#### UPCHURCH

WILLIE NELSON "MR. CHURCH" UPCHURCH, JR. 63, passed away Sunday at his home. "Church" retired from the U.S. Steel in 1987 to establish a local business with his long time friend and partner, Bobby Lynn Reynolds. He was an avid fisherman and sports enthusiast. He is preceded in death by his father Willie Nelson Upchurch, Sr. and his sister Rene'e Quebodeaux. He is survived by his mother Nellie Upchurch, brother Bobby Upchurch, daughters Karla Roberts and husband Tommy, Kayla Bishop and husband Ricky, Kemberly Scheidt and husband Glenn, and grandchildren Joshua, Emille, and Hayley Roberts, Ricky Bishop, Will Scheidt, loving companion Ren'e Bond and his nieces and nephews.

Enclosed is a copy of my profile for Howard HENTON/HINTON U. I was trying to speculate that maybe he was father of the Howard U who md Sharen but I cannot find any real evidence to support this. In any case I do not know the father of this Howard Henton/Hinton U. Perhaps you do.

It is good to hear that you two are well. We are the same except for a few aches and pains which all "mature" people seem to have. Our Grandson Michael - 15 years old was up from Tucson to spend a week with us leaving to go back on the 28th. We went to see a lot of things and got to know him better. He is a nice kid but a little quiet. After all the going we need a little rest.

With All Best Wishes

Sincerely yours

Phil Upchurch

yes we heard about the floods in your area and wondered if they bothered you. If so I hope you have now fully recovered.

From the enclosed SPRING 2001 SAGA you will learn that we had a flood of our own but of a different type.

Thanks again for sending the cluto. I always make good use of them and really appreciate the effort you and Phillip spend in helping me keep upchurch records up to date.

Dear Cousin Katie,

Thanks for your renewal on the UB  
for 2001 and for the obituary of Maxie  
Upchurch, with Phillips printout and my  
narrow records and with the obituary  
in hand I have considerably extended my  
master outline for the Shannon Brock  
Family. A copy is enclosed. Note newly assigned  
XID 1/2

My records show that Maxie is nee  
MAXIE LEE MANUEL whereas Phillips printout  
shows she is nee MAXIE L. GUTORY. I  
wonder if there is a way we can sort  
this out.

Just this week a large batch of TX  
birth & other records came into my  
hands. I am processing them while I  
watch the mess in FL on TV.

You mentioned the high price of your medicine. Your bill is really huge. I hope it is doing you some good. I take 5 kinds of pills and there is not even anything wrong with me. Don't worry about sending money this way. The Lord always seems to provide.

We are well settled into our new home and have someone to take care of the farms. This should leave us with some free time but projects seem to appear out of nowhere to take up any spare time.

Thank you again for sending in the Outway. Such items are really helpful.

Sallaine and I hope that this finds you and Phillip well and looking forward to a blessed Christmas.

Sincerely yours  
P. Phil Yulinski

Dear Cousins Katie & Phillip,

Thank you for the obituary on Rosa Bell U and for adding the XID's. All the information has been added to the Master outline and to the various profiles. Quite a few bits of information will new to me including the first name of two spouses of mine - Tom Bounds - now XID-48503 (husband of Anne Lou Capps) and John Wemock now XID-48504 (husband of Catherine Capps).

Rosa and I exchanged letters in 1989 and I have just reread her two letters to me. She provided considerable information and had a keen interest in family history. She said she had a lot of records that were lost when their house burned in 1941.

We are reorganizing our lives in this year and hope to have more freedom to travel & do family history in due course

Sincerely yours  
☺ Phil McKinney

Dear Cousin,

I talked to my niece Monday  
night and she told me Elizabeth  
Wilson had passed a way.

ever one I talked to would  
only say she passed a way they  
didn't let me know when she  
died so I did not get to go to  
her funeral I don't know if  
any of my family went or not

They wouldn't tell me any  
thing so I called the funeral  
home in Bryan. they said  
she had cancer and passed  
away on June 20 1998 and  
was buried on 22 1998 of June

she was born on May 9 - 1911  
she was 87 years old. she  
was buried in Bryan by her  
husband Odie Wilson

Hope this will find each  
of you well and happy and  
your crops are doing good.

- Elizabeth was an Epchurch.

- Allen Wilson.

like to think our exchanges of letters provided some small measure of comfort to her over the year. May she rest in peace.

We have been reading about your lack of rain in Texas and recently about the exceptional heat. We had a very wet spring and had trouble getting the corn and soybeans planted and the wheat harvested. We finally got our last soybean planted day before yesterday. Now the question is whether they will come up.

For a long time the corn and early planted soybeans grew very slowly due to the wet weather. However, they have both grown rapidly in the last 3 weeks and now look beautiful. I really enjoy going out to look at the crops. This year maybe I'll even pick some corn ears to bring home. Last year I tried and was too late!

My Best to you & Phillip!

Dear Cousin Katie,

Thank you for the olivine on Michael  
Crane (Richard) Mckinney which I have just finished  
processing. The material Gene D. U. is part of the  
Gene U. line in the William U, IV / John U, V  
This family started out in Wilber Co, NC then  
moved to Henry Co, TN. one of the sons,  
Alexander U, moved to LAVAAT CO, TX before  
the Civil War - so there are now quite a  
few descendants of Alexander U in TX. The  
Olivine was very helpful to me.

We are making good progress in 1998.  
However, last week I came down with the  
flu and had a couple of rough days. So I  
did not even work on family history. I am  
much better now.

With all best wishes to you and Phillip.

We are getting off to a good start in the New Year. There are just a few more things to wrap up for 1997 and then we can devote all our attention to 1998. We had visitors for almost the entire month of December. A good time was had by all but Sallanin and I are glad to have our peace and quiet back.

The big event for us in 1998 will be the birth of our 8th (and probably last) grandchild next May in Mindianapolis. We will probably go up to lend a hand. I am hoping for a boy but can't say so!

All The best to you and Phillip.

we are doing pretty

Hope a happy and safe

you show Clayton NMN U, Sr died in Bryan, TX whereas I show him as died in Galveston, TX. In this case I think my record is correct.

It is nice to be going back and forth with you two on these records. We have the broad outline in place but there are always details to get exactly right. Even when you have everything straight someone dies, gets born or gets married. It's good we enjoy this stuff.

Next year will be the 20th year for the U B. Wonder if I can make it to 25!

On Friday Sallaine and I leave for two weeks in NC and FL to see close relatives. She has 3 sisters + 1 brother on the route and I have 1 sister, 1 brother in law & one niece - to whom I am close. We are looking forward to the trip. We usually dine every 100 miles.

Best wishes for a Merry Christmas!

sincerely yours

Dear Cousin Katie,

Thank you for your letter of 24 NOV 86 expressing your interest in Upchurch history. You do have huge amounts of information on Upchurches and their relatives and collect it for all branches of the family. I will be happy to exchange information with you in any fashion that will be mutually agreeable. Since I have put a great deal of energy into organizing details on our family in the Upchurch Bulletin it would be well for you to obtain some or all of the issues if you are so inclined. I would suggest getting the 1986 issue as a start. An order blank is enclosed.

I'll be glad to send you a sketch of your line and mine back to Michael Upchurch, the original immigrant, if you so desire. This will show how you and I are related.

There are quite a few bits of missing information on the descendants of James William Upchurch, Sr. and I hope you can help me fill in some of the blanks. Let me start with a few questions:

- 1) For James William U, Sr (your grandfather)
  - a) where did he die?
  - b) where did he marry the 1st time?
  - c) what was the full <sup>maiden</sup> name of his 1st wife Frances Arisla, when was she born? where was she born, when did she die where did she die and where is she buried?
- 2) For Eula Anna Elizabeth U.
  - a) when and where did she die & where buried?
  - b) what is the full name of Will Noble, when and where was he born, when and where did he die and where is he buried?
  - c) when and where did she and Will marry?
- 3) what are the full names of the children of Eula & Will, and their birth dates and place and if dead when & where did and where buried? How many children did each of these have?

I hope to hear from you soon and look forward to corresponding with you.

Thanks for your very nice letter which arrived 4 DEC 1986. I have just finished extracting all the details. The Bulletin you ordered should have arrived by now. More order blanks are enclosed if you or someone else needs them. Vol 7 #4 goes in the mail tomorrow.

I wrote to Ethel back in 1912 and got no answer. Maybe she would answer now. I'll be glad to write you return letter but let me see what you can provide first. Here are some questions:

1) For yourself:

a) when and where were you married?

b) what is your husband's full name and when and where was he born?

c) what are the full names of each of your children (if any) and when and where were they born?

d) Full names of grandchildren, if any, and when and where born?

2) For Myrtle (Nehler) Shiflet

a) what is her full maiden name?

b) what is the full name of her husband?

c) what are the names of her children and grandchildren?

3) For Eula Mae (Nehler) Schaffer

a) what is the full name of her husband?

b) what are the names of her children and grandchildren?

4) For Mary Jane (Nehler) Rice

a) what is the full name of her husband?

b) what are the names of her children and grandchildren?

5) For Bertha Ethel (Nahler) Besinger.

- a) what do the initials in B. E. Besinger stand for?
- b) what are the names of her children and grandchildren?

6) For James William Nahler.

- a) what was his wife's maiden name?
- b) what are the names of his children and grandchildren?

My assumption is that you may have some of this information in your head. I will be grateful for anything you can send.

Do you know where and where your parents were married?

Do you have any specific questions of me. I'll be glad to try to answer any questions you have.

Hope to hear from you soon.

Obituary of Charles Elmer U, Jr placed in his people

in many ways.

We have just gotten some rain in the last week and it will help our soybeans a lot. It was too late to help the corn crop much and, in general, we expect corn yields to be low. We were just plain unlucky as 75 miles in any direction from us there were good rains. We will keep our fingers crossed from now until harvest time in October.

Next week Sallaine and I will spend a couple of days in the area of Branson, MO to celebrate our 49<sup>th</sup> anniversary which is on 21 AUG 1947. I can't believe we have been married that long. I should be perfect by now as she keeps working to improve me - yet she says she still has a lot to do.

My Best to you & Phillip.

Sincerely yours

I am driving out to the farm to meet with one of the operators. Fortunately all our work will be done inside. We are closing out 1996 and making plans for planting next spring.

Thank you and Phillip for your continued interest in our shared family history. We continue to make great progress thanks to input from quite a few people.

upgrading one of three small ponds in the area. Tomorrow I am having a one-ton concrete watering tank delivered. It is placed below the dam and is mostly covered with earth to prevent the water from freezing. A little trickle of water runs through it all the time so it is not supposed to freeze. We'll see. Anyway I want to have any cows until next spring at earliest. Time is needed to get the pasture established.

Dear Cousin Katie,

I'm sure you have your mother of 25 JUL 1996.

We were I hope it has moved there by now. We were

just getting it to the day when we had some

rice again. The crop are now looking very

good but we will need our more rain in

August to produce a good crop. I'll keep my fingers

crossed.

I can appreciate the challenge you had with

our grandchildren. We had three of our for

the week. Your observation that taking

care of kids is for young people. I had

to give some fairly strong guidance to our

8 year old grandson Michael. He did not

like it and finally took the pain to

explain to me - "Grandfather - this

is the 90's"

This morning I started writing on  
UB Vol 17 No 3. Our target is to mail it  
the first week in September as usual but  
I hope we can beat that target this time.

We are now getting ready to seed 30  
acres of pasture in some rough ground.  
I am getting some much needed exercise  
in cutting and piling some brush to  
be burned. Then we will need some  
fencing and then some cows. I hope  
to try some Beefalo which is a cross  
between a buffalo and a cow. This is  
new territory for me as all my  
background has been with plants. I  
do like to grow grass.

Please do keep looking for items  
in the newspaper about members of our  
extended family and send me a clipping  
for anything you spot. It will be  
appreciated.

My best to you and Philly. Sincerely yours

and had much latery care of the critical follow-up items. We drove nearly 3,000 miles and spent about \$2,000. I enjoyed all of the contacts and hope the Yuhwuds Family appreciates that someone would go to that much trouble on their behalf. I think some do and some do not.

I am really sorry that you and I did not get together during the trip. It was my every intention to do so and I apologize for any failing on my part. I am very sorry that you were sick while we were in your area and hope you are better now. I had hoped you could come to one of the meetings or see us at the hotel. When Phillip came to the meeting at Tomball I learned that you were sick and I explored with him how it might be possible for you and I

3-  
To get together. We discussed the session  
planned for the next day at Bedias.  
Then I mentioned to him that we did  
not have any plans for Sunday night.  
He seemed to feel that a visit in  
our hotel for that evening might  
be easiest all around and that you  
might be feeling well enough to  
come - but he was not sure. I  
thought we left it that we would  
be available for a visit or a call  
in the motel, on the way back from  
Tomball to the hotel we stopped and  
had an early supper so we could  
be available. I waited for a call  
but none came. Now, I realize  
that I could have called you and that  
is what I should have done. After  
all you have been a wonderful cooperator  
all these years and it was certainly

4  
my responsibility to show appreciation to you. Even when we try our best we sometimes fail to do what is best.

Although I do pretty well in heavy traffic and Sallaine is a pretty good navigator we found the Texas traffic to be a real challenge. We got lost a few times and we had a few tight situations. I found Highway 8 and the Beltway around Houston especially confusing. We were fortunate not to have an accident.

By-the-way - I notice that the birth announcement for Shanice Michelle Shyler shows her Aunt named a FRAZER. I have it FRASER. Perhaps you could tell me which is right sometimes

The planning for the Texas Trip is now fairly well complete and three weeks from today we head your way. Enclosed are a dozen copies of the flyer. Anything you can do to spread the word will be appreciated. You will note we have the tent in your area on Sunday 14 APR 1996. Additionally we will have an "open house" at the Baptist Church in Bedias, TX <sup>(MON 15 APR)</sup> and we will be "available for discussion" at the Hampton Inn in Houston on SAT 13 APR 96 and in Bryan (College Station) on MON 15 APR 96. You are welcome to participate in any or all of these

events. In addition I would hope we could spend an hour or so with you and Phyllis somewhere along the way. We will arrive in the Houston area about 4:00 PM (approx) on SAT 13 APR 96. I have already arranged to meet an individual at the motel or at the Clayton Library in Houston (if it is open) at 4 PM on the 13th. I don't know what your flexibility is but it would be great to compare notes with you. If we don't arrange for a specific meeting in advance I'll be in touch with you by phone along the way to see what will work.

I have been working hard to get my Texas records in order. We are excited about the trip and look forward to meeting you.

Dear Katie & Phillip

Thanks for your letter of 6 FEB 1996 and for the  
printout which Phillip prepared. I have now  
compared the printout (PO) with my master

We keep getting closer to a proper record for  
the history of your part of the family.

The details in your letter on the birth date  
of William David Nobler illustrated why  
confusion can exist. Any of the true dates  
would seem correct if did not have the  
other information. In any case I agree we  
can settle on the date shown on his birth  
certificate. The other information has been  
placed in his biograp in case there is ever  
a need to go into the matter again. Your  
thorough documentation of this situation has

allowed us to come to a full understanding of the matter. we need more participants like you.

enclosed is a list of questions about some issues that remain. If you have comments on these items they would be appreciated.

The Texas Cup is planning out nicely. I'll have more details for you soon. The lecture at Tom Ball is firm for 2:00 PM on Sunday 14 APR 1996. Also I have talked with cousin Robert E. Feltychurch, II in Bedmar and he is arranging for us to have an open house at the Bedmar Baptist Church from 2:00-4:00 PM on Monday 15 APR 1996. There will not be a lecture at the church but just a chance to meet and talk informally with any who wish to come. Robert Fel has agreed to spend the day with me and to help spread the word about the open house.

All the best!

☺ Sincerely yours  
Phil Felchurly

NEED TO RESOLVE DIFFERENCES BETWEEN THE  
PRINTOUT (PO) OF PHILLIP MCKINNEY AND THE  
MASTER OUTLINE OF PHIL UPCHURCH

- 1) Eula Elizabeth A. ~~burdette~~ PO shows 10 JUL 1887; MO shows 10 JUL 1886
- 2) Ronald Page Stevens  
PO shows d Bryan, TX; MO shows d Houston, TX  
PO & MO show he married 2nd 31 JUL 1993 - which  
is after he died on 20 JUN 1993 ??
- 3) For 2nd mg of Edna Yvonne Ringer - she was  
born 11 NOV 1940 and on 3 MAY 1988 md Gary Lehner  
born 18 FEB 1969. Do I have this right? (unusual  
but OK if so!).
- 4) In the PO right after Josey Rwig Star appears  
"4 baby son Ringers b 1913 ----". I think this  
should be "3 baby son Nehler b 1913 ---"
- 5) Is the last name of the husband of Enid Elvia  
Schaffer spelled JIMENEZ or JEMENEZ?
- 6) For the son of Terry Shiflet is the correct spelling  
BRANT JAMES SHIFLET or BRANDT JAMES SHIFLET?
- 7) For Charles Allen Nehler - was he married the 2nd  
time in ARTON, MA or HUNTINGTON, NY?
- 8) For husband of Melody Marie Strong → Melody Marie Walters  
PO shows DOYLE DAVID WILLIAMSON  
MO shows DAVID DOYLE WILLIAMSON
- 9) Was Amber Michelle Williamson born in Pasadena, TX  
or La Porte, TX?

10) Re ANNA LOLA U born 16 JAN 1895  
PO shows born White Co, VA  
MO shows born Grimes Co, TX

11) Re LEE WAYNE U

PO shows d Bryan, Brazos Co, TX  
MO shows d Grimes Co, TX

12) Re Children of Clayton W MN U, Sr

PO lists Tommy Wayne U b abt 1948 and Betty U  
b abt 1956 not listed on MO. Are these  
two valid?

The dates of birth and order of births are different  
on the PO and the MO ??

13) RE THE 3 HUSBANDS & 2 CHILDREN OF PAMELA DENTISE  
STEVENS "NESI"

Things seem to fit best if James Cary Barton  
was the first husband and he & Wesi md abt 1982  
and had a son Jason Carl Barton b 1 JAN 1983

Then she md (2nd) abt 1987 Joe Centeno Garcia  
and they had a son Cody Gary Garcia b 9 NOV 1988

Then she md (3rd) 31 OCT 1992 Joe Taylor  
This is not quite in agreement with PO

Attention: Mr. Robert Phillip Upchurch

Dear Cousin Robert,

Thank you for pointing out some of the discrepancies which occurred between your records and mine. This is the only way I know to draw more attention to areas that need more research. The following resolutions should be made for the discrepancies you mentioned:

1) For William David Nobles

a) The birth certificate which we have was recorded April 3, 1944 in Madisonville, Madison County, Texas and shows a birth date of June 26, 1880.

The date of June 26, 1876 was placed on his tombstone and his obituary in the Bryan Eagle at the time of his death shows a date of June 26, 1878. I would assume that the date on his birth certificate is correct since he was present at the time of filing.

b) Will passed away in Bryan, Brazos County, Texas and was buried at the Old Baptist Cemetery in Bedias, Grimes County, Texas.

c) The marriage license for Will Nobles and Eula Upchurch was issued December 9, 1904 and recorded December 12, 1904 in Madisonville, Madison County, Texas. The wedding took place December 11, 1904. (Anderson, Texas is the county seat of Grimes County, and became confused with Anderson County. Anderson County is in West Texas and not involved in any of the information included herein.)

2) For Eula Mae Nobles

a) April 5, 1950 is the correct marriage date.

b) Erwin Schaffer was born July 3, 1917.

c) The correct spelling is ERWIN Hubart Schaffer.

3) For Pamela Denise Stevens

a) Her first husband's name was Joe Centino Garcia. He was born February 7, 1953 in Freeport, Texas. He and Pamela was married about 1979.

We are looking forward to meeting you when your tour comes to Tomball.

Sincerely,

Katie McKinney.

MRS PHILLIP MCKINNEY

Dear Cousin Katie,

I have just processed your letter of 11 JUL 89 concerning  
Dude and your letter which arrived on 10 JUL 89  
concerning the cemetery at Bedise, TX. Thank  
you for clarifying several of the items and I  
appreciate your plans to get answers to some  
of the rest.

In your letter which arrived 10 JUL 1989 you  
wrote: "Question 9. Person 47 should read Opal  
Upchurch, she was daughter of No 44". Now, I am  
missing the name of a daughter of William Esmond U  
and if Opal U is her name that is useful information.  
However, if you will reread question 9 you will  
see that it deals with person 45 not person 47.  
Who is DOUG whose name is on the far left  
on the line for person 45?

In your response to question 10 you indicate  
that the Mary U involved was b 4 APR 1851 and  
d 14 JAN 1914. Yet in the cemetery records you sent  
you reported that Mary U b 10 APR 1848 d 25 AUG 1864.  
Which set of dates is really right? I am still  
having trouble with this Mary U is.

If you do go back to Bedias, TX perhaps you could consider writing down some of the details for the sponser of some of the people who did not have a last name Upchurch because they descended from an Upchurch girl who married a non-Upchurch. I realize you might not know which ones to record but perhaps you might know some of them. Possibly there are Upchurch descendants in the area who could help you. I have a couple of addresses for such people. I am proud of what we have done on the cemetery at Bedias. My guess is that there are a number of Upchurches buried at Panhey also.

Kate, don't worry about us not having the details from your brother and sisters. Some people are just not interested or in some cases are downright opposed to work on family history projects. We have to respect their decision. In some cases they may become interested or perhaps a child or a grandchild will become interested. In the meantime there are other ways of getting some of the details. There is always some part of the family on which we can be working.

with respect to your late brother James William Nobler I have assigned XID-23159 to James Earl Nobler and XID-23160 to Carl Ray Nobler. Maybe you have a few more bits of information on this family. Here are some questions:

- 1) I show four girls & three boys - Are there more?  
Girls = Marjorie b 5 JAN 1932; Geneva b 14 MAR 1940  
Linda b 10 JUL 1943; Marie b 12 JAN 1947

Dear Cousin Katie,

I have just processed the Baptist Church Cemetery Records for Bedmar, TX and want to thank you for them. I have long hoped to have these. It has taken me about ten hours so far to cross-reference all the details. They help improve the Master outline a lot. This exercise led me in all sorts of directions and resulted in quite a few items being added to the Master outline. I could read your handwriting in all except one place and that is better than I can read my own after it gets cold.

I have cut up your sheets and taped them on other sheets to make room for writing. Copies of the three pages (A, B, C) are enclosed. Note the XFO's on the left and my version of the person's name on the right. I have numbered all the individuals (see numbers in circles) and show 50 individuals. If an XFO is assigned that means we know

how they fit into the family.

There are some questions which are as follows:

- 1). On the line below Person ① one finds "Ullie (Harrison) R.H. + Lucy Hanson wife" (can you explain how these people in quotes fit in. They don't seem to be related to Bertha / neg U = ①).
- 2) Can you tell me who Person ② is? I have a Robert Edward Lee (XID-4958) but the ages don't match with ②. XID-4958 did have a first wife Ullie Harrison (XID-4972) which (seems?) somehow to be related to the Ullie Harrison in 1). At least the name is the same.
- 3). Who is Person ③ - Edward Ray U? He is said to be the son of W.E. and R.E. but who are they?
- 4) Who is Person ⑩ - Martha U?
- 5) Who is Person ⑭ - Dale O. U?
- 6) I don't understand persons ③⑩ and ③⑪. Are they children of James William Nohler ②⑨? I have a list of the children of James William Nohler and ③⑩ and ③⑪ don't seem to fit in??
- 7) For Person ③⑦ Neda (—) Upchurch. What is her maiden name?
- 8) For Person ④① Vera J. (—) Upchurch. What is her maiden name?

- 9) I understand clearly Person (45) to be Oliver Hazard Perry U XFD-4950 but how do "DOUG" and "ESMOND" fit in. These two names are to the left of O. P. Uphurch and I cannot connect them with O. P. Uphurch.
- 10) who is Person (48) Mary U?
- 11) For Person 22 Julia Ballard. Was she born 6 JUN 1885 or 6 JAN 1885 (This is the one I could not read for sure).

Actually between your notes and my references (Master Outline, Census Records, Profiles) we have done a pretty good job of pinning down these 50 individuals.

The marks to the left simply show that I have transferred the details to the Master Outline and Profiles (Δ) or that the details are already on hand and need not be transferred (□). These are standard marks I always use.

Kate, thank again for the trip to Bedias and for the records. Let me hear from you after you have had time to go over the 11 questions. Maybe you will have answer for some of them.

Sincerely yours

Dear Cousin Katie,

Your note of 22 APR 89 reminded me to check the files to see if I had heard from Bonnie and/or Margie. I did not remember hearing from them. When I checked I found out that no word has come from them. The letter went out to Margie on 18 FEB and to Bonnie on 27 MAR. I could still hear from them but as you know many people are not interested enough to write. Others have the interest and good intentions but just never get around to it. Still we have to keep working away in whatever way we can. As long as there are a few like you and me we will keep improving our UpLunds history, one will I am not disappointed. There is always something to do and every week one or more good letters arrive.

All the Best.

Dear Cousin Katie,

Thanks for your letter of 30 MAR 1989. The latest detail you provided on where Cathy married brings us close to a perfect set of details on you and your descendants. All I lack now is the full name of John Williams. Maybe you could get the rest of his name and send it to me sometime.

It is good that you got out to Bedmar but too bad it was too hot to get out into the cemetery. It rained here all day Easter also - quite unusual for us. I do hope you can go back soon.

So far Bonnie has not written but I hope she will.

Please keep your eyes and ears open for new family information. With your interest you will recognize an opportunity.

Dear Cousin Katie

Thank you for your letter of 18 JAN 1996 and for the print-out prepared by Phillip. I have spent several hours comparing my records with the printout and have gained quite a few bits of information. Naturally there are some differences. There always are. Enclosed is a sheet which lists some of the differences. It would be nice to find the correct information.

Since my records include a number of bits of data not on Phillip's printout, I am sending herewith a copy of my master outline for the Eula Anna Elizabeth U. Family. Maybe Phillip can pick up a few items from this. Any corrections or additions will be appreciated.

We are pretty well set to take our Texas trip 4-12 APR 1996. The Upchurch Lecture for the Houston Area will be in the Community Center in Tom Bull, TX at 2 PM on SUN 14 APR 96. I'll keep you posted on the details.

Dear Cousin Katie,

I was sorry to learn from your letter of 12 DEC 1995 of the passing of your brother-in-law J. T. Shiflet. This is a sad event for the family.

I have <sup>today</sup> written to Howard Ray Shiflet and have provided him with a list of questions that are missing on his mother, his father and their descendants. Thanks for the address.

I have also written today to Herbert L. "Gods" Nobles with a list of questions about missing details for his mother, her spouse and her descendants. I had written to him in 1986 and got no answer.

If there are any others I should write, please let me know. Only about 1 out of 10 respond but we have to keep trying. Besides - if all responded I would be overwhelmed.

My Best to you and Phillip for the Season

Dear Cousin Katie,

I was sorry to learn of the passing of  
Uncle Norman McWhorter but really appreciate  
the obituary you sent for him. It helped  
to provide several missing details. I have  
written to his widow to offer condolences and  
to ask her certain questions on the family of  
James William Nobles. I hope she answers. Thanks.  
for her address.

I have not heard from Rosa Bell Upchurch Thanks.  
to her on 29 DEC 1988. As you know many do not  
respond by mail and have to be contacted in person  
by phone or visit.

The master outline for James William U, Sr has  
now been rewritten and is in decent shape. It  
is 14 pages long. A copy is provided herewith  
for your information and files. I hope you  
will go over it to see if you spot errors  
and also to see if you have any of the  
missing details or know how to get

any of them. with this in hand you will be in a good position to call or visit or write some of the relatives. Of course I will be willing to write also if addresses are available. you will note that some sections of this outline are much more complete than others. I have put a "c" on the left hand side of the page to designate a correspondent and an "s" to represent a subscriber. Sometimes I miss adding an s or a c but it is nice to have this available

Can you tell me anything more about your Uncle Elmer Rudolph U and your Aunt Anna Isola (Upchurch) Franklin? These two sections look especially bare. Did these two have children? I note that Elmer is deceased but what about his widow and are Anna and Rudolph still living? Do you know where they were born?

Thanks for the details on Frances Ariola. Maybe she was killed in the 1900 Galveston storm and maybe not. I note that her last child was born 16 JAN 1895 and her husband did not remarry until 14 DEC 1902. She could have died anytime between these two dates. A reading of the obituaries in the ~~Galveston~~ <sup>Galveston</sup> News paper between 1895 and 1902 (3 years worth) might reveal something.

Dear Cousin Katie,

The screen print on the James William U, Sr photo came back from the printer yesterday and I am returning the original to you here with. With the screen print in hand I can now use it in a future issue of the U B when a spot opens up. This will probably take place in 1989.

Thanks for your letter of 6 JAN 89 and for your response to my questions. We are at the point now for the descendants of James Marshall Upchurch (your GGF) and his son James William U, Sr (your GF). That the easy questions have been answered. What we need now is some new sources of information. If you had contacts with some of the descendants of the above two who were willing to share the information they have that would be a big help. If you have time and the opportunity you might get in touch

with some of these relatives. I know that many of them are not close by and this could be a problem. I'll be glad to write to any of them for whom you are able to get an address.

I'll be glad to make a list of questions of items that are missing if that would be helpful. And/or I'll be glad to make you a copy of my master outline for James Mounce and his descendants. I'm looking over this I am impressed with how much progress we have made over the last several years. Of course there is still much to be added.

I understand that your Grandmother Frances (Arada) Upchurch [1st wife of James William Upchurch, Sr] was probably killed in the Galveston, TX storm of 1900. Usually, these come in the fall of the year. My guess is that one could at least find an obituary for her in the Galveston newspaper. They probably have them on microfilm at the Houston library.

I really appreciate your interest in your Upchurch heritage. Cooperators like you keep me going. All the best! - and let me hear from you.

Dear Laura Katie,

Thank for your letter of 29 NOV 1988 which I have just received. I am sorry I learn of the passing of Robert B. Winkler but the article you sent got me excited on regarding the part of the family. I have pulled outline for that part of the journal. I could find everything out of the current records I could find and then forget the article you sent helped a lot. I was glad to learn that you + getting and Savannah Nobles were brother + sister. I am certain to see Bell II and hope to hear from her. In the meantime, let me pose some questions to you.

1) For MOSE MONROE II

a) Was his real name MOSE or MOSES?

b) When in APR 1876 was he born and where in TX born?

c) When where did he die and where he to buried?

d) When and where did he marry?

e) What is the full maiden name of Savannah Nobles when in APR 1875 born, where in TX born and when a wife did a wife buried?

f) What is the name of his brother's mother?

- 2) For Oliver Hazard Perry Upchurch (Father of More Maurice U)  
a) where is he buried?  
b) How many times was he married and what are the names of his wives?

3) Do you have details on the children of More Maurice U? (I have asked Rosa Bell U about them but she may not know or may not answer).

I have decided to have a screen print made of the picture of your Grandfather in case I decide to publish it in the U B. I have one or more other pictures of him but this one is a classic photo. The hat and the mustache and the gaunt expression make this almost of the type that could compete in competition for outstanding photographs. I try to emphasize pictures of people born before the civil war in the U B and he was not born until 1866 so don't know if or when I would get to him. It depends on what photos are available. I'll return it to you when it comes back from the screen print shop.

I hope you get to go to Bedias & that you will let me know about the trip.

Dear Cousin Katie,

Thanks for your letter of 14 MAY 87 and your order for UB Vol 5. It has been packaged and will be put in the mail tomorrow.

I am certainly pleased that you want to learn more about the Upchurch family. As you acquire all of the Upchurch Bulletins and read them you will be getting a good deal of information. I hope you will particularly note the story about the trip to Texas in several ways which appeared in Volumes 6 and 7. This involved a sister of Mares U (XFD-2030), your GGGF. Let me know if you have any questions on this story.

As an extra bit of information I am providing hereunto for your information and files a copy of my 9 page Biograph on Marshall U, your GGGF. As far as we can tell he was an only child.

As you read Upchurch records be careful about James Marroe U, your GGF. There was more than one Upchurch by this name. Your GGF James Marroe U was XFD-2031

I definitely wrote Ed Jack Nobile on 26 DEC 1986 and am relatively sure he got the letter. Probably he did not choose to answer, I could write again. I did not write his mother Mary Reed as my address is incomplete. I show 2977 BASTROP HIGHWAY, HEWALLE, TX. The problem is that I have no ZIP code and I cannot find a town in TX named HEWALLE. Can you provide a more complete address. I'd be glad to write her.

The situation with you and your sisters is not unusual. I see them all the time. Close relatives often have trouble getting along together. I have had that in my family even with my sisters and my children. In laws are a special problem. In any case we just have to make the best of the situation.

If you had the time and the interest you might find old newspapers a source of information on the descendants of James William A. Sr. Such newspapers are frequently found on microfilm in libraries or archives in the big cities such as Houston. A key place in the paper would be the obituaries. I do not know if there is a possible activity for you. It could be good fun after you learn how to do it. It does take time.

With appreciation for your continued interest in the Uphurch Family.

Sincerely yours  
 Phil Uphurch

Any information about the IP Church family you can send me or tell me where I can get it I will appreciate it. Just wish I could find some information about my father's family.

My sisters haven't had anything to do with me since I took my mother out of a nursing home & brought her down here and took care of her for five years when she needed her family they didn't want to wait on her. But I did.

I can't judge the extent of her interest but will write to see if she will provide more information. She did decline to provide any details on Ethel Ranges, Myrtle Shiflet and Mary Jane Rice. I'm sorry I haven't written sooner but we have been on vacation. I was going to be done on July 1st but it was too hot. But I am going when I get the church. I'd like you ever hear from Mary Jane & Elizabeth about Aunt Lala Milloge. I haven't had time to go over the materials you sent me but when I do maybe I can help you out in some way if you have any information please send it to me. I don't know why Mack & church wife didn't tell me about you sooner. She knew where we lived and my

telephone number. I loved  
how you helped me from the  
beginning.

You have a nice day

Dear Cousin Katie,

Thank you for your letter of 30 MAY 1987 and for the order of UB 1985. You should have it by now. It's great that you have a full set. Let me know if you have questions.

I have written to Mary Jane and hope to hear from her.

You asked about your grandmother. All I have on your GM Frouwe (Anola) is in the outline about you. I have no details on your GM on the Nobles side. As for the brothers & sisters of your GF J. W. A. Sr I can be more helpful. He had one sister Nancy Jane and 2 brothers - Ernie Perry and Vergil A. V. I am sending you herewith the outline for these three individuals. Perhaps you know some of these people. Perhaps you might be able to get some of the missing details. In any case this gives you quite a bit of information. Considering how helpful you have been

I am pleased to have the opportunity to do something for you in return. If other members of the family would be as responsive as you have been it would make our Upchurch history project move along faster.

For the present it does not seem in order that I ask more specific questions. You have already probed and probed and just about done what can be done. However, you know what is missing and you might find a way to get more details. I'll leave that up to you.

Please let me hear from you along the way. There are always changes in the family - for better or worse - that will come to your attention. Better it is good for individuals to develop associations and maintain them. I feel that you are not only a cousin but that we have become friends through correspondence.

All the best.

Sincerely yours  
Phil Upchurch

Dear Cousin

Sorry I have been so busy I didn't have time to answer your nice letter. Thank you so much for the information.

I am ordering Valerub. Sit now. then I will have all of them and I am going to go when I have time down town to the library to see what I can find.

I know who my Grandfather's are. Now can you tell me who my Grandmother's are. And did my Grandfather have any sisters or brothers. When I was growing up I didn't see or hear of any.

When I get a chance I am going to the Cemetery in Bedias where all the Church I know is buried and see if I can find anything you would be interest in. I know Robert Lee Church lives there but you probably know all about him.

Dear Cousin Katie,

I have today finished processing your letter of 2 JAN 87 which arrived 7 FEB 87. Sometimes I get a little behind. All the details you provided. I also received details on Joe Ann Nobles.

So far I have not heard from the four individuals whose addresses you provided and to whom I wrote in December - They were of the Mary Jane Nobles/John Mac Nobles group. It is quite possible they will not write as some are just not interested in family history. Please let me know if you learn how to get more details on the children & grandchildren of Eula Anna Elizabeth (Upchurch) Nobles. I have a fair record on your children and grandchildren - but not quite perfect.

Do you have any connections or way to get information or way to stimulate interest on the part of the families of your Upchurch Uncle and Aunt? I have a fair set of records on your Uncle Richard McNeil "Mack" U. His son Mack Pershing U is a subscriber to the U B. Actually it is Mack's wife Jesse from who

quite interested. I have many stately records on  
your Uncle William Esmon (Esmond) U. For your  
Uncle Elmer Rudolph U I show a marriage but  
no children. Likewise I show your Aunt  
Anna Lela U and Milage Franklin but I have no  
children listed. For your Uncle Clifton W M U, Sr  
I have a fair record. For your Aunt Elizabeth  
W M U (Upchurch) Wilson - I show no children. She  
is a correspondent and a subscriber to the U B  
For your Uncle James William U, Jr I have a  
fair record. He subscribed to the U B 1980-1983 but  
not since Wayne is dead?

I'd be glad to send you a xerox copy of  
these records if you desire.

I take it your Grandfather James William U, Sr  
was separated from his second wife at the time  
he lived with your parents in the 1940's. Is  
this your understanding. Do you know when  
they separated? She lived until 1975. Some think his  
first wife (your GM) Frances Arden was killed in  
the 1900 Galveston storm. Were any family stories  
passed down on this?

I am really pleased with the records  
we are collecting on the Upchurch family.  
A lot of these details are included in the  
U B and I hope you will enjoy them.

you asked about my personal situation. I'll leave most of that to the next U B. Since so many people have asked I have decided to publish my picture and a short version of my life story. Look for the Vol 8<sup>#1</sup> issue of the U B which will reach you in March. I have an appointment for my picture to be taken on MON 9 FEB 1987 for the U B. This will be on my 59th birthday. You will learn a certain amount about me from reading the U B as I always include a letter from the editor.

I was born and raised in Wake Co, NC and ~~was~~ became a high school drop out after 3 years - never did graduate. However, I went on to get my B.S & M.S degrees in Agronomy at N. C. State University - then a Ph.D from the University of California - then back to NC State to be a Professor of Agriculture 1953 - 1965 then to the Monsanto Co in St Louis for 10 years in agricultural research then here in Tucson since 1975 with the University of Arizona - first as head of the Plant Science Dept then through several jobs and now an Associate Dean of the College of Agriculture. Dear Cousin Katie,

I was sorry to learn from your letter of 30 NOV 1995 that your sister Mary Jane had passed away. It seems that the happy times of our lives are mixed with some sad times.

Thanks for sending me the obituary. You noted that Eula Mae's name is misspelled in the write-up. I think there are also two other misspellings. It shows her husband as EUDY PEARL RICE whereas I have it as EUDIE DEARL RICE, which I think is correct. It shows her son as HERBERT JACK NOBLES whereas I have it as HERBERT L. NOBLES "JACK", which I think is correct. Please let me know if I am wrong.

Enclosed is the Master Outline Profile Sheet for Mary Jane Nobles. Maybe you have picked up a few bits of information - such as for example the names of Jack's children and grandchildren. If you have any little bits of

information that are not on this sheet, I'll be glad to have them. I understand Jack's present wife is Edna Lee - but I don't know if LEE is her maiden name. Information on this family has been difficult to get. I know you have tried. We may have to settle for little bits of information to surface from time to time.

I wrote Jack in 1986 and got no answer. I'll be glad to write again if there is any chance of a response.

Thanker for your renewal on the U.S. for

1996.

Our trip to Texas is now planned roughly for MAR/APR 1996. I'll keep you informed. It looks like there will be an Upchurch feature in Tom Ball, TX to cover the Houston & Grimes Co Areas. However, I still want to go to Grimes County.

Have a merry Christmas

Sincerely yours

Dear Cousin Katie,

Thank you for sending the details on the death of Essie Sea Yulunch, the late wife of your Uncle Clayton NMN U, Sr. I was sorry to hear of her passing. The details you sent have all been entered in the records. The write-up you sent raises several questions in my mind as follows:

- 1) The wife of Clayton NMN U, Jr is shown as "PAT" is this the same as Peggy Bratter or did he marry a second time?
- 2) The wife of Norman Dean U is shown as "BETSY". Is this the same as "Joy" or did Dean marry a second time? (I don't have a maiden name for Joy or Betsy)
- 3) The write-up shows a daughter Betty Treese. I don't have her listed as a child of Clayton NMN U, Sr. Did he have a daughter Betty U who married - - Treese?

- 4) The write-up shows a son-in-law  
MANUEL CASTILLO. I show him as Manuel  
Castillo Powell.
- 5) The write-up shows a son Tommy Wayne U  
predeceased Essie. I do not show Clayton NMN  
U Sr as having such a child? Did he?  
Maybe this Tommy Wayne U was a grandson  
[Clayton NMN U, Jr had a son Tommy U]

If you can shed any light on any of  
the above, I will appreciate it.

Just day before yesterday we returned  
from our 15 day family history trip through  
NC & TN. It was very interesting and  
I collected a lot of information. I hope we  
can do our planned TX trip next fall  
and that it will turn out as well.

With All Best Wishes.

Dear Cousin Katie,

We are now reasonably well settled in our new home and I am trying to catch up on family history work that has accumulated over the next six months. I have just been working on your letter of 11 AUG 1994 and want to thank you for it. I have now written to Merilee Andrew and Franis Tomphine with a list of questions, stamped return envelope, etc. Hope to hear from them. Also, I have written again to Franis son Howard Ray Andrew. He and I corresponded some.

Thank for your renewal on the UB for 1995. I note from your 11 AUG 94 letter that you had not been feeling well. I trust that by now you are feeling better and that 1995 will be a good year for you and yours.

We are trying to set our new pattern for our lines, one tentative decision is that each year we will make two trips for two weeks each by car to different parts of the US - primarily for genealogical reasons. These trips will be in the last half of MAY and the first half of NOVEMBER. These dates have been selected because they fit in well with farming operations.

In MAY of 1995 we plan to travel to NC with stops along the way - especially in TN. In November 1995 we tentatively plan to travel to Texas. I am not sure of all the TX locations we will visit but Grimes County, Cass County and Harris County will be high on the list. I'll hope to give an Upchurch lecture in Houston. It would be a great pleasure to meet you on this trip.

All the Best!

Dear Cousin Katie.

The obituary for Ronnie Stevens arrived today. I am taking a day of vacation to have a long weekend to catch up on genealogy so was able to answer your letter right away.

It really is a shame for Ronnie to be taken away at such an early age. I know his wife and daughter will miss him and that it must have been a difficult time for the family.

It was also too bad that Wallace Ray Pisinger had to lose his wife after only six months. Do I understand correctly that he married first Jackie and then Josey Ruiz. That is the way I have it at present. In your next letter perhaps you could inform me of the true situation.

It is always nice to ☺ sincerely yours  
Phil Upchurch  
hear from you. [ROBERT PHILIP UPCHURCH]

Dear Cousin Katie:

Thanks so much for the obituary for  
Beanche NMO U (XID-15810) provided in your letter  
of 8 MAY 1993. She is of the Abel U, s1/Bartley U  
Subclan. I had a wonderful phone conversation  
with her when I was in Houston on 20 JUL 1986  
and took many notes about her family. She was  
very cordial but did not answer my later  
letter. This is normal.

Enclosed is the master outline sheet on her  
father's family and the continuation sheet (7A)  
for her sister Helistrape who is still living  
according to the obituary.

We now have U B 1993 Issue 2 ready to  
assemble and press for mailing. It should go  
in the mail on 17 MAY. This is a little early  
but we are getting ready to be in Missouri  
20 MAY - 15 JUN and wanted to have the issue  
out before we leave  
All the best!

Dear Cousin Katie,

This is to acknowledge receipt of the details on the family of your son Charles Allen Nobles which arrived on 30 APR 1993.

It is good that we are continuing to improve the Master Outline for James William U, Sr. We have come a long way - wonder if we will ever have it perfect. Christopher Scott Nobles is XFD-32249 and Kimberly Joyce Courtney Nobles is XFD-32250. They will appear in the next U B - which I must get busy and write!

I'll be looking for your next installment. Let me know when you have any questions or need a printout.

Dear Cousin Katie -

I have just found time to process  
the two clippings that arrived with your  
letter on 31 MAR 1993. At first I could  
not fit either in but after some study  
it was possible to accommodate both.

May Belle U. is the wife of Hayden J. Upchurch

nee Sara Dorothy Nowak, wife of Robert Kelley

Thanks a lot and do send more.  
They really help. ☺

Dear Katie &amp; Phillip,

Thanks so much for your letters which arrived on 12 FEB 1993 and 15 MAR 1993. I have just finished reviewing them and all the details fit nicely on the Master outline for James William Upchurch, Sr. He is getting to have quite a large family now. Your latest two letters helped to plug some big holes in the Master outline. There always seem to be more details left to collect. I have provided two lists recently. Anything you have or can get to answer these questions will be appreciated. I realize there are always certain items that are difficult to get and some may be impossible or impractical. I do appreciate your continued effort and I will keep working back and forth.

with you as long as we keep making progress.

one of the places we are rather than an information is for your side Mary Jane Nebler. Do I understand correctly that she had only one child - Herbert L. Nebler "Jack" and that he married three times and had only three children - all by his first wife. Do we know the name of any of Jack's wives or the name of any of his three children? I assume these three children could be grown by now and possibly with children of their own.

Things are somewhat under control at the University now and I hope I can catch up on genealogy.

☺ Sincerely yours

Dear Cousin Katie,

Thanks for your renewal on the U.S.  
for 1993 and for your notes on the family.  
They arrived 7 DEC 1992 and I am just catching  
up.

I appreciated the cemetery records for Panhey  
& Independence and have extracted and recorded  
these details as appropriate. The Panhey records  
seem mostly to concern the family of Riley  
Judson U. However, I cannot fit Ethel Aline U  
(b 12 AUG 1882 & 13 MAY 1961) into the family. She does  
not fit as a daughter of Riley. She might be  
a wife of one of Riley's sons. We know that  
Riley had a son John Raymond U "Bode" who  
married and had children but we have  
never learned her name. Could it be that  
Ethel Aline U was the wife of John Raymond  
U? Any light you can shed on this will  
be appreciated.

I was sorry to learn that your brother-in-law Erwin Schaffer passed away. His obituary shows four greatgrandchildren but I show only one. Do you have the additional details?

enclosed is a list of the missing details on your family. Actually your outline is in excellent shape. If you have or can get any of these missing details, they will be appreciated. I show you have three children, seven grandchildren and two greatgrandchildren.

Our Upchurch history project continues to make excellent progress. Information comes in in all sorts of ways. I appreciate your continued interest and all you have done to help document our family.

Sincerely yours

Dear cousin Katie & Phillip

Thanks for your very nice Christmas card  
and for your kind words.

Once Phillip gets started on the McKinney  
Family he will enjoy it. I don't know  
what kind of help he is looking for in order  
to get started but I have written down some  
tips on two enclosed sheets. Hope they will be  
helpful. It would be tremendous if he could  
find a book or a newsletter already existing  
on the McKinney family. I checked my sources  
here at home and did not find such an  
item. This does not mean it does not exist.  
If it does exist he will probably run into a  
reference to it as he starts to work. I hope  
he has great success.

# SOME TIPS ON HOW TO DISCOVER YOUR FAMILY HISTORY

① Commit your self to writing down everything you learn about your family (you think you will remember it all but you will not)  
Here are some of the ways you write down things:

1. For each encounter (talk with a person, visit to a graveyard, reading of a book) make a report for your later use with a title and date.
2. Make a sheet for each person in your family (I call this a BIOFILE sheet) and write on this sheet everything you learn about that person. Number each item and show where you got the details.
3. Make a written outline of your family such as.

I. Name of your Grandfather + other details

A. Name of child #1 + other details

B. Name of child #2 + other details

1. Name of child #1 + other details

2. Name of child #2 + other details

② write down everything you can recall about your family

③ Visit relatives (especially older relatives) and write down what they can recall about the family

- ④ Visit Graveyards where family members are buried and record details.
- ⑤ Visit the general community where your ancestors lived and talk with the older members of the community to see what they remember about your family.
- ⑥ Identify other members of your family who are interested in the McKivney Family project and who will help gather more information.
- ⑦ Make an effort to identify the countries where your ancestors lived. Once you identify these countries begin to look into these countries generally as follows:
1. Visit the countries if you can.
  2. Acquire copies of the census records for the countries for the key decade and look for your relatives (your local library can advise on this)
  3. Learn if there are books published about family history in the countries which interest you.
  4. Subscribe to the Genealogical Society for your countries of interest if they exist.
- ⑧ Write a lot of letters (1 response out of 5 is good). Call people (They will be more responsive by phone than by letter).
- ⑨ Share what you learn with others

**THINKING OF YOU**

This morning as I rose from bed and saw the sun above  
I softly said "Good Morning, God, bless everyone I love."

And right away I thought of you and said a loving prayer  
That He would bless you specially and keep you free from care.

I thought of all the happiness your day could hold in store;  
And wished it all for you, because no one deserves it more.

I felt so warm and good inside, my heart was all aglow-  
I know God heard my prayer for you, he hears them all you know.

Dear Cousin Katie,

Thanks for your note of 20 SEP 84 and for the details on the Eula Mae (Nobles) Schaffer Family. This helps to complete the Master outline. Actually the Master outline on Eula Mae Nobles & all her descendants is in excellent shape. The only thing I am missing is a birth date for Peggy Jean Buckwalter who married Earl Nelson Schaffer. I'll be glad to send you the one page of the Master outline for Eula Mae or the entire Master outline for the James William U, Sr Family which now runs to 14 pages. I am sure you have a copy of this but I keep adding to all the outlines and can't remember what was on a given one at the last time it was sent out.

I know what you mean about hot weather. We have now had 90 days this past summer with 100°F or higher - the old record was 78 days. It's cooler now. Hope you can make it to Panky in due course.

Sincerely yours  
Phil W. Church

MRS PHILLIP MCKINNEY  
9231 LONG BARREL LANE  
HOUSTON, TX 77040.

Dear Cousin Katie,  
your nice letter of 21 JAN 93 arrived today  
and one of my projects has been to process  
it. would you believe that it took about  
two hours. I thank you for this input and  
your husband for organizing it so nicely.  
We are gradually getting the family of Eula  
Anna Elizabeth (Wjlund) Nobler into shape.

The family of James William Nobler is now  
much improved based on your recent letter.  
I have enclosed questions on missing details  
on his family. If you have or can get any  
of these details they will be most welcome

The other two families where we are  
missing quite a bit are Bertha Ethel Nobler  
and Mary Jane Nobler - also Myrtle Nobler.

We have a perfect set of details on  
your family as far as I can tell. For  
Eula Mae (Nobler) Schaffer our record is almost

2-

Completed. The only things missing are:

- 1) Are Becky's three younger children still single?
- 2) When was Peggy Jean Burkhalter born?

In the part Eula Mae has sent in a lot of information. In the part I have written to Becky and received no answer. If I do write again do you think I should write Eula Mae or Becky. It seems to take a long time to get a full set of information but I am willing to keep trying. The main thing is to find individuals who have an interest and are willing to help. I have always appreciated your interest in our Upchurch history project. I do hope I am sending you enough information. Be sure to let me know if you have any questions or want anything.

Sincerely yours  
Phil Upchurch

KATIE MCKINNEY

HOUSTON, TX 77040

Dear Cousin Katie,

Your letter of 21 JUL 31 about your second trip to Bedias is at hand. It was really me if you to make this additional trip in search of details to add to our family heritage.

We have now solved the Millie Harrison question. I have labeled her (51) on the cemetery records. She was the first wife of Reuben C. Lee U, I (XID-4958 b. 65001861 d. 17 AUG 1922 - Linn Methodist Cem. Bedias, TX). This REUB, I was a son of Moses U (XID-2030) who was a brother of your GGF James Monroe U (XID-2031). After Millie died on 23001890 REUB, I and 183001919 Fannie Verna Bower and had a son REUB, II (XID-4969) who is currently President of the bank in Bedias. Fannie was President of the bank for many years as REUB, I did 17 AUG 1922 just 4 months after REUB, II was born.

The couple U you found in couple Clyde U XID-4165 son of Moses U XID-2030. The wife or her wife was Fannie Ada Barry. The bedstead you found with them could be a clue as more likely a daughter-in-law. This we still need to determine.

I think the No note on your chart which

show the parents of ~~James~~ (Edward Ray U) or  
W. E. & R. E. U. really should read W. E. & R. B. U.  
which would be for William Edward U & Rosa  
B. Whinery. William Edward U (XFD-5385) is the  
son of Mary S. U. I would guess that Truman  
G. U. = GORNEE U = XFD-5390, son of William Edward  
U.

With your latest information I figure (48) is  
Mary S. U. (XFD-5389) dau of Benell Miller U.

Although we don't have everything resolved  
on the Upchurch in the Baptist Church Cemetery  
at Bedias, TX we have an excellent record  
thanks to your special effort.

Do you have any detail on Opal U. I understand  
that she is a daughter of William Esmond U (XFD-5010)  
and that she had two brothers - Richard U & Billy  
Ray U and that these are the only three children  
of William Esmond U. I show Opal U. as being  
married but I don't have her husband's name.  
Did her brother marry and have children?

If you do go to Pantry I will certainly  
enjoy sorting out the details with you as  
we try to get more details organized on  
the family.

All the Best!

Sincerely yours  
Phil Upchurch
