

PENNY

○ 28 APR 2007 - PG 28, 29 RPU & Mark Perry Tour SCTSP

A little further along Penny Rd - before old south you come to the Lynn Sisseton Home on the right and to the Old Sisseton Home on the left (FAT & George, Lynn, etc.). This later place bought by Milton Dixon (with his wife Marie Taylor) who developed the land between Penny Rd & Lake Wheeler.

From Old South to Lake Wheeler near Hunter Land The Hunters are connected to the Siphins Family

The Stephenson Place was developed by Larry Buffalo s/o John & Betty Buffalo

From Penny Rd going N on old south cut to right to pass Atkins Home sitting back on North side Alton dated Abie Atkins - her MOT = A Daniel

Proceeding east on the cut through Farmer Lane (SR7527) comes up from the south. On the North (just to the east) lies the Penny House right on the road - This Penny related to Harold Nelson. PENNY =

Next to the Penny House on the west is a house Mark & Bryan bought for \$137,000 in 1987 for Percy in exchange for his 12 1/2 A share in Clyde 50 A csn. Percy's dad lives there now. East of Percy's house lies the Carl Penny Homestead (House now gone).

At Farmer Lane we met

RAYMOND WILLIAMS

↳ s/o Beata (Hunter) Williams

↳ Her siblings - Jack, Jim, Nelson

An older Hunter and a Siphins

Alton tells a story on Beata - she attended Inwood School with Alton. She climbed a tree & had an accident - water came down. Not to be outdone she claimed that the sap was rising
