I have recently been accepted into the Daughter's of the American Revolution and I owe much of my opportunity to your research throughout the many years that you worked so tirelessly. Thank you!

Hi Melissa,

Thank you for your generous \$100 donation to Allied Families for your 2019 membership, which has arrived. A portion of your donation will be allocated to the Richard Upchurch III Enrolled Family to which you belong. Also, I note that your donation is a memorial to your parents. It will be so recorded.

In our April North Carolina trip, we made a video on the Richard Upchurch III Family. It is already on our website. Have a look. If you are able to make some entries on [Ancestry.com](https://www.ancestry.com) for the Richard Upchurch III Family, please let me know.

Best Always,  
Phil Upchurch, Founder, Allied Families
