I, too, am descended from Silas Cross and Frances "Fannie" Chappell. They were my great-great grandparents; therefore we are distant cousins. Let me begin with them and work backwards to show how our family tree was put together.

Silas Cross was born in 1828 in Wake County, North Carolina. On May 27, 1852 he married Frances Chappell who was born in 1826. They had the following children: Louvenia (1853), Columbus (1854), Eugene D. (1856), Leviticus (1858), Bettie Green (1865), and Virginia Adelaide (?). Silas was a farmer who moved to Granville County and struggled to make ends meet. He died between November, 1878 and February, 1879, and Fannie survived him by more than twenty years (died sometime between 1900 and 1910). Silas was the son of Richard Cross.

[RPU Note: Until this death certificate surfaced the two children of Bettie Green Cross were presumed to bear her CROSS name with the father of her two children unidentified. Family lore is that the two children were born out-of-wedlock. However, the above death certificate shows that Durl Bennett Cross, one of the two children, was the son of John R. Cross. For the present I will consider this a "ponderable matter" but will note that Leannia Cross, D/o Silar Cross, married a John Richard Cross whose parents have not yet been established. Whether this John Richard Cross is the same or different from the John R. Cross on the death certificate is also a "ponderable matter" - RPU 1 SEP 2009
