○ RPU 18 OCT 2005 observations about the sale of 382 Acres of the late Buckner Ray Land on 7 DEC 1896 in Northern Wake Co, NC to his son [△]Willis S. Ray for \$700 - BOOK 142, PAGE 420

When Buckner Ray died in 1881 he willed all his property to his wife for use at her discretion. She [[△]JANE CAROLINE GRADY] did not die until 1908. Evenso, it must be that Buckner's land was allocated to his children prior to 7 DEC 1896 as it is some of his 12 children who are selling the 382 Acre tract and the widow is not referenced in the deed. Presumably these 382 Acres had passed to 7 of the 12 children of Buckner according to the 7 DEC 1896 Deed. Each would have gotten 100 [one of the 7 was [△]AURORA O. (RAY) UPCHURCH - which accounts for her inheritance from her father's estate] The 7 owners are listed as follows: (# = CHILD NUMBER)

- #3 [△]LEE HAWKINS RAY (she must have died before the sale as her share is sold by sons CHARLES [L.] ALLEN & GEO. [B.] ALLEN)
- #4 [△]WILLIAM HENRY RAY
- #5 [△]AURORA O. (RAY) UPCHURCH [△]
- #7 [△]JAMES R. RAY → [HER HUSB BARTLEY JEFFERSON UPCHURCH SIGNED]
- #9 [△]ROBERT EVERSON RAY
- #10 [△]ALFONZO COLUMBUS RAY
- #12 [△]CHARLES BUCKNER RAY

COMMENTS RE OTHER 5 CHILDREN

- #1 [△]CHARLES W. RAY - NOT AN NEIR - DIED 1862
- #2 [△]ZADOCK DANIEL RAY - NOT INVOLVED
- #6 [△]GEORGE WASHINGTON RAY - NO OWNERSHIP IN 382 A BUT IS SHOWN AS A JUSTICE OF PEACE ON THE DEED
- #8 [△]WILLIS S. RAY - NO OWNERSHIP IN 382 A - HE WAS THE BUYER
- #11 [△]MARY C. (RAY) PENNY - NO OWNERSHIP IN THE 382 A

ONE PRESUMES WIDOW [△]JANE MAY HAVE TRANSFERRED ASSETS TO # 2, 6, 8, 11 BEFORE 7 DEC 1896

Note that the spouses of the 7 sellers are shown on the deed. New info gained shown by .
 wife of R. I. RAY = CLARA EVA PENNY
 wife of J. B. RAY = IDA RAY
 wife of W. H. RAY = NANCY RAY
 wife of George B. Allen - ZELMA ALLEN

Note that 4 names on the deed are hard (impossible) to read.
 Note that #8 in later years was known to live at the Buckner Ray Homestead - presumably this 382 A

ADJACENT LAND OWNERS: #6 & #10 + JOHN ADAMS, [△]JOHN D. OWENS, [△]PARNAM, [△]HOLKADAY, PATTON MCDAYES

Dear Mrs Clements,

Your Aunt, Mrs Mary Clara (Cross) Newton and I have recently had a number of contacts about our mutual interest in Family History. She and I are 2nd cousins, our common ancestor being our ggp Silas Cross. She told me you have an interest in family history and gave me your address. I don't know that we can help each other but you never know. All four of my grandparents (Upchurch, Ray, Cross, Edwards) have their roots in Wake Co, NC and I was born and raised there. I concentrate on the Upchurch Family (details enclosed) and have identified and published over 27,000 members of this family. My files are extensive. If you think of any way we can help each other, please let me know.

Sincerely yours

Records on the Family of DAVID GILL, of Wake Co. NC GILL
 - A master of RPU - This is Pg 2 of a 15-Page Document
 to be found in the Profile of Jesse Gill, II s/o David Gill, I
 - Rec'd by RPU in a packet 7 JUN 2011 from Mable Albert Perry

This information comes from two source documents, so to speak, neither of which are primary documents, a record Dan Olds found in the library in Macon, GA, the original Wake Co. page constructed from Mrs. Clark's book, records that I (FOC) had found, and a record in the Gill Gazette. **I emphasize again that none of these are primary records, and therefore they are prone to error in interpretation, until we get the original records from Wake Co., NC (which Dan and relatives are now getting and are on this link)**

Jesse Gill, documented in his will as a son of David Gill of Wake Co., NC. Jesse Gill b<1767, listed in 1788 will. Married Tabitha Pace. Jesse Gill of Wake Co. makes affidavit that Wm. Barler was a soldier in the Revolutionary War. 1800 Wake Co., NC census page 732, 00010-40010-04.

Fortunately much is known about the descendants of Jesse and Tabitha Pace Gill. Tabitha was the daughter of Buckner Pace. Little is known of this Buckner Pace, although some researchers think that he was the son of John and Ann Russell Pace of Brunswick County, Virginia. Jesse Gill and Tabitha Pace were married in Wake County on 26 October 1792. The reason that much is known about the descendants of Jesse and Tabitha is because Jesse left a rather large estate at his death and this estate was contested in the Wake County Courts for many years. The many papers in this file contains the names of Jesse's children, grandchildren, and great-grandchildren. These papers also list many death dates, first and second husbands and wives, and places of residence of the different descendants. Jesse and Tabitha had the following 11 children: Nancy Ann Gill married first Rose Wormley Ray on 24 December 1813 in Wake County. They had two sons: Buckner Ray and Henry C. Ray. Henry C. Ray married Cynthia G Bailey in 1839 and they had Mary Eliza who married James A. Alien, Cynthia Paridadi, and Sarah Anderson who married William D. Ray. Nancy Ann Gill Ray married second Edward A. Parkam. They had eight children: Edward Amacy, Caroline, Avery, John, Emeline, William W. Buckner, Obidience (Bidy.)

Jesse Gill and Tabitha Pace Gill had the following 11 children (and, yes, I know there is a discrepancy, I just don't know the resolution yet!):

◆ WORMLEY ROSE RAY AND NANCY ANN GILL ◆

Wormley Rose Ray (father of Buckner Ray) was born in 1794 in the area of Wake Forest (northern Wake County), North Carolina. Wormley married Nancy Ann Gill in Wake County on December 24, 1813. Wormley was 19 years old when he married Nancy. A copy of their Marriage Bond is reproduced on page 28. Wormley and Nancy had two sons, Buckner and Henry, during their eight year marriage.

The 1815 Tax List for Wake County shows Wormley (age 21) as the owner of a 200 acre farm. On July 25, 1817, Wormley purchased 123 2/3 acres on the north side of the Neuse River for \$365 (\$2.95/acre) from John Ray. On August 1, 1821, Wormley Ray purchased a 196 1/4 acre parcel on the Neuse River at a sheriff's foreclosure sale for \$100 "cash in hand paid" (\$0.51/acre).

Court records reveal that Wormley and his father, Nathan Ray, both drowned in the Neuse River on or about the first of January 1822. The body of Wormley was not recovered and both men died without wills. Wormley was 27 when he drowned and his father, Nathan, was about 57 years old at the time of their accidental deaths. Wormley's son, Buckner, was only three and one half years old when Wormley and his father, Nathan, both drowned in the Neuse River. Buckner's grandfather, Jesse Gill, was appointed guardian of Buckner and his brother, Henry.

The Neuse River begins in Durham County, North Carolina at the confluence of the Eno and Flat Rivers. It flows southeast approximately 185 miles through Wake, Johnston, Wayne, Lenoir and Craven Counties before entering Pamlico Sound east of the Cape Hatteras National Seashore. The Neuse River was named in 1584 by Arthur Barlowe for the Neusiok Indians.

Nancy Ray filed the following petition at the May Term of the 1822 Wake County, North Carolina, Court of Pleas & Quarter Sessions:

"...the petition of Nancy Ray humbly showeth that her husband Wormley R. Ray departed this life on or about the 1st of the month of January last [1822] intestate [without a will] and without having made any adequate provisions for your Petitioner [Nancy Ray] & seized and possessed of a Tract of land lying in the said County on Neuse River adjoining the lands of Obediah F. Ellen, Lewis Jones & others containing 320 acres that the said dec'd [Wormley Ray] left two children to wit: Buckner Ray and Henry C. Ray both of whom are infants under the age of twenty one years..." This 320 acre tract was located on the north side of the Neuse River.

Nancy Ray's petition continues and requests that the Court divide the land into three parts separating her dower interest from the land to be inherited by her two sons. On July 19, 1822 at the direction of the court, the 320 acres were divided into three parts. Nancy Ray received 107 1/3 acres including the Mansion House, out buildings and orchards.

The guardian records for Buckner and Henry C. Ray extended for years with their guardian, Jesse Gill, annually recording precise accounts.

After Wormley's death, Nancy Ann Gill Ray married Edward A. Parham on October 26, 1822 and they had eight children (Edward, Caroline, Avery, John, Emeline, William, Buckner and Obidience (Bidy)). Nancy died before 1871.

◆ WORMLEY ROSE RAY AND NANCY ANN GILL ◆

Wormley Rose Ray (father of Buckner Ray) was born in 1794 in the area of Wake Forest (northern Wake County), North Carolina. Wormley married Nancy Ann Gill in Wake County on December 24, 1813. Wormley was 19 years old when he married Nancy. A copy of their Marriage Bond is reproduced on page 28. Wormley and Nancy had two sons, Buckner and Henry, during their eight year marriage.

The 1815 Tax List for Wake County shows Wormley (age 21) as the owner of a 200 acre farm. On July 25, 1817, Wormley purchased 123 2/3 acres on the north side of the Neuse River for \$365 (\$2.95/acre) from John Ray. On August 1, 1821, Wormley Ray purchased a 196 1/4 acre parcel on the Neuse River at a sheriff's foreclosure sale for \$100 "cash in hand paid" (\$.51/acre).

Court records reveal that Wormley and his father, Nathan Ray, both drowned in the Neuse River on or about the first of January 1822. The body of Wormley was not recovered and both men died without wills. Wormley was 27 when he drowned and his father, Nathan, was about 57 years old at the time of their accidental deaths. Wormley's son, Buckner, was only three and one half years old when Wormley and his father, Nathan, both drowned in the Neuse River. Buckner's grandfather, Jesse Gill, was appointed guardian of Buckner and his brother, Henry.

The Neuse River begins in Durham County, North Carolina at the confluence of the Eno and Flat Rivers. It flows southeast approximately 185 miles through Wake, Johnston, Wayne, Lenoir and Craven Counties before entering Pamlico Sound east of the Cape Hatteras National Seashore. The Neuse River was named in 1584 by Arthur Barlowe for the Neusiok Indians.

Nancy Ray filed the following petition at the May Term of the 1822 Wake County, North Carolina, Court of Pleas & Quarter Sessions:

"...the petition of Nancy Ray humbly showeth that her husband Wormley R. Ray departed this life on or about the 1st of the month of January last [1822] intestate [without a will] and without having made any adequate provisions for your Petitioner [Nancy Ray] & seized and possessed of a Tract of land lying in the said County on Neuse River adjoining the lands of Obediah F. Ellen, Lewis Jones & others containing 320 acres that the said dec'd [Wormley Ray] left two children to wit: Buckner Ray and Henry C. Ray both of whom are infants under the age of twenty one years..." This 320 acre tract was located on the north side of the Neuse River.

Nancy Ray's petition continues and requests that the Court divide the land into three parts separating her dower interest from the land to be inherited by her two sons. On July 19, 1822 at the direction of the court, the 320 acres were divided into three parts. Nancy Ray received 107 1/3 acres including the Mansion House, out buildings and orchards.

The guardian records for Buckner and Henry C. Ray extended for years with their guardian, Jesse Gill, annually recording precise accounts.

After Wormley's death, Nancy Ann Gill Ray married Edward A. Parham on October 26, 1822 and they had eight children (Edward, Caroline, Avery, John, Emeline, William, Buckner and Obidience (Bidy)). Nancy died before 1871.

 to be found in the Profile of Jesse Gill, II s/o David Gill, Jr
 - Rec'd by RPU in a packet 19 Jun 2011 from Miley Albert Perry

This information comes from two source documents, so to speak, neither of which are primary documents, a record Dan Olds found in the library in Macon, GA, the original Wake Co. page constructed from Mrs. Clark's book, records that I (FOC) had found, and a record in the Gill Gazette. I emphasize again that none of these are primary records, and therefore they are prone to error in interpretation, until we get the original records from Wake Co., NC (which Dan and relatives are now getting and are on this link)

Jesse Gill, documented in his will as a son of David Gill of Wake Co., NC. Jesse Gill b<1767, listed in 1788 will. Married Tabitha Pace. Jesse Gill of Wake Co. makes affidavit that Wm. Barler was a soldier in the Revolutionary War. 1800 Wake Co., NC census page 732, 00010-40010-04.

Fortunately much is known about the descendants of Jesse and Tabitha Pace Gill. Tabitha was the daughter of Buckner Pace. Little is known of this Buckner Pace, although some researchers think that he was the son of John and Ann Russell Pace of Brunswick County, Virginia. Jesse Gill and Tabitha Pace were married in Wake County on 26 October 1792. The reason that much is known about the descendants of Jesse and Tabitha is because Jesse left a rather large estate at his death and this estate was contested in the Wake County Courts for many years. The many papers in this file contains the names of Jesse's children, grandchildren, and great-grandchildren. These papers also list many death dates, first and second husbands and wives, and places of residence of the different descendants. Jesse and Tabitha had the following 11 children: Nancy Ann Gill married first Rose Wormley Ray on 24 December 1813 in Wake County. They had two sons: Buckner Ray and Henry C. Ray. Henry C. Ray married Cynthia G. Bailey in 1839 and they had Mary Eliza who married James A. Alien, Cynthia Paridadi, and Sarah Anderson who married William D. Ray. Nancy Ann Gill Ray married second Edward A. Parkam. They had eight children: Edward Amacy, Caroline, Avery, John, Emeline, William W. Buckner, Obidience (Bidy.)

- △△ 4. Buckner Gill married in Wake County 19 August 1832 to Sarah Roberts. They had four children who all were in Tennessee by 1860:

 △ 1. William Gill who was born in 1844 and
 △ 2. Elizabeth Gill who was born in 1846.
- △△ 6. Burton Gill married Barbara Ann. Her last name is unknown. Burton died before his father. Burton and Barbara Ann had nine children:

 △ 2. Thomas Gill
 △ 3. Lewis Turner Gill
 △ 4. Americus Gill
 △ 5. Caroline Gill who married Peter C. Pupree
 △ 6. David Gill
 △ 7. Susan Gill

- △△ 7. Terrell Gill was born in 1814 in Wake County. He married Elizabeth Perry on 29 January 1842. Terrell Gill married second Catharine Franks on 24 March 1852 in Wake County. Terrell Gill and Elizabeth Perry had four children:
 △ 1. Eliza M. Gill
 △ 2. Nicholas L. Gill
 △ 3. Andrew J. Gill
 △ 4. Elizabeth Gill.
- △△ 8. Mahaly Gill married Joseph Bailey on 17 August 1835 and this family went to Tennessee.
- △△ 9. Payton Gill married 5 October 1838 in Wake County to Sarah Hollingsworth and this family also went to Tennessee.
- △ 10. William Gill, son of Jesse and Tabitha Gill, seems to have left home while quite young and nothing is known about him.

I have looked for marriage licenses for both of the sons of CHP without success and the same re his divorce from my grandmother. I spent hours in the courthouse in Lee Co, VA looking for these documents. I'll go back this year if possible. His first wife Betty [Betty Hannah Weisman] was born in Lee Co, VA. I have wondered if CHP and Betty actually divorced. My FAT was 4 years old when CHP and Betty separated. CHP had 10 children, 3 by his 1st wife and 7 by his 2nd.

The only recollection CHP "Charlie" had of his FAT was when his body was returned to Granville Co, NC for burial following his death in Richmond, VA in a hospital during the Civil War. He recalls a big black box being taken from the train and his mother (Mary Ann W. (U) Parham) telling him "his daddy was in it."

Death touches the life of a Loved One. We are of consolation and cheer, comfort us for a day—Flowers shed their fragrance only a moment, but a monument such as we erect will remain always, a lasting tribute of love to the memory of the departed, which is the most sensible.

GREAT TRAGEDY OCCURS SATURDAY

C. H. Parham and Jim Breland Lose Lives in Red Springs Shooting. Gilley Owens in Jail with Broken Leg

The news spread like wild fire Saturday morning that Mr. C. H. Parham and Mr. Jim Breland was in a serious condition, with a bullet in his lower bowels. It was thought to bring him to Seymour for an operation, but he was not able to make the trip and died soon after noon. Mr. Owens received a shot in the leg, which broke the bone badly. An operation was performed Monday in the Drs. Johnson sanitarium to remove some of the broken fragments. For a time the patient was in a sinking condition, but rallied before it became serious. He has not yet been granted bond.

The Banner will make no effort to give a history of events which led up to the tragedy Saturday. Suffice to say, it all came from family troubles. For nearly two years Mathew King lived in the home of Mr. T. O. Breland, father of Mrs. Owens. Since January he has lived somewhat near Mr. and Mrs. Owens here in Seymour. Words were passed between Owen and King sometime since and King shot in the direction of Owens. This is said to have followed a threat by Owens against King. Last Friday as King was driving down Washington street in a buggy Owens opened fire with an automatic. King escaped unharmed, but his horse was killed, being struck with four bullets. King got his shot gun, but Owens went in McDaniels Racket store until Sheriff Sell arrested him. He gave bond.

Saturday morning about 8:30 Mr. C. H. Parham, merchant and prominent citizen of Red Springs

United States Battleship Connecticut

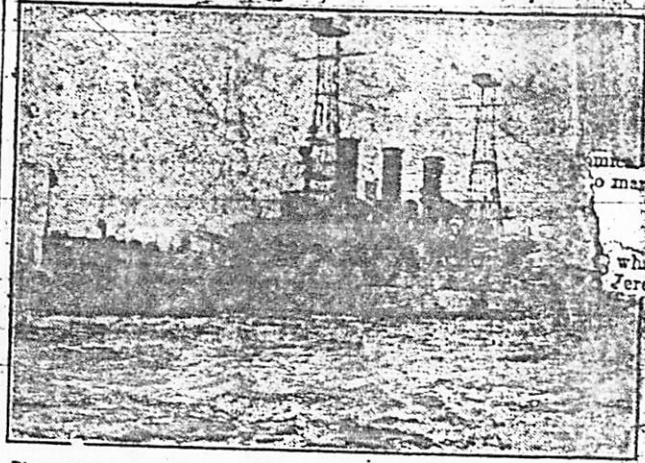

Photo by American Press Association.
 The 16,000 ton Connecticut was laid down in 1903 and cost \$7,911,774. She has four twelve-inch and eight eight-inch guns and can make a speed of 12 1/2 knots. Her crew comprises 350 officers and men.

came down to the home of Mr. Jim Breland, distant about two miles, to get Mrs. Owens, who was to accompany him to Seymour. Mrs. Owens and Jim Breland had gotten in the car and a Mr. Jackson was trying to crank the car when Mr. Owens, who had spent the night at his father-in-law's, Mr. T. O. Breland, about a mile away, came running across the fields to intercept the party. If the car had cranked readily he would have been too late. Coming up he addressed himself to Mr. Parham, saying he told him not to be carrying his wife around. Mr. Parham asked him not to shoot, but he opened fire. One shot grazed Mr. Parham's sleeve another struck his overcoat on his left breast, glancing off without breaking the skin. The death shot entered the right side going up and out of the left side.

Just what took place after this may never be exactly ascertained. Amid the conflicting reports it seems fairly certain that Owen's leg was broken by a shot from Breland's gun, after which Breland was shot. Mrs. Owens received a slight flesh wound. As details of what took place in a short a time, we do not know in the first place; and in the second place, the matter is to come up in court at this place and perhaps the least we can say would be the better plan.

In further explanation it might be well to say that Mr. and Mrs. Owens were virtually separated. Mr. Owens went to Waco with the two children, but returned Tuesday of last week.

The funeral of the two dead men took place Sunday afternoon at the Henson cemetery. Rev. H. Terrell conducted that of Mr. Parham and Rev. O. F. Smith that of Mr. Breland. The funeral of Mr. Keck occurred at the same time. A larger crowd is rarely seen at a cemetery, being estimated at 750 people. The occasion was one

Westover
 Another nice little rain fell here this morning which was much appreciated.

Most everyone is though planting feed.

The Easter egg hunt given by the Ladies Aid was a success. About ninety persons engaged in the hunt.

Fire Epworth League rendered an Easter program last Sunday afternoon which was entertaining and uplifting.

Six auto loads of the Westover school attended the Interscholastic League at Seymour last Saturday and some of them brought back first honors, but I guess the League reporter will tell about it.

To Prospective Ford Buyers
 On account of the enormous demand for Ford cars it has become necessary to place your order before your car will be shipped. If you expect to get a Ford car this summer you had better place your order now and get in line. It will be impossible to get one of these cars if you do not place your order and line up. There have been about 400,000 Ford cars made and sold since Aug. 1st, 1916, and we are getting further behind all the time.

Last Sunday morning while Raymond Cockrell was attempting to crank his father's car, he had the spark advanced too far, and the thing back-fired and caused a green stick fracture of the wrist bone. Dr. Pickens re-set the fracture and Raymond is doing nicely.

Rev. J. I. Martin, county missionary for the Baptist Church preached to a small audience in the M. E. church last Friday night, and will have a regular appointment here.

A singing class was recently organized at the M. E. Church and they will sing every 2nd and 4th Sunday afternoons. Everybody come out and help.

Optimist

Mr. Thomas H. Champion of the Champion Monumental Works, of Vernon, was in the city last week on business with Mr. J. R. Graham, his agent, and subscribed for the Banner. Mr. Champion says Vernon is getting to be a neat little city of 5,000 or 6,000. They have lots of paved streets and sidewalks and are soon to have free city delivery. They have four brick school buildings and are building another one.

Complete line of new hats at Mrs. I. Kerr's. Reasonable prices.

 - A member of RPU - This is Pg 2 of a 15-Page Document
 - He found in the Profile of Jesse Gill, II s/o David Gill, Jr.
 - Rec'd by RPU in a packet 7 JUN 2011 from Miley Albert Perry

This information comes from two source documents, so to speak, neither of which are primary documents, a record Dan Olds found in the library in Macon, GA, the original Wake Co. page constructed from Mrs. Clark's book, records that I (FOC) had found, and a record in the Gill Gazette. I emphasize again that none of these are primary records, and therefore they are prone to error in interpretation, until we get the original records from Wake Co., NC (which Dan and relatives are now getting and are on this link)

Jesse Gill, documented in his will as a son of David Gill of Wake Co., NC. Jesse Gill b<1767, listed in 1788 will. Married Tabitha Pace. Jesse Gill of Wake Co. makes affidavit that Wm. Barler was a soldier in the Revolutionary War. 1800 Wake Co., NC census page 732, 00010-40010-04.

Fortunately much is known about the descendants of Jesse and Tabitha Pace Gill. Tabitha was the daughter of Buckner Pace. Little is known of this Buckner Pace, although some researchers think that he was the son of John and Ann Russell Pace of Brunswick County, Virginia. Jesse Gill and Tabitha Pace were married in Wake County on 26 October 1792. The reason that much is known about the descendants of Jesse and Tabitha is because Jesse left a rather large estate at his death and this estate was contested in the Wake County Courts for many years. The many papers in this file contains the names of Jesse's children, grandchildren, and great-grandchildren. These papers also list many death dates, first and second husbands and wives, and places of residence of the different descendants. Jesse and Tabitha had the following 11 children: Nancy Ann Gill married first Rose Wormley Ray on 24 December 1813 in Wake County. They had two sons: Buckner Ray and Henry C. Ray. Henry C. Ray married Cynthia G. Bailey in 1839 and they had Mary Eliza who married James A. Alien, Cynthia Paridadi, and Sarah Anderson who married William D. Ray. Nancy Ann Gill Ray married second Edward A. Parkam. They had eight children: Edward Amacy, Caroline, Avery, John, Emeline, William W. Buckner, Obidience (Bidy.)

Jesse Gill and Tabitha Pace Gill had the following 11 children (and, yes, I know there is a discrepancy, I just don't know the resolution yet!):

1. Nancy Ann Gill married first Rose Wormley Ray on 24 December 1813 in Wake County. They had two sons:
 - 1. Buckner Ray *
 - 2. Henry C. Ray. Henry C. Ray married Cynthia G. Bailey in 1839 and they had Mary Eliza who married James A. Alien, Cynthia Paridadi, and Sarah Anderson who married William D. Ray. Nancy Ann Gill Ray married second Edward A. Parkam. They had eight children: Edward Amacy, Caroline, Avery, John, Emeline, William W. Buckner, Obidience (Bidy.)
2. Elizabeth Gill "Bersey" married 27 October 1814 in Wake County to William Shipp. (See The Shipp Family History).
3. Agnes Gill married James Jones on 29 January 1822.
4. Buckner Gill married in Wake County 19 August 1832 to Sarah Roberts. They had four children who all were in Tennessee by 1860:
 - 1. James Gill
 - 2. Elizabeth Gill
 - 3. Sarah C. Gill who married an Andrews
 - 4. Thomas G. Gill
5. John Gill married Mary Reves on 2 May 1827 in Wake County. They had two children,
 - 1. William Gill who was born in 1844 and
 - 2. Elizabeth Gill who was born in 1846.
6. Burton Gill married Barbara Ann. Her last name is unknown. Burton died before his father. Burton and Barbara Ann had nine children:
 - 1. Burton J. Gill
 - 2. Thomas Gill
 - 3. Lewis Turner Gill
 - 4. Americus Gill
 - 5. Caroline Gill who married Peter C. Pupree
 - 6. David Gill
 - 7. Susan Gill
 - 8. Joseph Gill
 - 9. Duncan Gill
7. Terrell Gill was born in 1814 in Wake County. He married Elizabeth Perry on 29 January 1842. Terrell Gill married second Catharine Franks on 24 March 1852 in Wake County. Terrell Gill and Elizabeth Perry had four children:
 - 1. Eliza M. Gill
 - 2. Nicholas L. Gill
 - 3. Andrew J. Gill
 - 4. Elizabeth Gill.
8. Mahaly Gill married Joseph Bailey on 17 August 1835 and this family went to Tennessee.
9. Payton Gill married 5 October 1838 in Wake County to Sarah Hollingsworth and this family also went to Tennessee.
10. William Gill, son of Jesse and Tabitha Gill, seems to have left home while quite young and nothing is known about him.

◆ WORMLEY ROSE RAY AND NANCY ANN GILL ◆

Wormley Rose Ray (father of Buckner Ray) was born in 1794 in the area of Wake Forest (northern Wake County), North Carolina. Wormley married Nancy Ann Gill in Wake County on December 24, 1813. Wormley was 19 years old when he married Nancy. A copy of their Marriage Bond is reproduced on page 28. Wormley and Nancy had two sons, Buckner and Henry, during their eight year marriage.

The 1815 Tax List for Wake County shows Wormley (age 21) as the owner of a 200 acre farm. On July 25, 1817, Wormley purchased 123 2/3 acres on the north side of the Neuse River for \$365 (\$2.95/acre) from John Ray. On August 1, 1821, Wormley Ray purchased a 196 1/4 acre parcel on the Neuse River at a sheriff's foreclosure sale for \$100 "cash in hand paid" (\$0.51/acre).

Court records reveal that Wormley and his father, Nathan Ray, both drowned in the Neuse River on or about the first of January 1822. The body of Wormley was not recovered and both men died without wills. Wormley was 27 when he drowned and his father, Nathan, was about 57 years old at the time of their accidental deaths. Wormley's son, Buckner, was only three and one half years old when Wormley and his father, Nathan, both drowned in the Neuse River. Buckner's grandfather, Jesse Gill, was appointed guardian of Buckner and his brother, Henry.

The Neuse River begins in Durham County, North Carolina at the confluence of the Eno and Flat Rivers. It flows southeast approximately 185 miles through Wake, Johnston, Wayne, Lenoir and Craven Counties before entering Pamlico Sound east of the Cape Hatteras National Seashore. The Neuse River was named in 1584 by Arthur Barlowe for the Neusiok Indians.

Nancy Ray filed the following petition at the May Term of the 1822 Wake County, North Carolina, Court of Pleas & Quarter Sessions:

"...the petition of Nancy Ray humbly showeth that her husband Wormley R. Ray departed this life on or about the 1st of the month of January last [1822] intestate [without a will] and without having made any adequate provisions for your Petitioner [Nancy Ray] & seized and possessed of a Tract of land lying in the said County on Neuse River adjoining the lands of Obediah F. Ellen, Lewis Jones & others containing 320 acres that the said dec'd [Wormley Ray] left two children to wit: Buckner Ray and Henry C. Ray both of whom are infants under the age of twenty one years..." This 320 acre tract was located on the north side of the Neuse River.

Nancy Ray's petition continues and requests that the Court divide the land into three parts separating her dower interest from the land to be inherited by her two sons. On July 19, 1822 at the direction of the court, the 320 acres were divided into three parts. Nancy Ray received 107 1/3 acres including the Mansion House, out buildings and orchards.

The guardian records for Buckner and Henry C. Ray extended for years with their guardian, Jesse Gill, annually recording precise accounts.

After Wormley's death, Nancy Ann Gill Ray married Edward A. Parham on October 26, 1822 and they had eight children (Edward, Caroline, Avery, John, Emeline, William, Buckner and Obidience (Bidy)). Nancy died before 1871.

Buckner Ray sold six tracts of land totaling 1,552 $\frac{3}{8}$ acres during a twenty-four year period from 1842 to 1866 in Wake County, North Carolina as summarized below. The total sales price for these 1,552 $\frac{3}{8}$ acres was \$2,973 (\$1.92/acre).

This information comes from two source documents, so to speak, neither of which are primary documents, a record Dan Olds found in the library in Macon, GA, the original Wake Co. page constructed from Mrs. Clark's book, records that I (FOC) had found, and a record in the Gill Gazette. I emphasize again that none of these are primary records, and therefore they are prone to error in interpretation, until we get the original records from Wake Co., NC (which Dan and relatives are now getting and are on this link)

Jesse Gill, documented in his will as a son of David Gill of Wake Co., NC. Jesse Gill b<1767, listed in 1788 will. Married Tabitha Pace. Jesse Gill of Wake Co. makes affidavit that Wm. Barler was a soldier in the Revolutionary War. 1800 Wake Co., NC census page 732, 00010-40010-04.

Fortunately much is known about the descendants of Jesse and Tabitha Pace Gill. Tabitha was the daughter of Buckner Pace. Little is known of this Buckner Pace, although some researchers think that he was the son of John and Ann Russell Pace of Brunswick County, Virginia. Jesse Gill and Tabitha Pace were married in Wake County on 26 October 1792. The reason that much is known about the descendants of Jesse and Tabitha is because Jesse left a rather large estate at his death and this estate was contested in the Wake County Courts for many years. The many papers in this file contains the names of Jesse's children, grandchildren, and great-grandchildren. These papers also list many death dates, first and second husbands and wives, and places of residence of the different descendants. Jesse and Tabitha had the following 11 children: Nancy Ann Gill married first Rose Wormley Ray on 24 December 1813 in Wake County. They had two sons: Buckner Ray and Henry C. Ray. Henry C. Ray married Cynthia G. Bailey in 1839 and they had Mary Eliza who married James A. Alien, Cynthia Paridadi, and Sarah Anderson who married William D. Ray. Nancy Ann Gill Ray married second Edward A. Parkam. They had eight children: Edward Amacy, Caroline, Avery, John, Emetine, William W. Buckner, Obidience (Bidy.)

Jesse Gill and Tabitha Pace Gill had the following 11 children (and, yes, I know there is a discrepancy, I just don't know the resolution yet!):

- 1. Nancy Ann Gill married first Rose Wormley Ray on 24 December 1813 in Wake County. They had two sons:
 - 1. Buckner Ray *
 - 2. Henry C. Ray. Henry C. Ray married Cynthia G. Bailey in 1839 and they had Mary Eliza who married James A. Alien, Cynthia Paridadi, and Sarah Anderson who married William D. Ray. Nancy Ann Gill Ray married second Edward A. Parkam. They had eight children: Edward Amacy, Caroline, Avery, John, Emetine, William W. Buckner, Obidience (Bidy.)
- 2. Elizabeth Gill "Bensey" married 27 October 1814 in Wake County to William Shipp. (See The Shipp Family History).
- 3. Agnes Gill married James Jones on 29 January 1822.
- 4. Buckner Gill married in Wake County 19 August 1832 to Sarah Roberts. They had four children who all were in Tennessee by 1860:
 - 1. James Gill
 - 2. Elizabeth Gill
 - 3. Sarah C. Gill who married an Andrews
 - 4. Thomas G. Gill
- 5. John Gill married Mary Reves on 2 May 1827 in Wake County. They had two children,
 - 1. William Gill who was born in 1844 and
 - 2. Elizabeth Gill who was born in 1846.
- 6. Burton Gill married Barbara Ann. Her last name is unknown. Burton died before his father. Burton and Barbara Ann had nine children:
 - 1. Burton J. Gill
 - 2. Thomas Gill
 - 3. Lewis Turner Gill
 - 4. Americus Gill
 - 5. Caroline Gill who married Peter C. Pupree
 - 6. David Gill
 - 7. Susan Gill
 - 8. Joseph Gill
 - 9. Duncan Gill
- 7. Terrell Gill was born in 1814 in Wake County. He married Elizabeth Perry on 29 January 1842. Terrell Gill married second Catharine Franks on 24 March 1852 in Wake County. Terrell Gill and Elizabeth Perry had four children:
 - 1. Eliza M. Gill
 - 2. Nicholas L. Gill
 - 3. Andrew J. Gill
 - 4. Elizabeth Gill.
- 8. Mahaly Gill married Joseph Bailey on 17 August 1835 and this family went to Tennessee.
- 9. Payton Gill married 5 October 1838 in Wake County to Sarah Hollingsworth and this family also went to Tennessee.
- 10. William Gill, son of Jesse and Tabitha Gill, seems to have left home while quite young and nothing is known about him.

◆ **WORMLEY ROSE RAY AND NANCY ANN GILL** ◆

Wormley Rose Ray (father of Buckner Ray) was born in 1794 in the area of Wake Forest (northern Wake County), North Carolina. Wormley married Nancy Ann Gill in Wake County on December 24, 1813. Wormley was 19 years old when he married Nancy. A copy of their Marriage Bond is reproduced on page 28. Wormley and Nancy had two sons, Buckner and Henry, during their eight year marriage.

The 1815 Tax List for Wake County shows Wormley (age 21) as the owner of a 200 acre farm. On July 25, 1817, Wormley purchased 123 2/3 acres on the north side of the Neuse River for \$365 (\$2.95/acre) from John Ray. On August 1, 1821, Wormley Ray purchased a 196 1/4 acre parcel on the Neuse River at a sheriff's foreclosure sale for \$100 "cash in hand paid" (\$0.51/acre).

Court records reveal that Wormley and his father, Nathan Ray, both drowned in the Neuse River on or about the first of January 1822. The body of Wormley was not recovered and both men died without wills. Wormley was 27 when he drowned and his father, Nathan, was about 57 years old at the time of their accidental deaths. Wormley's son, Buckner, was only three and one half years old when Wormley and his father, Nathan, both drowned in the Neuse River. Buckner's grandfather, Jesse Gill, was appointed guardian of Buckner and his brother, Henry.

The Neuse River begins in Durham County, North Carolina at the confluence of the Eno and Flat Rivers. It flows southeast approximately 185 miles through Wake, Johnston, Wayne, Lenoir and Craven Counties before entering Pamlico Sound east of the Cape Hatteras National Seashore. The Neuse River was named in 1584 by Arthur Barlowe for the Neusiok Indians.

Nancy Ray filed the following petition at the May Term of the 1822 Wake County, North Carolina, Court of Pleas & Quarter Sessions:

"...the petition of Nancy Ray humbly showeth that her husband Wormley R. Ray departed this life on or about the 1st of the month of January last [1822] intestate [without a will] and without having made any adequate provisions for your Petitioner [Nancy Ray] & seized and possessed of a Tract of land lying in the said County on Neuse River adjoining the lands of Obediah F. Ellen, Lewis Jones & others containing 320 acres that the said dec'd [Wormley Ray] left two children to wit: Buckner Ray and Henry C. Ray both of whom are infants under the age of twenty one years..." This 320 acre tract was located on the north side of the Neuse River.

Nancy Ray's petition continues and requests that the Court divide the land into three parts separating her dower interest from the land to be inherited by her two sons. On July 19, 1822 at the direction of the court, the 320 acres were divided into three parts. Nancy Ray received 107 1/3 acres including the Mansion House, out buildings and orchards.

The guardian records for Buckner and Henry C. Ray extended for years with their guardian, Jesse Gill, annually recording precise accounts.

After Wormley's death, Nancy Ann Gill Ray married Edward A. Parham on October 26, 1822 and they had eight children (Edward, Caroline, Avery, John, Emeline, William, Buckner and Obidience (Bidy)). Nancy died before 1871.

There is an abstract of a will in An Abstract of North Carolina Wills 1760 to 1800, by Olds, for Nathaniel Perry, in Franklin County, but it gives only the date of 1790, with Ephraim as the heir. Abstracts seldom tell much. The Georgians, by J. H. Austin, mentions Nathaniel Perry's LWT dtd 1790 Franklin Co., NC, names issue: Ephraim, Drury and Sarah.

We know the name of Nathaniel's wife by the following notice of a sale: William Green, Esquire, Sheriff of Franklin Co., to Thomas Arendell, 17 February 1794, at public sale for 21/10 - a tract of 262 acres sold as the lands of Rebekah Perry, deceased, now in the hands of Ephraim Perry and Drury Perry, her heirs, whereon she formerly lived lying on the south side of Crooked Creek and bounded by the lands of Thomas Arendell, Wm. Sanders, Benjamin Robinson, Nathaniel Perry, and Drury Perry. Wit: Thos. Brickell, Jordan Hill.

The Nathaniel Perry mentioned in the above, is said to have been old Nathaniel's grandson, son of Drury Perry.

There is another mention of Rebecca elsewhere, a doctor trying to collect for treating Rebecca before she died, which is why we think 1789 is close to the year of her death.

Mrs. Hodges found evidence there was a daughter Mary, wife of James Sanders, in an estate settlement at the archives. Mary pre-deceased her father.

The American Colonies were organized into militia districts for defense, for no regular army existed to protect settlers. When they were threatened, the colonists formed militia companies (trained Bands) for temporary service. There was no central organization.

In 1754 we find Nathaniel Perry, Private, along with four of his brothers, on the muster roll of a regiment under the command of Col. William Eaton, in Granville County, North Carolina, Capt. Osborn Jeffrey's Company. This was the French and Indian War (1754-63) period.

We find Nathaniel listed as a taxpayer, Granville Co., NC in 1755 along with brothers John, William, Francis, Jeremiah & Joshua. John was the only one listed as having a black poll of one negro.

In 1757, Brunswick County, Virginia, we found where Nathaniel Perry of Granville Co., NC sells land on the south side of Meherrin River and Meherrin Parish, for 45 pds to Wm. Parham of Brunswick Co., VA. Wit: James Parham and Absalom Atkinson.

 - He found in the Profile of Jesse Gill, II s/o David Gill, Jr.
 - Rec'd by RPU in a packet 7 JUN 2011 from Miley Albert Perry

This information comes from two source documents, so to speak, neither of which are primary documents, a record Dan Olds found in the library in Macon, GA, the original Wake Co. page constructed from Mrs. Clark's book, records that I (FOC) had found, and a record in the Gill Gazette. *I emphasize again that none of these are primary records, and therefore they are prone to error in interpretation, until we get the original records from Wake Co., NC (which Dan and relatives are now getting and are on this link)*

Jesse Gill, documented in his will as a son of David Gill of Wake Co., NC. Jesse Gill b<1767, listed in 1788 will. Married Tabitha Pace. Jesse Gill of Wake Co. makes affidavit that Wm. Barler was a soldier in the Revolutionary War. 1800 Wake Co., NC census page 732, 00010-40010-04.

Fortunately much is known about the descendants of Jesse and Tabitha Pace Gill. Tabitha was the daughter of Buckner Pace. Little is known of this Buckner Pace, although some researchers think that he was the son of John and Ann Russell Pace of Brunswick County, Virginia. Jesse Gill and Tabitha Pace were married in Wake County on 26 October 1792. The reason that much is known about the descendants of Jesse and Tabitha is because Jesse left a rather large estate at his death and this estate was contested in the Wake County Courts for many years. The many papers in this file contains the names of Jesse's children, grandchildren, and great-grandchildren. These papers also list many death dates, first and second husbands and wives, and places of residence of the different descendants. Jesse and Tabitha had the following 11 children: Nancy Ann Gill married first Rose Wormley Ray on 24 December 1813 in Wake County. They had two sons: Buckner Ray and Henry C. Ray. Henry C. Ray married Cynthia G. Bailey in 1839 and they had Mary Eliza who married James A. Alien, Cynthia Paridadi, and Sarah Anderson who married William D. Ray. Nancy Ann Gill Ray married second Edward A. Parkam. They had eight children: Edward Amacy, Caroline, Avery, John, Emeline, William W. Buckner, Obidience (Bidy.)

◆ WORMLEY ROSE RAY AND NANCY ANN GILL ◆

Wormley Rose Ray (father of Buckner Ray) was born in 1794 in the area of Wake Forest (northern Wake County), North Carolina. Wormley married Nancy Ann Gill in Wake County on December 24, 1813. Wormley was 19 years old when he married Nancy. A copy of their Marriage Bond is reproduced on page 28. Wormley and Nancy had two sons, Buckner and Henry, during their eight year marriage.

The 1815 Tax List for Wake County shows Wormley (age 21) as the owner of a 200 acre farm. On July 25, 1817, Wormley purchased 123 2/3 acres on the north side of the Neuse River for \$365 (\$2.95/acre) from John Ray. On August 1, 1821, Wormley Ray purchased a 196 1/4 acre parcel on the Neuse River at a sheriff's foreclosure sale for \$100 "cash in hand paid" (\$0.51/acre).

Court records reveal that Wormley and his father, Nathan Ray, both drowned in the Neuse River on or about the first of January 1822. The body of Wormley was not recovered and both men died without wills. Wormley was 27 when he drowned and his father, Nathan, was about 57 years old at the time of their accidental deaths. Wormley's son, Buckner, was only three and one half years old when Wormley and his father, Nathan, both drowned in the Neuse River. Buckner's grandfather, Jesse Gill, was appointed guardian of Buckner and his brother, Henry.

The Neuse River begins in Durham County, North Carolina at the confluence of the Eno and Flat Rivers. It flows southeast approximately 185 miles through Wake, Johnston, Wayne, Lenoir and Craven Counties before entering Pamlico Sound east of the Cape Hatteras National Seashore. The Neuse River was named in 1584 by Arthur Barlowe for the Neusiok Indians.

Nancy Ray filed the following petition at the May Term of the 1822 Wake County, North Carolina, Court of Pleas & Quarter Sessions:

"...the petition of Nancy Ray humbly showeth that her husband Wormley R. Ray departed this life on or about the 1st of the month of January last [1822] intestate [without a will] and without having made any adequate provisions for your Petitioner [Nancy Ray] & seized and possessed of a Tract of land lying in the said County on Neuse River adjoining the lands of Obediah F. Ellen, Lewis Jones & others containing 320 acres that the said dec'd [Wormley Ray] left two children to wit: Buckner Ray and Henry C. Ray both of whom are infants under the age of twenty one years..." This 320 acre tract was located on the north side of the Neuse River.

Nancy Ray's petition continues and requests that the Court divide the land into three parts separating her dower interest from the land to be inherited by her two sons. On July 19, 1822 at the direction of the court, the 320 acres were divided into three parts. Nancy Ray received 107 1/3 acres including the Mansion House, out buildings and orchards.

The guardian records for Buckner and Henry C. Ray extended for years with their guardian, Jesse Gill, annually recording precise accounts.

After Wormley's death, Nancy Ann Gill Ray married Edward A. Parham on October 26, 1822 and they had eight children (Edward, Caroline, Avery, John, Emeline, William, Buckner and Obidience (Bidy)). Nancy died before 1871.

Phil - Do you have the Brunswick County deed and will abstracts published by Stephen E. Bradley? In Bradley's Volume 3 of the deed books he twice cites a 1756 patent to Lewis Parham for land "adjoining Richard Upchurch." (Deed Bk 6, p. 278, and Deed Bk 6, p. 527) Δ

Could that have been a different Richard than "our" Richard II?

sorry to be so nitpicky. I have a compulsive flaw in my makeup.

Hello Mr. Upchurch,

I recieved your email address through a relative of yours named Karen Ray. My name is Matt Parham, I am the 3rd great grandson of Nancy Gill Ray Parham. Karen had found my tree on ancestry and asked if I had any information on Henry Casual Ray and mentioned she descended from Buckner. I am curious as to any information that you may have about Nancy and Rose Wormley Ray, Buckner Ray, or the Parham family. Are there any pictures of Buckner? Even though we are only related through Nancy I am fascinated with the Ray family. Especially Rose and Buckner. I look forward to hearing from you.

Sincerely,

Matt Parham

Hi Cousin Matt---

I am pleased that Karen gave you my address. Most of my time is spent on the Upchurch Family but my Ray connections are important also. See my website www.upchurchstory.com. You and I are blood relatives as we both descend from Nancy Ann Gill--I from her first marriage to Wormley and you from her second marriage to Edward A. Parham.

I have Biofiles on about 75 Parhams some in NC and some not. If you can email me an outline for your Parham Family I'll be glad to go through my list and compare it with your outline and see if there are any matches. I am anxious to see if we can help each other.

Cousin Bill Ray has produced a Ray book that is great. Do you have a copy? If not I'll be glad to take look to see what he has to say about Parhams.

If I am to send you some of my Biofile sheets I'll need your address as I keep my records manually.

If my memory serves there are some unresolved Upchurch-Parham relations. After I have heard from you I will go back and have a look.

Hello Karen,

I dont know if have seen this or not but here is some information on Henry C. Ray. These excerpts come from the Gill documents. According to these, Henry died before his grandfather Jesse Gill which was in 1860. Surprisingly it also says that E.A. Parham was dead by this time also. However, he is on the 1860 census in Weakley.

Excerpts:

Nancy Parham married Wormly Ray leaving Buckner Ray & Henry C. Ray he died before his grandfather leaving Sary Anderson married W. B. Ray Maryliza married J?? Allen Sinth Parisade a Mangum.

Here's what it says in a list of distributees of Jesse Gill:

VII. Nancy Gill, who married 1st Womerly Ray, who had by his said wife Nancy, two children Buckner Ray & Henry C. Ray, who died before your orator's intestate leaving surviving him his children, Mary Ray, Cynthia Ray, and Sarah Ray, who married Wm. D. Ray, all residing in Wake County, N.C. Nancy Gill then intermarried with Edward A. Parham, both of whom died before Jesse Gill, leaving surviving children, viz: A. Parham, Macy Parham, John Parham, Peyton Parham, Caroline Parham and E. Parham, in Tennessee.

On another page it lists the children of Henry C. Ray as Mary Eliza, Sarah (? Mavis, Morris, ?? just can't tell), and Cynthia P. Ray

Enclosed sheets [F] → [H] bear upon the GILL Family.

[F] provides THE Gill Family #303 from the Wake Heritage Book - in case you do not have same.

[G] & [H] are two nice maps for David Gill obtained by me on 19 DEC 2005.

You can have a look at all of this and let me know if we need more interaction on these items.

When you get time I would appreciate a chart or listing of some sort showing how you & Jan trace back to Nancy.

I make a reference to Wake Co, TN. I have other records showing NC families moved there in the 1800-1850 era.

As an interest I suspect my Profile System could yield more sheets that could be of interest.

Have you visited your heritage sites in Wake Co, NC. I try to go back twice a year.

Merry Christmas to All

Phil - Do you have the Brunswick County deed and will abstracts published by Stephen E. Bradley? In Bradley's Volume 3 of the deed books he twice cites a 1756 patent to Lewis Parham for land "adjoining Richard Upchurch." (Deed Bk 6, p. 278, and Deed Bk 6, p. 527)

Could that have been a different Richard than "our" Richard II?

sorry to be so nitpicky. I have a compulsive flaw in my makeup.

◆ WORMLEY ROSE RAY AND NANCY ANN GILL ◆

Wormley Rose Ray (father of Buckner Ray) was born in 1794 in the area of Wake Forest (northern Wake County), North Carolina. Wormley married Nancy Ann Gill in Wake County on December 24, 1813. Wormley was 19 years old when he married Nancy. A copy of their Marriage Bond is reproduced on page 28. Wormley and Nancy had two sons, Buckner and Henry, during their eight year marriage.

The 1815 Tax List for Wake County shows Wormley (age 21) as the owner of a 200 acre farm. On July 25, 1817, Wormley purchased 123 2/3 acres on the north side of the Neuse River for \$365 (\$2.95/acre) from John Ray. On August 1, 1821, Wormley Ray purchased a 196 1/4 acre parcel on the Neuse River at a sheriff's foreclosure sale for \$100 "cash in hand paid" (\$0.51/acre).

Court records reveal that Wormley and his father, Nathan Ray, both drowned in the Neuse River on or about the first of January 1822. The body of Wormley was not recovered and both men died without wills. Wormley was 27 when he drowned and his father, Nathan, was about 57 years old at the time of their accidental deaths. Wormley's son, Buckner, was only three and one half years old when Wormley and his father, Nathan, both drowned in the Neuse River. Buckner's grandfather, Jesse Gill, was appointed guardian of Buckner and his brother, Henry.

The Neuse River begins in Durham County, North Carolina at the confluence of the Eno and Flat Rivers. It flows southeast approximately 185 miles through Wake, Johnston, Wayne, Lenoir and Craven Counties before entering Pamlico Sound east of the Cape Hatteras National Seashore. The Neuse River was named in 1584 by Arthur Barlowe for the Neusiok Indians.

Nancy Ray filed the following petition at the May Term of the 1822 Wake County, North Carolina, Court of Pleas & Quarter Sessions:

"...the petition of Nancy Ray humbly showeth that her husband Wormley R. Ray departed this life on or about the 1st of the month of January last [1822] intestate [without a will] and without having made any adequate provisions for your Petitioner [Nancy Ray] & seized and possessed of a Tract of land lying in the said County on Neuse River adjoining the lands of Obediah F. Ellen, Lewis Jones & others containing 320 acres that the said dec'd [Wormley Ray] left two children to wit: Buckner Ray and Henry C. Ray both of whom are infants under the age of twenty one years..." This 320 acre tract was located on the north side of the Neuse River.

Nancy Ray's petition continues and requests that the Court divide the land into three parts separating her dower interest from the land to be inherited by her two sons. On July 19, 1822 at the direction of the court, the 320 acres were divided into three parts. Nancy Ray received 107 1/3 acres including the Mansion House, out buildings and orchards.

The guardian records for Buckner and Henry C. Ray extended for years with their guardian, Jesse Gill, annually recording precise accounts.

After Wormley's death, Nancy Ann Gill Ray married Edward A. Parham on October 26, 1822 and they had eight children (Edward, Caroline, Avery, John, Emeline, William, Buckner and Obidience (Bidy)). Nancy died before 1871.

Records on the Family of DAVID GILL, Jr of Wake Co. NC GILL
 - A member of RPU - This is pg 2 of a 15-Page Document
 to be found in the Profile of Jesse Gill, II s/o David Gill, Jr
 - Rec'd by RPU in a packet 19 Jun 2011 from Mable Albert Perry

This information comes from two source documents, so to speak, neither of which are primary documents, a record Dan Olds found in the library in Macon, GA, the original Wake Co. page constructed from Mrs. Clark's book, records that I (FOC) had found, and a record in the Gill Gazette. *I emphasize again that none of these are primary records, and therefore they are prone to error in interpretation, until we get the original records from Wake Co., NC (which Dan and relatives are now getting and are on this link)*

Jesse Gill, documented in his will as a son of David Gill of Wake Co., NC. Jesse Gill b<1767, listed in 1788 will. Married Tabitha Pace. Jesse Gill of Wake Co. makes affidavit that Wm. Barler was a soldier in the Revolutionary War. 1800 Wake Co., NC census page 732, 00010-40010-04.

Fortunately much is known about the descendants of Jesse and Tabitha Pace Gill. Tabitha was the daughter of Buckner Pace. Little is known of this Buckner Pace, although some researchers think that he was the son of John and Ann Russell Pace of Brunswick County, Virginia. Jesse Gill and Tabitha Pace were married in Wake County on 26 October 1792. The reason that much is known about the descendants of Jesse and Tabitha is because Jesse left a rather large estate at his death and this estate was contested in the Wake County Courts for many years. The many papers in this file contains the names of Jesse's children, grandchildren, and great-grandchildren. These papers also list many death dates, first and second husbands and wives, and places of residence of the different descendants. Jesse and Tabitha had the following 11 children: Nancy Ann Gill married first Rose Wormley Ray on 24 December 1813 in Wake County. They had two sons: Buckner Ray and Henry C. Ray. Henry C. Ray married Cynthia G. Bailey in 1839 and they had Mary Eliza who married James A. Alien, Cynthia Paridadi, and Sarah Anderson who married William D. Ray. Nancy Ann Gill Ray married second Edward A. Parkam. They had eight children: Edward Amacy, Caroline, Avery, John, Emeline, William W. Buckner, Obidience (Bidy.)

Jesse Gill and Tabitha Pace Gill had the following 11 children (and, yes, I know there is a discrepancy, I just don't know the resolution yet!):

- △△ 1. Nancy Ann Gill married first Rose Wormley Ray on 24 December 1813 in Wake County. They had two sons:
 - △ 1. Buckner Ray *
 - △ 2. Henry C. Ray. Henry C. Ray married Cynthia G. Bailey in 1839 and they had Mary Eliza who married James A. Alien, Cynthia Paridadi, and Sarah Anderson who married William D. Ray. Nancy Ann Gill Ray married second Edward A. Parkam. They had eight children: Edward Amacy, Caroline, Avery, John, Emeline, William W. Buckner, Obidience (Bidy.)
- △△ 2. Elizabeth Gill "Betsey" married 27 October 1814 in Wake County to William Shipp. (See The Shipp Family History).
- △△ 3. Agnes Gill married James Jones on 29 January 1822.
- △△ 4. Buckner Gill married in Wake County 19 August 1832 to Sarah Roberts. They had four children who all were in Tennessee by 1860:
 - △ 1. James Gill
 - △ 2. Elizabeth Gill
 - △ 3. Sarah C. Gill who married an Andrews
 - △ 4. Thomas G. Gill
- △△ 5. John Gill married Mary Reves on 2 May 1827 in Wake County. They had two children,
 - △ 1. William Gill who was born in 1844 and
 - △ 2. Elizabeth Gill who was born in 1846.
- △△ 6. Burton Gill married Barbara Ann. Her last name is unknown. Burton died before his father. Burton and Barbara Ann had nine children:
 - △ 1. Burton J. Gill
 - △ 2. Thomas Gill
 - △ 3. Lewis Turner Gill
 - △ 4. Americus Gill
 - △ 5. Caroline Gill who married Peter C. Pupree
 - △ 6. David Gill
 - △ 7. Susan Gill
 - △ 8. Joseph Gill
 - △ 9. Duncan Gill
- △△ 7. Terrell Gill was born in 1814 in Wake County. He married Elizabeth Perry on 29 January 1842. Terrell Gill married second Catharine Franks on 24 March 1852 in Wake County. Terrell Gill and Elizabeth Perry had four children:
 - △ 1. Eliza M. Gill
 - △ 2. Nicholas L. Gill
 - △ 3. Andrew J. Gill
 - △ 4. Elizabeth Gill
- △△ 8. Mahaly Gill married Joseph Bailey on 17 August 1835 and this family went to Tennessee.
- △△ 9. Payton Gill married 5 October 1838 in Wake County to Sarah Hollingsworth and this family also went to Tennessee.
- △ 10. William Gill, son of Jesse and Tabitha Gill, seems to have left home while quite young and nothing is known about him.

Partial effort to capture data from a 15 Page Document rec'd 7 JUN 2011 by RPU from Wiley Albert Perry and placed in the Profile of Jesse Gill, II died 1860 (Wake Co, NC) intestate - Ancestors of RPU - Below are excerpts from Gill Document 1 using a template for the overall input and repetitions of it for each of the 10 children of Jesse Gill, II RPU 8 JUL 2011 This is an undated report filed by ROGERS & BATCHELOR Solicitors for the Administrator Buckner Ray prior to his death 15 JAN 1881

Humbly complaining your orator Buckner Ray, administrator of Jesse Gill, showeth to your honor that at May Term 1860 of Wake County Court he qualified as administrator of Jesse Gill deceased and at said time letters of administration were issued to him and by virtue thereof he possessed himself of the personal estate and effects of said intestate to an amount more than sufficient to pay his just debts and funeral expenses, an account of which said property and effects is herewith exhibited marked (A). Further that your orator paid out a large amount of money in discharge of the debts of said intestate and his funeral expenses as appears by exhibit marked (B).

Your orator further showeth that there was a large surplus on hand to which the distributees of the said Jesse Gill were entitled as appears by exhibit marked (C) and that he has paid to a number of the distributees large sums as follows: (SEE REPLETION S)

Your orator further showeth that his intestate Jesse Gill, as he is informed and believes & so charges, advanced to each of his children a handsome property.

Your orator further showeth that he had to die upon his hands four hundred fifty dollars in Confederate money or bonds as appears by exhibit (C) and he alleges that it came about in this wise. He held the Confederate money and put it in Confederate certificates to pay the taxes of the estate while the law authorized such certificates to be received in payt thereof but the Revenue laws of said Confederate states were so changed that the collectors were not authorized to receive certificates in payment of taxes and your orator was compelled to raise other funds to satisfy same.

Your orator further showeth that as fast as he collected the money of his intestate's estate he either paid the debts and distributive shares as stated above or deposited the money in the bank as he was advised it was safest to do so in the then unsettled condition of the country.

Your orator further showeth that he is anxious to settle said estate and to that end he prays that an account may be ordered, that the distributees may be required to file their schedule as required by law and that advertisement may be made as required by law for those of the defendants residing beyond the limits of the state and that copies and subpoenas issue to those defendants residing in the state.

CHILD No. 7. Nancy Gill who married first Womerly Ray who had, by his said wife Nancy, two children; Buckner Ray your orator and Henry C. Parham, Mary Parham, John Parham, Payton Parham, Caroline Parham and E. Parham all by her last marriage with Edward A. New for the story of my grandfather's
murder - Stories have been passed down -
I have been told that he was a womanizer
but this I don't believe - I have asked alot
of questions concerning this - I think he may
have been in his younger days when he ^[RHW]
was married to my grand mother but not
after he married Mary Elizabeth. He ran ^[MED]
a Taxi-service between Red-Springs and
Seymour, about nine miles, he also ran
a grocery-store in Red-Springs. [This is an un-
related tidbit - he also had the first telephone
between Seymour and Benjamin, Co. seats of
Baylor and Knox Cos., and I have the old telephone
box.] There was a beautiful woman, her name
was Beulah Breland Owens - she was married ^[CHP]
to Gilley Owens the man that shot ^{her} him,
they had four young children.

→ [BB]

And she was running around with a handsome man, these adjectives have been passed down, also, his name was Matthew King. The situation was getting very explosive - On the streets of Seymour a little while before this, Gilley shot at Matthew who was riding down the street on his horse - He missed him but he killed his horse - Matthew was not hurt and he ran into the Seymour Hotel and got away from him. Beulah would hire → [CHP] Grandpa, the Owens' lived in Red Springs, to take her to Seymour. (I have this story from my mother and I believe she knew what really happened) By this time the Owens were separated and I think he was staying in Seymour and she was staying with her brother Jim Beulah in Red Springs - Jim's wife was in a hospital in Vernon. Gilley had gotten their children and they were with his parents around Waco or somewhere in Central Texas - I have forgotten exactly where, I read this in some of the Court papers at the Courthouse in Seymour. → [CACP] Anyway back to the soap-opera - Daddy had told Grandpa → [CHP] he had better stop talking to her → [BB] she would also come down to the store and ask Grandpa for advice. Daddy told him it was none of his business if he whipped → [GO] her every morning before breakfast → [BB]

that it was none⁻⁴⁻ of his affair - Grandpa said he was only trying to keep them together, less than a week after this Grandpa was killed. Maybe he was lying to Daddy - maybe he was infatuated with her, too, I don't know. I know Daddy was lied to by him about his own Mother and never knew any difference and died without knowing. I have found out alot since I started this genealogy that the family never knew. I'll tell you that story sometime if you want to know. The day he got killed I believe it was April 14, 1917 - He and Aunt Ruth^[CHP] his eldest daughter by Mary E., were in Seymour^[RDP] and Grandpa was at a garage getting something done to the car and Ruth and Beulah came to the garage, there was a lawyer in the garage also, and Beulah asked him if he thought it would be safe for her to stay in Seymour since Gilley was in town, and he told her no and Aunt Ruth asked her to go home with them and they would take her to Jim's. None of them knew that Mr. Breland was also in town and he had asked Gilley to go home with him. Inyway Gilley told Mr. Breland that he was going to walk over to Jim's, I think this was the next morning, and Grandpa was piling up Jim and Beulah and Gilley walked up and told Grandpa he was going to shoot him, which he did, Jim then shot Gilley in the leg and Gilley shot and killed him. Beulah I think also got a flesh wound in the calf of a leg. It was really

A culmination of a situation⁻⁵⁻ that had been brewing for several months. Another brother of Beulah's, Greg^[G.B.] had sometime before shot at Gilley and the bullet hit a pocket watch that he was carrying and he wasn't hurt. If you want to know what happened - tune in next week - ~~so~~ I knew that this was going to be rambling. Beulah got pregnant by Matthew before the divorce - anyway she and Matthew got married - the baby was born dead and she died in giving birth. Gilley was found not guilty - he left Seymour and later married again - History repeated itself with that wife and he killed her and then killed himself. I would like to finish this story by telling you what a man my Daddy^[C.A.C.P.] was [this Henson Cemetery at Red Springs where our family is buried - the land was given by a John Henson, another unrelated tidbit] my oldest brother was a yr. old and Mama was pregnant again and a Mr. Jim Parker knew Daddy would come gunning for Gilley - as soon as he heard and he waited on the road that Daddy would be coming in on and he talked to Daddy and he listened to him. As soon as Grandma^[M.E.] Mary^[C.H.P.] could sell the store and settle Grandpa's^[M.E.] affairs she bought a 100 acres of land next to our home place, ~~at~~ in Knox Co, and Daddy moved her house and barn out there and got her settled.

Dear Cousin Syble,

Thank you for your renewal on the UB
for the year 2000 and for your contribution
to the Upchurch Research Fund. Each item
of support helps move the project along.

I am now entering a more active
phase of researching and collecting data
for Brunswick Co, VA and the adjoining
Granville Co, NC for the period 1750-1850.
This is where the Upchurch & the
Parham first interacted. Let's hope for
some good results.

With All Best Wishes!

Sincerely yours

Dear Cousin Syble,

Thank you for your renewal on the
UB for the year ahead and for your nice
contribution to the Upchurch Research Fund.
The next 12 months should be a banner
year for research on the Upchurch Family.
I know you have been interested in our
work in England and that will continue
in 2001.

Now that we are settled in our new
home and have turned most of our farm
duties over to others I am hoping for
some free time. Part of this I hope to
spend back in NC doing Upchurch research.
It should really be a profitable use of
time.

All the best for a blessed Christmas

Sincerely yours

Thank you for your renewal on the UB

contribution of \$50 to the Upchurch Research Fund.
we continue to explore many aspects of our
Upchurch heritage and the Research Fund helps
make this possible

The extended Upchurch Family is now
very large. Euenso, I try to keep the records
on the family up-to-date. If there have
been any births, marriages or deaths in
the Parham part of the family in the last
year or so I would appreciate such input
as you would care to send. Also clippings
from newspapers about Upchurch are always
appreciated

Dear Cousin Sybil

Thank you for your renewal on the UB for 1997 and for enrolling as an Advertiser on an Underwriter for Englandia. This publication has great potential to document the English roots of our Upchurch family. I am reading everything I can get my hands on about England for the 1500-1800 era. I feel like a student again.

I trust this finds you and Sam enjoying a mild Texas winter and looking forward to a great holiday season and a nice New Year.

With All Best Wishes from our house
to yours.

Sincerely yours.

Dear Cousin Sam

I trust the Upshur ~~bulletin~~ bulletin you ordered have now arrived. We sent them on 2:00 PM and left shortly thereafter for 10 days in Moscow. We just returned yesterday and I wanted to drop you a line. I hope you enjoy the U B and can locate parts that relate to your line. I'll be glad to send you a sketch of your line and mine if you so desire. This would take you back to Michael U, I and show how you and I are related. I have learned a great deal about the John U, IV clan to which you belong. John U, IV was a 1st cousin of my grandpa & grandfather Nathan U, I. Your ancestor John Jordan U I consider to be the most prominent of all Upshur's. I am sure you will pick up a lot about him in the U B.

2- (M)
I am anxious to complete my outline for your immediate family. Here are my questions.

- 1) For yourself
 - a) what is the full maiden name of STOLE O'NEAL?
 - b) Do/Did you have just three children?
- 2) For Pat Dudley Parkman
 - a) where did he marry?
 - b) Does/Did he have just two children?
- 3) For Martin Eugene Parkman
 - a) where did he marry?
 - b) Did/Does he have just two children?
 - c) where was Rebecca Genee Brown born?
- 4) For James Harold Parkman
 - a) where did he marry?
 - b) Did/Does he have just one child?
 - c) When and where was Carol Jean Henderson born?

Other than the above I have a completed record on your 13 member family. Any details you can provide will be welcomed.

If you have any questions about the extended Upchurch Family and about your line in particular, I will try to respond.

Sincerely yours
Phil Upchurch

SEE LTR 19 OCT 2001 JOHN READ U TO RPU RE A 13 ITEM REPORT OF NANCY CARTER MOORE RE BRUNSWICK CO, VA RECORDS POSSIBLY BEARING UPON JOSEPH U b 1775 (VA) - RPU COMMENTS:

3 From wills and deeds, I know that Michael Upchurch lived on the south side of Eaton's Road in 1784, near Middle Run. His neighbors were Valentine White, Thomas Parham, Lewis Dupree, Thomas, Isaac, and Benjamin Mosely. MICHAEL U, III XID-159 HIS LOCATION & NEIGHBORS 1784

6 By 1777, Michael/Myal Upchurch's neighbors were BARTHOLOMEW UPCHURCH, Matthew Rainey, Thomas Bracy, and Allen Love. This deed is from "Daniel Burnet and his wife Elizabeth of CHATHAM Co. NORTH CAROLINA to Thomas Smith of Chatham County, N.C.," and it was land already lived on by Joyce Burnet, at the head of Poplar Creek. MICHAEL U, III XID-159 BARTHOLOMEW U IS NEW !! NEED DEED TO VERIFY THIS NEW UPCHURCH FAMILY MEMBER - LOCATION 1777

7 Another 1777 deed of gift from William Brewer and his wife Mary to John Brewer is for "518 acres which was William Brewer's dec'd plantation, on the south side of Rattle Snake Creek joining William Jones, Henry Ledbetter, UPCHURCH'S BRANCH, and James UPCHURCH. JAMES U IS PROBABLY JAMES U, III AS HIS BIRTH HAS OTHER REFERENCES TO RATTLE SNAKE CREEK & RATTLE SNAKE CHURCH; HOWEVER CANNOT YET RULE OUT HIS 1ST COUSIN JAMES U, II WHO LIVED IN THE SAME ERA & AREA

9 There was also a THOMAS UPCHURCH in Brunswick in 1776, as he is a witness to the will of Thomas Lambert. THIS THOMAS U IS NEW TO RPU RECORDS. NEED COPY OF WILL TO VERIFY DETAILS. BEING OLD ENOUGH TO WITNESS A WILL IN 1776 HE COULD HAVE BEEN THE FATHER OF JOSEPH U b 1775 !! THOMAS PROBABLY AT LEAST 21 IN 1776 HENCE BORN 1754 OR BEFORE

10 Everybody over 16 had to do road work in the 1700s in VA, or have a slave do it. Some of these records have survived, and on September 7, 1738, JAMES UPCHURCH and WILLIAM UPCHURCH were removed from Francis Wray's road crew and placed on William Mosely's road crew. So, WOW, these Upchurches were there early enough to be Joseph's father, that is for sure! In Brunswick County Court records, William was added to a list of tithables in 1736, SO THIS IS WHEN HE BECAME 21. THIS INFO IS NEW TO RPU. BASED ON AGES THIS JAMES U IS ALMOST CERTAINLY JAMES U, I XID-151

ALTHOUGH THERE IS SOME CHANCE IT COULD BE HIS SON JAMES U, II XID-154. THIS WILLIAM U IS A GOOD FIT TO BE WILLIAM U, I XID-3343, A BROTHER OF JAMES U, I - XID-151

12 In a November pre-election (of burgesses) in Brunswick, the only Upchurches on the list were JAMES UPCHURCH Sr. and MICHAEL UPCHURCH. THIS REFERENCE IS NOT DATED BUT ANOTHER CITATION IN RPU SHOWS JAMES U REGISTERED TO VOTE FOR BURGESSES IN 1748 - PROBABLY ALL THE SAME HENCE JAMES U, SR = JAMES U, I (SR) XID-151 & MICHAEL U = MICHAEL U, III XID-159

NOTE: NANCY WRITES IT WOULD BE HELPFUL TO FIND JOSEPH U b 1775 LISTED IN SOME OF THESE VA RECORDS - THIS IS POSSIBLE BUT NOT LIKELY AS HE LEFT VA AS A TEENAGER OR YOUNG MAN - RPU

Winter Sundays when the children went to see her she was seated before her white clay hearth, a little bellows hanging from the mantle, she used to fan the fire, her Bible on the table at her side. There is an abstract of a will in An Abstract of North Carolina Wills 1760 to 1800, by Olds, for Nathaniel Perry, in Franklin County, but it gives only the date of 1790, with Ephraim as the heir. Abstracts seldom tell much. The Georgians, by J. H. Austin, mentions Nathaniel Perry's LWT dtd 1790 Franklin Co., NC, names issue: Ephraim, Drury and Sarah.

We know the name of Nathaniel's wife by the following notice of a sale: William Green, Esquire, Sheriff of Franklin Co., to Thomas Arendell, 17 February 1794, at public sale for 21/10 - a tract of 262 acres sold as the lands of Rebekah Perry, deceased, now in the hands of Ephraim Perry and Drury Perry, her heirs, whereon she formerly lived lying on the south side of Crooked Creek and bounded by the lands of Thomas Arendell, Wm. Sanders, Benjamin Robinson, Nathaniel Perry, and Drury Perry. Wit: Thos. Brickell, Jordan Hill.

The Nathaniel Perry mentioned in the above, is said to have been old Nathaniel's grandson, son of Drury Perry.

There is another mention of Rebecca elsewhere, a doctor trying to collect for treating Rebecca before she died, which is why we think 1789 is close to the year of her death.

Mrs. Hodges found evidence there was a daughter Mary, wife of James Sanders, in an estate settlement at the archives. Mary pre-deceased her father.

The American Colonies were organized into militia districts for defense, for no regular army existed to protect settlers. When they were threatened, the colonists formed militia companies (trained Bands) for temporary service. There was no central organization.

In 1754 we find Nathaniel Perry, Private, along with four of his brothers, on the muster roll of a regiment under the command of Col. William Eaton, in Granville County, North Carolina, Capt. Osborn Jeffrey's Company. This was the French and Indian War (1754-63) period.

We find Nathaniel listed as a taxpayer, Granville Co., NC in 1755 along with brothers John, William, Francis, Jeremiah & Joshua. John was the only one listed as having a black poll of one negro.

In 1757, Brunswick County, Virginia, we found where Nathaniel Perry of Granville Co., NC sells land on the south side of Meherrin River and Meherrin Parish, for 45 pds to Wm. Parham of Brunswick Co., VA. Wit: James Parham and Absalom Atkinson.

◆ WORMLEY ROSE RAY AND NANCY ANN GILL ◆

Wormley Rose Ray (father of Buckner Ray) was born in 1794 in the area of Wake Forest (northern Wake County), North Carolina. Wormley married Nancy Ann Gill in Wake County on December 24, 1813. Wormley was 19 years old when he married Nancy. A copy of their Marriage Bond is reproduced on page 28. Wormley and Nancy had two sons, Buckner and Henry, during their eight year marriage.

The 1815 Tax List for Wake County shows Wormley (age 21) as the owner of a 200 acre farm. On July 25, 1817, Wormley purchased 123 2/3 acres on the north side of the Neuse River for \$365 (\$2.95/acre) from John Ray. On August 1, 1821, Wormley Ray purchased a 196 1/4 acre parcel on the Neuse River at a sheriff's foreclosure sale for \$100 "cash in hand paid" (\$0.51/acre).

Court records reveal that Wormley and his father, Nathan Ray, both drowned in the Neuse River on or about the first of January 1822. The body of Wormley was not recovered and both men died without wills. Wormley was 27 when he drowned and his father, Nathan, was about 57 years old at the time of their accidental deaths. Wormley's son, Buckner, was only three and one half years old when Wormley and his father, Nathan, both drowned in the Neuse River. Buckner's grandfather, Jesse Gill, was appointed guardian of Buckner and his brother, Henry.

The Neuse River begins in Durham County, North Carolina at the confluence of the Eno and Flat Rivers. It flows southeast approximately 185 miles through Wake, Johnston, Wayne, Lenoir and Craven Counties before entering Pamlico Sound east of the Cape Hatteras National Seashore. The Neuse River was named in 1584 by Arthur Barlowe for the Neusiok Indians.

Nancy Ray filed the following petition at the May Term of the 1822 Wake County, North Carolina, Court of Pleas & Quarter Sessions:

"...the petition of Nancy Ray humbly showeth that her husband Wormley R. Ray departed this life on or about the 1st of the month of January last [1822] intestate [without a will] and without having made any adequate provisions for your Petitioner [Nancy Ray] & seized and possessed of a Tract of land lying in the said County on Neuse River adjoining the lands of Obediah F. Ellen, Lewis Jones & others containing 320 acres that the said dec'd [Wormley Ray] left two children to wit: Buckner Ray and Henry C. Ray both of whom are infants under the age of twenty one years..." This 320 acre tract was located on the north side of the Neuse River.

Nancy Ray's petition continues and requests that the Court divide the land into three parts separating her dower interest from the land to be inherited by her two sons. On July 19, 1822 at the direction of the court, the 320 acres were divided into three parts. Nancy Ray received 107 1/3 acres including the Mansion House, out buildings and orchards.

The guardian records for Buckner and Henry C. Ray extended for years with their guardian, Jesse Gill, annually recording precise accounts.

After Wormley's death, Nancy Ann Gill Ray married Edward A. Parham on October 26, 1822 and they had eight children (Edward, Caroline, Avery, John, Emeline, William, Buckner and Obidience (Bidy)). Nancy died before 1871.

This information comes from two source documents, so to speak, neither of which are primary documents, a record Dan Olds found in the library in Macon, GA, the original Wake Co. page constructed from Mrs. Clark's book, records that I (FOC) had found, and a record in the Gill Gazette. I emphasize again that none of these are primary records, and therefore they are prone to error in interpretation, until we get the original records from Wake Co., NC (which Dan and relatives are now getting and are on this link)

Jesse Gill, documented in his will as a son of David Gill of Wake Co., NC. Jesse Gill b<1767, listed in 1788 will. Married Tabitha Pace. Jesse Gill of Wake Co. makes affidavit that Wm. Barler was a soldier in the Revolutionary War. 1800 Wake Co., NC census page 732, 00010-40010-04.

Fortunately much is known about the descendants of Jesse and Tabitha Pace Gill. Tabitha was the daughter of Buckner Pace. Little is known of this Buckner Pace, although some researchers think that he was the son of John and Ann Russell Pace of Brunswick County, Virginia. Jesse Gill and Tabitha Pace were married in Wake County on 26 October 1792. The reason that much is known about the descendants of Jesse and Tabitha is because Jesse left a rather large estate at his death and this estate was contested in the Wake County Courts for many years. The many papers in this file contains the names of Jesse's children, grandchildren, and great-grandchildren. These papers also list many death dates, first and second husbands and wives, and places of residence of the different descendants. Jesse and Tabitha had the following 11 children: Nancy Ann Gill married first Rose Wormley Ray on 24 December 1813 in Wake County. They had two sons: Buckner Ray and Henry C. Ray. Henry C. Ray married Cynthia G. Bailey in 1839 and they had Mary Eliza who married James A. Alien, Cynthia Paridadi, and Sarah Anderson who married William D. Ray. Nancy Ann Gill Ray married second Edward A. Parkam. They had eight children: Edward Amacy, Caroline, Avery, John, Emeline, William W. Buckner, Obidience (Bidy.)

Jesse Gill and Tabitha Pace Gill had the following 11 children (and, yes, I know there is a discrepancy, I just don't know the resolution yet!):

1. Nancy Ann Gill married first Rose Wormley Ray on 24 December 1813 in Wake County. They had two sons:
 - 1. Buckner Ray *
 - 2. Henry C. Ray. Henry C. Ray married Cynthia G. Bailey in 1839 and they had Mary Eliza who married James A. Alien, Cynthia Paridadi, and Sarah Anderson who married William D. Ray. Nancy Ann Gill Ray married second Edward A. Parkam. They had eight children: Edward Amacy, Caroline, Avery, John, Emeline, William W. Buckner, Obidience (Bidy.)
2. Elizabeth Gill "Betsey" married 27 October 1814 in Wake County to William Shipp. (See The Shipp Family History).
3. Agnes Gill married James Jones on 29 January 1822.
4. Buckner Gill married in Wake County 19 August 1832 to Sarah Roberts. They had four children who all were in Tennessee by 1860:
 - 1. James Gill
 - 2. Elizabeth Gill
 - 3. Sarah C. Gill who married an Andrews
 - 4. Thomas G. Gill
5. John Gill married Mary Reves on 2 May 1827 in Wake County. They had two children,
 - 1. William Gill who was born in 1844 and
 - 2. Elizabeth Gill who was born in 1846.
6. Burton Gill married Barbara Ann. Her last name is unknown. Burton died before his father. Burton and Barbara Ann had nine children:
 - 1. Burton J. Gill
 - 2. Thomas Gill
 - 3. Lewis Turner Gill
 - 4. Americus Gill
 - 5. Caroline Gill who married Peter C. Pupree
 - 6. David Gill
 - 7. Susan Gill
 - 8. Joseph Gill
 - 9. Duncan Gill
7. Terrell Gill was born in 1814 in Wake County. He married Elizabeth Perry on 29 January 1842. Terrell Gill married second Catharine Franks on 24 March 1852 in Wake County. Terrell Gill and Elizabeth Perry had four children:
 - 1. Eliza M. Gill
 - 2. Nicholas L. Gill
 - 3. Andrew J. Gill
 - 4. Elizabeth Gill
8. Mahaly Gill married Joseph Bailey on 17 August 1835 and this family went to Tennessee.
9. Payton Gill married 5 October 1838 in Wake County to Sarah Hollingsworth and this family also went to Tennessee.
10. William Gill, son of Jesse and Tabitha Gill, seems to have left home while quite young and nothing is known about him.
