FROM: Bunn Families of SEUS- Vol 1-^ΔJohn, David, James and Wightman Bunn-2006 By Danny Cahier Bunn

The Note below deals with the John Bunn Section of Vol 1. A careful look at the 75 pages of this section reveal only two UPCHURCH NOTATIONS - one on page 2 where Wilford U (s/o James U, II and Gs/o Richard U, III) fathers a child by Gilly Bunn Gs/o John Bunn and on page 60 where the will of Jesse Bunn s/o John Bunn in 1816 shows ^ΔAlice U, s/o over the late Jesse^Δ 50

More study is likely to reveal more Upchurch connections for the John Bunn Family - probably from descendants of female Upchurches - AP4 12 MAR 2010

A Note to Readers

The father of John Bunn is unknown. There is documentation available in courthouse records in the counties of Northampton and Wake, North Carolina that tend to indicate that John's father might have been ^ΔWilliam Burn/Bunn who resided in Northampton County. William had six sons and one daughter. The names of his sons were William, James, Jacob, Owen, David, and John. The name of his daughter is unknown. She married Isaac Vick.

Land records in Northampton County pertaining to William's son, John, ended abruptly in 1778. That was the same year that the John Bunn, residing in Wake County, entered a land grant for three hundred acres of land in that county. Apparently John did not receive that grant for documentation showing that the grant had been issued could not be found in the North Carolina Archives in Raleigh. However, John initiated another request for a grant that was entered on May 27, 1779. He received that grant on September 30, 1785. Could it be that the John residing in Wake County was the same as the one residing in Northampton County? The land received by John in the grant is located in southeastern Wake County, on the eastern side of SR 2308 between the community of Hopkins and Moccasin Creek.

Land records in Northampton County for another of William's son, ^ΔDavid, ceased shortly after that of his brother John. David sold two hundred acres of land in Northampton County in 1781. That same year the name David Bunn appears on the Tax List for Wake County with acreage tax shown to be two hundred acres. Could this be the David from Northampton County and the brother of John Bunn? ^ΔOdam Bunn, son of the Northampton County David Bunn, also left that county around 1790, and his name appears on the Wake County Tax List for the year 1792. Did Odam follow his father to Wake County?

Although documentation to prove that John and David living in Wake were the same as the John and David residing in Northampton has not been found, one could very well come to that conclusion after carefully reviewing all of the information available in those counties. If it can be proven that John Bunn residing in Wake County was the son of William in Northampton County, then John would be a direct descendant of the ^ΔOwen Bunn/Burn/Burne mentioned in the Introduction who resided in Isle of Wight County, Virginia.

In the March 1779 Minutes, Wake County Court of Pleas and Quarters, John Burn/Bunn conveyed land to his son ^ΔJesse Burn/Bunn. Land records pertaining to that transaction could not be found. However, at the division of Jesse's land at his death, some of the land shown on the division map, when plotted onto a topographical map, overlays the two hundred and seventy acrea land grant that John received. So, it appears that the land received by John in the grant was that mentioned in the minutes that was conveyed to Jesse.
