The following Contact Us form has been submitted to Phil Upchurch:

△ **Name:** Jordan Chambers

Email: jorkel@2000revue.com

You'll probably get this request from my family a lot in the next few days since I think we all got the same email. :) If you haven't already gotten this....

△△ Curious to know what clan my family comes from and any other basic info. My parents are Fred Chambers and Pamela Chambers (Upchurch). Her parents were Gordon Robert Upchurch (I think - or Robert Gordon) and Patsy Upchurch (Rhymes). They are from Jonesboro, Louisiana and moved to Houston, TX in the 60s I believe.

I see you have some information on the Upchurch family during the Revolution and then going all the way back to England. I'd be really interested in knowing more about the Revolutionary years and before.

Thanks.

Hi Cousin Jordan--

Delighted to have your message. I have spent some time since it arrived to get my records in order and up to date. You are of the Charles Upchurch Clan Charles being brother of my GGGrandfather Nathan U., I both of whom fought in the Revolution along with their brother Moses. You descend through Thomas Gay U., Sr son of Charles and thus are in the Charles U/Thomas Gay U Sr Subclan. you are of the 13th generation of the Upchurch family in America.

There are several ways we can proceed based on your interest. I will mail the first of two 2008 issues of the Upchurch Bulletin in a couple of weeks. Perhaps you would like to subscribe. The cost is \$10 for 2008. I have published about 100 issues of the UB. If you want to send me \$40 I will go through and pick out 8 issues that I think might be of most interest to you. Over time I can send you some organized information from my files and I am sure we can exchange details to improve our documentation.

Look forward to working with you.
Phil Upchurch

Hi Phil,

My cousin Cindy Pons forwarded me your name and email address. My mother is an Upchurch from Jonesboro/Shreveport, Louisiana.

A few years ago I started getting very involved in Ancestry when attempting to find a Revolutionary War veteran in my family so I can join SAR. My first attempt was through the Upchurch line but due to the lack of detailed census and my lack of knowledge, I was unable to connect the dots. Today, I'm still trying to confirm an actual connection. Meanwhile, I have found some other connections -- but again the dots before 1850 get harder.

Looking at your first bulletin, I am on page 73 - GGS on John Robert Upchurch.

I see in your bulletin that my original attempt at connecting Thomas Upchurch with Thomas Gay Upchurch was correct. But I've never been able to prove that connection that would pass the SAR membership. What information do you have that can help connect these two?

I see that this is a non-profit which is great. I'd be more than happy to donate to the cause. Is there any other kind of "work" that I can assist with -- I live in Kansas City area and I'm in IT and can do websites, databases, photography, etc.

Thanks for putting all of this wonderful work together.

Hi Cousin Jordan---

It is a pleasure to meet you and I am delighted that you want to engage with our family history project which has a rich history and a bright future. I have a project in mind for you to consider--more on that later. First I need to make sure you have a window into our operation. Please take time to peruse our two websites www.upchurchstory.com password 2013upchurch# and www.alliedfamilies.com password 2014allied#. On the first site we have over 4,000 pages posted of Upchurch and allied families records. Note especially the videos and especially the ones on Richard Upchurch, II (No27 and 28) and the ones on his ancestors---all your and my direct ancestors. On the second site note the enrolled family of Charles Upchurch to which you belong. We continue to extract articles for this family from the Upchurch Bulletins and to place them with the Charles narrative. We are up to Vol 13 so far. Note that Allied Families owns a family tree on Ancestry.com for the Charles Upchurch Family. An excerpt of this so far rudimentary tree is shown under the heading Descendants Reports. We are also gradually transcribing and posting the Biofiles of the first three generations of each enrolled family. See Resources tab.

To get an overview of our past and future go to our first site and look over the Upchurch Bulletin Volume 37 for 2016.

We do not have a Volunteer Tree Master for the Charles Upchurch tree yet and would like to ask you to help with this if you are able to do so. Your task would be to incorporate my manually kept Master Outline for this family into the family tree. We could scan and send you this Master Outline Section by Section over time. Feel free to email me questions or call me at (636) 898-8516.

As far as SAR is concerned the weak point in the Charles Upchurch lineage is to prove that Thomas Gay Upchurch, Sr was his son. I am completely satisfied that circumstantial evidence is adequate for our purposes. There is much that you and I can share on your heritage. I hope you will join Allied Families and a membership form is attached.

Here is to the hope that you and I will have a very productive collaboration~

He helps people perfect their lines & enable them to gain SAR. At present he is trying to help ^ΔJordan Chambers [with whom I have had contact]. The challenge is to prove that we ancestor Thomas Gay, Jr is the s/o S1 and that S1 is the s/o Under V, Head of Class. I promised to send some people sheet that might be helpful.

I gave Bruce my email address & he promised to send me his as he would send thanks.

Bruce explained that if exact proof is not available SAR would accept 3 circumstances that point to a relationship.

Hi,

I looked over Upchurchstory.com the other night but haven't yet looked through alliedfamilies.com. I'll do that over the next few days. I've been reading through one of the bulletins that I downloaded the other day. Very interesting.

I'd love to help out. Send me more details when you have a moment.

I'll join this weekend

Hi Jordan---

It will be best to wait to exchange most details after you have had a chance to review our two websites. There you will find much bearing upon your heritage but it may not be easy to find. Our records are so massive that it takes time and patience to get on top of them. Then there is the matter that I have only published a small percentage of what I have collected and organized. I will, however, makes a couple of comments now.

We knew that three of the sons of Richard U., II served in the Revolution. However, only recently did I learn that Charles actually served in the regular Army and was at Valley Forge with Washington. We need to flesh out this story. On my family history trip to TX about 20 years ago one of my stops was in Corsicana, Navarro County. There I tapped into close relatives of your ancestor Thomas Gay U., Jr which fits together well with a lot of data that had come via other routes. Some of this needs to be revisited. Were you already aware that part of your Upchurch relatives moved to TX? They actually cut a wide swath there. This is one of thousands of bits of information that is lodged in my memory somewhere. If I am to be more specific I need to go back to the records less my mind play tricks on me. We have a lot to do on the Charles Upchurch family and I hope you will be with us on the journey.

Best~

Phil Upchurch

Yes, I think I was aware of a migration of Upchurch's into Texas. I've never explored that much -- mostly just focused on my few branches in an effort to join SAR. The evidence I could find just wasn't enough for my SAR rep.

However, it finally appears that journey is coming to a close -- I have finally found a valid connection through the Upchurch line but then branches to Nelson/Huey. I was not aware of the Valley Forge connection -- that's an interesting piece of info. I hope to still confirm this connection so that it can be official in DAR. My research has indicated that I have several ancestors that were in the Revolutionary War on the Chambers, Upchurch and Rhymes (my grandmother who married Gordon Upchurch) sides. All of these branches have roots to colonial days. I've always loved history, and now ancestry has so many possibilities with the Internet -- it's amazing to see how your family is connected with real historical events.

My mom's family moved to Houston, TX in the 1960s -- I think it was because Gordon Upchurch's mother's family lived in the area - they were buried in south Houston.

Hi again,

Today, I met with my local SAR representative who I contacted five years ago in an attempt to join SAR through the Upchurch line. Today he gave me a packet of information from that time. I looked at the mailing address and your name was on it. He gave me the information you sent him (Bruce Bowman) in August 2012 regarding Thomas Gay Upchurch and our attempt to connect the dots. I haven't looked at everything you sent but I was pleasantly surprised.

I ended up connecting to another War Vet through the Upchurch line but only up to John R Upchurch (2x Great Grandfather) who was married to Allie Ruby Feazel. Ended up going up through her line to a Nelson and then a James Huey - my 7x great grandfather.

I'm still determined to actually connect Charles to Thomas and Thomas Gay Upchurch but I guess it's going to require a bit more time and luck. Looking forward to seeing the information you sent Bruce a few years ago.

Hi Jordan---

Good to hear from you. We have an excellent record of how you fit into the Upchurch family. Of course we both would like more proof of Charles being the father of Thomas Gay Upchurch, Sr. I am satisfied that he is but DAR and SAR wants more proof. I hope we can find it .

We would like to have you as an active member of our effort on family history. Attached is a membership form and I hope you will join and be as generous as your circumstances permit. Our collection of Upchurch and allied families is the best that exists anywhere and it will take support and effort to keep it going. We need your participation.

We also have a need for people to transcribe Biofiles and to serve as Tree Masters for the family trees we have on Ancestry.com for each of our enrolled families including the family of Charles Upchurch which we have enrolled and to which you belong. Do study or two websites carefully.

I look forward to hearing from you and to learning how you wish to participate in our ambitious family history effort.

Best Wishes~
