Dear Larry -

Time for an update on Allied Families
The enclosed UB for 2016 shows our shift
to digital submit has been quite an achievement
provided in a summary of what we have
done in our shift and what we hope for in
2017. Our \$25,000 2017 budget should allow us
to accomplish a lot if we can get it funded.
Any encouragement you can provide will
be welcomed.

I will be in NC March 29 - April 2
working to push our Cary, NC Family
along. It would be great if you could
join us and see the progress. You would
be impressed.

All Best Wishes

Hi Larry,

You have been a great help in transcribing Profiles. Note that we have over a hundred photos as our website. This is a project on which we eventually want to recruit more transcribers. However, at present we are placing a very high priority on getting the 50 notebooks I created during 40 years of work transcribed with only one copy now in existence and run off a big bit of a pro or some other disaster.

Would you be in a position to help us enter the notebooks for the Harmon Upchurch family into Ancestry.com family tree software called the "Harmon Upchurch RPO Legacy Tree"? If you are already familiar with entering data for trees on Ancestry this would be a big help. Otherwise there is a learning curve. If you cannot do the "tree" but I would like to get back on the transcription of Profiles' SABW, PA, MG, AT

Dear Larry,

Enclosed are pages 137-139 of Allen U from the Mae Cox Book. Note that we cannot put this on our website as a part of the Allen U People due to copyright restrictions. Mae used my records and gave little recognition. Still she has done good work.

If you spot a useful citation in the attached pages feel free to create an entry to capture it for the Allen U People.

The People should contain a scanned copy of the Allen U will as well as a digitized version. Feel free to be creative.

Will be happy to have any comments on the above

Great to be working with you

Dear Larry -

Thanks for the address provided in your email of August 7, 2010.

Enclosed in the 3-page CS-17 "Continuation Section" of the Harmon U/Allen U Subclass covering the family of Thomas Rutherford U a GGS of Allen and your GF. This should be enough to get us started on exchange & cooperation. Any improvement in the document will be appreciated. Later we can move to other parts of the family according to your wishes.

In the weeks ahead I will provide more information on Allied Families and especially on the prospects of "enrolling" the Harmon U Family on which I hope you will be a strong participant.

Thanks for reporting that you are becoming a participant in USAFA

Mr. Upchurch,

My name is Larry Grizzle. My Grandmother is Dora Upchurch Grizzle. Her father was Thomas Rutherford Upchurch. I have been researching into the Upchurch family but don't have a lot of information. I have been told that you publish a Upchurch family bulletin. If possible I would like to subscribe to it. Just let me know what the cost is to subscribe and I'll mail it to you. I would also like to know if you know of any other books or publications available. I would like to get as much information as I can. By the way Dora will be celebrating her 91st. Birthday this year. Hope to hear from you soon.

Thank you,

Larry Grizzle

acquired a few of the WEST books and has them for sale. It is the better of the two for general background. For it write to: SIM TAYLOR

400 PURDUE STREET #151; HOUSTON, TX 77005-1059

Do you have something already organized on Thomas Rutherford U & his descendants you could send me? I collect full names (full maiden names of females, dates of births, marriage & death and place of birth, marriage, death & burial. For places I like to include Town/Country/state and for burial place - the name of the cemetery + Town/Country/state. Of course we rarely get all of these details for a given family - but we try.

You are of the HARMON UPCHURCH CLAN (UPCHURCH CLAN NO 16 - one of 22 CLANS) and are descended from his son ALLEN UPCHURCH. Thus we say you are of the Harmon U/Allen U Subclan. When I started to work on the Upchurch Family some 20 years ago some parts of the family were already well documented but not the Harmon U part. I encountered the statement that

3-

⑦

Three Upchurch brothers of an unknown father moved from NC to Conway Co, A.R. Over the years the story has gradually unfolded with many descendants of Harmon U making inputs. You now join this illustrious group.

Enclosed is my single sheet master outline for Thomas Butterford U - including what you just sent. You can see it is rather shabby.

I'll look forward to hearing from you and to working with you.

Sincerely yours

⑧ Phil Upchurch

Cousin Phil,

I'm sending you what I have on Thomas Rutherford Upchurch and his descendents. I haven't collected everything I can yet, but should have more soon. Some of the information came from the memories of my Grandmother Dora and her children. This includes my father Leon Grizzle and my two aunts Norma Jean and Leta Mae. I haven't verified their information but believe theirs to be fairly accurate, as they were pretty close with their aunts, uncles and cousins. I will verify everything I can as soon as I can and send the information to you.

I have included what I know about Charles Wesley and Julianna Perrine Upchurch and their family. I'm also sending a copy of a photo of the family. Maybe after looking at the information I'm sending, you could let me know if you have anything to add.

I'm in the process of collecting information on all of Dora's descendents. I will send them to you when I receive them.

This is all very exciting, as I have only been doing genealogy for four years. Most of my information has come from census records, which I copied at the LDS Family History Centers. I do have a copy of some Upchurch family lines. I received this from my aunt, Leta Mae. I'm not sure where she got it. I'm including a copy so you can see the extent of my Upchurch information (not much).

I would appreciate any help you can give me. I have enclosed your order form and a check for the items I would like to receive at this time. I will eventually purchase all information you have available as I can afford it. I have also included a small amount to help with further research as I know this is time consuming and sometimes costly.

If you have any questions, or if there is anything I can do to help, please feel free to contact me.

Thank you,

Larry Grizzle

Enclosed is a copy of the 2-Page Master Outline for Charles Wesley U and his children along with a set of questions on what is missing. We will probably never have all of the answers but I will be grateful for any you have or can get. Descendants (if any/known) of the children are covered in continuation sections as indicated by the numbers on the left hand side of the page. The continuation section for Thomas Butterford U (# 17 A, B, C) is enclosed. Please let me know if you spot any error. I will welcome any additions / corrections you may have for the continuation section now or later. The [C] indicates I have one cooperator (you) for the continuation section. I can send the continuation section for the siblings of Thomas Butterford U if you so desire.

The Upchurch Family Tree you sent appears to be a 1982 version and much has been added / corrected since that time. You will be catching up with the new stuff through the U B & Englandia and through the exchanges we will have in our letters.

Your letter and information stimulated me to rework my records pertaining to the Patrick Bogan U Line in the Harmon U/ Allen U subclass. As a part of this exercise I prepare a 3-Page Document on Central OK (I have a copy also). This includes an enlarged copy of a map, the names of Upshur family members buried in 3 Cleveland County Cemeteries and a sheet showing how these individuals fit into the family. I hope we can expand the usefulness of this map. Perhaps you have a better or more detailed map, some questions for now:

- #1 Is Mount Zion Cemetery indeed 13 miles Southeast of Lexington, OK? If so it would seem to place it in McClain or even Garvin County.
- #2 Are Mount Zion and Mission two names for the same cemetery?
- #3 Where is Mount Zion Cemetery in relation to Noble & Corbett? Where is Corbett?
- #4 Is McGUIRE or McGUIRE correct? Is this the same as Fairview Cemetery?
- #5 Is McGuire Cemetery about half-way between NOBLE and TREBBY?

Perhaps you can tell me a little more about how the descendants of Patrick Bogans fit into the Central OK scene. What did they do for a living? Where did they live? Are any of them still there?

Can you tell me a little more about yourself?

Please let me know if you have any special questions.

With appreciation for your interest in our shared heritage

Sincerely yours

Phil Upchurch
