Hi Deanne---

Thank you for reporting your linkages to the Harmon Upchurch and George Upchurch clans. I have now studied our records and want to touch base with you to make sure the linkages you project are correct.

I do have Henry A Upchurch (XID 58643) as a member of the Harmon clan. I need more details to fully establish him as the father of your father-in-law. I have many different files with the name of Henry and want to make sure you have the right one. Could you provide the following information?

- 1 What is your husband's full name?
- 2 What is your father-in-law's full name and when/where born?
- 3 What is your husband's grandfather's full name?

I also have George Thomas Upchurch (XID 635) as a member of the George Upchurch clan. Again I need more details to make sure your maternal line traces back to him. Could you provide the following?

- 4 What is your full maiden name?
- 5 What is you mother's full maiden name?
- 6 How does your mother trace back to George Thomas Upchurch?

I have quite a collection of names organized for the two families you mentioned and am anxious to make sure how you fit in. After I hear from you, I will send you my clarifications.

I do hope we can continue to collaborate!

Best~

Hi Deanne---

Thanks for the tracling of your husband's line back to the patriarch Harmon Upchurch. Your records and mine begin to match but there are corrections needed to get the record just right. We will work with you on these when we start work on a Living Tree for the Harmon Upchurch family on Ancestry.com. But first we must complete the RPU Legacy tree for the Harmon family. Would you be available to help some on the Legacy tree, which is based on my master outlines?

I have updated my Biofile for Henry A. Upchurch and am asking Jay to scan and send you a copy of the 5 page, 6 item Biofile. We have more work to do to get the record just right.

I invite you to view the videos on our Upchurch Story website that feature Harmon Upchurch and his ancestors, and to look at the enrolled families feature on our Allied Families website. Please share with me your reactions.

Look forward to your

I have no problem helping as I can. Detailing my own tree is harder, but most of the info I have on it is first hand knowledge of the people, so I am more confident with that. For my own line, I am starting with George Thomas Upchurch married Rohaney Bertram. When she died, she left my great grandmother and her brother. Since he was an infant, he went to his maternal grandparents. Upon adulthood, he changed his name to Bertram rather than Upchurch. There are many descendants through her. It is taking a while for me to get this together because I have an I-Pad -not conducive to toggling back and forth. So the direct line for me would be: Maude Ellen Upchurch, her son Willard Mosier Percy, his daughter Anna Louise Percy, and then myself, Kathi Deanne Upchurch. 3 boys: Ian Parker Upchurch d 2007, Eric Steven Upchurch, Riley Parker Upchurch.

I will get the rest of my info together and get it to you.

Thanks!

Hi Deanne----

Your inputs on your line fits nicely with the Master Outline sheet I have for George Thomas Upchurch, the son of William Hamilton Upchurch who heads a line in the George Upchurch/Joseph Upchurch SubClan. Several of your notes are the same as notes on my Master Outline.

My sheet reveals an additional complexity which you may or may not know about. Maudie Upchurch (Maude Ellen Upchurch) married her third cousin William Bart Percy who is of the George Upchurch/Lydia Upchurch SubClan. I carry the descendants of Maudie and Bart under the George Upchurch/Lydia Upchurch Master Outline so must now go to our Allied Families office to look at the record to study. I looked earlier and you were not there but with what you have sent I should be able to enter you. I may need more details and I understand you are putting more details together.

Since you offer to help I am by copy of this email asking our Manager/Webmaster, Jay Buck, to explore with you the prospect that you can accept a section of one of my Master Outlines to be entered in an Ancestry.com tree. You could work on either the George Upchurch Family or the Harmon Upchurch Family. You decide. We have volunteers working on both but want to hurry to completion. From the Legacy Trees we will move to Living trees where we will need your help. We only expect you to do as much as you a comfortable doing.

We are excited to be working with you.

Best Wishes~

Phil Upchurch, Founder, Allied families.
