Dear Cousin Carletta,

Thanks for your letter of 2 OCT 1995 and for the details. They have now all been processed.

Provided herewith is a copy of the Master outline for the family of John Anson Barnett. This is a really large family. I am amazed at the progress you have made in documenting this family. The part on your mother's family is in excellent shape. Questions on missing items from her family are enclosed. We are down to the fine print and may never have it all. I will be grateful for any additional details you can gather. There is no rush. you will note what is missing on the families of the siblings of your mother. Please let me know if you have more information or if you think you can get more details on the families of these siblings. I realize contact with some of them have been lost.

If you have information on any of the rest of the Melbain Henry Uphurch, I line or would be interested in digging out such details, I would be happy to work with you. This would include the families of John Gordon Uphurch and those of his brothers and sisters. I realize this takes you away from your direct lines.

If you have odd details on Uphurchs family members that have come to your attention I would be happy to have them. - clippings from past, present or future newspapers, or whatever.

I figure the Sanford U who drove your GM was Sanford Cecil U, son of Melbain Patten U, who was a 1/2 brother of John Anson Barnett.

Thanks for the subscription for the U.B. for 1995. Issue #3 has already been sent. Issues #1 & 2 are being sent herewith. Since you have paid for a total of five issues I am sending Issue 4 of Volume 1 which has an item on John Jordan U that may interest you.

Thanks for the extra comments in your letter. My mother lived to be 85 and was much as you described your mother - very independant. She had a great love of flowers and was able to

stay in her own home until the end. I have <sup>(3)</sup> published an article on her in the U.S.. Like your grandparents there was an age difference in my mother and father. She was 20 and he 40 when they married.

I know the occupation of coal mines must have been difficult from several standpoints. My father likewise had a tough time in farming. He was a cotton farmer and the boll weevil got more of the cotton than he did. I was born on a 40 acre farm that was  $\frac{1}{2}$  untenable due to soil erosion. We lost this farm in the depression but got it back under the New Deal. You and I have similar backgrounds to reflect upon - yet I never knew I was poor.

It is a pleasure to have you as a collaborator and I look forward to our future exchanges.

P.S. - A copy of our "freedom" document is enclosed.

☺ Sincerely yours  
Phil Upchurch

October 02, 1995

□ Robert Phillip Upchurch  
- PO Box 387  
- Wentzville, MO 63385

□ Dear Cousin Phil,

□ It is good to hear from you again. I received the Upchurch Bulletin I requested  
□+□ from you, and I am very pleased with it. I am enclosing a check for a subscription.

□+□ I love the study of family history and any time I can get new information for  
□ family members, I try to take advantage of it. As you can see from the missing  
□ information of my present day family members, my interest lies in the research of our  
□ ancestors. Not that I am unconcerned about getting information about them, its just that  
- my time is spent more in ancestor research.

□+□ Please forgive the errors I made in the document I sent you (and I made some  
□+□ glaring ones). Earlier, I had accidentally deleted my Barnett information that I had on my  
□+□ processor, so I thought no problem, because I had seriously been thinking of getting a  
□+□ new genealogy software program. However, when I received your letter I put it back on  
□+□ the processor so I could print it out for you. In my haste to get it done I made the errors.  
□+□ Like they say, haste makes waste. At any rate, I'm glad you questioned them and I will  
□+□ try to answer them as best I can. Also, I am adding some comments which may or may  
- not be helpful to you, but will help add a little life to the information. First, the  
- comments.

□+□ John Anson and Nancy Elizabeth (Ford) Barnett have at this time 3 children who  
△+△ are still living. Emma Kidd (Barnett) Harkleroad was 90 years old on 12 Mar 1995. She  
△ is blind and paralyzed due to the complications of diabetes. She is now living in a  
△+□ nursing home. Emma and her husband Malen L. Harkleroad made their home in  
△+□+□ Imboden, Wise Co., VA where they raised their family. Malen was a coal miner.  
△+□+□ They had eight children. Two of these children died as infants. One child Dorothy died  
□ about 1937. I do not have any more details regarding them.

△ My mother Fairy Eulola (Barnett) Burchett lives in Welch, McDowell Co., WV.  
△+△ She was 80 years old 03 Jul 1995. She is in reasonably good health, and is still able to  
△+□ live alone and take care of herself. I really count this as a blessing because she is such an  
□+△ independent person. I don't think she would be very happy if she had to depend on others  
△ for her daily needs. She is very active in her church and the social activities going on  
△ around her. She has a wonderful sense of humor and is always making jokes and remarks  
△+△ to get a laugh. She and my dad lived all their married life in McDowell Co., WV. Most  
□ of these years were at Havaco, WV where all the children were born except myself.  
□+△ My dad worked as a coal miner all his life.

(2)

Δ+Δ Bernie Ellis Barnett was 75 years old 07 May 1995. He is also in a nursing home  
 Δ at this time. He is also paralyzed due to the complications of diabetes. Diabetes is a  
 Δ disease that plagues this family after the members get in their old age. Bernie worked for  
 Δ U.S. Steel Corp. at Gary, McDowell Co., WV as general mine manager until his  
 Δ+Δ+□ retirement. After he retired, he worked as a federal mine inspector. He and Sadie had  
 Δ+□ seven children. They lived most of their married lives in the counties of McDowell and  
 - Mercer in WV.

□+Δ+□+Δ My mother was very close to her father and often told me of his kind and gentle  
 Δ+Δ+Δ manner. He was quite a bit older than my grandmother. He was 32 years old when they  
 □+Δ married. My grandmother was 16 years old. Before all the children were grown my  
 Δ+Δ+Δ grandfather's health begin to fail. Because he was unable to work my grandmother had to  
 Δ work to support the family. She worked for the Novelty Clothing Company having a big  
 Δ territory in southwestern VA and eastern KY. She started out in a horse drawn wagon  
 Δ+Δ+Δ and later she got a car. She had to hire drivers because she could not drive herself. One  
 Δ of her drivers was Sanford Upchurch. [SANFORD CECIL U]

□+Δ Abraham Lincoln and Amanda Vesta (Barnett) Qualls had 12 children. They  
 □ lived all their lives in southwestern VA. I don't know his occupation.

Δ+□ James Claude and Cosby Lee (Lane) Barnett had 10 children. They also lived all  
 Δ their lives in southwestern VA. Mostly Duffield, VA. Jim was a coal miner and a  
 - farmer.

□+Δ Winfield Scott and Alvonina Kate (Barnett) Hubbard had 10 children. They lived  
 □ all their lives in southwestern VA. I don't know his occupation.

□+Δ+□ I don't know too much about the family of Joe Henry and Bertha (Hensley)  
 Δ+Δ Barnett. Joe worked in the coal mines in southwest VA when he was young. In the late  
 Δ+Δ 1950's he moved with his family to Dayton, Ohio. He died there in 1959 of cancer. We  
 Δ+□ lost touch with the family after that. They had 5 children. They had one child that died  
 - at birth.

Δ+□+Δ Hugh Patton and Mable Lucy (Gibson) Barnett had 10 children. "Pat" worked as  
 Δ+□ a coal miner. They lived all their married lives in the counties of McDowell and Mercer  
 □+Δ+□ in WV. After Mable's death, Pat married Rebecca Folks. They had 3 children.

□+Δ+□ Richard Lee and Laural Alice (Barnett) Rose had 4 children. Richard was from  
 □ Mendota, VA. He came with his family to WV in the early 1940's to work in the coal  
 Δ+□+□+□ mines. They lived in Mercer Co. WV from that time until his death in 1972. After he  
 Δ+Δ+□+Δ died my Aunt Alice couldn't stand to live in the house they had built together, so she  
 Δ+□+Δ moved to Lincolnton, NC where her oldest son William lived. She lived there until her  
 - death in 1993.

-  
 -  
 - Now to the items that need clarification.

- +Δ 1. Regarding the child of Bonnie Maxie (Qualls) Wells Glen Earl Culbertson  
 - According to the family source who provided me with the information, his name is  
 Δ Glen Earl Culbertson Wells

△ + □ 2. Re the birthdate of Alvonka Kate (Barnett) Hubbard and her son Ralph Ezra  
 □ + □ Hubbard. I had recently received new information about their birthdates. I had put  
 — the new information on their family group sheets, but did not change the former dates.  
 □ + □ When I typed the document for you I inadvertently picked up the different dates. The  
 △ new information I received shows the birthdate for Alvonka Kate (Barnett) Hubbard is  
 — 29 Mar 1899

△ 3. Ralph Ezra Hubbard is 14 Nov 1922

□ + △ (Page 10) Re Ralph's son this should read Coy R Hubbard born 07 Jul 1950 married  
 □ Patricia A. ? (I don't know her maiden name) She was born 01 Jul 1955. This is the  
 □ only information I have available at this time for this family.

△ 4. (Page 9) Re Charlotte (Hubbard) (Roe) (Harrison) Ross  
 □ + □ Shawna Crystal Harrison is the child of Donald Dawayne Harrison

□ 5. (Page 11) Re Brackett children. If I receive further information for this family I will  
 — send it to you.

□ 6. (Page 5) Re Orville Gene Johnston. His son's name should read  
 △ George Nicholas Andrew Johnston

△ Willie Glen Burchett was born 14 Apr 1906 in Independence, Grayson Co., VA. (How  
 △ + △ + △ could I have omitted this). His family came to McDowell Co., WV when he was a young  
 △ boy. My grandfather Joshua Burchett worked for U.S. Steel at Gary, McDowell Co.,  
 □ + □ WV. Willie Glen Burchett and Fairy Eulola (Barnett) were married 31 Jan 1937 in  
 + △ Welch, McDowell Co., WV. After their marriage they lived at Carswell, McDowell Co.,  
 □ + △ WV where my father worked in the coal mines. They lived there for about a year. My  
 △ + △ + △ father then went to work for another company and they moved to Havaco, McDowell  
 □ + △ Co., WV. They had seven children.

△ Carletta Jean (Burchett) Roberts

□ + □ + □ I am the oldest of the seven children. I married James Nelson Roberts and we had three  
 □ + □ children. We lost our two youngest children to a heart disease that runs in my husband's  
 □ + □ family. We lived in Chicago, IL for 3 years. We then moved to Frankfort, Will Co., IL  
 □ + □ where we lived 30 years. When my husband's company closed in 1987, he took an early  
 □ + □ retirement. In 1990, we bought a house with two acres of land in rural Wellington, KY  
 □ + □ near a lake where he could fish and hunt. After the company I worked for in downtown  
 □ + □ Chicago relocated, we sold our home in Frankfort and moved here in 1993.  
 □ + □ We have two grandchildren. They are the children of our son Mike. They live in New  
 — Lenox, Will Co., IL.

(4)

△ Manfred Glen Burchett

△ + △ His wife Geneva has only the one name (seems strange, some family members have three  
△ + △ names). However, she is known to family and friends as "G.B." Her maiden name was  
△ + △ Lee. They have two children. Neither children are married. They do not have any  
△ + △ grandchildren. Manfred and "G.B." live in Streamwood, Cook Co., IL.

△ Patricia Jo (Burchett) Taylor

△ + □ She and her husband Harold Thomas, Sr. have two children and three grandchildren.  
△ + △ Harold Jr. has three children. He was married in VA. I don't know the marriage date or  
□ + □ exact place. I will get that information for you and send it at a later date. I also don't  
□ + □ know Anita's middle name (if she has one) or where she was born. I will get that for you  
□ + □ also. Her maiden name was Jayee. I will also get the birthplace of Ashley and  
□ Stephanie.  
□ + △ William Ray "Ray" Taylor is not married and has no children. Patricia "Patty" and  
□ Harold, Sr. live in Virginia Beach, VA

△ Alice Ann (Burchett) McCoy

△ + □ Alice and Kenneth have three children and two grandchildren.  
□ + □ Regarding the information of their two oldest children Tim and Tammy I will try to get  
— this information to answer all your questions at a later date.  
□ + □ The maiden name of Tim's first wife was Dotson. I don't know if she had a middle name,  
□ + □ For Tim's second wife Sarah, I don't know her middle name either. Her maiden name is  
□ Gentry. They have one child.  
□ Re George Kenneth, Jr is not married and does not have any children.  
△ + □ Alice and Kenneth live in Regina, Pike Co., KY.

△ Dickie Deloise (Burchett) McCoy

△ + △ I will need to find out if Lonnie had a middle name. I'm sure his first name was Lonnie  
△ and not a more formal form of the name. Dickie had four children from her marriage to  
△ + △ Lonnie. The first child was born dead at a Catholic Hospital in Chicago, IL. Because the  
— baby came early she was not prepared to name it. The nuns ask her if they could name it  
△ Joseph. This is the only name the baby was given.  
△ The second child was James Lonnie and he is not married and does not have any  
△ children. He was born in Chicago, Cook Co., IL.  
△ The third child Marilyn Sue was born in Chicago, Cook Co., IL. She also is not married  
— and does not have any children.  
△ + △ The fourth child Nicky Dean was born with Downs syndrome. He was born in Pikeville,  
△ Pike Co., KY. He died in Regina, Pike Co., KY.  
△ + △ + △ Regarding her fifth child Cindy. I don't know Cindy's father's name. Cindy's last name  
△ + □ + □ has not changed. She still uses the last name of Burchett. Even though Brenda and Ed  
□ + □ + □ Collins have adopted her, and I use the term loosely. They have not legally adopted her.  
□ + □ + △ At some point, they intend to do this. However, I don't think they would change her  
— name to Collins.

(5)

△ Brenda Sue (Burchett) Collins

△+□+□ Brenda and James Edward "Ed" have three children of their own. Cindy makes the  
△+□+△ fourth child. They have two grandchildren. Regarding the name of Fran Rickards. Her  
△+△+△ first name is Fran. She has a middle name but does not use it. She says she has dropped  
□+ the name, but I don't think she has done this legally. Her maiden name is Rickards.  
□+△+□ Re Thomas Lee, he is not married and does not have any children. Brenda and Ed are  
— being transferred to Newport, NC from Norfolk, VA.

△ Margaret Ellen (Burchett) Christian

△+□ Margaret has four children. Regarding the first three children, I do not know the name of  
— their father. The children have been raised with the last name of Burchett. The fourth  
□+□+□ child Christopher Eugene's father is Gary Wood. I don't know if he has a middle name.  
△+□+□ She married Gary Wood at Roderfield, McDowell Co., WV. I don't have any other  
□+□+□ details about Gary Wood at this time. I will get the middle name of Richard Christian  
□+□ and the details for Robert Lee and Jonathan David Burchett's families you have requested  
△+△ and send them to you. Robert Lee "Bobby" has got two children. Jonathan David "John"  
△ has got one child. Sharon Denise Burchett is not married and does not have any children.  
△+□ Margaret and Richard live at Wilcoe, McDowell Co., WV

□+□ I hope this helps answer some of your questions. If I can be of further help, please let me  
— know.

Sincerely,

Carletta

Dear Cousin Carletta,

Thanks so much for your letter of 14 SEP 1995 and for the details on the John Anson Barnett Family. I have spent many hours on this document and thank I have everything properly placed in my records. I have made a Biofile on each individual and have assigned an XID number to each. A listing of these people and their numbers will appear in the next two issues of the U B.

Congratulations on the fine document you have prepared. I know it took a lot of time.

We have sent you U B Vol 16 No 3.

I have written to Ann Keazey Davis. Thanks for the address.

Enclosed are two sets of questions. one concerns clarification of items in your document. The other provides a complete list of everything that is missing on your mother & her descendants. I will be grateful for any details you have or can get.

Provided herewith is a copy of the 7 Page 15 Item Biofile for William Henry U, I, father of John Gordon U, in case you are interested.

you will note from the most recent issue <sup>(2)</sup> of the U.B. that William Henry U, I was the brother of John Jordan U. This J. J. U is the most famous of all Upchurches. I have written a great deal about him in the various issues of the U.B. and have corresponded extensively with some of his descendants. He is buried in St Louis, MO and there is a spectacular monument marking his grave.

Over the years we have learned a lot about the Upchurch clan headed by John Upchurch, IV. We continue to learn more all the time and I am most pleased to have your details on his great-grandson John Gordon Upchurch.

Please let me know if you have any specific questions or needs. I'll look forward to hearing from you.

Sincerely yours  
Phil Upchurch

- 1) Re Child of Bonnie Maxie (Guallo) Wells
  - a) you show this child as Glen Earl Culbertson. Do I take it to mean that this child had three first names and that it was the son of Bonnie & Loren & that had the full name Glen Earl Culbertson Wells?
- 2) Re birth of Arvenia Kate (Barnett) Hubbard
  - a) Page 1 shows born 14 MAR 1898; Page 6 shows born 29 MAR 1899. which is correct?
- 3) For Ralph Ezra Hubbard
  - a) Page 6 shows born 14 NOV 1922; Page 10 shows born 14 NOV 1920. which is correct?
  - b) Page 10 shows Coy R. Hubbard married 1 JUL 1955 which must be wrong. when was he married?
- 4) For Charlotte (Hubbard) (Roe) (Harrison) Ren
  - a) Page 9 - Her 3rd child Shamma Crystal was born 10 MAY 1973. before she married on 16 FEB 1974 Donald Dwayne Harrison. Was the father of this child Lawrence Roe, by making her Shamma Crystal Roe? - and also - if so - did her name change to Shamma Crystal Harrison when her mother married the second time?

5) Re Brackett children listed under Harold James Blessley (Page 11). As you point out we need to know how these children fit into the family. (4)

6) For Orville Gene Johnston (Page 5)

a) He is shown as having a son George Andrew Nicholas. Does this mean the son had three first names and that his full name was therefore George Andrew Nicholas Johnston? Or is this a son of his wife Carmen by an earlier marriage to a Mr Nicholas?

7) For the 5th child of Dickie Deloise (Burchett) McCoy.

a) who was the father of this child Cynthia Louise "Cindy"? [so we can give an initial last name - if appropriate] Did Cindy go by the last name Collins when she was adopted by Brenda & Ed?

Dear Cousin Phil,

I want to thank you sincerely for the information you sent of our Upchurch relatives. I was very pleased to receive this, and was really amazed at the vast amount of information you sent.

I am sending you what I have on our Barnett/Barnette line starting down from John Anson. As you can see there is much more yet to be learned about this family.

Regarding the marriage license of William P. and Willie A. Upchurch, this is very interesting, and I agree with you, a puzzle.

You asked for the address of Ann Veazey Davis, it is as follows:

You mentioned in your letter, the most recent issue of the Upchurch Bulletin included a photo of John Gordon Upchurch and a story of the family. I am enclosing a check for a copy of this issue. I would be so pleased to have a photo of him. I do not have any photos of John and/or Rebecca and would be grateful to have one to go with my research. Also, I'm interested in this story of the family.

Again, I want to thank you for all the help you have given me. I will be more than happy to share any additional information I get for the Upchurch line.

Sincerely,

Carletta

2.

I would very much welcome any organized details you may have on the John Anson Barnett family and trust that will include details on you. (I like to file by maiden names).

Could you share with me the address of Ann Keagey Davis in Zebulon. I have a lot of trees to that area and regularly subscribe to the Zebulon Record. I gave an Upchurch lecture in Zebulon in MAY.

It is wonderful that your mother is still with you and interesting about family history.

The most recently completed Upchurch Bulletin included a photo of John Gordon Upchurch and an overall story about his family.

You raised the question about the spelling of the maiden name of the wife of William Patton U. I happen to have a copy of the Marriage License, a copy of which is endorsed. Note that her name is spelled FARRIS in the upper part and FALIN in the lower part. Her mother is shown as FARRIS. There is still a puzzle here. Maybe you or someone can solve this riddle

We continue to make excellent progress on documenting the John Upchurch, IV / Ambrose Upchurch subdau. There are still a lot more blanks to fill in but that always seems to be the case. There were other Upchurch family members in Granville Co, NC in the 1780-1820 era and more information is needed to sort them out. I have a lot of fragments and someday they will fit together. I now subscribe to two Granville Co, NC family history documents and hope they will shed more light.

I'll hope to hear from you soon and will look forward to cooperating with you. We still have a lot to share.

☺ Sincerely yours  
Phil Upchurch

Dear Carletta,

I have noted your query in the Spring 1995 issue of Granville Connections. Enclosed are copies of my Biographies for John G. Upchurch and his wife Rebecca. Note that my records show her maiden name as CRETCHER (vs your CRETHER) (which is correct). Note Item ⑧ on Rebecca's Biopile which shows her parents as JOHN ANCION CRETHER and ABIGALE — —

A copy of my Master outline for John G. Upchurch & his children and stepchildren is enclosed. Note that for d, f & g I have later generations. If they interest you I'll be glad to send details.

One extract of the 1880 census shows the step-children went by the last name Upchurch whereas another shows they went by the last name of Barnett(s). Can you shed any light on this.

I would welcome any input you have on this family and will gladly share information. Details on my Upchurch Bulletin are enclosed

Sincerely yours,  
Phil Upchurch ☺

Robert Phillip Upchurch  
PO Box 387  
Wentzville, MO 63385

Dear Phil,

I am responding to your letter dated August 21, 1995. Rebecca Jane Critcher Barnett Upchurch is my great grandmother. My mother is the twelfth child of John Anson "Anse" Barnett. The children of Rebecca and John Daniel Barnett kept the Barnett name. I am sending you the information I have for this family. I am including the families of Anson J. Critcher, the father of Rebecca. I also have additional information for the families of John Anson and Nancy Elizabeth Barnett if you are interested.

I would be very grateful to get any additional information you have for the children of John and Rebecca Upchurch.

My mother is 80 years old. She has been able to help me a great deal with names of family members, however, she is limited to childhood memories because her father's family was so much older.

I want to thank you for the information you have shared with me. If I can be of further help to you, please don't hesitate to ask.

I am enclosing a SASE for your convenience.

Sincerely,

*Carletta*
