I don't know when in 1989 DAD, IT was. It was a common law mg and my family does not like this one bit. He is trying to get divorced and to get custody of Abria. He has custody so far & visitations is still a hang up. We don't want Rebin to be allowed to visit Abria unsupervised. She is not a good person. Donny made a very bad mistake and is now realizing a lot. The next court date is 23 JAN 1992. Donny has only one child.
