Hi Phil,

I am XID 23053. My mother, Marie Foster Myers (XID 23048), died March 23, 2009. In going through her records, I have consolidated all the genealogy documents that had been shared with her by the various branches of our family tree. I couldn't remember exactly where on her mother's side the Upchurch name appeared.

I work for Southwest Airlines at William Hobby Airport in Houston. A week or so ago, part of my day had me working with a flight attendant named Angelia Upchurch. I remembered a bit of what I had read in the Upchurch Bulletin, and asked if this was her married, or maiden name. She said it was her maiden name, and her family was from western Oklahoma. All I know of my own Upchurch ancestor's migration to Texas is that Burrell Miles Upchurch (XID 4926) migrated to the Madisonville area after marrying a Choctaw woman, Margaret James (XID 4940), in Mississippi. I told Angelia that all American Upchurches could be traced back to one immigrant from England. This was news to her, but she seemed quite interested. I promised to review the info, and the online sources I had discovered a few years ago (your upchurchstory.com), and share with her.

(Last night I downloaded all the pdf files you have made available, and have had no trouble at all.)

In searching the register, I find several entries for an Angelia, but only one with the last name Upchurch (XID 20868). This young lady didn't appear to be in her mid-forties, but I suppose it's possible.

I feel so fortunate to have such extensive collections of information at my disposal, for many branches of my family. My great grandmother, Mary Alma Key (XID 23008), who married into the Upchurch family, died when my grandmother was quite young, yet years later, someone in the Key family published a hard cover book documenting all Key descendants since the original immigration to America, in 1776.

I would be happy to provide names and birth/death dates for all the descendants of my grandmother, Iris Early Smith (XID 23024). I believe I have some photos of Frances "Fannie" Upchurch (XID 22960), her husband Whit Smith (XID 22961), their son Percy Franklin Smith (XID 23005), and all his descendants.

Thank you for all your work.

Hi Bill---

It is ice to know I have you well placed in the Upchurch family tree. Thanks for offering to send me some details. It will work best if you let me have your mailing address and I will send you several pages from my manually kept Master Outline book that pertains to your part of the family. I have quite a bit. You can then decide what to send me.

You belong to the James U. IV/Burwell U. Subclan. I will soon be doing a video on that part of the family. Did you get a chance to view some of the 12 videos posted? We plan 50 by years end. In the narrative of the Upchurch Bulletin posted you will find several issues with stories and details about your Subclan. One of the most interesting starts in Vol 6 Issue 4 about a covered wagon trip. Also, you might be interested in the issue that covers my trip to TX in 1996 which involved a visit to Bedias. There are a lot more that I don't recall right now.

Look forward to hearing from you.

BILL MYERS

Dear Cousin Bill.

Thanks for letting me know about your interest in Bedias and for your address.

Enclosed are the records I promised to send. They are quite good because of the many excellent cooperators I have had over the years. I will appreciate any corrections or additions you can supply.

Page 1 covers Frances M. (W) Smith and her children who are of the 9th Generation. Descendants of the 9th (if any, if known), are covered in continuation sheets "CS" as shown on the left hand side of the page as per my usual format I enclose, after the pink sheet, CS 27 for which I have had 3 cooperators.

I assume the Banker you refer to in REL, U III born 11 APR 1963. you are correct as to your military relationship to him, he and Iris being 3rd cousins.

The story of REL U I, II and III is fascinating. I corresponded extensively with REL U II and had great hopes of meeting him in 1996 when we went to TX. However, he was very ill and in the hospital in Bayam. We went to the hospital but could not see him. He died there on 8 MAY 1996. His son, REL, III (the one you referred to as The Banker) served as a very gracious host. He and his wife hosted a luncheon for us in the home of his father. I am sure you remember seeing this rather grand house a short ways out of Bedias.

As time allows I hope you will start at the beginning of the file on my website and peek at each issue for the narrative part. If you keep in mind the former U, IV Clean and his only child - Burrell U you will soon be able to spot things about your part of the family. I had to cover the entire Upchurch family but your part got quite a bit of attention

Best

Phil Upchurch
