we came to grips with the fact that the father of Abel U, Sr was Richard U, II and not William U, III as had been previously concluded. This error was firmly in place when I got started in the 1970's and it took me a while to get the right idea. Some of the UB's from the 1980's have the error.

It turns out Abel U, Sr left quite a few tracks in NC before he took off for AL. I keep running across these and have accumulated quite a few in my files which are not reflected in the UB's.

I am looking forward to getting the details you are organizing on your Upchurch line. We can no doubt be of much help to each other.

With All Best Wishes,

Sincerely yours

Phil Upchurch

Dear Dr. Upchurch,

I have just started researching my family history and I have seen your name (on genealogy forums on the internet) mentioned several times that you publish a bulletin on the Upchurch family. My Grandmothers maiden name was Eula Evelyn Upchurch and I have traced our roots back to Michael Upchurch and few lines further back. I don't know if you still publish the bulletin or not but I would be interested in finding more out about it and the Upchurch family.

You can E-mail me at roltide812@aol.com or the address above.

Thanks for you time.

Sincerely,
Kennon Cox

You and I are both descended from Richard U, II. I know a huge amount about him and about most of his eleven children. There are a variety of ways I can share this with you.

Please feel free to give me a call to chat about family history if you so desire. I do not have EMAIL.

You mention Michael U, I & his ancestors. Please be careful about what you find on the Internet. Some of it is way off base. My wife and I will be in England 2-7 MAY 2002 for Upchurch Research. We have plans to see the 4 letters Michael U, I sent back to England in the 1650's. They are preserved at Cambridge University. Hope to hear from you soon.

Sincerely yours

Phil Upchurch
