Hi Teresa---

I am delighted to note the progress you are making in creating the Allied Families Nathan Upchurch, I RPU Legacy Tree on [Ancestry.com](http://Ancestry.com). This is a highly important project for our Association and we have quite a few Volunteers working on the various Upchurch Families. Recently we issued a newsletter on the subject and it is forwarded in case you did not see it.

Our webmaster Jay Buck indicates you and he have been in touch. He will supply you more of the Nathan Upchurch, I Master Outline if you run out. If you feel we need to recruit another Volunteer to help on this Tree let me know. We are sometime lucky enough to find one.,

If you encounter any problems be sure to let me or Jay know.

With deep appreciation~

Phi Upchurch, Founder, Allied Families.

## Progress Report on the Creation of Family Trees on [Ancestry.com](http://Ancestry.com) by UAFA

The family trees being placed on [Ancestry.com](http://Ancestry.com) by Upchurch and Allied Families Association, Inc. pertain to Upchurch families, Allied Families, Associate Families or Ancillary Families. In all cases our plan is for each of these trees to be headed by a Patriarch or Matriarch who lived about the time of the American Revolution. The trees are a work in progress and are being created largely by volunteers working from their home computers. We invite each of you to identify the tree that is of interest to you. We will welcome more volunteers to help create or augment these trees.

Our tree project is divided into two phases. The first phase involves "Legacy"

Hi Teresa,

Good to hear from you and many thanks for your help on the Nathan Upchurch, I Legacy Tree. Yes, you did find me in the Gilbert Section. I have no objections to you adding a note about my role. I agree with you about adding Nathan's daughters next. I prefer that you not add the additional Hubbard information to my Legacy Tree. However, I will be very anxious to have you do so when we get to the Active Tree.

Attached is one Milestone Document about Trees recently prepared.

I will try to find some additional volunteers to help you work on the Nathan Legacy Tree.

Thank you for helping in this important venture.

Glad to hear from you.

As soon as I agreed to work on the legacy tree my boss decided that I needed to work 6 days a week, needless to say that has really cut into my internet time. Add to that I am a 2 fingered typist so my transcript and post was going really s-l-o-w-l-y. I finally figured out that I could transcribe 3-4 names before bed and another 3-4 names before work, then copy paste and post 8-10 pages worth of names whenever I could get online. Woohoo progress ! Finally !

I have finished Gilbert. Did I find you there towards the end ?

If so can I add a comment on your page --- "Founder of this Legacy tree" or "Founder of Upchurch and Allied Families" --- "any other credit that you would prefer "

I have transcribed 22 of 43 pages for Burtis and expect to get a bunch of them copy, pasted and posted this weekend.

Jay was kind enough to send me all of the rest of Nathan's children, so I will probably do the girls next as they are pretty short.

Question for you --- I still have Hubbards Bio File, and you have seen my documentation etc.

Can I add details and descendants of Tabitha U and Wiley Hollemon to this legacy tree ?

Take care. Teresa

Hi Cousin Teresa----

More info is probably not necessary but let me add a few words anyway.

At a certain age it became obvious that at some point my adding to my Maser Outlines would cease. With our "Think" Group we came up with a super plan. We decided my Master Outlines should become like a book I had finished and that the chapters should appear as Ancestry.com archival Trees. This is what you are helping with. These records will be widely available and can be used to start a new set of trees called "Active "Trees. To these Active Trees more data can be added. by Tree Masters of the Active trees.

All of this is a grand plan. Let me know if it makes sense and if you have questions.

I would love to have a chat with you by phone to tell you about Hubbard. Call me at (636) 898-8516.

You are a great "Helper Bee" Thanks~

Phil Upchurch, Founder, Allied Families.

additional volunteers to help --- Probably not necessary as I am over 1/2 way thru posting the Nathan U / Burtis Upchurch Subclan

Not add the additional Hubbard information to my Legacy Tree. --- No problem --- hey I had to ask as I did have the information handy and knew that you had been given oohhh at least 30 seconds to look it over 😊.

If I didn't ask I could not add anything --- if I did ask for permission and you said no, then no harm no foul and no problem.

Hi Phil;

Getting the Holleman tree enrolled sounds like fantastic news.

Let me know if there is anything I can do to help.

Love to call you and visit about the various Upchurch's. However comma, the best time for me to do so would probably not be good for you. The only quiet time in my day for clear thinking and coherent thought is between 2 and 4 a.m.. The rest of my "day" usually consists of crises, disaster, chaos and confusion. There is never a dull moment at my house!

Hi Teresa---

Jay has passed along your note about your fantastic progress on the Nathan Upchurch, I RPU Legacy tree. I can't thank you enough. We were counting on Linda S. Upchurch of VA to do this Tree but work and some family duties required that she step aside for a while. I hope she can become active again in due course. She will be pleased to know you have finished the Nathan U., I/Burtis U. Section of the Tree of which she is a member.

One of our cooperators is Allen Holleman of Raleigh, NC. He is a Holleman expert (but retired/very busy). He will help us get the NC Holleman Family enrolled. I assume you will have interest in this.

I would still like to have a phone chat with you about Hubbard Upchurch when you are free.

Cheers~
