The following Contact Us form has been submitted to Phil Upchurch:

Name: Brian Barton
Email: ~~brian@brianbarton.com~~X

Hi. I came across this site, and was looking for information about my maternal grandmother, Della Upchurch. She would have been born approximately 1900, and lived in Harrisburg or perhaps Shawneetown, IL. She married Calvin Martin (my grandfather). Thanks in advance for any information you might have.

Hi Brian---

Delighted to hear from you. I have Della and Calvin in my records and the ancestry of Della back to Michael Upchurch who came to America in 1638 as a 14 year old indentured servant. I show they had children Norma and Billy as of 1930. Did they have more? Which of their children is your parent? I'll be glad to continue to exchange information if you so desire. For new cooperators I offer for \$40 to go back through the 100 issues of the Upchurch Bulletin and pick out 8 issues that I think would most interest them. You can let me know if this interests you.

You belong to the John Upchurch.,III/Samuel Upchurch Subclan which I have well documented.

Best Wishes.

Phil Upchurch

Hi Phil,

They only had those two children (Norma is my mother). And indeed I recall my uncle's name was officially either Bill or Billy (I was thinking the former), not William.

I gather there isn't an actual family tree, either in book form or online? Several years ago I was delighted to find that both exist (in exceptional detail, going back to 1632) for my father's side (Barton).

Thanks for your below information (very interesting).
Brian

Hi Brian---

Unfortunately there is not an Upchurch book you can buy. The best substitute is the 8 issues of the Upchurch Bulletin I mentioned. I do have extensive Master Outlines I keep manually on all parts of the Upchurch Family. These have been put together over many years by my own research and the cooperation of hundreds of cooperators. They are being constantly updated. I share sections of these Master Outlines with individuals who are willing to help with the process. I can submit a list of questions if you so desire.

Thanks for the update, Phil.

My apologies for bothering you with a question, but I can't figure out how to get a password to access the digital records. No matter what I've tried, I just get:

Thanks in advance if you can help,

Hi Brian---

Thanks for responding. The process is supposed to be super simple. When the digital record are offered but with the statement that you need a password you should also see directions that you will be furnished the password when you enter your email address. Does this not work for you? Please try and let me know so I can alert Teresa, our webmaster if you have found a glitch.

Good to hear from you

I don't see any directions as you describe, Phil. I only see a place to enter a password. I've attached a Word file with two screenshots (the initial page where I select the Upchurch Digital Files, and the resulting page asking for a password).

Thanks in advance for looking in this,
Brian

Hi Brian---

Let's deal with this problem in parts.

First here is the password---"2013upchurch#". Let me know if this works or not.

Now to the basic problem. The only way I know to explain your experience is that you must have earlier entered your email to obtain the password and it was provided. Under that circumstance the next time you go to the basic files you are expected to have saved your copy of the password. In some systems if you have forgotten your password you are given a pathway to
