Dear Cousin Billie

Many thanks for your letter of 20 JUL 2001 and
for your input on the family. I have now
gone back to the 13 page letter of our Kearny
U, f, and have incorporated the material on
pages 7-10 into my file. I sent you all the
pages I had. Please let me know if any of
the details are wrong

About the Upchurch books - there are two. The one to which you refer is no doubt UPCHURCH STORY by Elsie Morgan, the war of the George & Sam. The other is UPCHURCH FAMILY by Belle West of the NC Upchurches. I have both books and I personally know both ladies - who are no longer with us. They made great contributions to our understanding of our Upchurch heritage.

Enclosed is a copy of my 3-Page 7-item Profile
on Noah Brown. You probably have all of this.
Note confusion over the name of the wife
of Noah.

Also provided is a copy of my 5-Page Master
outline for the Luanda U line in the George
U/Moser U Subclan. This covers Luanda and
her children & grandchildren. The descendants
(if any) of grandchildren are covered
in continuation sheets as indicated by
number on the left hand side of the page.
only one of these is enclosed (#25 - after the
pink sheet). I can send others if you so desire.
Much of the common interest you and I have
is covered in this document. However, as you
note in your letter, there was considerable
crossing of lines so we can bring other
sections of the George U clan into play
if you so desire.

You will note I collect full names (full
maiden names of females), dates of birth/marriage/
death and place of birth/marriage/death/burial.
For place I like to include Town/County/
STATE and name of cemetery where available.
We don't have to have all - just it helps.

(3)

Here are some questions that readily come to mind about your letter and/or the enclosed Master outline.

1. Can we settle on a name for Frank W. Bennett (Edward Bennett) XID-3916
2. Can we firm up a name for ELIAS SYLOUS PRIVETT XID-39140
3. Same question for Fentus Bennett - XID-3914
4. For John A. Bennett XID-39071 - was the middle name ALFORD or ALFRED
5. you mentioned that William Joseph & Margaret Brown had a son Frank. This is new to me. This couple 3 children - Louria Jane U, James A. U & Frank U - OK?
6. you mentioned sons of Silar & Ruby U that end into the Brown line. I assume you mean Silar & Nancy (Cloud) U.
7. The William Bennett who and AUMA U later re back to these two families in NC. I know this couple well & have much on these two and their descendants in NC. My recollection is that the Bennett family of NC & Wayne Co, Ky were connected some how. If you so desire we can each check our records this matter.

- 4 -

Please let me know if you have questions about any of the enclosed materials and let me know if you need more from me. I will welcome any input you have and will be happy to cooperate with you in any way you see fit.

Enclosed is a copy of our SPRING 2001 SAGA which will let you know some of what is going on with us.

Sincerely yours

□ Hi Phil, yes it has been a while since we have corresponded. The pages that you sent from Oris Kearney were started from me when I made a trip to Monticello Ky and worked on Upchurch family in the connection to my Privett line. All of the info was taken from a book by Olive ?? (it might have been Higgins) from Kansas City about 1979. It was The Upchurch Family. Since I myself did not research any of it, I did not take it as fact but as something to work from so I could add or subtract as I found other information. I made several mistakes and since then in my own computer program I have made those changes, but looking through these pages I realize that the copy that I made to help out a niece Leann Brown has now been passed to others and the mistakes are still in it. I have no proof of any of it unless it pertains to my personal family. Since the internet sites provide lots of articles, and some proofs, I have kept that information in my copies. I know that lots of time info gets passed on as fact. I try to always say if I pass something on that it is assumed or the proof can be found in such and such a place. I started this as a fun hobby, but like I said stuff gets passed on and sometimes it is attributed to its original writer and if you have an address it can be verified. I have got here lately that I hate to pass any 'assumption' on because someone is sure to take it as fact. It looks like Leann sent my working copy to this cousin Oris in GA. If you have other copies of these pages I can tell you what I know for sure is wrong and where changes in my immediate family can be made. I also noticed that Leann also added her nieces and nephews to lines as I had not done. Since cousins married cousins my line crosses in several places to make it even more confusing.

□ + △ + □ P.3 at the bottom of the page 8th gen. Mary "Polly" Brown is dau. Of Noah and Letty Brown whose sister in a line or two above that Margaret Brown m. William J. Upchurch. Margaret and William J. Upchurch also had a son Frank but I'm unsure of the birthdate. Margaret divorced and later married Ransome Edwards and their descendants still live in Wayne cty KY. The dau. Louisa Jane Upchurch of these parents is my great grandmother who married the George Washington Privett, son of Miles Privett and Lucinda Upchurch dau. Of Moses Upchurch and Catherine Barker which is in the 6, 7 8 generations at the middle of page 7. In this same family group 9th gen Belle Lury Elizabeth Privett name is incorrect this was a family nick name. Her name should be Louisa M. Privett and she married Benjamin Wilson and had 2 dau. One Ethel and the other don't recall but it was not Belle as 10th gen. shows. In the next line or so down 10th gen. Sherman Privett was born out of wedlock and was not Thomas Duren child and did not go by Duren name.

In the middle of page 10 Gen 11 Audie Joe Privett married Lena 1st and Donna 2nd somehow these two were reversed.
□ I hope I haven't confused you to much. I can't remember if the lady who wrote the book gave any sources of her information, but like I said I did it basicly for my own purposes and hadn't

- ◻ given it any thought that it would be passed on as fact. I know that I did tell my niece that I got it

Dear Cousin Billie,

It has been a while since we have corresponded about our mutual interest in family history. A question has surfaced on which I would very much appreciate your advice. It concerns a 25 NOV 2000 letter from cousin Mrs Kearney II, for a copy of which is enclosed. You will note I have numbered the pages ① - (13)

I have partially checked the document against my records for the George H. Clark [□ = I already have the detail]. There are some differences between my records and those in this download and I would be happy to correspond with any interested party to attempt to resolve these issues. Also, my records appear more complete in some areas than this download and I would

be happy to share these details with any interested party.

of special interest to me is the fact that this download includes information that would be new to my files. I am anxious to add these new facts to my records but am reluctant to do so unless I have the name of a person that admits to the reasonable correctness of these details.

Perhaps you are the source of these records and if so I'll be happy to place them in my files linked to you - with the hopes that you & I could follow-up on any conflicts. Perhaps you have someone else I could correspond with on this matter.

I will be happy to hear from you and to learn of how we might proceed.
With All Best wishes.

Sincerely yours

P.S.
Details on the
status of the records
publications are
enclosed.

Dear Cousin Billie,

I have just reworked the Sandra U line in
the George W. Moxell Subline and thought it
appropriate to send you a copy of the 4-page
Master outline. It covers Sandra U, her children
and grandchildren including your ancestor John
Alfred Bennett (KID-39071). Descendants of her grandchildren
(if any known) are covered in continuation sections as
shown on the left hand side of the pages. Let me
know if you want copies of any of these continuation
sections.

Enclosed is a list of details that are missing
on George Washington Bennett and his children. I
would be most grateful for any answer you
have or can get.

Trust you are having a nice summer. Three
of our grandchildren arrive Saturday from Nevada
for two weeks. We are looking forward to the visit.

Dear Cousin Billie,

Dear Cousen [unclear],
Thanks for your letter and the substantiated packet
of information which arrived on 13 FEB 1996. I have
spent most of the last three days reading this
information comparing your material with ours.
Mostly we have the same stuff but in quite a
few places you had details that were new
for me. Naturally there are some disagreements
but we can deal with them over time.

but we can deal with them.
Thanks also for your order for the U.B. for
1996. The first issue each year appears in March
and the other 3 follow at three-month intervals.
The extra order blanks you requested for the U.B.
are enclosed. Let me know if you need more.
I have plenty.

have plenty.
It is clear we have a great deal of interest
in common and I hope we can exchange
information in letters over the next several
years, we have so many aspects to consider
that it is best to take one section of the family

at a time.

Enclosed is a copy of my 14 page Master outline for the Silar & Line in the George W. Strudach & Subline. This covers Silar, his children and grandchildren including your ancestor Lewis Jane A (XID-39156). Would you please go over this in whatever detail and in whatever way you see fit and let me have any additions, corrections or observations you may have. In the next round we can move to another part of the family.

Please note that my Master outlines include full names (full maiden name for females), dates of birth, marriage and death and place of birth, marriage, death and burial. We never get it all but it is nice to try. Also, I am always interested in stories (good & bad) about any given individual and proof documents (birth certificates, etc) and photos are always welcome. I keep a brief file on each individual with all information entered there.

You asked about Morgan's book. You'll have a copy. It was also my great pleasure to meet Ada Morgan, the author. I had lunch in her home in the summer of 1975 in Kansas City. She and I conversed quite a bit. One of the issues of the

published after her death give her life story and include a nice photo of her. This was published as a tribute to her.

It has been my pleasure to correspond with dozen of descendants of George H (Head of Class) and the correspondence continues. This continues to provide input for improving the various versions of the master outline for the George H Class.

We can return to the issue of the Prinett family. There is a large group of this family in Franklin Co, NC where some of my ancestors lived. They spell their name Prinette. My impression is that your group and the Franklin Co, NC group of Prinett (Prinette) trace back to the same ancestor in the 1700's. We can go into this more over time -

Please let me know if you have any special comments, requests or questions

Sincerely yours

Dear Mrs Taber,

As you will see from the enclosed materials I am keenly interested in the entire extended Upchurch Family. Our mutual cousin Lea Conard has recently sent me family details which you provided to her. You and she are descended from George U (XID-137) while I am descended from her first cousin Nathan U, I (XID-78).

Enclosed is a copy of my Master Outline for the George U/Moser U Subclan covering the family details on Moser U (XID-141), his children, grandchildren and greatgrandchildren. Details on descendants of his greatgrandchildren are included in continuation sections, the numbers for which are included on the left hand side of the page - or for example see continuation Section 25 enclosed.

I have also provided a list of what

is missing on the family of Chalmers Howard
Pinett. I will be grateful for any answers
you have or can get.

I have accumulated a large amount of
detail on the George A. Clark and much
of it is published in the Upchurch

done. I do hope you and I can
continue to exchange information.
I feel we have a lot in common

REC'D

A

Dear Phil

As you can see the Upchurch
Privett lines cross several generations

I got a double dose of Upchurch
blood - when Shadrack (17)b. 1784 -
grandson was my gr. grandmother
Privetts father William J Upchurch
and Shadrack's daughter ^{Maren A - RPN} Lucinda
(Upchurch) Privett is my great
great grandmother on Privetts
side when she had George W.
Privett who then married Williams
daughter Luisa Jane.

Phil would you send
me another order blank,
I want to take it to a
genealogy meeting - some-
one else may wish to
order a copy or copies.

Do you have a copy of
the Upchurch Descendants by
Mrs. Morgan. I found it in the
Monticello Lib. in VA this summer.
In doing "Privett" research also would
appreciate any info.
