. You have already done more than your share. However, the burden of keeping up with family history does seem to fall on the few who have the interest and commitment to get the job done. I will welcome any answers you have or can get. Perhaps you will want to deal with this over a period of months and years as time and opportunity allows.

I realize you have supplied information on parts of the Abel U, Sr / John U Sublan other than for the Joseph Benjamin U line. I'll gladly send copies of the master outline for the other

Children of John U (XFD-3776) if you so desire.
 It is of special interest to me that the first
 two of the 15 children of John U were born
 in NC

I'm checking my copies of letters to you
 I do not find that I have sent you details
 on Abel U, Sr & his son John. Provided recently
 in a copy of the biopics for Abel U, Sr (13 pages,
 29 items) and for John U (3 pages, 12 items). I am
 always happy to have more input for these
 biopics.

The photo of your family is appreciated. you
 are a fine looking bunch of folks. We too
 had 2 girls and 1 boy - all now married with
 families. Sallaine and I watch a replay of
 "Father-of-the-Bride" on a TV rerun last night
 and recalled our own experience with the
 marriage of our three children. While they
 are all on their own they are still attached
 or somewhere along the way the usual
 cord was replaced with the telephone cord.
 (I never look at the phone bulb)

with deep appreciation for your interest in
 and contribution to our shared family
 history.

☺ Sincerely yours
 Phil Upchurch

SOME ODD QUESTIONS ABOUT JOSEPH 9 NOV 1996
BENJAMIN UPCHURCH

- 1) For Joseph Benjamin U
 - a) where was he born? (I have one reference that shows NC but that seems unlikely)
 - b) where was Frances Elizabeth Wilson born?
- 2) For Addie NMN U
 - a) I show she was b. about 1898 and died about 1901. Can we identify more precise dates?
 - b) I show she was probably born in Pleasant Ridge, AL. Can we confirm this? Is Pleasant Ridge in Greene Co, AL?
- 3) Regarding the number of children of Joseph Benjamin U - we currently show he had 8 children with a belief that he had only eight. This may well be true but it seems to me there was "room" for more than 8 based on the following:
 - a) Joseph and Fannie Mae were married 24 AUG 1893 and their first known child was born 26 months later. I would normally expect a child before 26 months. Perhaps there was a miscarriage or a first child who died as an infant (Could it be that their child Addie was a first born (in 1894 or 1895) rather than being born in 1898?)
 - b) There was four years between Mamie & Warney - room for another child
 - c) There was four years between Charlie Sr & Annie - room for another child.
 - d) Fannie Mae was only 37 when Annie was born - room for another child
