GAY FAMILY

○ From Ltr 5 MAY 1980 Ben Lane U, Sr to RPU  
Ben reports:

There is a good article on the Gay family pages 74-79 from the History of Fayette County Ga 1821-1971 published December 1977 by the Fayette County Historical Society. It is in the Archives State of Georgia. They came from North Carolina and evidently have remained in Georgia - Fayette County.

Crossfile: GAY FAMILY; BARNES FAMILY

[Thomas Gay U, Sr - presumed s/o Charles U, Head of clan - m d  
Patience C. Barnes. Martha is trying to show historic  
relationships between the GAY, BARNES & UPCHURCH  
Families - RPU]

I think the gay and Upchurch relationship dates back to the latter part of the 17th century or the early part of the 18th. Henry Gay was in the Isle of Wight in 1683. He married Joanne, had three sons, Henry, Thomas, and John. He died, and his widow married Robert Lawrence Jr. who left land to his step-sons. Later Priscilla Upchurch married Turner Lawrence. In 1788 Henry Gay left in his will property to Stephen and Patty Barnes. Jethro Barnes the father of Patience who married Gay Upchurch was one of the witnesses. The Upchurches, Gays, and Barnes lived very close to each other in Henry County. I wish you would send me what you have on Thomas Gay and Barnabas Gay in North Georgia. Thomas Gay, wife Patience, in his will of 1784 left all of his land in Georgia to his son Thomas Gay. In North Carolina Thomas Gay and the Upchurches lived on Mocoson Creek, and there were several business transactions between them as well as being witnesses to other transactions. Their lands were adjoining. The same names run in the three families.
